Flo Levia 2021-10-20 There's a Leak in My Boat! is a gripping personal tale about all the things that contributed to the author's chronic illnesses, shared in the hopes that they may resonate with others who are wrestling with similar challenges and staring down the same "why me"? questions. Lead With Your Heart Regina Cates 2014-04-15 In Lead with Your Heart, author Regina Cates asks us to question our notion of what success and happiness really mean. Through the sharing of her own personal stories as well as providing helpful meditations, questions, and exercises, Regina offers a combination of wise advice, compelling anecdotes, and practical strategies for living a life that is authentic, fulfilling, and healing. Regina is well qualified to help others down this path. While sitting alone on her forty-third birthday, Regina hit an emotional bottom with the realization that prior to that moment, she had been caught up in the rat race of trying to live up to other people's expectations, and as a result, she had given away one of her most important gifts: the power of choice. Regina realized that while we can't control other people or situations, we do have a choice in how we respond to them. Regina shows us that if we choose to act from a place of love instead of a place of fear, we make our lives and the lives of those around us better in the process. Throughout the book, Regina shares her amazing (and often heart-wrenching) stories of how she moved away from a volatile, victimized frame of mind to a place of making conscious actions and decisions from a centered, heart-driven state. By following along with Regina's personal stories and practicing the exercises she's developed, we can all learn how to choose positive, heart-centered solutions for the difficulties in our life.

The purpose of these stories is to implant a seed of knowledge in the mind of the listener, where it can ultimately sprout and blossom into a new and better way of life. In The Wisdom of the Shamans: What the Ancient Masters Can Teach Us About Love and Life, Toltec shaman and master storyteller don Jose Ruiz shares some of the most popular stories from his family's oral tradition and offers corresponding lessons that illustrate the larger ideas within each story. Ruiz begins by explaining that contrary to the stereotypical image of "witch doctor," the ancient shamans were men and women who fulfilled several roles within their communities: philosopher, spiritual guide, medical doctor, psychologist, and friend. According to Ruiz, their teachings are not primitive or reserved for a chosen few initiates but are instead a powerful series of lessons on love and life that are available to us all. To that aim, he has included exercises, meditations, and shamanic rituals to help you experience the personal transformation these stories offer. The shamans taught that the truth you seek is inside of you. Let these stories, lessons, and tools be your guide to finding the innate wisdom that lives within.

They provide unlimited ways for us to learn, grow, thrive, and have fun! Yet, as we know, relationships aren't always a “bed of roses”—especially romantic ones. They don't make themselves, nor do they continue happily on autopilot once they begin. In this one-of-a-kind book, bestselling authors don Miguel Ruiz, Jr. and HeatherAsh Amara share their seven secrets to healthy, happy relationships: Commitment Freedom Awareness Healing Joy Communication Release Understanding and enacting these principles can help you at any stage in your intimate partnering, whether you've been with someone for many years or are currently single and want to prepare for a relationship. The authors make clear that the principles in this book aren't secrets because they are hidden away, but are more akin to undiscovered focal points that can lead to deeper, more meaningful connections. Part of the secret, as you will see, is in the art of putting these ideas into practice day after day and year after year.

The Three Questions Don Miguel Ruiz 2018-06-26 The beloved spiritual teacher builds on the message of his enduring New York Times and international bestseller The Four Agreements with this profound guide that takes us deeper into the tradition of Toltec wisdom, helping us find and use the hidden power within us to achieve our fullest lives. In The Four Agreements, Don Miguel Ruiz introduced seekers on the path to enlightenment to the tenets of Mesoamerican spiritual culture—the ancient Toltec. Now, he takes us deeper into Native American practice, and asks us to consider essential questions that drive our lives and govern our spiritual power. Three eternal questions can help us into our power and use it judiciously: Who am I? What is real? How do I express love? At each stage in our lives, we must ask these simple yet deeply profound questions. Finding the answers will open the door to the next stage in our development, and eventually lead us to our complete, truest selves. But as Don Miguel Ruiz makes clear, we suffer if we do not ask these questions—or if we fail to pay attention to their answers—because we either never act on our power or use it destructively. Only when power is anchored in our identity and in reality will it be able to be in synch with the universe—and be of true benefit to ourselves and to others. The three questions provide a practical framework that allows readers to engage with Ruiz's transformative message and act as a vehicle for overcoming fear and anxiety and discovering peace of mind. An essential guide for all travelers pursuing self-knowledge, understanding, and acceptance, The Three Questions is the next step in our unique spiritual metamorphosis.
