2012-2021 - The Dawn of the Sixth Sun Sergio Magana "Ocelocoyotl" 2012-09-01 What happens on and after December 21, 2012? There has been much confusion and many predictions based on the Mayan calendar. Some people think time on Earth will end, but what if there was an intact and complete resource from the ancestors that will give us the wisdom we need for the shift and an understanding of the coming era? In "2012-2021: The Dawn of the Sixth Sun," Sergio Magana (Ocelocoyotl), mystic and teacher of the ancient Toltec/Aztec lineage of Mesoamerica, discloses an in-depth understanding from a rich and uninterrupted oral tradition, the meaning of the shift from the Fifth to the Sixth Sun, the possibilities presented to humanity at

this time, and ancient teachings and practices designed to support this shift. The Toltecs knew how to interpret the mathematical or universal order that governs all of existence by measuring and observing cycles of time, and the impact they had on the Earth, human consciousness, and perception.

Witch Crafting Phyllis Currott 2001-10-16 The author of *Book of Shadows* digs deep into the practices and principles of Witchcraft to provide a comprehensive guidebook that anyone—novices and seasoned practitioners alike—can use to incorporate the beauty and power of Wicca into their own daily lives. Phyllis Currott's first book, *Book of Shadows*, was an inspirational, spiritual memoir that chronicled her journey from Ivy League-educated, New York City attorney to Wiccan High Priestess. By inviting readers of all faiths to share in her own personal transformation, Phyllis debunked many of the myths surrounding Wicca and revealed it for what it really is: a spiritual movement whose tenets of Goddess worship and reverence for Nature were a great deal more accessible and familiar than she'd ever expected. Far from being just another mechanical spell book, *Witch Crafting* is the first book to offer readers not only the how-to of Witchcraft, but also the why-to, explaining the profound spiritual tenets behind Wiccan techniques. Filled with both traditional and innovative shamanic practices, Phyllis also provides an empowering new definition of magic and reexamines the ethics under which Witchcraft is practiced, offering a groundbreaking alternative to the Threefold Law. With enchanting stories from Currott's own experiences, *Witch Crafting* will also teach you how to:

- Master the secret arts of effective spellcasting
- Create sacred space and personal rituals
- Perform divinations for spiritual insight and earthly success
- Tap into the power of altered states, such as dreaming, meditation, prayer, and trance
- Keep a magical journal and create your own *Book of Shadows*

Rich with detailed advice for making magic, working with Nature, and finding the Divine within, as well as thought-provoking evaluations of this

remarkable spirituality, Witch Crafting is the special volume that you've been searching for. Whether you are a beginner or have been practicing Witchcraft for years, whether you worship in a coven or on your own, Witch Crafting is the ideal handbook for you, or anyone seeking to unlock the divine power that makes real magic happen and experience the ecstasy, energy, and gifts of the Universe more fully.

Adventures in the Afterlife William Buhlman 2013-06-16
Adventures in the Afterlife is a powerful journey of spiritual awakening; a bold quest for answers and enlightenment. The old assumptions of heaven are confronted and an expansive new vision of our continuing life is presented. After being diagnosed with cancer, William Buhlman, author of *Adventures Beyond the Body*, pursued answers to the mysteries of our existence after death. Confronting his mortality, he experienced profound insights into what lies beyond our physical body. Our journey into the next life is the basis for *Adventures in the Afterlife*. The author chronicles his out-of-body experiences and lucid dreams through the eyes of a fictional character, Frank Brooks. The insights are sometimes surprising, but a clear message is always apparent; we are powerful, spiritual beings and we shape our reality now and in the future. The purpose of this book is to prepare us for the many thought responsive environments we will experience. William Buhlman teaches and lectures worldwide on the subjects of out-of-body experiences and spiritual empowerment. Visit the author at www.astralinfo.org.

Dark elves are gathering in the caverns deep under Mithral Hall, hell-bent on destruction. To keep his adopted home and family safe, Drizzt must now return to the dreadful drow city of his birth. Nicknamed the City of Spiders, Menzoberranzan is one of the most dangerous places in the already perilous Underdark. For Drizzt, a rogue elf with a price on his head, stepping foot inside the city is no small risk—it's certain death. But Drizzt Do'Urden and his companions are no strangers to such dire circumstances. Driven by their love and loyalty to the dwarves of Mithral Hall, they will engage the dark elves in combat and willingly lay down their lives . . . *Starless Night* is the second book in the Legacy of the Drow series and the eighth book in the Legend of Drizzt series.

Neverwinter R.A. Salvatore 2012-07-03 Against all odds, Drizzt and Dahlia join forces in the aftermath of battle, united in their desire for vengeance against the sorceress who destroyed Neverwinter The last of the Companions has fallen. Now Drizzt Do'Urden is alone—and free—for the first time in almost one hundred years. Guilt mingles with relief, leaving Drizzt uniquely vulnerable to the persuasions of Dahlia, a darkly alluring elf and the only other member of their Gauntlgrym search party to survive the cataclysm at Mount Hotenow. But traveling with Dahlia is challenging in more ways than one. As the pair seeks revenge on the sorceress responsible for leveling

Neverwinter—and nearly Luskan as well—Drizzt finds his usual moral certainty swept away by her unconventional views. Forced to see the dark deeds to which circumstance may drive a common man, Drizzt begins to find himself on the wrong side of the law in an effort to protect those the law has failed. As old enemies acquire deadly allies, Drizzt and Dahlia quickly find themselves embroiled in battle—a state he's coming to enjoy a little too much. Cunning-folk Owen Davies 2003 Local practitioners of magic, providing small-scale but valued services to the community, cunning-folk were far more representative of magical practice than the arcane delvings of astrologers and necromancers. Mostly unsensational in their approach, cunning-folk helped people with everyday problems: how to find lost objects; how to escape from bad luck or a suspected spell; and how to attract a lover or keep the love of a husband or wife. While cunning-folk sometimes fell foul of the authorities, both church and state often turned a blind eye to their existence and practices, distinguishing what they did from the rare and sensational cases of malevolent witchcraft. In a world of uncertainty, before insurance and modern science, cunning-folk played an important role that has previously been ignored.

Piccolo Manuale Di Cristalloterapia Fabio Tommasi 2020-04-26

Nel corso dei secoli ci sono state pietre che avevano la nomea di portare fortuna o sfortuna a seconda dei casi, preziose gemme incastonate in gioielli sono state rinvenute all'interno di tombe vecchie di migliaia di anni, e ancora pietre e cristalli sono state collegate da sempre a elisir e medicine similari alle moderne prescrizioni mediche, e sono stati usati per le loro proprietà curative. La loro funzione, quindi, non era esclusivamente volta all'ornamento della persona. Ma quali sono le basi della cristalloterapia? Come possiamo utilizzare i cristalli e le pietre per il nostro benessere? I minerali sono straordinarie strutture armoniche create dalla natura, capaci di riordinare, proprio secondo la personale struttura, qualsiasi forma di energia che gli passi attraverso. Ne esistono di tutte le forme e colori, alcuni attraggono immediatamente la nostra attenzione per la loro bellezza o carica energetica. Le pietre e i cristalli assorbono ed emettono energia che cambia a seconda della loro forma, dei componenti chimici che contengono e del loro colore. La cristalloterapia è definita una tecnica di auto-guarigione. Può integrare la medicina ufficiale, senza però - mai! - sostituirla, con lo scopo di aiutarci a raggiungere nel modo più armonioso e graduale possibile uno stato di benessere. I trattamenti coi cristalli ci aiutano a prendere consapevolezza del problema fisico, mentale o energetico, e raggiungere la radice della malattia psico-fisica per estirparla e tornare allo stato naturale di

equilibrio e benessere. Siamo delle entità spirituali libere; questo significa che possediamo una psiche, un corpo ed un intelletto, ma siamo al tempo stesso spirito. L'energia è una forza vitale presente in tutti gli esseri viventi. Alla base della materia vi è l'energia. È invisibile, ma viene sperimentata ogni giorno e assimilata soprattutto grazie all'alimentazione e alla respirazione. Il corpo umano è circondato dall'aura, energia che si concentra in alcuni punti fisicamente allineati con la colonna vertebrale, per dar vita ai chakra, i centri dell'energia vitale presenti e distribuiti all'interno del corpo. Quando nell'aura o nei chakra vi è un blocco energetico, ecco che si presenta il problema, la malattia o il disturbo. Questi stati hanno origine dapprima nel campo energetico umano. I blocchi solitamente sono causati da ritmi di vita frenetici, esperienze ed eventi traumatiche, stress, cattiva alimentazione e una respirazione scorretta. Trovando rimedio alle cattive abitudini o problemi, ecco che i blocchi stessi vengono eliminati. Rintracciando la radice del problema, ovvero ciò che ha allontanato la salute, è possibile agire in maniera diretta ed estirpare completamente l'ostacolo.

Charge and the Energy Body Anodea Judith, Ph.D. 2018-04-10 Use the power of life force to live your highest potential with this "landmark book" that addresses "the role of the chakras in personality and our intimate relationships" and "opens the door to the inner experience of the authentic self" (Peter Levine, author of *Waking the Tiger*) We all know what it's like to have a "charge" about something. It's a feeling of excitement, fear, sexual arousal, or irritation. But what we don't currently know is how to use charge for the behaviors we want to create. Charge is a word for the basic life force running through us. This force is crucial if we are to meet the challenges of difficult situations, heal past wounds and traumas, and manage the stress of modern life. Even more, it is essential for understanding how to master your own life force and become all you can be. This book makes an important contribution to the growing field of Energy Medicine, by looking at charge as the interface between mind and body, and the missing ingredient in Mind-Body healing. It brings the reader into a deep intimacy with their own life force, as well as an understanding of how charge runs their relationships, their

children, their clients, and patients. It examines how we can become “overcharged” or “undercharged” and how to bring about balance through practices of charging and discharging. Each chapter gives simple exercises to put these principles into practice. World-renowned teacher, somatic therapist, best-selling author, and advanced yoga teacher, Anodea Judith, Ph.D., addresses all this and more in her groundbreaking book on mastering the life force. Taken from her decades of teaching on the subject and her doctoral work in Mind-Body medicine, this book contributes something entirely new to the literature on healing self and others.

Esoteric Psychology - The Seven Rays Dr. Douglas M. Baker 2014-04-09 Esoteric Psychology - The Seven Rays: The knowledge of the Seven Rays provided by this book will prove of immense value to all who seek to understand human nature, and to achieve enhanced self awareness and integration of personality, in themselves and others. This masterly written and illustrated manual is an absolutely essential starting and reference work for all those who finally respond in this lifetime to their Purpose and Inner Voice! This book emphasises that all is energy and that Man is an energy unit affected from both without and within. It demonstrates that Ray Psychology is essentially practical and

shows how the qualities of these energies may be understood and embraced in human behaviour and today's language. It is plain that psychology will play an ever increasing role in the development of new age consciousness. Already today millions of people, who would be regarded as laymen, practise their own psychology in everyday life. This tendency has been boosted by the general interest in astrology. A glimpse into the future will show that the new psychology will be based on many emerging astrological factors. Esoteric psychology takes into account not only hereditary and environment, but draws also upon that massive third factor which is the psychic and spiritual nature of Mankind. The effect of karma, the influence of previous lives, etc., are major contributions to the behaviour of those who seek to tread the path towards spiritual enlightenment. Esoteric Psychology is based on two major precepts. Firstly, there is a cosmic force conveying seven streams of energy into our solar system that affect the nature, behaviour and evolution of all forms within the ring-pass-not of this system. These streams are termed the Seven Rays. Secondly, spiritual qualities emerging from the immortal component of Man's structure affect his behaviour and modify the contributing factors of his hereditary equipment and the environment into which it is thrust.
