I Know Why the Caged Bird Sings Maya Angelou 2010-07-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader

into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition.

"F" is for Fugitive Sue Grafton 2010-04-01 #1 New York Times bestselling author Sue Grafton crafts a thriller set in a town so small that P.I. Kinsey Millhone wonders just how private her investigation can be . . . F is for Fugitive Floral Beach wasn't much of a town: six streets long and three deep, its only notable feature a strip of sand fronting the Pacific. It was on that sandy beach seventeen years ago that the strangled body of Jean Timberlake had been found. The people of floral Beach didn't pay a whole lot of mind to past history, especially when Bailey Fowler, the self-confessed killer, had been properly processed and convicted. They weren't even unduly concerned when, a year after the murder, Fowler walked away from the men's prison at San Luis Obispo, never to be seen again. After all, everyone knew Jean had been a wild kid. "Like mother, like daughter," some said--though never within hearing of Shana Timberlake, who, whatever her faults, still mourned her murdered child. And then, by sheer fluke, the cops stumbled on Bailey Fowler. And a case seventeen years dead came murderously to life again. For Royce Fowler, old and sick with not much time left, his son's reappearance was the chance to heal an old wound. For Kinsey Millhone, the case was a long shot, but she agreed to take it on. She couldn't know then it would lead her to probe the passions buried just below the surface of family relations, where old wounds fester and the most cherished emotions become warped until they fuse into deadly, soul-destroying time bombs.
