Scenes from Village Life Amos Oz 2011-10-18 Linked short stories set in a town in the midst of change: "One of the most powerful books you will read about present-day Israel." —The Jewish Chronicle "'Scenes from Village Life' is like a symphony, its movements more impressive together than in isolation. There is, in each story, a particular chord or strain; but taken together, these chords rise and reverberate, evoking an unease so strong it's almost a taste in the mouth . . . 'Scenes from Village Life' is a brief collection, but its brevity is a testament to its force. You will not soon forget it." —The New York Times Book Review Strange things are happening in Tel Ilan, a century-old pioneer village. A disgruntled retired politician complains to his daughter that he hears the sounds of digging at night. Could it be their tenant, that young Arab? But then the young Arab hears the digging sounds too. And where has the mayor's wife gone, vanished without a trace, her note saying "Don't worry about me"? Around the village, the veneer of new wealth—gourmet restaurants, art galleries, a winery—barely conceals the scars of war and of past generations: disused air-raid

shelters, rusting farm tools, and trucks left wherever they stopped. *Scenes From Village Life* is a memorable novel in stories by the inimitable Amos Oz: a brilliant, unsettling glimpse of what goes on beneath the surface of everyday life. Translated from Hebrew by Nicholas de Lange “Finely wrought . . . Oz writes characterizations that are subtle but surgically precise, rendering this work a powerfully understated treatment of an uneasy Israeli conscience.” —Publishers Weekly, starred review “Informed by everything, weighed down by nothing, this is an exquisite work of art.” —The Scotsman

My Little One Germano Zullo 2020-10-27 Winner of the 2016 Bologna Ragazzi Award, *My Little One* is a series of sparse and rhythmic images drawn in simple grey pencil, measuring like a metronome the boundless love between mother and son. A mother, welcoming her tiny son into the world, tells him the story of their lives, whispering to him as she swings him gently around. With each successive page, he grows while she shrinks, until she is being held by the man he has become. Albertine's weightless strokes and billowing bodies recall the flitting procession of a flipbook or an ephemeral notebook sketch. She choreographs the peculiar dance of aging, of the way our bodies fold, lean, tuck into one another as we grow old. Filled with poetry and questioning, Germano whittles his words down - each precise line reminds us of the pithy goodness of childhood. An eloquent portrait of life's waxing and waning, *My Little One* is a moving celebration of constant, unconditional love.

Young Dracula Michael Lawrence 2005

Blizzard Robert Westall 1996 Contains two love stories, one written from a girl's perspective, one from a boy's. In *THE CHAPEL FARM*, a close relationship disintegrates when the protagonists move away to different universities. In *A CHRISTMAS LOVE STORY*, a couple become closer through

The Binder of Lost Stories Cristina Caboni 2020 With her delicate touch, Sofia Bauer restores books to their original splendor. In this art she finds refuge from her crumbling marriage and the feeling that her once-vibrant life is slipping away. Then an antique German edition takes her breath away. Slipped covertly into the endpapers is an intriguing missive, the first part of a secret...from one bookbinder to another. Two hundred years ago, Clarice von Harmel defied the constraints of family and society to engage in a profession forbidden to women. Within three separate volumes, Clarice bound her own hidden story filled with pain, longing, and love beyond all reason. A confession that now crosses centuries to touch the heart of a stranger.

The Silent Duchess Dacia Maraini 2000-01-01 The stunning English translation of the International Man Booker Prize Finalist novel hailed as “a story of grace and endurance, not mere survival” (The New York Times Book Review). Winner of the Premio Campiello, short-listed for the Independent Foreign Fiction Award, and published to critical acclaim in fourteen languages, this “spellbinding” historical novel by one of Italy’s premier authors is now available in this luminous new translation (Booklist). In early 18th century Sicily, noblewoman Marianna Ucria is trapped in a world of silence after a terrible childhood trauma left her deaf and mute. Married off to a lecherous uncle, she

struggles to educate and elevate herself against all convention—and find her true place in a world that sees her as little more than property. In language that conveys the keen vision and deep human insight possessed by her protagonist, Dacia Maraini captures the splendor and the corruption of Marianna’s world, as well as the strength of her unbreakable spirit, in “one of those rare, rich, deep, strange novels that create a world so fantastic and so real you want to start reading it again as soon as you come to the last page” (Newsday).

Archaeology of an Andean Pacarina Carolina Orsini 2013 This study focuses the relationship between man, territory and water resources in the area of Andean Lake Puruhuay (Ancash, Peru). This region is rich in cochas (lakes), each of which has a special place in the local ancient and modern history. Highly specialized hydraulic structures were found in many of the sites investigated

during the course of this research, suggesting that water carried out an important role in the area. Keeping aside a strictly economic analysis, studies revealed that specific rites developed in the area surrounding Puruhuay lake. During the pre-Hispanic past, access to Puruhuay and the perpetuation of ritual activities carried out at this stretch of water became an important factor for constructing the prestige and identity of the populations who lived in this area. This factor persists into the present day. With contributions from Luigi Capezzoli, Alessandro Capra, Cristina Castagnetti, Alessandro Corsini, Nicola Masini, Luigi Mazzari, Marta Porcedda and Enzo Rizzo

Data Science for Social Good Massimo Lapucci 2021-10-13 This book is a collection of reflections by thought leaders at first-mover organizations in the exploding field of "Data Science for Social Good", meant as the application of knowledge from computer science, complex systems and computational social science to challenges such as humanitarian response, public health, sustainable development. The book provides both an overview of scientific approaches to social impact - identifying a social need, targeting an intervention, measuring impact - and the complementary perspective of funders and philanthropies that are pushing forward this new sector. This book will appeal to students and researchers in the rapidly growing field of data science for social impact, to data scientists at companies whose data could be used to generate more public value, and to decision makers at nonprofits, foundations, and agencies that are designing their own agenda around data.

The Passion of Artemisia Susan Vreeland 2002-12-31 "Susan Vreeland set a high standard with *Girl in Hyacinth Blue*.... *The Passion of Artemisia* is even better.... Vreeland's unsentimental prose turns the factual Artemisia into a fictional heroine you won't soon forget." —People A true-to-life novel of one of the few female post-Renaissance painters to achieve fame during her own era against great struggle. Artemisia Gentileschi led a remarkably "modern" life. Vreeland tells Artemisia's captivating

story, beginning with her public humiliation in a rape trial at the age of eighteen, and continuing through her father's betrayal, her marriage of convenience, motherhood, and growing fame as an artist. Set against the glorious backdrops of Rome, Florence, Genoa, and Naples, inhabited by historical characters such as Galileo and Cosimo de' Medici II, and filled with rich details about life as a seventeenth-century painter, Vreeland creates an inspiring story about one woman's lifelong struggle to reconcile career and family, passion and genius.

What Hell Is Not Alessandro D'Avenia 2019-01-24 The school year is finished, exams are over and summer stretches before seventeen-year-old Federico, full of promise and opportunity. But then he accepts a request from one of his teachers to help out at a youth club in the destitute Sicilian neighbourhood of Brancaccio. This narrow tangle of alleyways is controlled by local mafia thugs, but it is also the home of children like Francesco, Maria, Dario, Totò: children with none of Federico's privileges, but with a strength and vitality that changes his life forever. Written in intensely passionate and lyrical prose, *What Hell Is Not* is the phenomenal Italian bestseller about a man who brought light to one of the darkest corners of Sicily, and who refused to give up on the future of its children.

My Name is Mina David Almond 2013-11-14 There's an empty notebook lying on the table in the moonlight. It's been there for an age. I keep on saying that I'll write a journal. So I'll start right here, right now. I open the book and write the very first words: My name is Mina and I love the night. Then what shall I write? I can't just write that this happened then this happened then this happened to boring infinitum. I'll let my journal grow just like the mind does, just like a tree or a beast does, just like life does. Why should a book tell a tale in a dull straight line? And so Mina writes and writes in her notebook, and here is her journal, Mina's life in Mina's own words: her stories and dreams, experiences and thoughts, her scribbles and nonsense, poems and songs. Her vivid account of her vivid life. In this stunning book, David Almond revisits Mina before she has met Michael, before she has met Skellig. Shortlisted for the 2012 Carnegie Medal.

Censorship and Literature in Fascist Italy Guido Bonsaver 2007-01-01 The history of totalitarian states bears witness to the fact that literature and print media can be manipulated and made into vehicles of mass deception. *Censorship and Literature in Fascist Italy* is the first comprehensive account of how the Fascists attempted to control Italy's literary production. Guido Bonsaver looks at how the country's major publishing houses and individual authors responded to the new cultural directives imposed by the Fascists. Throughout his study, Bonsaver uses rare and previously unexamined materials to shed light on important episodes in Italy's literary history, such as relationships between the regime and particular publishers, as well as individual cases involving renowned writers like Moravia, Da Verona, and Vittorini. *Censorship and Literature in Fascist Italy* charts the development of Fascist censorship laws and practices, including the creation of the Ministry of Popular Culture and the anti-Semitic crack-down of the late 1930s. Examining the breadth and scope of censorship in Fascist Italy, from Mussolini's role as 'prime censor' to the specific experiences of female writers, this is a fascinating look at the vulnerability of culture under a dictatorship.

Judaism Since Gender Miriam Peskowitz 2014-06-03 Judaism Since Gender offers a radically new concept of Jewish Studies, staking out new intellectual terrain and redefining the discipline as an intrinsically feminist practice. The question of how knowledge is gendered has been discussed by philosophers and feminists for years, yet is still new to many scholars of Judaism. Judaism Since Gender illuminates a crucial debate among intellectuals both within and outside the academy, and ultimately overturns the belief that scholars of Judaism are still largely oblivious of recent developments in the study of gender. Offering a range of provocations--Jewish men as sissies, Jesus as transvestite, the problem of eroticizing Holocaust narratives--this timely collection pits the joys of transgression against desires for cultural wholeness.
