The Art of Reading Poetry Harold Bloom 2005-03-01 A paperback original, Bloom's stand-alone introduction to *The Best Poems of the English Language*. A notable feature of Harold Bloom's poetry anthology *The Best Poems English Language* is his lengthy introductory essay, here reprinted as a separate book. For the first time Bloom gives his readers an elegant guide to reading poetry--a master critic's distillation of a lifetime of teaching and criticism. He tackles such subjects as poetic voice, the nature of metaphor and allusion, and the nature of poetic value itself. Bloom writes "the work of great poetry is to aid us to become free artists of ourselves." This essay is an invaluable guide to poetry. This edition will also include a recommended reading list of poems.

Modern Italian Poets Jacob Blakesley 2014-02-24 In 1948, the poet Eugenio Montale published his *Quaderno di traduzioni* and created an entirely new Italian literary genre, the "translation notebook." The quaderni were the work of some of Italy's foremost poets, and their translation anthologies proved fundamental for their aesthetic and cultural development. *Modern Italian Poets* shows how the new genre shaped the poetic practice of the poet-translators who worked within it, including Giorgio Caproni, Giovanni Giudici, Edoardo Sanguineti, Franco Buffoni, and Nobel Prize-winner Eugenio Montale, displaying how the poet-translators used the quaderni to hone their poetic techniques, experiment with new poetic metres, and develop new theories of poetics. In addition to detailed analyses of the work of these five authors, the book covers the development of the quaderno di traduzioni and its relationship to Western theories of translation, such as those of Walter Benjamin and Benedetto Croce. In an appendix, *Modern Italian Poets* also provides the first complete list of all translations and quaderni di traduzioni published by more than 150 Italian poet-translators.

On Modern Poetry Guido Mazzoni 2022-04-19 Guido Mazzoni tells the story of poetry's revolution in the modern age. The chief transformation was the rise of the lyric as it is now conceived: a genre in which a first-person speaker talks about itself. Mazzoni argues that modern poetry embodies the age of the individual and has wrought profound changes in the expectations of readers.

Of the Subcontract Nick Thurston 2016-05-17 *Of the Subcontract* is a collection of poems about computational capitalism, each of which was written by an underpaid worker subcontracted through Amazon.com's Mechanical Turk service. The collection is ordered according to cost-of-production and repurposes metadata about the efficiency of each writer to generate informatic typographic embellishments. Those one hundred poems are braced between two newly commissioned essays; the whole book is threaded with references to Jean-Jacques Rousseau, Wolfgang von Kempelen and the emerging iconography of cloud living. *Of the Subcontract* reverses out of the database-driven digital world of new labour pools into poetry's black box: the book. It reduces the poetic imagination to exploited labour and, equally, elevates artificial intelligence to the status of the poetic. In doing so, it explores the all-too-real changes that are reforming every kind of work, each day more quickly, under the surface of life.

The Book of Disquiet: The Complete Edition Fernando Pessoa 2017-08-29 For the first time—and in the best translation ever—the complete *Book of Disquiet*, a masterpiece beyond comparison. *The Book of Disquiet* is the Portuguese modernist master Fernando Pessoa's greatest literary achievement. An "autobiography" or "diary" containing exquisite melancholy observations, aphorisms, and ruminations, this classic work grapples with all the eternal questions. Now, for the first time the texts are presented chronologically, in a complete English edition by master translator Margaret Jull Costa. Most of the texts in *The Book of Disquiet* are written under the semi-heteronym Bernardo Soares, an assistant bookkeeper. This existential masterpiece was first published in Portuguese in 1982, forty-seven years after Pessoa's death. A monumental literary event, this exciting, new, complete edition spans Fernando Pessoa's entire writing life.

Beyond the Suffering of Being: Desire in Giacomo Leopardi and Samuel Beckett Roberta Cauchi-Santoro 2017-03-01 This book challenges critical approaches that argue for Giacomo Leopardi's and Samuel Beckett's

pessimism and nihilism. Such approaches stem from the quotation of Leopardi in Beckett's monograph Proust, as part of a discussion about the removal of desire. Nonetheless, in contrast to ataraxia as a form of ablation of desire, the desire of and for the Other is here presented as central in the two authors' oeuvres. Desire in Leopardi and Beckett is read as lying at the cusp between the theories of Jacques Lacan and Emmanuel Levinas, a desire that splits as much as it moulds the subject when called to address the Other (inspiring what Levinas terms 'infinity' as opposed to 'totality,' an infinity pitted against the nothingness crucial to pessimist and nihilist readings).

Economy of the Unlost Anne Carson 2009-04-11 The ancient Greek lyric poet Simonides of Keos was the first poet in the Western tradition to take money for poetic composition. From this starting point, Anne Carson launches an exploration, poetic in its own right, of the idea of poetic economy. She offers a reading of certain of Simonides' texts and aligns these with writings of the modern Romanian poet Paul Celan, a Jew and survivor of the Holocaust, whose "economies" of language are notorious. Asking such questions as, What is lost when words are wasted? and Who profits when words are saved? Carson reveals the two poets' striking commonalities. In Carson's view Simonides and Celan share a similar mentality or disposition toward the world, language and the work of the poet. Economy of the Unlost begins by showing how each of the two poets stands in a state of alienation between two worlds. In Simonides' case, the gift economy of fifth-century b.c. Greece was giving way to one based on money and commodities, while Celan's life spanned pre- and post-Holocaust worlds, and he himself, writing in German, became estranged from his native language. Carson goes on to consider various aspects of the two poets' techniques for coming to grips with the invisible through the visible world. A focus on the genre of the epitaph grants insights into the kinds of exchange the poets envision between the living and the dead. Assessing the impact on Simonidean composition of the material fact of inscription on stone, Carson suggests that a need for brevity influenced the exactitude and clarity of Simonides' style, and proposes a comparison with Celan's interest in the "negative design" of printmaking: both poets, though in different ways, employ a kind of negative image making, cutting away all that is superfluous. This book's juxtaposition of the two poets illuminates their differences--Simonides' fundamental faith in the power of the word, Celan's ultimate despair--as well as their similarities; it provides fertile ground for the virtuosic interplay of Carson's scholarship and her poetic sensibility.

Haiku for a Season / Haiku Per Una Stagione Andrea Zanzotto 2012-10-27 Andrea Zanzotto is one of the most important and acclaimed poets of postwar Italy. This collection of ninety-one pseudo-haiku in English and Italian—written over several months during 1984 and then revised slowly over the years—confirms his commitment to experimentation throughout his life. Haiku for a Season represents a multilevel experiment for Zanzotto: first, to compose poetry bilingually; and second, to write in a form foreign to Western poetry. The volume traces the life of a woman from youth to adulthood, using the seasons and the varying landscape as a mirror to reflect her growth and changing attitudes and perceptions. With a lifelong interest in the intersections of nature and culture, Zanzotto displays here his usual precise and surprising sense of the living world. These never-before-published original poems in English appear alongside their Italian versions—not strict translations but parallel texts that can be read separately or in conjunction with the originals. As a sequence of interlinked poems, Haiku for a Season reveals Zanzotto also as a master poet of minimalism. Zanzotto's recent death is a blow to world poetry, and the publication of this book, the last that he approved in manuscript, will be an event in both the United States and in Italy.

The Conservatory of Santa Teresa Bilenchi, Romano 2015-10-22 This volume is the first translation of Romano Bilenchi's 1940 masterpiece to appear in English. This is surprising since The Conservatory of Santa Teresa is much more than an invaluable historical document of life in provincial Tuscany around the time of the First World War. It is truly one of the most important works of fiction published in Italy under Fascism. In telling of the pre-adolescent Sergio's encounter with the larger world of sex, politics, and the violence and cruelty of adult life, Bilenchi succeeds in representing a universal paradigm, that of the clash of innocence with experience. But what makes Sergio's trajectory unique is that he goes through it in the company of three extraordinary women who are at once femmes fatales and benevolent guides: his mother, his aunt, and his tutor, all almost unbearably beautiful, as least in Sergio's eyes. These women, plus the dazzling landscape of the Sienese countryside as captured by Bilenchi, make Sergio's journey an enviable even if sometimes painful and bewildering experience.

The Work of Art Gérard Genette 1997 What art is--its very nature--is the subject of this book by one of the most distinguished continental theorists writing today. Informed by the aesthetics of Nelson Goodman and referring to a wide range of cultures, contexts, and media, The Work of Art seeks to discover, explain, and define how art exists and how it works. To this end, Gérard Genette explores the distinction between a work of art's immanence--its physical presence--and transcendence--the experience it induces. That experience may go far beyond the object itself. Genette situates art within the broad realm of human practices, extending from the fine arts of music, painting, sculpture, and literature to humbler but no less fertile fields such as haute couture and the culinary arts. His discussion touches on a rich array of examples and is bolstered by an extensive knowledge of the technology involved in producing and disseminating a work of art, regardless of whether that dissemination is by performance, reproduction, printing, or recording. Moving beyond examples, Genette proposes schemata for thinking about the different manifestations of a work of art. He also addresses the question of the artwork's duration and mutability.

Diario Postumo Eugenio Montale 2001 Dual language edition of mysterious last works greatest Italian poet of 20th century

The Manuscript Found in Saragossa Jan Potocki 2006-04-27 Alphonse, a young Walloon officer, is travelling to join his regiment in Madrid in 1739. But he soon finds himself mysteriously detained at a highway inn in the strange and varied company of thieves, brigands, cabbalists, noblemen, coquettes and gypsies, whose stories he records over sixty-six days. The resulting manuscript is discovered some forty years later in a sealed casket, from which tales of characters transformed through disguise, magic and illusion, of honour and cowardice, of hauntings and seductions, leap forth to create a vibrant polyphony of human voices. Jan Potocki (1761-1812) used a range of literary styles - gothic, picaresque, adventure, pastoral, erotica - in his novel of stories-within-stories, which, like the Decameron and Tales from the Thousand and One Nights, provides entertainment on an epic scale.

The Ocean and the Boy Giuseppe Conte 1997 Born in Imperia in 1945, Giuseppe Conte is one of the most important and powerful voices in Italian literature today. A talented and versatile writer, he has published numerous books of poetry, novels, criticism, essays, and plays. He has received major literary prizes (including the Premio Montale) and has translated into Italian the works of Shelley, D.H. Lawrence and Walt Whitman. He has traveled extensively, has visited the United States to present his poetry, and now lives in Imperia, Italy, and in Nice, France. *The Ocean and the Boy*, Conte's first full-length book of poetry, is written in an intensely personal style, fusing myth and everyday reality. In this dual-language edition, the first English translation of a complete poetry book by Conte, the editor-translator, Italian-born poet Laura Stortoni, has included a translator's note, biographical and bibliographical data, endnotes and an introduction by Italo Calvino.

Selected Poems Giuseppe Ungaretti 2004-04 A major new translation of one of Italy's greatest modern poets Giuseppe Ungaretti (1888-1970) was a pioneer of the Modernist movement in Italian poetry and is widely regarded as one of the leading Italian poets of the twentieth century. His verse is renowned and loved for its powerful insight and emotion, and its exquisite music. Yet, unlike many of his peers, Ungaretti has never been adequately presented to English readers. This large bilingual selection, translated with great sensitivity and fidelity by Andrew Frisardi, captures Ungaretti in all of his phases: from his early poems, written in the trenches of northern Italy during World War I, to the finely crafted erotic and religious poetry of his second period, to the visceral, elegiac poetry of the years following the death of his son and the occupation of Rome during World War II, to the love poems of the poet's old age. Frisardi's in-depth introduction details the world in which Ungaretti's work took shape and exerted its influence. In addition to the poet's own annotations, an autobiographical afterword, "Ungaretti on Ungaretti," further illuminates the poet's life and art. Here is a compelling, rewarding, and comprehensive version of the work of one of the greatest modern European poets.

After Words Elizabeth Leake 2011-01-01 *After Words* investigates how the suicide of an author informs critical interpretations of the author's works. Suicide itself is a form of authorship as well as a revision, both on the part of the author, who has written his or her final scene and revised the 'natural' course of his or her life, and on the part of the reader, who must make sense of this final act of writing. Elizabeth Leake focuses on twentieth-century Italian writers Guido Mor-selli, Amelia Rosselli, Cesare Pavese, and Primo Levi, examining personal correspondence, diaries, and obituaries along with popular and academic commemorative writings to elucidate the ramifications of the authors' suicides for their readership. She argues that authorial suicide points to the limitations of those critical stances that exclude the author from the practice of reading. In this innovative and accessible assessment of some of the key issues of authorship, Leake shows that in the aftermath of suicide, an author's life and death themselves become texts to be read.

For the Baptism of Our Fragments Mario Luzi 1992 Described as the most conspicuous voice in Italian poetry after Eugenio Montale, Mario Luzi created for himself an unmistakably individual rhythm, idiom, and ethos ...Particular to Luzi's poetry is the quality of lyricism, and tone of conversational intimacy, of which *For the Baptism of Our Fragments* represents the crowning achievement of a long poetic career which began with his first book of poems in 1935.

Befriending Our Desires Philip Shelldrake 2016-08-18 Desire is at the heart of what it is to be human. The power of desire, while embodied and sensuous, is God-given and the key to all human spirituality. Humanity is blessed with a deep longing that is infinite in extent and can only ultimately be satisfied in God. *Befriending Our Desires* portrays the intimate connection between desire and the spiritual journey. Drawing on Hebrew and Christian Scriptures, Christian spiritual classics (with some reference to Buddhist spirituality), poetry, and other literature, plus personal and pastoral experience, Philip Shelldrake explores the role of desire in relation to God, prayer, sexuality, making choices, and responding to change.

Obsolete Objects in the Literary Imagination Francesco Orlando 2008-10-01 Translated here into English for the first time is a monumental work of literary history and criticism comparable in scope and achievement to Eric Auerbach's *Mimesis*. Italian critic Francesco Orlando explores Western literature's obsession with outmoded and nonfunctional objects (ruins, obsolete machinery, broken things, trash, etc.). Combining the insights of psychoanalysis and literary-political history, Orlando traces this obsession to a turning point in history, at the end of eighteenth-century industrialization, when the functional becomes the dominant value of Western culture. Roaming through every genre and much of the history of Western literature, the author identifies distinct categories into which obsolete images can be classified and provides myriad examples. The function of literature, he concludes, is to remind us of what we have lost and what we are losing as we rush toward the future.

Instructions on how to Read a Newspaper and Other Poems Valerio Magrelli 2008 Poetry. Bilingual Edition. Translated from the Italian by Riccardo Duranti, Anamaria Crowe Serrano, and Anthony Molino. Edited by Anthony Molino. In his introduction, "On Reading Valerio Magrelli," Oxford Professor Peter Hainsworth describes the title work as "a striking, ambitious and indeed ingenious creation, evidence of a poetic strategy that daringly spearheads and remains at the forefront of Italian poetry today." Valerio Magrelli is recognized in Italy as one of the country's most imaginative, innovative and vision-altering poets yet still remains insufficiently known to the English-speaking world. The present bilingual collection, combining selections from two works of the 1980s under the title *Nearsights*, together with the complete composition of 1999,

"Instructions on How to Read a Newspaper," strives to rectify this situation.
