A disturbing mix of detection and reflection."—Publishers Weekly "Rivets the reader with its twist of historical realities. A historical piece, it faithfully reproduces the grim canvas of war. An interesting, original, and melancholy tale."—Literary Review Italy, September 1943. The Italian government switches sides and declares war on Germany. *The Shawl* Cynthia Ozick 2021-04-13 From the winner of the National Book Critics Circle Award comes a story about the Holocaust that "burns itself into the reader's imagination with almost surreal powers" (The New York Times). **This Body That Inhabits Me** Rossana Rossanda 2022-01-15 A collection of essays on the mysteries

of the body from one of Italy's leading postwar communist intellectuals. Politician, translator, and journalist Rossana Rossanda was the most important female left-wing intellectual in post-war Italy. Central to the Italian Communist Party's cultural wing during the 1950s and '60s, she left an indelible mark on the life of the mind. The essays in this volume, however, bring together Rossanda's reflections on the body--how it ages, how it is gendered, what it means to examine one's own body. The product of a decades-long dialogue with the Italian women's movement (above all with Lea Melandri, a vital feminist writer who provides an afterword to the current volume), these essays represent an honest and raw meeting between communist and feminist thought. Ranging from reflections on her own hands through to Chinese cinema, from figures such as the Russian cross-dressing soldier Nadezhda Durova to the Jacobin revolutionary Theroigne de Mericourt, here we see Rossanda's fierce intellect and extraordinary breadth of knowledge applied to the body as a central question of human experience.

*The Minor Elizabethan Drama* 1964

Oh What a Paradise It Seems John Cheever 2010-07-26 From one of the most renowned twentieth-century American writers, this "luminous epiphany of life ... [is] a charming fable of old age, nostalgia, and loss" (The Washington Post Book World). Pulitzer Prize-winning author John Cheever's final novel is a fable set in a village so idyllic it has no fast-food outlet and having as its protagonist an old man, Lemuel Sears, who still has it in him to fall wildly in love with strangers of both sexes. But Sears's paradise is threatened; the pond he loves is being fouled by unscrupulous polluters. In Cheever's accomplished hands the battle between an elderly romantic and the monstrous aspects of late-twentieth-century civilization becomes something ribald, poignant, and ineffably joyful. "This is perfect Cheever—it is perfect." —The New York Times Book Review

To Catch a Thief David Dodge 2015-02-01 The classic mystery that inspired the Academy Award-winning film by Alfred Hitchcock. “Le Chat” is a legend. He is a mystery. He is a jewel thief, famous and elusive for being able to swipe anything and get away clean. He is John Robie, retired and living a quiet life, tending his rose garden in the South of France. But his retirement plans are thrown for a loop when a series of robberies too closely resemble the work of “Le Chat,” and the police start digging into Robie’s past. To keep himself free, and with the help of an equally mysterious young woman, John Robie will have to catch the true thief, before the police catch him.

Eye of the Needle Ken Follett 2017-10-17 The worldwide phenomenon from the bestselling author of The Pillars of the Earth, World Without End, A Column of Fire, and The Evening and the Morning His code name was “The Needle.” He was a German aristocrat of extraordinary intelligence—a master spy with a legacy of violence in his blood, and the object of the most desperate manhunt in history. . . . But his fate lay in the hands of a young and vulnerable English woman, whose loyalty, if swayed, would assure his freedom—and win the war for the Nazis. . . .

**Killing It** Camas Davis 2019-07-23 Camas Davis was at an unhappy crossroads. A longtime magazine editor, she had left New York City to pursue a simpler life in her home state of Oregon, with the man she wanted to marry, and taken an appealing job at a Portland magazine. But neither job nor man delivered on her dreams, and in the span of a year, Camas was unemployed, on her own, with nothing to fall back on. Disillusioned by the decade she had spent as a lifestyle journalist, advising other people how to live their best lives, she had little idea how best to live her own life. She did know one thing: She no longer wanted to write about the genuine article, she wanted to be it. So when a friend told her about Kate Hill, an American woman living in Gascony, France who ran a cooking school and took in strays in exchange for painting fences and making beds, it sounded like just what she needed. She discovered a forgotten credit card that had just enough credit on it to buy a plane ticket and took it as kismet. Upon her arrival, Kate introduced her to the Chapolard

brothers, a family of Gascon pig farmers and butchers, who were willing to take Camas under their wing, inviting her to work alongside them in their slaughterhouse and cutting room. In the process, the Chapolards inducted her into their way of life, which prizes pleasure, compassion, community, and authenticity above all else, forcing Camas to question everything she'd believed about life, death, and dinner. So begins Camas Davis's funny, heartfelt, searching memoir of her unexpected journey from knowing magazine editor to humble butcher. It's a story that takes her from an eye-opening stint in rural France where deep artisanal craft and whole-animal gastronomy thrive despite the rise of mass-scale agribusiness, back to a Portland in the throes of a food revolution, where Camas attempts--sometimes successfully, sometimes not--to translate much of this old-world craft and way of life into a new world setting. Along the way, Camas learns what it really means to pursue the real thing and dedicate your life to it.
