From Titan Comics and Doctor Who scribe, George Mann, comes this original tale of adventure and visceral horror that throws readers deep into the twisted myth of Namco-Bandai's award-winning video-game franchise. Figli delle tenebre. Burzum, Mayhem e l'anima nera del metal Simone Ragazzoni 2020-05-01 Agosto 1993. Una notizia di cronaca nera sconvolge il mondo della musica. Il corpo di Øystein Aarseth è stato rinvenuto nel suo appartamento, ucciso da 23 coltellate. Noto con il nome d'arte di Euronymous, la vittima è una figura di spicco della scena metal norvegese, e le indagini si concentrano subito sui colleghi musicisti. Il colpevole viene individuato in pochi giorni: è Varg Vikernes, noto ai più come fondatore dei Burzum, ex pupillo di Aarseth e suo compagno nei Mayhem, diventato suo feroce rivale per il controllo della scena black metal. già noto alla stampa di tutta Europa, specializzata e non, per essere il presunto capobastone dei roghi delle chiese che da mesi piagano il nord Europa. La sua cattura svela a tutto il mondo una storia dove musica estrema, crimine, ideologie estremiste e iconografia horror si intrecciano creando una trama degna di un romanzo di Stieg Larsson. Due giovani talenti, Davide Bertaina e Simone Ragazzoni, ricostruiscono il rapporto tra due musicisti così visionari da fondere l'estetica con il crimine, ricostruendo nel contempo il contesto di uno dei capitoli più oscuri e indimenticabile della storia del rock.

The Portable February David Berman 2009 Running the gamut in topic and style from faux-political to faux-New Yorker, David Berman's lo-fi cartoons incorporate strains of high and low comedy, wistful Americana, contemporary art, dream visions, and a visual analog to the semipenetrable personal allusions found in his music and poetry. His drawings invite the same deeper thought as his writings, making use of wordplay, cultural references, and offbeat observations. The sparse illustrations are complemented by poignant one-liners, and reveal moments of lightness within the

author's dark humor, providing a wry, erudite commentary on American culture.

Jaclyn Hyde Annabeth Bondor-Stone 2019-05-07 In this heartwarming and hilarious reimagining of *The Strange Case of Dr. Jekyll and Mr. Hyde*, a secret potion accidentally turns eager-to-please eighth grader Jaclyn into Jackie, a goblin-like monster who'll do anything to win at everything she does—no matter how much chaos she creates along the way. Jaclyn Hyde is almost perfect. Whether she's baking cookies for her classmates, building a replica Mt. Vesuvius for the science fair, or practicing her lines for *Fog Island: The Musical*, she almost never makes mistakes. When she discovers the last batch of perfection potion in an abandoned laboratory, Jaclyn decides that being almost perfect isn't perfect enough anymore. But Jaclyn quickly discovers that the potion turns her into Jackie, a goblin-like monster who'll do anything to make sure Jaclyn comes out on top. Suddenly, she's wreaking havoc on the school play, stealing someone else's brownies to pass off as her own, and that's just the beginning. If Jaclyn wants to save her school, her friends, and herself from her perfectly horrifying alter-ego, she's going to have to screw up her courage and risk it all—even if that means admitting that she never was as perfect as she seemed.

But in truth, Corley's fast hands are the only gift fate's ever given him. And if Red ever finds out about the wife Corley neglected to mention, there's a good chance that Corley might not survive the night. At first, Mitch was sure Texas would be the perfect place for him and Red to run their game -- there are players in nearly every back room and side-street across the state and here, the pockets run just a little deeper. But Corley forgot about one thing: Texans don't forgive easily. And there's nothing they hate more

than a cheater.

An Invisible Sign of My Own Aimee Bender 2011-08-17 Aimee Bender's stunning debut collection, *The Girl in the Flammable Skirt*, proved her to be one of the freshest voices in American fiction. Now, in her first novel, she builds on that early promise. Mona Gray was ten when her father contracted a mysterious illness and she became a quitter, abandoning each of her talents just as pleasure became intense. The only thing she can't stop doing is math: She knocks on wood, adds her steps, and multiplies people in the park against one another. When Mona begins teaching math to

second-graders, she finds a ready audience. But the difficult and wonderful facts of life keep intruding. She finds herself drawn to the new science teacher, who has an unnerving way of seeing through her intricately built façade. Bender brilliantly directs her characters, giving them unexpected emotional depth and setting them in a calamitous world, both fancifully surreal and startlingly familiar. BONUS MATERIAL: This edition includes an excerpt from Aimee Bender's *The Color Master*.

Elgar, the Erotic Variations Ken Russell 2007 This "novel biography" focuses a literary rather than camera lens on the private lives of Elgar and Delius --with no holds barred! In these new novel-biographies Ken Russell reinvents the quintessentially English Edward Elgar (1857-1934) and Frederick Delius (1862-1934) for the printed page. Here the two musicians' --both provincial lads --come alive in a new way in biographical novels that are revealing yet boisterously entertaining --occasionally outrageous and iconoclastic. In *Elgar: The Erotic Variation*, Russell explodes his own myth of offering the last word on his subject. Here the man emerges from Victorian morality complete with mistresses and muses in the form of the women who captivated his soul, including his childhood sweetheart Helen Weaver and the emancipated headmistress Rosa Burley. *Delius: A Moment with Venus* is largely based on the recollections of the composer's amanuensis, Eric Fenby, who became a friend of the author during the making of the Monitor drama-documentary. Some of the extra-marital material in this novel was unknown to Russell when he made his film, but the baptism of Frederick Delius the Yorkshireman --as "Fritz" --is the hilarious starting point for the revelations about the secret life of this cantankerous old pagan genius.

Lee Konitz Andy Hamilton 2007-08-08 “Meticulously researched, detailed and documented, this long awaited overview justly establishes Konitz as one of the most consistently brilliant, adventurous and original improvisers in the jazz tradition—a genius as rare as Bird himself.” —John Zorn “Hamilton’s work may well mark the inception of a format new to writing on Western music, one which avoids both the self-aggrandizing of autobiography and the stylized subjectification of biography.” —The Wire “An extraordinary approach to a biography, with the man himself speaking for extended sessions. The main vibration I felt from Lee’s words was total honesty, almost to a fault. Konitz shows himself to be an acute observer of the scene, full of wisdom and deep musical insights, relevant to any historical period regardless of style. The asides by noted musicians are beautifully woven throughout the pages. I couldn’t put the book down—it is the definition of a living history.” —David Liebman The preeminent altoist associated with the “cool” school of jazz, Lee Konitz was one of the few saxophonists of his generation to forge a unique sound independent of the influence of Charlie Parker. In the late 1940s, Konitz began his career with the Claude Thornhill band, during which time he came into contact with Miles Davis, with whom he would later work on the legendary Birth of the Cool sessions. Konitz is perhaps best known through his association with Lennie Tristano, under whose influence much of his sound evolved, and for his work with Stan Kenton and Warne Marsh. His recordings have ranged from cool bop to experimental improvisation and have appeared on such labels as Prestige, Atlantic, Verve, and Polydor. Crafted out of numerous interviews between the author and his subject, the book offers a unique look at the story of Lee Konitz’s life and music, detailing Konitz’s own insights into his musical education and his experiences with such figures as Miles Davis, Stan Kenton, Warne Marsh, Lennie Tristano, Charles Mingus, Bud Powell, and Bill Evans. Andy Hamilton is a jazz pianist and contributor to major jazz and contemporary music magazines. He teaches philosophy, and the history and aesthetics of jazz, at Durham University in the United Kingdom. He is also the author of the book *Aesthetics and Music* (Continuum 2007). Joe Lovano is a Grammy Award-winning tenor saxophonist. His most recent album is *Streams of Expression*.

Showgirls Paul Verhoeven 1995 Here are portfolios by four photographers on the world of Las Vegas sex, glamour and spectacle shot during the production of the controversial movie *Showgirls*. In addition, the director's essay illuminates their visual style while giving insights into his own moviemaking techniques.

A World Without Time Palle Yourgrau 2009-03-04 In 1942, the logician Kurt Godel and Albert Einstein became close friends; they walked to and from their offices every day, exchanging ideas about science, philosophy, politics, and the lost world of German science. By 1949, Godel had produced a remarkable proof: In any universe described by the Theory of Relativity, time cannot exist. Einstein endorsed this result reluctantly but he could find no way to refute it, since then, neither has anyone else. Yet cosmologists and philosophers alike have proceeded as if this discovery was never made. In *A World Without Time*, Palle Yourgrau sets out to restore Godel to his rightful place in history, telling the story of two magnificent minds put on the shelf by the scientific fashions of their day, and attempts to rescue the brilliant work they did together.

Anna Goeldin - The Last Witch Eveline Hasler 2018-08-24 The last witchcraft trial in German-speaking countries was held in 1782 in Eveline Hasler's home canton of Glarus in Switzerland. A servant woman, Anna Goeldin, was accused of having bewitched a child of the physician household in which she worked, making it crippled and spit pins. The accused confessed under torture, was sentenced by the city council and executed. Sources show that the trial provoked great controversy in Europe even at the time. The courts in Glarus were ridiculed and criticized by more enlightened cities in Switzerland and Germany. In her novel with its beautiful simple language, Hasler tells Anna Goeldin's story and trial. With the means of fiction, Hasler attempts to explain how a witchcraft trial could come to take place in the heart of Europe during the heyday of the Enlightenment. The novel was first published in 1982 and also draws parallels to women's fight for equal rights two hundred years later. This novel is a bestseller in German-speaking countries, has been translated into several languages, and made into a feature film by Gertrud Pinkus. The translation by Mary Bryant has won an Arts and Humanities Initiative Award at the University of Iowa. Eveline Hasler (born in 1933) was trained as a teacher of History and turned to writing children's books, fiction, and historical fiction. She is the recipient of many awards, among them the Switzerland Award for Juvenile Fiction (1978), Honors by the City of Zurich (1988), Schubart Award (1989), Droste Award (1994), and Justinus Kerner Award (1999).

Bodacious: the Shepherd Cat Suzanna Crampton 2018-05-21 BODACIOUS: THE SHEPHERD CAT is a heart-warming and charming tale in which Bodacious tells us about life as The Shepherd Cat on Black Sheep Farm. 'I am Bodacious, The Shepherd Cat, and this is my story. I wasn't always called Bodacious. I must have been called something else in my kitten-hood in the nearby city of Kilkenny, but it's all a bit of a mystery to My Human. As far as she's concerned, I appeared one day and have never left. It's a secret I plan to keep.' Written from the perspective of Bodacious the cat, this is a beautifully written memoir of Bodacious's life on the farm and everything that entails -- early mornings, frosty starts, beautiful sunrises, adventurous rare-breed Zwartbles sheep, hard work, entertaining animals, mouth-watering food, kind people and idyllic country living with its highs and lows. The Shepherd often tells Bodacious her favourite story of how she went out to buy red ribbon to wrap a gift for her friend, but instead came home with a gift for herself: a daring, assertive, ambitious cat looking for a home. But soon The Shepherd realises she needs Bodacious as much as he needs her. As soon as he arrives, Bodacious saunters around the farm like he owns the place and immediately establishes himself as Top Cat. But Bodacious isn't content to pad round the house and curl up by the Aga, and soon he befriends a farm cat called Oscar who trains him in

the ways of the farm. As well as Oscar, Bodacious gets to know all the other animals on the farm -- cats Miss Marley and Ovenmitt, the scruffy border collie/fox terrier-cross called Pepper, and The Big Fellow, to name a few. With wonderful characterisation, humour, sharp observation, and a plucky attitude, Bodacious shows us the ropes of Black Sheep Farm. As we soak in the atmosphere of the house, the orchards and the fields, we also learn how this Top Cat Shepherd got his name - by being 'Big, bold, beautiful, bolshie', as his Shepherd always says...
