Structures or Why things don't fall down J. Gordon 2012-12-06 I am very much aware that it is an act of extreme rashness to attempt to write an elementary book about structures. Indeed it is only when the subject is stripped of its mathematics that one begins to realize how difficult it is to pin down and describe those structural concepts which are often called 'elementary'; by which I suppose we mean 'basic' or 'fundamental'. Some of the omissions and oversimplifications are intentional but no doubt some of them are due to my own brute ignorance and lack of understanding of the subject. Although this volume is more or less a sequel to *The New Science of Strong Materials* it can be read as an entirely separate book in its own right. For this reason a certain amount of repetition has been unavoidable in the earlier chapters. I have to thank a great many people for factual information, suggestions and for stimulating and sometimes heated discussions. Among the living, my colleagues at Reading University have been generous with help, notably Professor W. D. Biggs (Professor of Building Technology), Dr Richard Chaplin, Dr Giorgio Jeronimidis, Dr Julian Vincent and Dr Henry Blyth; Professor Anthony Flew, Professor of Philosophy, made useful suggestions about the last chapter. I am also grateful to Mr John Bartlett, Consultant Neurosurgeon at the Brook Hospital. Professor T. P. Hughes of the University of the West Indies has been helpful about rockets and many other things besides. My secretary, Mrs Jean Collins, was a great help in times of trouble. Mrs Nethercot of Vogue was kind to me about dressmaking. Mr Gerald Leach and also many of the editorial staff of Penguins have exercised their accustomed patience and helpfulness. Among the dead, I owe a great deal to Dr Mark Pryor - lately of Trinity College, Cambridge - especially for discussions about biomechanics which extended over a period of nearly thirty years. Lastly, for reasons which must surely be obvious, I owe a humble oblation to Herodotus, once a citizen of Halicarnassus.

In this book, Baroness Orczy explores how she creates the character of Scarlet Pimpernel, the other characters, and the story world. The End and the Beginning Hermynia Zur Mühlen 2010 First published in Germany in 1929, *The End and the Beginning* is a lively personal memoir of a vanished world and of a rebellious, high-spirited young woman's struggle to achieve independence. Born in 1883 into a distinguished and

wealthy aristocratic family of the old Austro-Hungarian Empire, Hermynia Zur Muhlen spent much of her childhood travelling in Europe and North Africa with her diplomat father. After five years on her German husband's estate in czarist Russia she broke with both her family and her husband and set out on a precarious career as a professional writer committed to socialism. Besides translating many leading contemporary authors, notably Upton Sinclair, into German, she herself published an impressive number of politically engaged novels, detective stories, short stories, and children's fairy tales. Because of her outspoken opposition to National Socialism, she had to flee her native Austria in 1938 and seek refuge in England, where she died, virtually penniless, in 1951. This revised and corrected translation of Zur Muhlen's memoir - with extensive notes and an essay on the author by Lionel Gossman - will appeal especially to readers interested in women's history, the Central European aristocratic world that came to an end with the First World War, and the culture and politics of the late nineteenth and early twentieth centuries.

One of Ours Willa Cather 1922 Claude has an intuitive faith in something splendid and feels at odds with his contemporaries. The war offers him the opportunity to forget his farm and his marriage of compromise; he enlists and discovers that he has lacked. But while war demands altruism, its essence is destructive

Dust Tracks on a Road Zora Neale Hurston 1984 "I have been in Sorrow's kitchen and licked out all the pots. Then I have stood on the peaky mountain wrapped in rainbows with a harp and a sword in my hands." First published in 1942 at the crest of her popularity, this is Zora Neale Hurston's unrestrained account of her rise from childhood poverty in the rural South to prominence among the leading artists and intellectuals of the Harlem Renaissance. Full of wit and wisdom, and audaciously spirited, *Dust Tracks on a Road* offers a rare, poignant glimpse of the life -- public and private -- of a premier African-American writer, artist, anthropologist and champion of the black heritage.

Claiming the Heart of a Duke Arietta Richmond 2016-08-10 A grieving Duke, a disregarded daughter, an unsuitable love, a trap set to compromise, an unexpected happy ending. Hunter Barrington, Duke of Melton, returned from war a changed man. Grieving his lost love, now the holder of a title that he had never thought to inherit, and expected to marry at the earliest opportunity, what he needed most was someone who could see him, simply as himself. Lady Nerissa Loughbridge, the second daughter, always outshone by her beautiful sister, perpetually reproved for her hoydenish ways. What she needed most was someone who could see her, just for herself, who might allow that her dreams had value, simply because she wished them. Then one day, in the winter woods, they met.... But a few magical weeks of delightful friendship were swept away by the hectic London Season, as Lady Nerissa's transformation from ordinary, to the Incomparable of the Season, brought a flock of suitors, and the Duke's new title made him the catch of the year. Can they find their way back to each other, through all their hearts' confusion? Can Lady Nerissa thaw a heart frozen in grief, and claim it for her own?

An Anglo-Norman Reader Jane Bliss 2018-02-08 This book is an anthology with a difference. It presents a distinctive variety of Anglo-Norman works,

beginning in the twelfth century and ending in the nineteenth, covering a broad range of genres and writers, introduced in a lively and thought-provoking way. Facing-page translations, into accessible and engaging modern English, are provided throughout, bringing these texts to life for a contemporary audience. The collection offers a selection of fascinating passages, and whole texts, many of which are not anthologised or translated anywhere else. It explores little-known byways of Arthurian legend and stories of real-life crime and punishment; women's voices tell history, write letters, berate pagans; advice is offered on how to win friends and influence people, how to cure people's ailments and how to keep clear of the law; and stories from the Bible are retold with commentary, together with guidance on prayer and confession. Each text is introduced and elucidated with notes and full references, and the material is divided into three main sections: Story (a variety of narrative forms), Miscellany (including letters, law and medicine, and other non-fiction), and Religious (saints' lives, sermons, Bible commentary, and prayers). Passages in one genre have been chosen so as to reflect themes or stories that appear in another, so that the book can be enjoyed as a collection or used as a resource to dip into for selected texts. This anthology is essential reading for students and scholars of Anglo-Norman and medieval literature and culture. Wide-ranging and fully referenced, it can be used as a springboard for further study or relished in its own right by readers interested to discover Anglo-Norman literature that was written to amuse, instruct, entertain, or admonish medieval audiences.

Notes from a Small Island Bill Bryson 2015-06-02 Before New York Times bestselling author Bill Bryson wrote *The Road to Little Dribbling*, he took this delightfully irreverent jaunt around the unparalleled floating nation of Great Britain, which has produced zebra crossings, Shakespeare,

Twiggie Winkie's Farm, and places with names like Farleigh Wallop and Titsey.

Nightwood Djuna Barnes 1935 The fiery and enigmatic masterpiece-- one of the greatest novels of the Modernist era. "Nightwood," Djuna Barnes' strange and sinuous tour de force, "belongs to that small class of books that somehow reflect a time or an epoch" ("TLS"). That time is the period between the two World Wars, and Barnes' novel unfolds in the decadent shadows of Europe's great cities, Paris, Berlin, and Vienna-- a world in which the boundaries of class, religion, and sexuality are bold but surprisingly porous. The outsized characters who inhabit this world are some of the most memorable in all of fiction-- there is Guido Volkbein, the Wandering Jew and son of a self-proclaimed baron; Robin Vote, the American expatriate who marries him and then engages in a series of affairs, first with Nora Flood and then with Jenny Petherbridge, driving all of her lovers to distraction with her passion for wandering alone in the night; and there is Dr. Matthew-Mighty-Grain-of-Salt-Dante-O'Connor, a transvestite and ostensible gynecologist, whose digressive speeches brim with fury, keen insights, and surprising allusions. Barnes' depiction of these characters and their relationships (Nora says, "A man is another person-- a woman is yourself, caught as you turn in panic; on her mouth you kiss your own") has made the novel a landmark of feminist and lesbian literature. Most striking of all is Barnes' unparalleled stylistic innovation, which led T. S. Eliot to proclaim the book "so good a novel that only sensibilities trained on poetry can wholly appreciate it." Now with a new preface by Jeanette Winterson, "Nightwood" still crackles with the same electric charge it had on its first publication in 1936.

Luxury Arts of the Renaissance Marina Belozerskaya 2005-10-01 Today we associate the Renaissance with painting, sculpture, and architecture—the “major” arts. Yet contemporaries often held the “minor” arts—gem-studded goldwork, richly embellished armor, splendid tapestries and embroideries, music, and ephemeral multi-media spectacles—in much higher esteem. Isabella d’Este, Marchesa of Mantua, was typical of the Italian nobility: she bequeathed to her children precious stone vases mounted in gold, engraved gems, ivories, and antique bronzes and marbles; her favorite ladies-in-waiting, by contrast, received mere paintings. Renaissance patrons and observers extolled finely wrought luxury artifacts for their exquisite craftsmanship and the symbolic capital of their components; paintings and sculptures in modest materials, although discussed by some literati, were of lesser consequence. This book endeavors to return to the mainstream material long marginalized as a result of historical and ideological biases of the intervening centuries. The author analyzes how luxury arts went from being lofty markers of ascendancy and discernment in the Renaissance to being dismissed as “decorative” or “minor” arts—extravagant trinkets of the rich unworthy of the status of Art. Then, by re-examining the objects themselves and their uses in their day, she shows how sumptuous creations constructed the world and taste of Renaissance women and men.

The Complete Stories Flannery O'Connor 1971 Winner of the National Book Award The publication of this extraordinary volume firmly established Flannery O'Connor's monumental contribution to American fiction. There are thirty-one stories here in all, including twelve that do not appear in the only two story collections O'Connor put together in her short lifetime--Everything That Rises Must Converge and A Good Man Is Hard to Find. O'Connor published her first story, "The Geranium," in 1946, while she was working on her master's degree at the University of Iowa. Arranged chronologically, this collection shows that her last story, "Judgement Day"--sent to her publisher shortly before her death—is a brilliantly rewritten and transfigured version of "The Geranium." Taken together, these stories reveal a lively, penetrating talent that has given us some of the most powerful and disturbing fiction of the twentieth century. Also included is an introduction by O'Connor's longtime editor and friend, Robert Giroux.

The Black Jacobins C. L. R. James 2001-05-31 In 1789 the West Indian colony of San Domingo supplied two-thirds of the overseas trade of France. The entire structure of what was arguably the most profitable colony in the world rested on the labour of half a million slaves. In 1791 the waves of unrest inspired by the French Revolution reached across the Atlantic dividing the loyalties of the white population of the island. The brutally treated slaves of Saint Domingo seized at this confusion and rose up in rebellion against masters. In this classic work, CLR James chronicles the only successful slave revolt in history and provides a critical portrait of their leader, Toussaint L'Ouverture, 'one of the most remarkable men of a period rich in remarkable men'.

Life After Life Kate Atkinson 2013-04-02 What if you could live again and again, until you got it right? On a cold and snowy night in 1910, Ursula Todd is born to an English banker and his wife. Does Ursula's apparently infinite number of lives give her the power to save the world from its inevitable destiny? And if she can -- will she? Darkly comic, startlingly poignant, and utterly original: this is Kate Atkinson at her absolute best.
