Tiny Acts of Love Lucy Lawrie 2014-03-06 Surviving motherhood? It's all about having the right support network. Lawyer Cassie has a new baby, a husband who converses mainly through jokes, a best friend on the other side of the world, and a taskforce of Babycraft mums who make her feel she has about as much maternal aptitude as a jellyfish. Husband Jonathan dismisses Cassie's maternal anxieties, but is he really paying attention to his struggling wife? He's started sleep talking and it seems there's more on his mind than he's letting on. Then sexy, swaggering ex-boyfriend Malkie saunters into Cassie's life again. Unlike Jonathan, he 'gets' her. He'd like to get her into bed again, too... And on top of all her emotional turmoil, she also finds herself advising a funeral director on ghost protocol and becomes involved in an act of hotel spa fraud, never mind hiding cans of wasp spray all over the house to deal with the stalker who seems to be lurking everywhere she looks. Why Dust Shall Never Settle Upon This Soul Ryka Aoki 2015-03-06 "In the old old days, Ryka Aoki would be tagged as some kind of prophet, and the thumbsucking masses, bewildered & flummoxed by her talking stories, would stone or torch her. Forged from the ceaseless grappling match with life, living, identity, obligations, duty, home & selfhood, the poems in this striking collection are a libretto of what survives, what is elusive, what transforms or transmogrifies, and what remains primal & elemental." --Justin Chin, Author of Gutted, and Bite Hard "Sharp-eyed, witty, passionate and just, a lament for trans losses that is also somehow a celebration of life, this book made me cry and then laugh and then do something that was both at once. It is an important contribution to our literature and also that rare thing, a book of poetry you won't be able to put down." --Cat Fitzpatrick, Poetry Editor, Topside Press

The Autograph Man Zadie Smith 2003-08-12 From the New York Times bestselling author of *Swing Time* and one of the most revered writers of her generation comes an "intelligent ... exquisitely clever [novel] about fame, mortality, and the triumph of image over reality" (The Boston Globe). Alex-Li Tandem sells autographs. His business is to hunt for names on paper, collect them, sell them, and occasionally fake them—all to give the people what they want: a little piece of Fame. But what does Alex want? Only the return of his father, the end of religion, something for his headache, three different girls, infinite grace, and the rare autograph of forties movie actress Kitty Alexander. With fries. *The Autograph Man* is a deeply funny existential tour around the hollow trappings of modernity: celebrity, cinema, and the ugly triumph of symbol over experience. It offers further proof that Zadie Smith is one of the most staggeringly talented writers of her generation.

Lullaby Girl Aly Sidgwick 2015-04-16 RED MAGAZINE's BEST NEW AUTHORS YOU NEED TO KNOW ABOUT NOW 'It's no secret that psychological thrillers have been the big hitters of the literary world in recent years (remember *Gone Girl* anyone?). Well this debut from Aly Sidgwick is set to do the same.' Who is the Lullaby Girl? Found washed up on the banks of a remote loch, a mysterious girl is taken into the care of a psychiatric home in the Highlands of Scotland. Mute and covered in bruises, she has no memory of who she is or how she got there. The only clue to her identity is the Danish lullaby she sings... Inside the care home, she should be safe. But, harassed by the media and treated as a nuisance by under-pressure staff, she finds the home is far from a haven. And as her memories slowly surface, the Lullaby Girl does her best to submerge them again. Some things are too terrible to remember... but unless she confronts her fear, how can she find out who she really is? Taut, tense and mesmerizing, *Lullaby Girl* is a shining debut from an exciting and very talented new author. Praise for *Lullaby Girl*: 'Her work had beautiful textures, and big portions of darkness and humour, with equal parts of a sadness to them... seeing her drawings and tattoos i was not at all surprised that she wrote a novel, or that it was a good one. There is a great sense of tension, and of coldness in the story, but Sidgwick has a keen eye for detail and a dark sense of humour that shines through, making the dark and the cold easier to pass through. And to make the dark passages of the mind bearable is an achievement indeed.' KOLBEINN KARLSSON, author of *The Troll King*

America the Beautiful Kristen Susienka 2019-07-15 One of the most recognizable patriotic songs in the United States today, "America the Beautiful" started out as a poem inspired by the captivating scenery of the West. Written in 1893 by college professor Katharine Lee Bates, the lyrics evoke images of wheat fields, towering mountains, and skies spanning the vast country. Its melody, however, was added decades after the poem's first publication. Today, the song is used as an unofficial national anthem celebrating America's beauty and its future prospects of opportunity. This book explores the song's history, its significance, and its journey to patriotic celebration in simple and concise language. The narrative offers a variety of features including easy-to-read sheet music, sidebars, fun facts, timelines, and vivid photographs. It tells the story, engages readers, and celebrates the song's place in the patriotic canon today.

Affective Health and Masculinities in South Africa Hans Reihling 2020-04-03 *Affective Health and Masculinities in South Africa* explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Holy Wild Gwen Benaway 2018 In her third collection of poetry, *Holy Wild*, Gwen Benaway explores

the complexities of being an Indigenous trans women in expansive lyric poems. She holds up the Indigenous trans body as a site of struggle, liberation, and beauty. A confessional poet, Benaway narrates her sexual and romantic intimacies with partners as well as her work to navigate the daily burden of transphobia and violence. She examines the intersections of Indigenous and trans experience through autobiographical poems and continues to speak to the legacy of abuse, violence, and colonial erasure that defines Canada. Her sparse lines, interwoven with English and Anishinaabemowin (Ojibwe), illustrate the wonder and power of Indigenous trans womanhood in motion. *Holy Wild* is not an easy book, as Benaway refuses to give any simple answers, but it is a profoundly vibrant and beautiful work filled with a transcendent grace.

Bats of the Republic Zachary Thomas Dodson 2015-10-06 "Archetypes of the cowboy story, tropes drawn from sci-fi, love letters, diaries, confessions all abound in this relentlessly engaging tale. Dodson has quite brilliantly exposed the gears and cogs whirring in the novelist's imagination. It is a mad and beautiful thing." --Keith Donohue, *The Washington Post* Winner of Best of Region for the Southwest in PRINT's 2016 Regional Design Awards *Bats of the Republic* is an illuminated novel of adventure, featuring hand-drawn maps and natural history illustrations, subversive pamphlets and science-fictional diagrams, and even a nineteenth-century novel-within-a-novel—an intrigue wrapped in innovative design. In 1843, fragile naturalist Zadock Thomas must leave his beloved in Chicago to deliver a secret letter to an infamous general on the front lines of the war over Texas. The fate of the volatile republic, along with Zadock's future, depends on his mission. When a cloud of bats leads him off the trail, he happens upon something impossible... Three hundred years later, the world has collapsed and the remnants of humanity cling to a strange society of paranoia. Zeke Thomas has inherited a sealed envelope from his grandfather, an esteemed senator. When that letter goes missing, Zeke engages a fomenting rebellion that could free him—if it doesn't destroy his relationship, his family legacy, and the entire republic first. As their stories overlap and history itself begins to unravel, a war in time erupts between a lost civilization, a forgotten future, and the chaos of the wild. *Bats of the Republic* is a masterful novel of adventure and science fiction, of elliptical history and dystopian struggle, and, at its riveting core, of love.

Feed Tommy Pico 2019-11-05 A Finalist for the Kingsley Tufts Award for Poetry A New York Times

Notable Book of the Year From the Winner of the Whiting Award, an American Book Award, and finalist for a Lambda, Tommy Pico's *Feed* is the final book in the Teebs Cycle. *Feed* is the fourth book in the Teebs tetralogy. It's an epistolary recipe for the main character, a poem of nourishment, and a jaunty walk through New York's High Line park, with the lines, stanzas, paragraphs, dialogue, and registers approximating the park's cultivated gardens of wildness. Among its questions, *Feed* asks what's the difference between being alone and being lonely? Can you ever really be friends with an ex? How do you make perfect mac & cheese? *Feed* is an ode of reconciliation to the wild inconsistencies of a northeast spring, a frustrating season of back-and-forth, of thaw and blizzard, but with a faith that even amidst the mess, it knows where it's going.

Pocketful of Names Joe Coomer 2010-05 Inhabiting an island off the coast of Maine left to her by her great-uncle Arno, Hannah finds her life as a dedicated and solitary artist rudely interrupted one summer when a dog, matted with feathers and seaweed, arrives with the tide. He is only the first of a series of unexpected visitors and is soon followed by a teenager running from an abusive father, a half sister in trouble, a mainland family, and a forlorn trapped whale. In the engrossing drama that unfolds, Hannah's love of her island solitude competes with her instinctive compassion for others. In this booksellers' favorite and two-time Book Sense pick, now available in paperback, Joe Coomer offers the rugged yet stunning beauty of Maine and the lobstermen and their families who are dependent on the sea for survival. *Pocketful of Names* is a deeply human tale about the unpredictability of nature, art, family, and the flotsam and jetsam that comprise our lives.
