*71 mph* Brian Hughes 2022-09-23 After a year and a half of working on a processing ship in Alaska

and living in my car looking for adventure I wrote a journal. I wrote a journal to bring you with me. So you, dear reader, can live the adventures too. Unembellished and true. During the adventures and in between, I wrote down what is happening as it's happening. People who I met along the way I asked if they would write an entry about themselves so you can meet the people I met. And being a photographer, I had to include pictures in here. There's over 400! From exploring Ghost Town Bodie in California to exploring the Florida Keys. From hitchhiking to explore the kindness of strangers to living in the infamous Slab City for a month, I believe you will enjoy this journey, dear reader, and together we can smile, sigh and be inspired. So, grab that hot cup of coffee and snuggle into that comfy chair cause you, dear reader, are close to taking one wild ride!
