Underground Time Delphine de Vigan 2011-12-01 Everyday Mathilde takes the Metro, then the commuter train to the office of a large multi-national where she works in the marketing department. Every day, the same routine, the same trains. But something happened a while ago - she dared to voice a different opinion from her moody boss, Jacques. Bit by bit she finds herself frozen out of everything, with no work to do. Thibault is a paramedic. Every day he drives to the addresses he receives from his controller. The city spares him no grief: traffic jams, elusive parking spaces, delivery trucks blocking his route. He is well aware that he may be the only human being many of the people he visits will see for the entire day and is well acquainted with the symptomatic illnesses, the major disasters, the hustle and bustle and, of course, the immense, pervading loneliness of the city. Before one day in May, Mathilde and Thibault had never met. They were just two anonymous figures in a crowd, pushed and shoved and pressured continuously by the loveless, urban world. Underground Time is a novel of quiet violence - the violence of office-bullying, the violence of the brutality of the city - in which our two characters move towards an inevitable meeting. "Two solitary

existences cross paths in this poignant chronicle, a new testimony to de Vigan's superb eloquence'

"The Brill Dictionary of Ancient Greek" is an invaluable companion for the study of Classics and Ancient Greek, for beginning students and advanced scholars alike. Translated and edited under the auspices of The Center for Hellenic Studies in Washington, DC, "The Brill Dictionary of Ancient Greek" is based on the completely revised 3rd Italian edition published in 2013 by Loescher Editore, Torino. Features The principal parts of some 15,000 verbs are listed directly following the entry and its etymology. For each of these forms, the occurrence in the ancient texts has been certified.
