Other Colors Orhan Pamuk 2010-10-22 Knopf Canada is proud to welcome Orhan Pamuk to the list with an inspiring and engaging collection of essays on literary and personal subjects—his first new book since winning the Nobel Prize. In the three decades that Pamuk has devoted to writing fiction, he has also produced scores of witty, moving and provocative essays and articles. Here is a thoughtful compilation of a dazzling novelist's best non-fiction, offering different perspectives on his lifelong obsessions. Pamuk's criticism, autobiographical writing and meditations are presented alongside interviews he has given and selections from his private notebooks. He engages the work of other novelists, including Sterne and Dostoyevsky, Salman Rushdie and Patricia Highsmith, and he discusses his own books and writing process. We learn not just how he writes but how he lives as he recounts his successful struggle to quit smoking and describes his relationship with his daughter. Ordinary events—applying for a passport, the death of a relative—inspire extraordinary flights of association as the novelist reflects on everything from the child's state of being to divergent attitudes towards art in the East and West. Illustrated with photographs, paintings and the author's own sketches, *Other Colors* gives us Orhan Pamuk's world through a kaleidoscope whose brilliant, shifting themes and moods together become a radiant and meaningful whole.

A Strangeness in my Mind Orhan Pamuk 2015-10-20 From the Nobel Prize winner and acclaimed author of *My Name is Red* comes a modern epic novel that tells the coming of age story of a street vendor in Istanbul and the love of his life. Arriving in Istanbul as a boy, Mevlut Karataş is enthralled by both the old city that is disappearing and the new one that is fast being built. He becomes a street vendor, like his father, hoping to strike it rich, but luck never seems to be on Mevlut's side. He spends three years writing love letters to a girl he has seen just once, only to elope by mistake with her sister. Although he grows to cherish his wife and the family they have together, Mevlut stumbles toward middle age as everyone around him seems to be reaping the benefits of a rapidly modernizing Turkey. Told through the eyes of a diverse cast of characters, in *A Strangeness in My Mind* Nobel-prize-winning author Orhan Pamuk paints a brilliant tableau of life among the newcomers who have changed the face of Istanbul over the past fifty years.

A Strangeness in My Mind Orhan Pamuk 2015-10-06 Since his boyhood in a poor village in Central Anatolia, Mevlut Karatas has fantasized about what his life would become. Not getting as far in school as he'd hoped, at the age of twelve, he comes to Istanbul—"the center of the world"—and is immediately enthralled both by the city being demolished and the new one that is fast being built. He follows his father's trade, selling boza on the street, and hopes to become rich like other villagers who have settled on the desolate hills outside the booming metropolis. But chance seems to conspire against him. He spends three years writing love letters to a girl he saw just once at a wedding, only to elope by mistake with her sister. And though he grows to cherish his wife and the family they have, his relations all make their fortunes while his own years are spent in a series of jobs leading nowhere; he is sometimes attracted to the politics of his friends and intermittently to the lodge of a religious guide. But every evening, without fail, he still wanders the streets of Istanbul, selling boza and wondering at the "strangeness" in his mind, the sensation that makes him feel different from everyone else, until fortune conspires once more to let him understand at last what it is he has always yearned for. Told from the perspectives of many beguiling characters, *A Strangeness in My Mind* is a modern epic of coming of age in a great city, and a mesmerizing narrative sure to take its place among Pamuk's finest achievements.

Orhan Pamuk Orhan Pamuk 2020-01-21 The streetscapes of Istanbul as photographed by Nobel prize-winning novelist Orhan Pamuk in an exquisitely printed clothbound edition The dominant color in Orhan Pamuk's new book of photographs is orange. When the Nobel-Prize-winning novelist is finished with the day's writing, he takes his camera and wanders through Istanbul's various neighborhoods, visiting the backstreets of his town, areas without tourists, spaces that seem neglected and forgotten, spaces with a particular light. This is the orange light of Istanbul's windows and streetlamps that Pamuk knows so well from his childhood—from the Istanbul of 50 years ago, as he mentions in his introduction. But Pamuk also observes that the homely, cosy orange light is slowly being replaced by a new, bright and icy white light from new lightbulbs. His photographs from the backstreets of Istanbul record and preserve the cosy effect of this old, disappearing orange light, as well as the recognition of this new white vision. Whether reflected in well-trodden snow, concentrated as a glaring ball atop a lamppost or subtly present as a diffuse haze, orange literally and aesthetically gives shape to Pamuk's pictures, which reveal to us the unseen corners of his home city.

The Naive and the Sentimental Novelist Orhan Pamuk 2011-11-01 From the Nobel Prize-winning novelist and the acclaimed author of *My Name is Red*—an inspired, thoughtful, and deeply personal book of essays about reading and writing novels. In this fascinating set of essays, based on the talks he delivered at Harvard University as part of the distinguished Norton Lecture series, Pamuk presents a comprehensive and provocative theory of the novel and the experience of reading. Drawing on Friedrich Schiller's famous distinction between "naïve" writers—those who write spontaneously—and "sentimental" writers—those who are reflective and aware—Pamuk reveals two unique ways of processing and composing the written word. He takes us through his own literary journey and the beloved novels of his youth to describe the singular experience of reading. Unique, nuanced, and passionate, this book will be beloved by readers and writers alike.

Reminiscent of the work of the magical realists but with a distinctive Nordic twist, *The History of Danish Dreams* is a truly magical novel.

Istanbul Orhan Pamuk 2006-12-05 From the Nobel Prize winner and acclaimed author of *My Name is Red* comes a portrait of Istanbul by its foremost writer, revealing the melancholy that comes of living amid the ruins of a lost empire. "Delightful, profound, marvelously origina.... Pamuk tells the story of the city through the eyes of memory." —The Washington Post Book World A shimmering evocation, by turns intimate and panoramic, of one of the world's great cities, by its foremost writer. Orhan Pamuk was born in Istanbul and still lives in the family apartment building where his mother first held him in her arms. His portrait of his city is thus also a self-portrait, refracted by memory and the melancholy—or hüzün—that all Istanbulis share. With cinematic fluidity, Pamuk moves from his glamorous, unhappy parents to the gorgeous, decrepit mansions overlooking the Bosphorus; from the dawning of his self-consciousness to the writers and painters—both Turkish and foreign—who would shape his consciousness of his city. Like Joyce's *Dublin* and Borges' *Buenos Aires*, Pamuk's *Istanbul* is a triumphant encounter of place and sensibility, beautifully written and immensely moving.

Orhan Pamuk and the Good of World Literature Gloria Fisk 2018-02-13 When Orhan Pamuk won the Nobel Prize for Literature in 2006, he was honored as a builder of bridges across a dangerous chasm. By rendering his Turkish characters and settings familiar where they would otherwise seem troublingly foreign, and by speaking freely against his authoritarian state, he demonstrated a variety of literary greatness that testified also to the good literature can do in the world. Gloria Fisk challenges this standard for canonization as "world literature" by showing how poorly it applies to Pamuk. Reading the Turkish novelist as a case study in the ways Western readers expand their reach, Fisk traces the terms of his engagement with a literary market dominated by the tastes of its Anglophone publics, who received him as a balm for their anxieties about Islamic terrorism and the stratifications of global capitalism. Fisk reads Pamuk's post-9/11 novels as they circulated through this audience, as rich in cultural capital as it is far-flung, in the American English that is global capital's lingua franca. She launches a polemic against Anglophone readers' instrumental use of literature as a source of crosscultural understanding, contending that this pervasive way of reading across all manner of borders limits the globality it announces, because it serves the interests of the Western cultural and educational institutions that produce it. *Orhan Pamuk and the Good of World Literature* proposes a new way to think about the uneven processes of translation, circulation, and judgment that carry contemporary literature to its readers, wherever they live.

A Mad Desire to Dance Elie Wiesel 2010-04-13 Now in paperback, Wiesel's newest novel "reminds us, with force, that his writing is alive and strong. The master has once again found a startling freshness."—*Le Monde des Livres* A European expatriate living in New York, Doriel suffers from a profound sense of desperation and loss. His mother, a member of the Resistance, survived World War II only to die soon after in France in an accident, together with his father. Doriel was a hidden child during the war, and his knowledge of the Holocaust is largely limited to what he finds in movies, newsreels, and books. Doriel's parents and their secrets haunt him, leaving him filled with longing but unable to experience the most basic joys in life. He plunges into an intense study of Judaism, but instead of finding solace, he comes to believe that he is possessed by a dybbuk. Surrounded by ghosts, spurred on by demons, Doriel finally turns to Dr. Thérèse Goldschmidt, a psychoanalyst who finds herself particularly intrigued by her patient. The two enter into an uneasy relationship based on exchange: of dreams, histories, and secrets. And despite Doriel's initial resistance, Dr. Goldschmidt helps bring him to a crossroads—and to a shocking denouement. "In its own high-stepping yet paradoxically heart-wracking way, [Wiesel's novel] can most assuredly be considered beautiful (almost beyond belief)."—*The Philadelphia Inquirer*

Orhan Pamuk: Balkon Orhan Pamuk 2018-04-30 In the winter of 2011 Nobel-Prize-winning Turkish novelist Orhan Pamuk took 8,500 color photographs from his balcony with its panoramic view of Istanbul, the entrance of the Bosphorus, the old town, the Asian and European sides of the city, the surrounding hills, and the distant islands and mountains. Sometimes he would leave his writing desk and follow the movements of the boats as they passed in front of his apartment and sailed far away. As Pamuk obsessively created these images he felt his desire to do so was related to a strange particular mood he was experiencing. He photographed further and began to think about what was happening to himself: Why was he taking these photos? How are seeing and photography related? What is the affinity between writing and seeing? Why do we enjoy looking at landscapes and landscape photographs? *Balkon* presents almost 500 of these photos selected by Pamuk, who has also co-designed the book and written its introduction. 'There is genius in Pamuk's madness.' -Umberto Eco

The book's imagery is equally evocative, ranging from the ephemera of everyday life to the superb photographs of Turkish photographer Ara Güler. One morning, avoiding the office for as long as she can, Juliette finds herself on a new block, in front of a rusty gate wedged open with a book. Istanbul (Deluxe Edition) Orhan Pamuk 2017-10-24 From the Nobel Prize-winning author of *My Name Is Red* and *Snow*, a large-format, deluxe, collectible edition of his beloved memoir about life in Istanbul, with more than 200 added illustrations and a new introduction. Orhan Pamuk was born in Istanbul and still lives in the family apartment building where his mother first held him in her arms. His portrait of his city is thus also a self-portrait, refracted by memory and the melancholy--or *hüzün*--that all Istanbulis share: the sadness that comes of living amid the ruins of a lost empire. With cinematic fluidity, Pamuk moves from the lives of his glamorous, unhappy parents to the gorgeous, decrepit mansions overlooking the Bosphorus; from the dawning of his self-consciousness to the writers and painters--both Turkish and foreign--who would shape his consciousness of his city. Like Joyce's *Dublin* and Borges' *Buenos Aires*, Pamuk's *Istanbul* is a triumphant encounter of place and sensibility, beautifully written and immensely moving.

Nights Of Plague Orhan Pamuk 2022-10-17 It is April 1900, in the Levant, on the imaginary island of Mingheria--the twenty-ninth state of the Ottoman Empire--located in the eastern Mediterranean between Crete and Cyprus. Half the population is Muslim, the other half are Orthodox Greeks, and tension is high between the two. When a plague arrives--brought either by Muslim pilgrims returning from the Mecca or by merchant vessels coming from Alexandria--the island revolts. To stop the epidemic, the Ottoman sultan Abdul Hamid II sends his most accomplished quarantine expert to the island--an Orthodox Christian. Some of the Muslims, including followers of a popular religious sect and its leader Sheikh Hamdullah, refuse to take precautions or respect the quarantine. And then a murder occurs. As the plague continues its rapid spread, the Sultan sends a second doctor to the island, this time a Muslim, and strict quarantine measures are declared. But the incompetence of the island's governor and local administration and the people's refusal to respect the bans doom the quarantine to failure, and the death count continues to rise. Faced with the danger that the plague might spread to the West and to Istanbul, the Sultan bows to international pressure and allows foreign and Ottoman warships to blockade the island. Now the people of Mingheria are on their own, and they must find a way to defeat the plague themselves. Steeped in history and rife with suspense, *Nights of Plague* is an epic story set more than one hundred years ago, with themes that feel remarkably contemporary.

Silent House Orhan Pamuk 2012-10-09 From the Nobel Prize winner and acclaimed author of *My Name is Red* comes an unforgettable novel about a Turkish family gathering in the shadow of an impending military coup that's "threaded through with ideas about history, religion, memory, class and politics" (*The New York Times Book Review*). In a crumbling mansion in a gentrified former fishing village on the Turkish coast, the widow Fatma awaits the annual visit of her grandchildren: Faruk, a dissipated historian; his sensitive leftist sister, Nilgün; and Metin, a high schooler drawn to the fast life of the nouveaux riche. Bedridden, Fatma is attended by her faithful servant Recep, a dwarf--and her late husband's illegitimate son. Mistress and servant share memories, and grievances, from the past. But the arrival of Recep's cousin, Hasan, a fervent right-wing nationalist, threatens to draw the family into the political cataclysm arising from Turkey's tumultuous century-long struggle for modernity. Written in the 1980s but never before published in English, this spellbinding novel is a stunning addition to the works of Nobel Prize-winning author Orhan Pamuk.

Suddenly, Love Aharon Appelfeld 2020-04-15 "Aharon Appelfeld is one of the subtlest, most unorthodox, and most exactly perceptive novelists to make the memory of the Holocaust his abiding project." --Philip Gourevitch, *The New Yorker* A lonely older man and his devoted young caretaker transform each other's lives in ways they could never have imagined. Ernst is a gruff seventy-year-old Red Army veteran from Ukraine who landed, almost by accident, in Israel after World War II. A retired investment adviser, he lives alone (his first wife and baby daughter were killed by the Nazis; he divorced his shrewish second wife) and spends his time laboring over his unpublished novels. Irena, in her mid-thirties, is the unmarried daughter of Holocaust survivors who has been taking care of Ernst since his surgery two years earlier; she arrives every morning promptly at eight and usually leaves every afternoon at three. Quiet and shy, Irena is in awe of Ernst's intellect. And as the months pass, Ernst comes to depend on the gentle young woman who runs his house, listens to him read from his work, and occasionally offers a spirited commentary on it. But Ernst's writing gives him no satisfaction, and he is haunted by his godless, Communist past. His health, already poor, begins to deteriorate even further; he becomes mired in depression and seems to lose the will to live. But this is something Irena will not allow. As she becomes an increasingly important part of his life--moving into his home, encouraging him in his work, easing his pain--Ernst not only regains his sense of self and discovers the path through which his writing can flow but he also discovers, to his amazement, that Irena is in love with him. And, even more astonishing, he realizes that he is in love with her, too.

My Father's Suitcase Orhan Pamuk 2006

The New Life Orhan Pamuk 1998-03-31 From the Nobel Prize winner and the acclaimed author of *My Name is Red* comes an engaging intellectual thriller and high romance set in Turkey about a young student whose life and identity is uprooted through the single act of reading a book. The protagonist of Orhan Pamuk's fiendishly engaging novel is launched into a world of hypnotic texts and (literally) Byzantine conspiracies that whirl across the steppes and forlorn frontier towns of Turkey. And with *The New Life*, Pamuk himself vaults from the forefront of his country's writers into the arena of world literature. Through the single act of reading a book, a young student is uprooted from his old life and identity. Within days of reading a book, a young student's old life and identity is uprooted, and he's fallen in love with the luminous and elusive Janan; witnessed the attempted assassination of a rival suitor; and forsaken his family to travel aimlessly through a nocturnal landscape of traveler's cafes and apocalyptic bus wrecks. As imagined by Pamuk, the result is a wondrous marriage of the intellectual thriller and high romance. Translated from the Turkish by Guneli Gun.
