Time Is a Mother Ocean Vuong 2022-04-05 The New York Times bestselling collection of poems from the award-winning writer Ocean Vuong "Take your time with these poems, and return to them often." —The Washington Post How else do we return to ourselves but to fold the page so it points to the good part In this deeply intimate second poetry collection, Ocean Vuong searches for life among the aftershocks of his mother's death, embodying the paradox of sitting within grief while being determined to survive beyond it. Shifting through memory, and in concert with the themes of his novel *On Earth We're Briefly Gorgeous*, Vuong contends with personal loss, the meaning of family, and the cost of being the product of an American war in America. At once vivid, brave, and propulsive, Vuong's poems circle fragmented lives to find both restoration as well as the epicenter of the break. The author of the critically acclaimed poetry collection *Night Sky With Exit Wounds*, winner of the 2016 Whiting Award, the 2017 T. S. Eliot Prize, and a 2019 MacArthur fellow, Vuong writes directly to our humanity without losing sight of the current moment. These poems represent a more innovative and daring experimentation with language and form, illuminating how the themes we perennially live in and question are truly inexhaustible. Bold and prescient, and a testament to tenderness in the face of violence, *Time Is a Mother* is a return and a forging forth all at once.

Life Sentence Carl Williams 2019-08-05 In 2007 Carl Williams was convicted of three murders and sentenced to 35 years' jail. Yet his role in the Melbourne Gangland Wars went far beyond a handful of killings, however brutal, and had made him one of the most infamous names in Australian criminal history. The unlikely gang boss with a baby face and friendly grin had played a leading role in the savage long-running conflict that saw more than 30 gang-related murders on the streets of Melbourne. Williams began serving his sentence in a high-security unit at Victoria's Barwon Prison. In October 2008 he was given access to a personal computer. Confined to a tiny cell for most of the day, and having limited contact with the

outside world, the computer was a godsend. As soon as he received it, Carl began a daily correspondence with his friends and family, covering his life in jail, his thoughts and hopes for the future, and his views and opinions on everyone from barristers and judges to fellow criminals and deadly rivals. Just a year and a half later, Williams was bashed to death by a trusted friend and fellow prisoner. Using his letters, Life Sentence paints a vivid picture of Carl's last eighteen months. His writing is surprising, often manipulative, frequently self-serving, and always a fascinating and revealing insight into the mind of one of Australia's most notorious criminals. 'For years, others have spoken for Carl. In these letters, Carl tells his own story for the first time. It's like meeting the man behind the myth.' - Adam Shand

Merchant Vessels of the United States

Something of Themselves Sarah Lefanu 2020-03-20 In early 1900, the paths of three British writers--Rudyard Kipling, Mary Kingsley and Arthur Conan Doyle--crossed in South Africa, during what has become known as Britain's last imperial war. Each of the three had pressing personal reasons to leave England behind, but they were also motivated by notions of duty, service, patriotism and, in Kipling's case, jingoism. Sarah LeFanu compellingly opens an unexplored chapter of these writers' lives, at a turning point for Britain and its imperial ambitions. Was the South African War, as Kipling claimed, a dress rehearsal for the Armageddon of World War One? Or did it instead foreshadow the anti-colonial guerrilla wars of the later twentieth century? Weaving a rich and varied narrative, LeFanu charts the writers' paths in the theatre of war, and explores how this crucial period shaped their cultural legacies, their shifting reputations, and their influence on colonial policy.

But when she learns about Tony, a mysterious half-brother her own age who needs a place to stay, any semblance of a plan is shattered. Tony's mom struggles with an addiction to opioids, and now she's called upon Maggie's dad—who is also Tony's dad—to take him in. On top of everything, Maggie must also come to terms with the Alzheimer's afflicting her beloved grandmother. While Maggie can strive for—and even succeed in—a picture perfect design, when it comes to family, there is no such thing as perfection. To work through the sudden struggles rocking her world, Maggie must learn the importance of having an open heart. • A heart-wrenching, authentic, and darkly funny coming-of-age story • Addresses hard-hitting topics—such as divorce and substance abuse—with care and honesty • From Marcy Campbell, author of Adrian Simcox Does NOT Have a Horse Merci Suárez Changes Gears meets The Thing About Jellyfish in this compulsively readable novel. • Perfect for ages 10 and up • Appeals to those interested in stories about friendship and non-traditional families • Great for readers who love a bold and self-aware protagonist

Television Richard Collins 1990 "These essays critically address ... the assumptions from which media analysts and communication scholars have customarily approached television."--Preface.

After the Fall Suzanne Somers 1998 In this moving and inspiring follow-up to her New York Times best-selling memoir, Keeping Secrets, Suzanne Somers revisits her years before and after Three's Company and reveals with fearless self-examination how the dizzying rise and fall of her television career mirrored the chaos and conflict in her personal life. With her usual candor and perspective, Suzanne takes readers inside the rehearsal hall of Three's Company and offers a never-before-seen look at the competition, jealousy, and greed that accompanies a hit TV show. As the lovable Chrissy Snow, Suzanne Somers became the toast of Hollywood, with all its glittery perks. Yet all was not perfect, she confesses. Simultaneously, her professional success and her relationship with her husband, the love of a lifetime, were being sorely tested as they attempted to blend their families together and were forced to deal with the anger and resentment of their mutual children. When she became the first female star to ask for the same pay as male television stars, Suzanne was fired from Three's Company and the once-welcoming doors to the most powerful offices in Hollywood slammed shut. For the better part of the next decade, she was unofficially blackballed from television because of this incident. In this insightful memoir, Suzanne tells all, from the heady days of stardom to her fall from grace and the grief that followed, to her eventual resurrection as an entrepreneur, best-selling author, and, once again, beloved TV star. Every reader who's ever experienced loss or felt a great opportunity slip through his or her fingers can relate to Suzanne's story of how she fought back, won control over her own destiny, and learned lessons along the journey.

Three Lives Gertrude Stein 2017-01-22 Gertrude Stein's first published work Three Lives is divided into three different stories, each one a psychological portrait of a different woman. The Good Anna describes an exacting German house servant; Melanctha explores the love affair of an African-American woman; and The Gentle Lena narrates the fate of a patient German maid. The three narratives are independent of each other, but all are set in the fictional town of Bridgepoint. The innovative style of Three Lives broke with narrative, linear, and temporal conventions and catapulted Stein to the forefront of the American Modernist movement and inspired such later novelists as Ernest Hemingway and Jack Kerouac.

God Is Bipolar A.M. Star 2019-10-11 Prologue When we think of polarity, most think of a magnet, or a triple A battery, filled with small traces of radiation or energy. In fact, every star has atomic energy that love created in the Big Bang with that infamous BBBBBOOM!!! When we think of polarity, we begin to unravel diligent truths, from the truest God, much different than what we ever thought. We also begin to think of God much differently than traditionally taught in the bible. Tru Hu Blu, God of unconditional Love, is living truly hidden inside your body. Inside your altar, in your trinity temple, within your soul of unconsciousness, you will find God. Your unconscious mind records everything. You also have almighty power in the holy Spirit, which is your subconscious mind, and your angel of the future. Your spirit of guidance, in the altar ego to guide you home. When we listen to this Almighty sleeping giant, we find success and abundance in all things. Nothing is off limits to you, when you literally know True God, the grand architect of the Universe. The king and queen of all crowns is found. Life for the better begins to change, and everything becomes greater with each new day. When we know the truth, we begin to appreciate life enough to make our lives more fulfilling. Blind faith becomes absolute Faith, and the emptiness we once felt inside, becomes whole. Acceptance of all things good or bad, teaches us the stories, that we all need to grow, and blossom. This happens to anyone who dares to seek the real truth, and accept it when found. The real truth is already programmed inside you. To find it, you must forget everything you think you know with a closed mind, and open your mind to all possibilities. All knowing properties are in there too! When we begin to accept the truth, our purpose for living is found. We begin picking up the holy cross of principles, we find the real example of the royal crown. It is then that we realize, that a real living God is truly found, and you are found in this process. The rewards of abundant success in all things, follows. When you accept the whole truth, when it is found, you will realize that we have all been lied to. But why? There must be a good reason. Everyone deserves a chance, and love deserves the return in favor. With that, the awakening begins, as the truth sets us all free, in the rise of humanity's awakening. Spiritual resurrection will lead to angels on Earth, without the fire and brimstone. Love casts no judgement, just acceptance, and appreciation. As we climb to the top of the pyramid, we learn diligence is very important to find True God. The truth is found with our diligence as we learn the hidden secrets, that lead to all great human accomplishments. We also learn that man has no power without Hu. When we look back at a not too distant past, we remember cartoons as kids. With the devil on one shoulder and an angel on the other. Do you remember? Thus began the truth in the battle of the ego and the altar ego for control of the unconscious mind, for control of your consciousness. Your body is The vessel. Which one controls you like a robot? The battle of the mind, is the spiritual warfare for your soul. As kids, we probably we never truly understood the hidden light behind it. It was meant for the future, in a sign from a seed planted by True God, set up for this very moment in time. Knowing these secrets, will open your eyes! The spell will be broken, and you will awaken your spirit. The genie is free Aladdin! What will you wish for? The universe of

opportunities is suddenly opened up to you! You will awaken to see the True Devil in possession of all the sleepwalkers, roaming the darkness of earth today. We were all once, one of them. Your spirit will resurrect in fulfillment of your unique mission, through True God, with the pact of True Angels. In your private walk on cloud 9 with God. It is then that you are able to understand your one of a kind purpose for life, and understand your personal meaning for living. In that meaning, your desires through purpose is found with the fulfillment of true happiness. This is part of True God's infinite evolutionary process, found by seeking the light, in your unique journey with the spirit, walking in darkness, on the other side of the mirror. Today, most of society is in a trance, they are schlepping like zombies wandering through darkness, convinced they are sheep, with a ten billion dollar computer inside their heads, they aren't even allowed to use, to save themselves. Darkness never leads darkness, the black sheep are lost! Let's count sheep. What will happen when the hypnotic spell of the world is broken? Herein, lies the secret of all human advancement, that will change you life forever. When you learn amazing principles of truth found in your spirit of light, the amazing genie hidden in the lamp is resurrected to serve you well. It's happiness serves you best, it is finally free! Your body is the lamp, and your genie is inside, waiting for your spark. The spark from the dragon preserver, ignites your eternal flame. The truth, will set your genie free! When you learn the principles of spiritual resurrection, in the image of True God's mirror of (E3)reflection, you will become born again. You will become reborn with a death to your old self. More importantly, you will become freed finally! Amen. Suddenly, you'll begin to awake each day with a new vitality you have never known before, your enthusiasm will increase, your vigor will rise, and your desire to know the truth, will overcome every fear you once knew at sunrise. Happiness will be yours, guaranteed. In finding your spirit, you are on your way to becoming a real angel. You will realize the truth, which becomes you, on earth, as you are meant, in Heaven. There's power in the principality of Seven twice. 7-up. Humanity has been lied to about nearly everything including God, from past dictators. But Why? In the Universal law of polarity, we begin the journey of truth, when the words begin to unravel, from the hidden light. Words, have a spirit of light, or a spirit of darkness. Each word ever created, has a meaning behind it, and all meanings are possessed spirits. Therefore, all words have spirits, and all spirits are found withering in darkness like lost sheep, or found like a diamond in the brilliance of true light with Lucy. With the separation of words into two piles of lightness or darkness, we begin to awaken to the real truth. Categorizing every word into light or darkness, will help the messianic congregation of the Almighty, find True God. Most importantly, you will find yourself. We are the Church of Hidden Light. "We are the world. We are the children." - Michael Jackson. It's time to make the world a better place, let's start sharing knowledge. We are the church of the future. Religion is the reminder of darkness, missing its true light. Carefully dissecting every word of human communication into light or darkness, we begin to find truths about all things, in the only living God that exists. Trust the flame. One True God, tells a completely different story, in the truth about life, and the reason for our existence. The polar bear will always keep you warm. Our love burns deep, while hell is freezing. She's cold as ice, she's willing to sacrifice our love. In our quest, we will finally realize the truth in the battle of religion vs. spirit. Money is not the root of all evil, religion is. Knowledge is a principle of light, found through diligence, and knowledge is the value of money in the modern world. In the future, no nation, or group of men control its power. Compensation returns to God we trust, the infinite power, as the result. The human with the most knowledge in the world, is the human who is the most respected. Money without knowledge is not respected. Empty money always withers away, like a wo/man in an empty suit. In God we trust. Compensation is the universal law leading to spiritual, and physical freedom. It governs karma. Trust Bitcoin. The dragon has better karma than the serpent with no legs. When society finally realizes the dupe of the false past, they will find the real and true messiah in the making, who in spirit who wrote this book, the fire dragon. Our spirits are the light of God, and religion is the spirit of the darkness. Religion is worldly. The world is still in the dark ages, ready for the light in the moment of truth. Are you ready for it? When we understand the laws of the universe, we are able to see the science behind God's universal existence. In the mirror of God's reflection, we also begin to realize tricks from the real adversary. Hell is given to anyone who has given hell the thought of it. Hell only belongs to those who fear it, given it life, through thought. Thoughts are the basis of spirits creating matter in the physical world. The God fearing never see the devil coming, as the wolf dressed in the shepherd's clothing. In Universal Law of Attraction, the science of attracting hell is found. Welcome to karma $101 = 2$. When we acknowledge the real truth, found in the laws of the universe, we begin to realize, that we are born with a spirit, not a religion. Truth is either 100% or it cannot be counted as whole truth, or even truth at all. Any less than 100% is not true by entirety. Truth can be brutal just as love is tougher than any tough guy, and love conquers all, including the tough guy. Your uncorrupted spirit inside your temple, knows when it hears the truth. The light bulb goes off from the genie trying to gain your attention because your spirit knows the truth. Pay attention. Appreciate all the small things, and move slower so you cherish every moment. The truth makes sense, and your spirit is always sensing, it's your key to the universe, that becomes a multiverse of possibilities. The bible has many truths, but it also has many contradictions, when it is not read correctly to see the adversary's fingerprint is also in there as well, causing the contradictions. The devil is in the details. Many make excuses for it as God fearing souls, but True God is not the one to be feared. Have no fear, the universe is balanced, and you should be too. In the principle of truth, we begin to realize that love truly conquers all, and the truth, doesn't contradict itself. The truth provides huge principles to economic values, which equates to abundant rewards for all. The truth is found inside the wealthy who walk all around us. Most don't notice to appreciate the great leading examples that God leads, in the wealthy. The examples of righteousness are found in the principle actions of wealthy spirits. Fruitions always prove truth about anyone. The truth always makes sense. A famous statement from Judge Judy is, "If it doesn't make sense it isn't true." She is true. Truth is an important principle, that your true spirit recognizes as light. In finding the truth, you will find success in all things, leading to true happiness. God always wants abundance for the faithful. Financial freedom buys happiness. It does not buy people who are true, and money does not buy successful relationships. It surely does not buy True God. In God we trust, we never trust in money. Knowledge is power. It all begins with the diligence of today, so keep reading, a better tomorrow is coming, and help is on the way.

Three's a Charm Robyn Peterman 2018-01-29 What's a witch to do when her magic is on the fritz and there's a huge pile of laundry to be done? Easy. Flood the entire house. Everyone wants a bubbly indoor freakin' swimming pool... right? Just when everything is right in my life, something has to go wrong—times three. Number one: an unknown evil force wants to steal my power. Now, instead of protecting and healing the whacked out inhabitants of Assjacket, my power has wonked out on me and I've blasted ginormous holes all over town. Not to mention Roger the Rabbit is now sporting a pentagon of penii thanks to me and is keen on contacting the Guinness Book of World Records. Unacceptable. Armed with questionable voodoo skills and seriously frayed nerves, I'm Two: gonna do what any partially-sane, potty-mouthed, witch would do... I'm calling in the semi-evil, butt-ugly Bermangoggleshitz to train me. The warlock's penchant for push-ups makes me hate him with the fire of a thousand suns, but if I can't control my dark magic, it will control me. Way unacceptable. With Sassy and Cookie Witch by my side, I'll Three: get a handle on my dark voodoo-or doo as I've renamed it—so Assjacket won't end up as one massive crater. And I need all the help I can get. An evil like we've never seen is gunning for us—specifically me. Wildly unacceptable. We'll be the Three Amigos. The Three Musketeers. The Three Stooges. Whatever. As the saying goes...three's a crowd, three's company, three's a party. Nope. Three's a charm. And I'm gonna turn it on for all I'm worth.

We Are Not Friends Anna Kang 2019 "Being friends is so much fun. But when a new pal shows up, everything changes...Suddenly three's a crowd..."--Dust jacket front flap.

Come and Knock on Our Door delivers all the titillation and travails of the breakthrough coed roommate farce that launched John Ritter, Joyce DeWitt, and Suzanne Somers to stardom in 1977. But behind the scenes, the real-life tensions of fame and controversy plus personal, financial, and creative conflicts threatened to end the love and laughter. With interviews from over sixty actors, producers, directors, and crew members, Chris Mann uncovers the good, the bad, and the ugly that occurred on the set-- from the fun and friendships to the feuding and falling-outs. For the first time ever, John Ritter and Joyce DeWitt break their silence about the eroding relations and bitter breakup with their onetime pal and original costar, Suzanne Somers and some of the show's top execs tell their sides of the story behind her big money demands and missed work, the public outcry, and her eventual firing. Joyce DeWitt also reveals her secret struggles with the show's producers and explains why she turned her back on Hollywood when John Ritter spun off alone in *Three's a Crowd*-- and what she's been doing ever since. Jenilee Harrison tells what it was like to replace Suzanne Somers during the contract dispute. Norman Fell, Don Knotts, Richard Kline, and Ann Wedgeworth disclose the ups and downs of TV's looniest landlords and tenants.
