Mirror for the Muslim Prince Mehrzad Boroujerdi 2013-05-01 In this volume, a group of distinguished scholars reinterpret concepts and canons of Islamic thought in Arab, Persian, South Asian, and Turkish traditions. They demonstrate that there is no unitary "Islamic" position on important issues of statecraft and governance. They recognize that Islam is a discursive site marked by silences, agreements, and animated controversies. Rigorous debates and profound disagreements among Muslim theologians, philosophers, and literati have taken place over such questions as: What is an Islamic state? Was the state ever viewed as an independent political institution in the Islamic tradition of political thought? Is it possible that a religion that places an inordinate emphasis upon

the importance of good deeds does not indeed have a vigorous notion of "public interest" or a systematic theory of government? Does Islam provide an edifice, a common idiom, and an ideological mooring for premodern and modern Muslim rulers alike? The nuanced reading of the Islamic traditions provided in this book will help future generations of Muslims contemplate a more humane style of statecraft.

The Track of Sand Andrea Camilleri 2010-10-26 “You either love Andrea Camilleri or you haven’t read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano.” A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Inspector Salvatore Montalbano wakes from strange dreams to find a gruesomely bludgeoned horse carcass in front of his seaside home. When his men came to investigate, the carcass has disappeared, leaving only a trail in the sand. Then his home is ransacked and the inspector is certain that the crimes are linked. As he negotiates both the glittering underworld of horseracing and the Mafia's connection to it, Montalbano is aided by his illiterate housekeeper, Adelina, and a Proustian memory of linguette fritte. Longtime fans and new readers alike will be charmed by Montalbano's blend of unorthodox methods, melancholy self-reflection, and love of good food.

The Catholic School Edoardo Albinati 2019-08-13 A semiautobiographical coming-of-age story, framed by the harrowing 1975 Circeo massacre Edoardo Albinati's *The Catholic School*, the winner of Italy's most prestigious award, The Strega Prize, is a powerful investigation of the heart and soul of contemporary Italy. Three well-off young men—former students at Rome's prestigious all-boys Catholic high school San Leone Magno—brutally tortured, raped, and murdered two young women in 1975. The event, which came to be known as the Circeo massacre, shocked and captivated the country, exposing the violence and dark underbelly of the upper middle class at a moment when the traditional structures of family and religion were seen as under threat. It is this environment, the halls of San Leone Magno in the late 1960s and the 1970s, that Edoardo Albinati takes as his subject. His experience at the school, reflections on his adolescence, and thoughts on the forces that produced contemporary Italy are painstakingly and thoughtfully rendered, producing a remarkable blend of memoir, coming-of-age novel, and true-crime story. Along with indelible portraits of his teachers and fellow classmates—the charming Arbus, the literature teacher Cosmos, and his only Fascist friend, Max—Albinati also gives us his nuanced reflections on the legacy of abuse, the Italian bourgeoisie, and the relationship between sex, violence, and masculinity.

End of the Innocence Alessandra Torre 2014-03-21 He thought I owned him. He thought he loved

me, that I was enough. But this animal, this sex god who could drive me crazy and steal my heart in the same breath, he would never fully be mine. It was impossible. No one ever owned a God... One year. I have one year to find out more about this man I am marrying. More about his family. More about our sex, and all of the dirty, delicious places it will take me. I thought I'd spend this year making a decision. I never thought the decision would be taken from me, snatched right from my naive little hands. The final book in the Innocence Trilogy. PRAISE: "Julia Campbell, a college intern in a law office, becomes sexually involved with Brad, one of the senior partners, while working for another. Evidently nonorgasmic before she met Brad, Julia is enjoying her sexual awakening with him in threesomes, sex parties, and anything and everything (except S and M)—until her boss is murdered, and she finds out that she's on a hit list for having overheard a conversation involving his representation of Mob families. Brad, the son of one of those mobsters, though not involved in the family "business," has to figure out how to protect her. Torre gives readers erotica with a plot, despite the bromide of the alpha male introducing the naïve young woman to sex and a variant of the marriage of convenience. Julia is a classic "spunky Suzy," and unlike Fifty Shades of Grey, the story is plausible." —Mary K. Chelton, Booklist, on Masked Innocence (Book 2 in The Innocence Trilogy) "Torre's erotic sequel to the indie digital hit Blindfolded Innocence returns to the dangerous, decadent world of divorce lawyer Brad De Luca and law student Julia Campbell. In the bedroom, Brad is slowly pushing Julia to the very edges of her sexual limits, including threesomes and sex parties. At the office, Julia accidentally overhears her boss, Brad's business partner, engaging in a shady Mafia-related deal, and her new knowledge could get her killed. When she tells Brad about the conversation, it becomes clear that he's hiding a big secret that could drive him and Julia apart forever. Will losing her inhibitions also mean losing her life? Despite a dead end or two and a

cliffhanger conclusion, Torre keeps readers engaged with this fast-moving tale of deceit, treachery, and love." —Publishers Weekly on *Masked Innocence* (Book 2 in *The Innocence Trilogy*)

Eve's Diary, Complete Mark Twain 2016-08-29 SATURDAY.—I am almost a whole day old, now. I arrived yesterday. That is as it seems to me. And it must be so, for if there was a day-before-yesterday I was not there when it happened, or I should remember it. It could be, of course, that it did happen, and that I was not noticing. Very well; I will be very watchful now, and if any day-before-yesterdays happen I will make a note of it. It will be best to start right and not let the record get confused, for some instinct tells me that these details are going to be important to the historian some day. For I feel like an experiment, I feel exactly like an experiment; it would be impossible for a person to feel more like an experiment than I do, and so I am coming to feel convinced that that is what I AM—an experiment; just an experiment, and nothing more.

Before, I was a million things. Now I'm only one. The Burned Girl. Ava Lee has lost everything there is to lose: Her parents. Her best friend. Her home. Even her face. She doesn't need a mirror to know what she looks like--she can see her reflection in the eyes of everyone around her. A year after the fire that destroyed her world, her aunt and uncle have decided she should go back to high school. Be "normal" again. Whatever that is. Ava knows better. There is no normal for someone like her. And forget making friends--no one wants to be seen with the Burned Girl, now or ever. But when Ava meets a fellow survivor named Piper, she begins to feel like maybe she doesn't have to face the nightmare alone. Sarcastic and blunt, Piper isn't afraid to push Ava out of her comfort zone. Piper introduces Ava to Asad, a boy who loves theater just as much as she does, and slowly, Ava tries to create a life again. Yet Piper is fighting her own battle, and soon Ava must decide if she's going to fade back into her scars . . . or let the people by her side help her fly. This book is for everyone, burned or not, who has ever searched for a light in the darkness." --Stephanie Nielson, New York Times bestselling author of *Heaven Is Here* and a burn survivor

Politics and Popular Culture Leah A. Murray 2010-06-09 In recent years we have seen a continuation and perhaps even acceleration in the trend of popular culture having a discernible effect on politics. From The Daily Show to candidates' use of Facebook and MySpace, politics have opened up to new technologies as we come online for the next generation. Our political world has become popularized, or our popular world has become politicized in a new way, facilitated by the entertainment media and new technologies. This volume's authors attempt to make sense of the changing political popular world through a series of interdisciplinary essays that explore the ramifications of popular cultural depictions of politics drawing on literature in a variety of fields: political science, history, literature, fine arts and communications. We explore three major phenomena in a politicized popular culture. First, we explore the role that the entertainment media play in understanding politics. What is interesting about our fictional political worlds is we are allowed, as a people, to consider different political ideals without the baggage of our last vote or our ideology. We can step outside ourselves

and challenge the way we think on particular issues. Second, we explore the real world of politics as it has been shaped over the last century of new technology. As powerful a medium television proved to be to politics, the latest technological breakthroughs have proved to be a paradigmatic shift. From Twitter to Facebook, our politicians are able to keep in almost constant contact with their constituencies, which has vast implications for the way political discourse will progress. Third, we explore what happens when the real world and media collide. Entertainment media change their messages when major political events happen such as the case when spymaster tropes were forced to evolve when 9/11 changed the international dynamic. Robert Ludlum's Jason Bourne series had to be conceptualized on film in a new way after this event. The more connected our political world and our popular world become, and given the trends, we can only assume they will become increasingly intertwined, the more important it is for us to understand how these connections affect the world. This volume is a powerful pass at comprehending all that is happening across the politicized popular world.
