**The Canadian Encyclopedia** James H. Marsh 1999 This edition of "The Canadian Encyclopedia is the largest, most comprehensive book ever published in Canada for the general reader. It is COMPLETE: every aspect of Canada, from its rock formations to its rock bands, is represented here. It is UNABRIDGED: all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume. It has been EXPANDED: since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones; as a result, the text from 1988 has grown by 50% to over 4,000,000 words. It has been UPDATED: the researchers and contributors worked hard to make the information as current as possible. Other words apply to this extraordinary work of scholarship: AUTHORITATIVE, RELIABLE and READABLE. Every entry is compiled by an expert. Equally important, every entry is written for a Canadian reader, from the Canadian point of view. The finished work - many years in the making, and the equivalent of forty average-sized books - is an extraordinary storehouse of information about our country. This book deserves pride of place on the bookshelf in every Canadian Home. It is no accident that the cover of this book is based on the Canadian flag. For the proud truth is that this volume represents a great national achievement. From its formal inception in 1979, this encyclopedia has always represented a vote of faith in Canada; in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated. At the start of a new century and a new millennium, in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations, this "Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future. The statistics behind this volume are staggering. The opening sixty pages list the 250 Consultants, the roughly 4,000 Contributors (all experts in the field they describe) and the scores of researchers, editors, typesetters, proofreaders and others who contributed their skills to this massive project. The 2,640 pages incorporate over 10,000 articles and over 4,000,000 words, making it the largest - some might say the greatest - Canadian book ever published. There are, of course, many special features. These include a map of Canada, a special page comparing the key statistics of the 23 major Canadian cities, maps of our cities, a variety of tables and photographs, and finely detailed illustrations of our wildlife, not to mention the colourful, informative endpapers. But above all the book is "encyclopedic" - which the "Canadian Oxford Dictionary describes as "embracing all branches of learning." This means that (with rare exceptions) there is satisfaction for the reader who seeks information on any Canadian subject. From the first entry "A mari usque ad mare - "from sea to sea" (which is Canada's motto, and a good description of this volume's range) to the "Zouaves (who mustered in Quebec to fight for the beleaguered Papacy) there is the required summary of information, clearly and accurately presented. For the browser the constant variety of entries and the lure of regular cross-references will provide hours of fascination. The word "encyclopedia" derives from Greek expressions alluding to a grand "circle of knowledge." Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known. Yet now Canada's finest scientists, academics and specialists have distilled their knowledge of our country between the covers of one volume. The result is a book for every Canadian who values learning, and values Canada.

**The Nation's Favourite Poems** Griff Rhys Jones 1996 In a nationwide poll to discover Britain's favourite poem, Rudyard Kipling's 'If...' was voted number one. This unique anthology brings together the results of the poll in a collection of the nation's 100 best loved poems. Among the selection are popular classics such as Tennyson's 'The Lady of Shallott' and Wordsworth's 'The Daffodils' alongside contemporary poetry such as Allan Ahlberg's 'Please Mrs Butler' and Jenny Joseph's 'Warning'. Also included is the poignant 'Do not Stand at my Grave and Weep'.

*The Hatred of Poetry* Ben Lerner 2016-06-07 No art has been denounced as often as poetry. It's even bemoaned by poets: "I, too, dislike it," wrote Marianne Moore. "Many more people agree they hate poetry," Ben Lerner writes, "than can agree what poetry is. I, too, dislike it and have largely organized my life around it and do not experience that as a contradiction because poetry and the hatred of poetry are inextricable in ways it is my purpose to explore." In this inventive and lucid essay, Lerner takes the hatred of poetry as the starting point of his defense of the art. He examines poetry's greatest haters (beginning with Plato's famous claim that an ideal city had no place for poets, who would only corrupt and mislead the young) and both its greatest and worst practitioners, providing inspired close readings of Keats, Dickinson, McGonagall, Whitman, and others. Throughout, he attempts to explain the noble failure at the heart of every truly great and truly horrible poem: the impulse to launch the experience of an individual into a timeless communal existence. In *The Hatred of Poetry*, Lerner has crafted an entertaining, personal, and entirely original examination of a vocation no less essential for being impossible.

Adrian Mole: The Collected Poems Sue Townsend 2017-03-16 'It's really, really, really funny' David Walliams Mole Press - a brand new imprint of Penguin Books - is proud to announce the first publication of The Collected Poems of Adrian Mole to mark the author's 50TH birthday. -----  
---- 'Edgy politics, tortured eroticism, misunderstood intellect, changing Britain - a whiff of the sublime. Mole's contribution is significant' Daily Telegraph Featuring poems scattered over nearly thirty years of writing and salvaged from the diaries 'authored' by one Sue Townsend, this slim volume features more than thirty pieces of Adrian's unique art. From his timeless first documented poem - The Tap - via classic odes to his muse, first and only true love Pandora (I adore ya), we follow Adrian's life in verse form. We not only witness his burgeoning political anger in works like Mrs Thatcher (Do you weep, Mrs Thatcher, do you weep?) but also see in later poems his merciless examination of the hollow shell of masculinity as well as documenting his declining libido in tragic pieces like To My Organ. For the first time in a single volume, these are the collected poems of misunderstood intellectual and tortured poet Adrian Mole. 'I ruthlessly exploited Adrian. But he can't afford to sue me' Sue Townsend 'Wonderfully funny and sharp as knives' Sunday Times 'One of the great comic creations' Daily Mirror 'The funniest person in the world' Caitlin Moran

**More Mirth of a Nation** Michael J. Rosen 2011-01-04 More seriously funny writing from America's most trusted humor anthology Witty, wise, and just plain wonderful, the inaugural volume of this biennial, *Mirth of a Nation*, ensured a place for the best contemporary humor writing in the country. And with this second treasury, Michael J. Rosen has once again assembled a triumphant salute to one of America's greatest assets: its sense of humor. More than five dozen acclaimed authors showcase their hilariously inventive works, including Paul Rudnick, Henry Alford, Susan McCarthy, Media Person Lewis Grossberger, Ian Frazier, Richard Bausch, Amy Krouse Rosenthal, Nell Scovell, Andy Borowitz, and Ben Greenman -- just to mention a handful so that the other contributors can justify their feelings that the world slights them. But there's more! *More Mirth of a Nation* includes scads of Unnatural Histories from Randy Cohen, Will Durst's "Top Top-100 Lists" (including the top 100 colors, foods, and body parts), and three unabridged (albeit rather short) chapbooks: David Bader's "How to Meditate Faster" (Enlightenment for those who keep asking, "Are we done yet?") Matt Neuman's "49 Simple Things You Can Do to Save the Earth" (for instance, "Make your own honey" and "Share your shower.") Francis Heaney's "Holy Tango of Poetry" (which answers the question, "What if poets wrote poems whose titles were anagrams of their names, i.e., 'Toilets,' by T. S. Eliot?") And there's still more: "The Periodic Table of Rejected Elements," meaningless fables, Van Gogh's Etch A Sketch drawings, a Zagat's survey of existence, an international baby-naming encyclopedia, Aristotle's long-lost treatise "On Baseball," and an unhealthy selection of letters from Dr. Science's mailbag. And that's just for starters! Just remember, as one reviewer wrote of the first volume, "Don't drink milk while reading."

Nation's Favourite: Comic Poems Griff Rhys Jones 2012-05-31 This wonderful anthology contains some of the nation's all-time favourite comic poetry. From much-loved classics such as Lewis Carroll's curious 'Jabberwocky' to lesser known and forgotten gems such as Gelett Burgess's 'The Purple Cow', Griff Rhys Jones takes us on a poetic tour of witty, nonsensical and plain laugh-out-loud funny poems. The selection brings together poets from every age and every walk of life, from Shakespeare to Victoria Wood and from Keats to Benjamin Zephaniah. There is Roald Dahl's cunning variation on 'Little Red Riding Hood', Spike Milligan's brilliantly ridiculous 'On the Ning Nang Nong' as well as several entries from the ever-elusive Anon, including one delightfully succinct 'Peas'. Remembered, half-remembered, cherished or written on a tea towel, here are some of the nation's favourite comic poems.

Aimless Love Billy Collins 2013-10-22 NEW YORK TIMES BESTSELLER "America's favorite poet."—The Wall Street Journal From the two-term Poet Laureate of the United States Billy Collins comes his first volume of new and selected poems in twelve years. *Aimless Love* combines fifty new poems with generous selections from his four most recent books—*Nine Horses*, *The Trouble with Poetry*, *Ballistics*, and *Horoscopes for the Dead*. Collins's unmistakable voice, which brings together plain speech with imaginative surprise, is clearly heard on every page, reminding us how he has managed to enrich the tapestry of contemporary poetry and greatly expand its audience. His work is featured in top literary magazines such as *The New Yorker*, *Poetry*, and *The Atlantic*, and he sells out reading venues all across the country. Appearing regularly in *The Best American Poetry* series, his poems appeal to readers and live audiences far and wide and have been translated into more than a dozen languages. By turns playful, ironic, and serious, Collins's poetry captures the nuances of everyday life while leading the reader into zones of inspired wonder. In the poet's own words, he hopes that his poems "begin in Kansas and end in Oz." Touching on the themes of love, loss, joy, and poetry itself, these poems showcase the best work of this "poet of plenitude, irony, and Augustan grace" (*The New Yorker*). Envoy Go, little book, out of this house and into the world, carriage made of paper rolling toward town bearing a single passenger beyond the reach of this jittery pen and far from the desk and the nosy gooseneck

lamp. It is time to decamp, put on a jacket and venture outside, time to be regarded by other eyes, bound to be held in foreign hands. So off you go, infants of the brain, with a wave and some bits of fatherly advice: stay out as late as you like, don't bother to call or write, and talk to as many strangers as you can. Praise for Aimless Love "[Billy Collins] is able, with precious few words, to make me cry. Or laugh out loud. He is a remarkable artist. To have such power in such an abbreviated form is deeply inspiring."—J. J. Abrams, *The New York Times Book Review* "His work is poignant, straightforward, usually funny and imaginative, also nuanced and surprising. It bears repeated reading and reading aloud."—*The Plain Dealer* "Collins has earned almost rock-star status. . . . He knows how to write layered, subtly witty poems that anyone can understand and appreciate—even those who don't normally like poetry. . . . The Collins in these pages is distinctive, evocative, and knows how to make the genre fresh and relevant."—*The Christian Science Monitor* "Collins's new poems contain everything you've come to expect from a Billy Collins poem. They stand solidly on even ground, chiseled and unbreakable. Their phrasing is elegant, the humor is alive, and the speaker continues to stroll at his own pace through the plainness of American life."—*The Daily Beast* "[Collins's] poetry presents simple observations, which create a shared experience between Collins and his readers, while further revealing how he takes life's everyday humdrum experiences and makes them vibrant."—*The Times Leader*

**A Child's Christmas in San Francisco** John Briscoe 2020-12-15 At the core of *A Child's Christmas in San Francisco* are seven poems, composed, author John Briscoe tells us, by generations of San Francisco school children. Over the week before Christmas these children paired iconic San Francisco food and drink with the days of the week. Each day got a poem featuring a particular food or beverage. In this way, Briscoe observes, the young poets showed "a precocious affection for the culinary tradition and abiding spirits of Christmas in their City of St. Francis." Briscoe was one of those children. "For the occasion of those seven days, we composed ditties of juvenilia, in verse from bad to worse, to celebrate the days of the week and their paired food or beverage soulmates. From Sutro Heights to South Beach, from Bernal Heights to the Bayview, we composed, and competed, and conceded to the best of us." These then are the best productions of San Francisco's youthful versifiers. They are sly and surprisingly sophisticated comic verses that bring to life a forgotten San Francisco, one spiced with wicked innocence and fueled by the city's unique culinary offerings. Like the season it recalls, this book is celebration, a feast that is guaranteed to delight. This book is for people who have affection for San Francisco, particularly its food, drink or history; people who don't know San Francisco but have been enchanted by films, books, or legends of San Francisco; and people who enjoy whimsy for whimsy's sake. The title of this little book is unabashedly borrowed from Dylan Thomas's delighting story, "A Child's Christmas in Wales," which is best taken in by listening to Thomas himself reading it on the BBC. This little book is a bit of history of San Francisco, history that is inconsequential in light of the city's role in the California gold rush of 1849, in light of the city's destruction and rebirth in 1906, in light of the city's role in the creation of the United Nations and in the Treaty of Peace with Japan following World War II. But it is a bit, just a bit, of the city's history. It is also a bit of poetry, and this city has produced great poets including poets of that now scorned outlaw genre, light verse. It is a bit of nostalgia, for first visits to Playland, first trips to Fisherman's Wharf, first dates. It is a bit of nostalgia for a time that never really was.

**The Beautiful Poetry of Donald Trump** Rob Sears 2019-09-05 What if there's a hidden dimension to Donald Trump; a sensitive, poetic side? Driven by this question, Rob Sears began combing Trump's words for signs of poetry. What he found was a revelation. By simply taking the 45th President of the United States' tweets and transcripts, cutting them up and reordering them, Sears unearthed a trove of beautiful verse that was just waiting to be discovered. This groundbreaking collection gives readers a glimpse of Trump's innermost thoughts and feelings on everything from the nature of truth, to what he hates about Lord Sugar. And it will reveal a hitherto hidden Donald, who may surprise and delight both students and critics alike. Now with seventeen all-new poems! As we lurch deeper into the Trump presidency, this timely publication also includes Sears' scholarly footnotes

and introduction, in which he excavates new critical angles and insights into the President's poetry which the casual reader might initially overlook. Anthologies of British Poetry 2021-11-22 From Tottel's Miscellany (1557) to the last twentieth-century Oxford Book of English Verse (1999), anthologies have been a prime institution for the preservation and mediation of poetry. The importance of anthologies for creating and re-creating the canon of English poetry, for introducing 'new' programmes of poetry, as a record of changing poetic fashions, audience tastes and reading practices, or as a profitable literary commodity has often been asserted. Despite its impact, however, the poetry anthology in itself has attracted surprisingly little critical interest in Britain or elsewhere in the English-speaking world. This volume is the first publication to explore the largely unmapped field of poetry anthologies in Britain. Essays written from a wide range of perspectives in literary and cultural studies, and the point of view of poets, editors, publishers and cultural institutions, aim to do justice to the typological, functional and historical variety with which this form of publication has manifested itself - from early modern print culture to the postmodern age of the world wide web.

*Be Glad Your Nose Is on Your Face* Jack Prelutsky 2020-01-01 When you're in the world of Jack Prelutsky, anything can happen. Ogres run wild, dragons sing, and baby uggs hatch. . . . Frogs wear red suspenders in a rainstorm of pigs and noodles. . . . Scranimals gallivant under a pizza the size of the sun. . . . Even the new kid on the block can see that the nation's first Children's Poet Laureate is something big. So, what are you waiting for? Let your parents think you're sleeping, and ride a purple pelican to a land where imagination is king, ridiculous rhymes rule, and laughing out loud is guaranteed! These are Jack Prelutsky's greatest hits! This magnificent treasury of more than one hundred of Jack Prelutsky's most celebrated verses, along with fifteen all-new poems, is a tribute to his gifts to children's literature over the past forty years. Lushly illustrated by rising star Brandon Dorman and featuring a CD with classic performances by the poet himself, it is the perfect volume for any poetry lover's bookshelf.

**Encyclopedia of American Poetry: The Twentieth Century** Eric L. Haralson 2014-01-21 The Encyclopedia of American Poetry: The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems, along with many articles devoted to topics, schools, or periods of American verse in the century. Entries fall into three main categories: poet entries, which provide biographical and cultural contexts for the author's career; entries on individual works, which offer closer explication of the most resonant poems in the 20th-century canon; and topical entries, which offer analyses of a given period of literary production, school, thematically constructed category, or other verse tradition that historically has been in dialogue with the poetry of the United States.

*It Never Rains* Roger McGough 2017-02-23 *It Never Rains* by Roger McGough - an expanded edition of comic verse and free line drawings, from the nation's favourite poet While up at Magdalen Spent the time dagdalen. Moved on to Caius Became the baius knaius. 'Oxford Blues' is one of the many new poems in this expanded and revised edition of *The State of Poetry*, Roger McGough's book of short humorous verse which was published in 2005 as part of Penguin's 70s series celebrating its 70th anniversary. From a poem commissioned to commemorate Dylan Thomas in just 140 characters, which unfortunately comes to an end mid-word, to a pre-emptive erratum notice, these poems show McGough at his inventive, hilarious best - and there are also new line drawings by the author offered at no extra cost. 'The patron saint of poetry' Carol Ann Duffy Roger McGough was a member of the group Scaffold in the 1960s when he contributed poems to the Penguin title *The Mersey Sound*, which has since sold over a million copies and is now available as a Penguin Classic. He has published many books of poems for children and adults, and both his *Collected Poems* (2004) and *Selected Poems* (2006) are also available in Penguin. He presents *Poetry Please* on Radio 4 and is President of the Poetry Society. He was honoured with the Freedom of the City of Liverpool in 2001 and with a CBE in 2005 for services to literature.

*How to Make Your Care Home Fun* Sue Rolfe 2008-11-15 As we grow older, our need to be engaged in interesting activities does not diminish and is vital to our quality of life. *How to Make Your Care Home Fun* examines the need for activities for elderly people in care and offers a practical programme of entertaining activities that can be used in nursing and residential homes, day centres, rehabilitation centres and hospices. As well as suggesting a programme of activities for older people in care homes including arts and crafts, role-playing, gardening and cooking, it also takes the stance that 'activity nursing' should be integral to all personal care plans and not simply regarded as an add on to medical care. The author also examines how care homes are run and regulated in the light of recent legislation and considers the services provided by care homes and areas of potential deficiency. The book offers a wide selection of activities that can be used with people of all abilities and have greatly improved quality of life for elderly people in care. Highlighting the value of nursing that caters for an individual's physical, mental and emotional needs, this book is an ideal resource for care home professionals and anyone who is responsible for the well-being of elderly people in care.

**The Oxford Book of Comic Verse** John Gross 2002 From Chaucer to Vikram Seth and Victoria Wood; from Byron to John Updike; from Augustan satire to advertising jingles; from G. K. Chesterton to Wendy Cope - this superb anthology is notable above all for its breadth. It is truly international in scope, bringing together poets from far beyond the British Isles. Drawing on many different types of verse, from epigrams to street ballads, from cleriheW to music-hall lyrics, from the double-dactyl of the calypso, it offers an exceptionally wide range of comic pleasures. The poems in this collection are by turns subtle, down-to-earth, macabre, ingenious, acerbic, ribald, and cheerful; written to amuse, they call forth laughter and delight in equal measure. The established classics of comic verse, writers such as Tom Hood, W. S. Gilbert, and Ogden Nash, are represented in force, but

many unfamiliar or unexpected names are also included; so are many recent writers - the classics of the future. This collection undoubtedly contains matter of great historical interest, but the emphasis throughout is firmly on enjoyment.

**Making Cocoa for Kingsley Amis** Wendy Cope 2010-07-15 When Making Cocoa for Kingsley Amis was first published, it catapulted its author into the bestseller lists and established her as one of our funniest and most eloquent poets. There are so many kinds of awful men - One can't avoid them all. She often said She'd never make the same mistake again: She always made a new mistake instead. (from 'Rondeau Redoublé')
