Red Havoc Rogue T. S. Joyce 2017-02-08 Annalise Sutter is a newly Turned shifter determined to get her life back on track. The problem? Her inner panther is a monster that attacks anything that breathes. She's had to let go of her old life completely to protect the people she loves, and the one thing that has kept her steady through this transition is Jaxon Barns. They've been texting for months, but he's anti-shifter and she can't tell him what she has become. When a spot on a notoriously private panther crew comes up, she jumps at the opportunity to pledge in desperation to get her animal under control. Too bad that means leaving Jaxon behind, because what human is going to put up with an out of control shifter who lives way out in the boonies? Jaxon Barns is harboring two things—a massive grizzly in his middle and an equally big chip on his shoulder about being born a shifter. He grew up in the Gray Back Crew, but can't seem to settle down long enough to stay in one place. The only thing that eases the ache of being a rogue are the text messages that come from Annalise. She feels like the only real thing in his life, and when she disappears mysteriously one day, he knows something has gone really wrong. Now he'll have to track her to panther territory to save her from herself. But maybe the panther inside of her isn't the biggest danger to Annalise's safety anymore. Perhaps now, the biggest threat to her future...is him. Content Warning: Explicit love scenes, naughty language, and piles of sexy shifter secrets. Intended for mature audiences.
