Colors of Me Brynne Barnes 2011-09-19 Intriguing collage illustrations frame this timeless story of a young child who questions the significance of color. Speaking in verse, the child wonders if the natural world believes any particular color to be more important than another. Does the rain think I'm a color when it falls on my head? I wonder if the clouds think I'm a color... maybe they think I'm green or blue or red. The child comes to see the importance of a world filled with and accepting of all colors. Do I have to choose one color? I want to be them all - black, blue, purple, brown, pink, orange, yellow, red, white, and green. The whole world is full of colors - just like me. Brynne Barnes earned a B.S. from the University of Michigan and a M.A. from Eastern Michigan University, and she teaches writing at Adrian College. This is her first picture book. She lives in Ann Arbor, Michigan,

where she writes books, poetry, and music. Annika M. Nelson's work crosses cultural borders, portraying images of everyday life. She has illustrated several books including Folk Wisdom of Mexico, in addition to illustrations for many national publications. She lives near San Diego, California.

An Old-Fashioned Thanksgiving Louisa May Alcott 2021-09-06 Whether your Thanksgiving is more sweatpants on the couch or turkey with all the trimmings, everyone loves a good tradition. From competitive yearly football matches (hello, Monica and Ross) to family arguments (again, hello, Monica and Ross) to repeating movies - or books. Louisa May Alcott's "An Old-Fashioned Thanksgiving" is like a warming cup of cocoa for the soul. In this holiday treat we follow a family preparing for their own Thanksgiving. There is of course, drama, spirited arguments and narrowly missed arguments, but at the end of it all a spectacular turkey with all the trimmings is ready and waiting. A heartwarming treat to get you into the holiday spirit. Louisa May Alcott (1832-1888) discovered writing at an early age, where she often thought up stories about villains, ghosts, or damsels in distress. Driven by economic misfortunes, she worked several jobs but later chose writing as her sole purpose. She was a devout feminist and did not marry throughout her life. Her most famous works include the novel "Little Women", its sequel "Little Men", as well as "Good Wives" and "An Old-Fashioned Girl". Her masterpiece "Little Women" was made into a highly successful 2019 movie starring Saoirse Ronan and Timothée Chalamet.

Hands Free Mama Rachel Macy Stafford 2014-01-07 "Rachel Macy Stafford's post "The Day I Stopped Saying Hurry Up" was a true phenomenon on The Huffington Post, igniting countless conversations online and off about freeing ourselves from the vicious cycle of keeping up with our overstuffed agendas. Hands Free Mama has the power to keep that conversation going and remind us that we must not let our lives pass us by." --Arianna Huffington, Chair, President, and Editor-in-Chief of the Huffington Post Media Group, nationally syndicated columnist, and author of thirteen books <http://www.huffingtonpost.com/> DISCOVER THE POWER, JOY, AND LOVE of Living "Hands Free" If technology is the new addiction, then multi-tasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it has to be. In July 2010, special education teacher and mother Rachel Macy Stafford decided enough was enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. She started a blog to chronicle her endeavors and soon saw how both external and internal distractions had been sabotaging her happiness and preventing her from bonding with the people she loves most. Hands Free Mama is the digital society's answer to finding balance in a media-saturated, perfection-obsessed world. It doesn't mean giving up all technology forever. It doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. It means looking our loved ones in the eye and giving them the gift of our undivided attention, leaving the laundry till later to dance with our kids in the rain, and living a present, authentic, and intentional life despite a world full of

distractions. So join Rachel and go hands-free. Discover what happens when you choose to open your heart—and your hands—to the possibilities of each God-given moment.
