The Gnostic Bible Willis Barnstone 2006 A landmark work of scholarship and literary translation, The Gnostic Bible presents the most significant and beautiful sacred texts of gnostic mysticism. The gnostics were religious thinkers who believed that salvation is found through mystical knowledge and personal religious experience. Gnostic writings offer striking perspectives on both early Christian and non-Christian thought. Dating from the first to the thirteenth centuries, the selections in this volume represent Jewish, Christian, Hermetic, Mandaean, Manichaean, Islamic, and Cathar forms of gnostic spirituality, and their sources include Egypt, the Greco-Roman world, the Middle East, Syria, Iraq, China, and France. These texts show that gnosticism was a world religion that sought truths in a wide variety of traditions and expressed those truths in powerful and provocative mystical poetry and prose. This is the first time that such a diverse collection of ancient gnostic texts has been published in a single volume, and many of the texts have never before been translated into English.

Angel Intelligence - New Cover Yehuda Berg 2013-01-08 According to the teachings of Kabbalah, angels are the infrastructure of the universe, the invisible conduit that moves energy along. Some have existed forever: archangels, angels of the days of the week and the zodiac, guardian angels, the angels of death and judgment. Other angels, both positive and negative, are created through our actions. *Inteligencia angelical* reveals the power behind these unseen forces and shows how, through Kabbalah, readers can harness that power, transform their lives, and find greater fulfillment.

Archangels and Ascended Masters Doreen Virtue 2010-07 Guide to Working and Healing with Divinities and Deities. *Archangels and Ascended Masters* is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic, Theosophical, New Age, Catholic, Cabalistic, Jewish, and Christian roots. Doreen Virtue carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems, and how to call upon each one. Doreen spent time in communication with each divinity to ensure that the being was reachable, and to discover the essence of his or her personality and current dealings with the world - and within these pages, she includes a channeled message or impression from each of the ascended masters and archangels. Many of her channelings were conducted at power points throughout the world, such as Stonehenge in England; the Irish coast; Kona, Hawaii; and the New Zealand rain forest. A comprehensive chart lists a number of life situations such as Addictions, Finding a Soulmate, Emergency Money, Healing Physical Illness, and various personal and family concerns. Beneath each topic is a list of whom to call upon when dealing with that particular challenge. Doreen also includes prayers to help you call upon multiple divinities for specific issues such as "increased clairvoyance" and "resolving conflict."
