Poems Whittier 1878

Starlight and Dreams Benita Brown 2010 A dazzling novel of celebrity, heartache and falling in love, set against the glamorous backdrop of 1940s London. Growing up under the critical eye of her father and stepmother in the wrong end of a Northern seaside town, Carol Marshall longs for freedom. The picture house is where she goes to dream. For there, she can be someone else for an hour or two; someone carefree; someone special. When the Palais de Dance announces a competition for a local girl to win a part in a film, Carol is persuaded by a friend to enter. To their amazement, it's Carol the judges choose and soon she's whisked away to London and swept up in a new world of glamour and excitement. But all that glitters is not gold. And the journey to stardom is paved with danger, loneliness and vice. Carol is poised to get everything she ever wished for. But at what price...!

Years Becoming Blanka K. Stratford 2011-09 One wrong move sends a U.S. Army combat journalist's life spiraling dangerously out of control in *Years Becoming: The Novelized Memoir of a Veteran Harlot* - the true story of a professional liar and the consequences of losing one's life for love. After Blanka Stratford is discharged from the military for violating the Don't Ask, Don't Tell policy, she is convinced she had made the right decision to be with the woman who seized both her heart and her career. But Blanka soon finds out that nothing is fair in love or war. In vain attempt to maintain both a writing career amidst a faltering economy and the affection of the one person who had brought her to her knees, Blanka sells the last item she has left to offer - herself. As she enters New York City's underground world of drugs and high-class prostitution, she struggles to remember the person she had once been. Her lies become further entwined by the betrayal of an old military acquaintance, a charming sycophant who proves that not all that glitters is gold. With vengeance in mind and the aid of three friends, Blanka implements a profitable scheme to con the world. When she departs for Europe to fulfill her plan, however, three obstacles stand in her way: a wacky Polish family, a Spanish woman bent on winning her love, and an eccentric Russian rebel, who brings Blanka back to life at the same moment he aims to take it away. Split into two halves symbolically placed side by side: Part 1 "The Truth of the United States" and Part 2 "Lies in Europe," this first-person account - covering timely topics such as the Iraq War, GLBT issues and Russian espionage - will leave the reader in laughs, in tears and in disarray.

A Blue Idyll Brenton Hamilton 2020-04-30 For over two decades visual artist and historian Brenton Hamilton has created a sustained body of work, mostly concentrated within the historic processes employing nineteenth century photography techniques, no longer commercially available. Hamilton has produced a unique body of work using methodologies like gum bichromated forms, platinum, and collodion ambrotypes on black glass, French variants of paper calotypy and of course the embellished cyanotype. Influenced by the Surrealist motifs; coaxing dream like, chance collisions of fragments from art history, Hamilton shapes a new landscape in his photographs. The present symbolism of the dark night sky and the freedom to look outside himself towards unfettered ideas and musings, learning to make a new place with paper and metal salts and light allowing him to rest and wonder. He combines human anatomy, astronomy and botanical imagery to create intriguing and provocative arrangements. His work references to ancient Greece and Rome, as well as 15th and 16th century Dutch and Italian paintings. Hamilton uses symbols and visual elements from the history of art to create a thoroughly contemporary vision.
