In *Life from Scratch*, Vanessa shares personal stories, ideas, delicious recipes, and parenting tips you can use to make your own celebrations unique and unforgettable. Inside you'll discover the simple gift-giving custom Vanessa shares with her best girlfriends each year; the date-night tradition that she and Nick swear by; and her fool-proof recipe for "authentic" Chicken Adobo she serves to family and friends. A fun, uplifting yearlong guide that celebrates families that color outside the lines, *Life from Scratch* will inspire people to make each season, and each special moment, their own.

Cut the Sugar, You're Sweet Enough Ella Leche 2016-01-05 More than 100 delicious recipes that serve as a practical, real-life approach to reducing sugar the healthy way so you don't feel deprived. Back in 2008, just months after the birth of her first child, Ella Leché—the voice behind the popular food blog Pure Ella—was diagnosed with myasthenia gravis, a neuromuscular autoimmune condition for which there is no medical cure. The medication she was put on wasn't helping, and she decided to try and heal through food. She found sugar was also triggering her frequent headaches, mood swings, and energy slumps. Now she is inspiring others to eat healthier and apply her approach to cut the sugar, not quit sugar entirely! This is not a sugar-detox book but an inspiring cookbook and guide to change your relationship with the foods you love and address your cravings properly. There are over 100 delicious and easy recipes for breakfast, lunch, dinner, snacks, and yes, even dessert! *A Little Me* Amy Roloff 2019-05-15 From the star of TLC's hit reality show *Little People BIG World* comes a revelatory memoir that will inspire those who have long followed the Roloffs and newcomers alike. "A Little Me by Amy Roloff is a feel-good, inspirational memoir about a remarkable woman who addresses challenges head-on with a positive outlook and deep faith." - *New York Journal of Books* Whatever package you come in, life isn't easier or harder than another's because you are different physically. There may be more challenges, but still, everyone has challenges. "God doesn't make mistakes." For Amy Roloff, star of TLC's hit reality show *Little People, BIG World*, her father's words would repeatedly serve as an anchor, reminding her of her inherent worth and purpose, whenever feelings of insecurity and inadequacy surfaced and threatened to overwhelm her. In *A Little Me*, Amy shares what it was like growing up with achondroplasia dwarfism, how she struggled to overcome obstacles both physical and emotional—navigating the average-size world as a little person, dealing with a serious illness as a young girl, bullying, and issues of body image and unachievable beauty ideals—while learning, as we all must, to accept herself for who she is. Finally allowing herself to be vulnerable enough to open up to others, she learned that it's worth risking possible rejection for a chance at genuine relationships. Amy's memoir is an inspiring and at times heart-wrenching account of resilience and the strength of the human spirit to overcome seemingly insurmountable obstacles.
