The 3 Minute Gratitude Journal for Kids Fresh Breeze 2019-11-09 This is a unique journal for kids and teenagers, allowing them the time to record their feelings each day. It's a guide to cultivate an attitude of gratitude! It is a self exploration journal designed to focus on being thankful for what we have, the big things in life, as well as the simple joys. Each well designed daily spread contains space to write 3 things you are thankful for each day of the week, and something awesome that happened today. Gratitude tasks have been scientifically proven to promote happiness. The simple act of using the journal is an 'analogue' time in an increasingly digital age. If the child starts each day by writing down three things is is thankful for a family, a favorite teacher, a good book - it begins each day on the right note. Let it do it everyday and make it a habit to focus on the blessings you have been given! Also get a copy for a friend who also has children so they can learn gratitude.
