Cats in Art Desmond Morris 2017 The cat--that most graceful, stubborn, and agile of animals--has been a favorite subject of artists the world over from prehistory to the modern day. A spectacular 7,000-year-old engraving in Libya depicts a catfight. Figures modeled by the Babylonians remind us of their belief that the souls of priests were escorted to paradise by a helpful cat. Pablo Picasso was known to have loved cats and famously portrayed them as savage predators. In Victorian times, cats were depicted in loving family groups with mothers caring for their playful kittens. Today, the cat is one of the most popular domestic pets on the planet, and feline art is a hugely popular theme across the world. In his latest eye-catching book, best-selling author Desmond Morris tells the compelling story of cats in art. He explores feline art in its many forms, tracing its history from ancient rock paintings and spectacular Egyptian art to the work of old masters, avant-garde representations, and the depiction of cats in cartoons. Morris discusses the various ways in which artists have approached the subject throughout history, weaving illuminating stories with rarely seen images. The result is a beautifully illustrated book that will delight anyone with a Kitty, Max, or Tigger in their life.

Impressionist Cats Susan Herbert 2020-06-02 This irresistible volume features illustrations of Impressionist masterpieces—with a feline twist. Cats playing a quiet game of cards, cats at the ballet, cats having a leisurely lunch on the grass, cats boating on the river...These are the quintessential Impressionist cats, painted with vivid, joyous colors in their favorite haunts, at their ease in various ordinary activities. With their pensive, brooding expressions, cats lend themselves perfectly to reimagining the great works of the Impressionist masters, whether strolling among Claude Monet's wild poppies, sitting in Mary Cassatt's loge at the opera, or even enjoying a Sunday dance at Auguste Renoir's Bougival. They can be charming or steeped in mute despair, vulgar or lovingly maternal, bourgeois or intellectual—but they are always Impressionist cats, caught as if by the camera, spontaneous and unprepared. A wonderful addition to the Cats in Art series, *Impressionist Cats* is sure to charm any cat lover.

Can the white cat help to show him that the perfect gift isn't important, when he's already captured her heart?
