Between Signs and Non-signs Ferruccio Rossi-Landi 1992-01-01 The Italian philosopher F. Rossi-Landi (1921-1985) conducted pioneering work in the philosophy of language. His research is characterised by a critique of language and ideology in relation to sign production processes and the process of social reproduction. Between Signs and Non-Signs is a collection of 14 articles by Rossi-Landi written between 1952 and 1984 and gives an overview of his contribution to the philosophy of language and his critique of Charles Morris, Wittgenstein, Bachtin, and his Italian contemporaries. It is in fact a project initiated by the author and now posthumously completed by the editor, with a complete bibliography of Rossi-Landi's extensive work. Susan Petrilli's Introduction gives a fresh view of the importance of Rossi-Landi's work to modern critical theory.

A Theatre of Envy René Girard 2000 In this groundbreaking work a foremost literary and cultural critic turns to the major figure in English literature William Shakespeare and proposes a dramatic new way of reading and performing his works. The key to A Theatre of Envy is René Girard's original expression and application of what he calls Mimetic Theory. For Girard, people desire according to the desires of others. He sees this as fundamental to the human condition and works out its implications in a most convincing and ultimately, easily comprehensible way. Bringing his insights to bear on Shakespeare, Girard reveals the previously overlooked coherence of problem plays like Troilus and Cressida and makes a convincing argument for elevating A Midsummer Night's Dream from the status of entertaining chaotic comedy to a profound and original commentary on the human condition. Shakespeare transforms the crude literary form of revenge tragedy into a profound and prophetic unmasking of violence - even more relevant today than in his time. Throughout this impressively sustained reading of Shakespeare, Girard's prose is sophisticated enough for the academic as well as being accessible to the general reader. Anyone interested in literature, anthropology, psychology and particularly, theology as relevant to the overriding contemporary problems of violence in all its forms will want to read this challenging book. All those involved in theatrical productions and performance will find A Theatre of Envy full of exciting and practical ideas. 'In its enormous breathtaking scope, (René Girard's work) suggests...the projects of those 19th century intellectual giants (Hegel, Marx, Nietzsche and Freud) who still cast such long shadows today. By contrast, contemporary criticism seems paltry and fainthearted.' Comparative Literature René Girard was born in Avignon, read cultural history in Paris and in 1947 went to the USA where he has for the last 50 years held a number of prestigious academic posts. He has written more than half a dozen books, best known of which are, Violence and the Sacred, The Scapegoat, and Things Hidden Since the Foundation of the World, he has also been featured in many interviews and magazine articles. His Martin D'Arcy Lecture - "Victims, Violence and Christianity" - delivered in Oxford in November 1997, aroused the enthusiastic interest of a wide variety of British experts in many fields as well as those involved in the wider and increasingly significant world of contemporary spirituality in all its popular and peremptory expressions. While not giving a naive answer René Girard does provide a profound and practical way to unmask violence not only in Shakespeare's world, but in our own.

Lamberto, Lamberto, Lamberto Gianni Rodari 2011-12-06 A fable for children and adults: a story of life, death, and terrorism—in the grand tradition of Exupéry's The Little Prince When we first meet 93-year-old millionaire Baron Lamberto, he has been diagnosed with 24 life-threatening ailments—one for each of the 24 banks he owns. But when he takes the advice of an Egyptian mystic and hires servants to chant his name over and over again, he seems to not only get better, but younger. Except then a terrorist group lays siege to his island villa, his team of bank managers has to be bussed in to help with the ransom negotiations, and a media spectacle breaks out . . . A hilarious and strangely moving tale that seems ripped from the headlines—although actually written during the time the Red Brigades were terrorizing Italy—Gianni Rodari's Lamberto, Lamberto, Lamberto has become one of Italy's most beloved fables. Never before translated into English, the novel is a reminder, as Rodari writes, that "there are things that only happen in fairytales."

Pilate and Jesus Giorgio Agamben 2015-02-04 The acclaimed philosopher's penetrating analysis of Pontius Pilate offers provocative and original insight into Western conceptions of judgment and guilt. Pontius Pilate is one of the most enigmatic figures in Christian theology. The only non-Christian to be named in the Nicene Creed, he is presented as a cruel colonial overseer in secular accounts, as a conflicted judge convinced of Jesus's innocence in the Gospels, and as either a pious Christian or a virtual demon in later Christian writings. Starting with Pilate's role in the trial of Jesus, Giorgio Agamben investigates the function of legal judgment in Western society and the ways that such judgment requires us to adjudicate the competing claims of the eternal and the historical. Coming just as Agamben is bringing his decades-long Homo Sacer project to an end, Pilate and Jesus sheds considerable light on what is at stake in that series as a whole. At the same time, it stands on its own, perhaps more than any of the author's recent works. It thus serves as a perfect starting place for readers who are curious about Agamben's ideas and approach to philosophy.

Mossy Trotter Elizabeth Taylor 2015-04-02 'It's always a treat to read Elizabeth Taylor. Mossy Trotter is a real gem. A delightfully mischievous boy living in those long-ago halcyon days when children played out all day, roaming commons, scavenging on rubbish tips and stamping in newly-laid tar' JACQUELINE WILSON 'We - that is, Herbert and I - want you, Mossy, to be our page-boy,' Miss Silkin said, staring hard at Mossy again, as if she were trying to imagine him dressed up, and with his hair combed. Mossy went very red, and nearly choked on a piece of cake, and Selwyn laughed, and went on laughing, as if he had just heard the funniest joke of all his life. They both knew what being a page-boy meant. One of the boys at school - one of the very youngest ones - had had to be one, wearing velvet trousers and a frilled blouse.' When Mossy moves to the country, life is full of delights - trees to climb, woods to explore and, best of all, the marvellous dump to rummage through. But every now and then his happiness is disturbed - chiefly by his mother's meddling friend, Miss Silkin. And a dreaded event casts a shadow over even the sunniest of days - being a page-boy at her wedding. In her only children's book, Elizabeth Taylor perfectly captures the temptations, confusion and terrors of a mischievous boy, and just how illogical, frustrating and inconsistent adults are!

Flying Creatures of Fra Angelico Antonio Tabucchi 2012-10-16 Hypochondria, insomnia, restlessness, and yearning are the lame muses of these brief pages. I would have liked to call them Extravaganzas . . . because many of them wander about in a strange outside that has no inside, like drifting splinters. . . . Alien to any orbit, I have the impression they navigate in familiar spaces whose geometry nevertheless remains a mystery; let's say domestic thickets: the interstitial zones of our daily having to be, or bumps on the surface of existence . . . In them, in the form of quasi-stories, are the murmurings and mutterings that have accompanied and still accompany me: outbursts, moods, little ecstasies, real or presumed emotions, grudges, and regrets. —Antonio Tabucchi on *The Flying Creatures of Fra Angelico* From the Trade Paperback edition.
