If I Die... Michael Fleeman 2007-04-01 He'd been shot in the head, decapitated, and set on fire. Who could have turned on the real-estate ace with such bloodthirsty fury? Even before the remains were found, circumstantial evidence was building against Rudin's 52-year-old wife, Margaret, who stood to inherit a handsome share of her husband's fortune. Rudin's friends also suspected Margaret, and the victim has thought that his wife was trying to poison him when he was alive. Then a chilling caveat was discovered in Rudin's living trust: should he die under violent circumstances, an investigation should be conducted. By the time authorities closed in on Margaret Rudin she'd disappeared. It would take two and a half years to hunt the Black Widow down, and to discover the secrets at the heart of poisonous marriage... Now, reporter Michael Fleeman delivers a startling glimpse into the mind of a woman who would stop at nothing to get what she wanted. Fleeman also details the relentless pursuit of justice that would lead authorities from the glamorous facade of Las Vegas to a squalid apartment on the outskirts of Boston, to hold the remorseless wife accountable for her shocking crimes.

Will has never been outside, at least not since he can remember. And he has certainly never gotten to know anyone other than his mother, a fiercely loving yet wildly eccentric agoraphobe who panics at the thought of opening the front door. Their world is rich and fun-loving—full of art, science experiments, and music—and all confined to their small house. But Will's thirst for adventure can't be contained. Clad in a protective helmet and unsure of how to talk to other kids, he

finally ventures outside. At his new school he meets Jonah, an artsy loner who introduces Will to the high-flying freedoms of skateboarding. Together, they search for a missing local boy, help a bedraggled vagabond, and evade a dangerous bootlegger. The adventure is more than Will ever expected, pulling him far from the confines of his closed-off world and into the throes of early adulthood, and all the risks that everyday life offers. Spring in New Hampshire and Other Poems Claude McKay 2021-11-16 *Spring in New Hampshire and Other Poems* (1920) is a poetry collection by Claude McKay. Published toward the

beginning of the Harlem Renaissance, *Spring in New Hampshire and Other Poems* is the first of McKay's collections to appear in the United States. As a committed leftist, McKay—who grew up in Jamaica—captures the life of African Americans from a realist's point of view, lamenting their exposure to poverty, racism, and violence while celebrating their resilience and cultural achievement. Several years before T. S. Eliot's *The Waste Land* (1922) and William Carlos Williams' *Spring and All* (1923), modernist poet Claude McKay troubles the traditional symbol of springtime to accommodate the hardships of an increasingly industrialized world. In "Spring in New Hampshire," the poet gives voice to a desperate laborer, for whom the beauty and harmony of the season of rebirth are not only sickening, but altogether inaccessible: "Too green the springing April grass, / Too blue the silver-speckled sky, / For me to linger here, alas, / While happy winds go laughing by, / Wasting the golden hours indoors, / Washing windows and scrubbing floors." A master of traditional forms, McKay brings his experience as a black man to bear on a poem otherwise dedicated to descriptions of natural beauty, challenging the very tradition his language and style invoke. In "The Lynching," he calls on the reader to witness the brutality of American racism while exposing the complicity of those who would look without feeling: "[S]oon the mixed crowds came to view / The ghastly body swaying in the sun: / The women thronged to look, but never a one / Showed sorrow in her eyes of steely blue..." As children dance around the victim's body, "lynchers that were to be," McKay raises a terrible, timeless question: how long will such violence endure? With a beautifully designed cover and professionally typeset manuscript, this edition of Claude McKay's *Spring in New Hampshire and Other Poems* is a classic of Jamaican literature reimagined for modern readers.

If I Should Die Tom Hampshire 2005 This is a story of Africa, shown at its most cruelest and tender moments. It is a story of violence set against the breathtaking beauty of the land, where cicades sing their interminable song and elephants gambol in a mud hole. It is a story of vengeance and endurance. It is not a story of Black against White, but of the resistance to the winds of change; the drawing in an empires and the global trend towards righting past wrongs. It is a conflict where Sergeant Wilson and his men fight a war they know they cannot win, but they fight it anyways, because it is their job. Appalling events personalize the conflict into a brutal and unremitting contest to the death between Sergeant Wilson and the leader of a terrorist band, known as 'Chaka', the best men each side has to offer, Severely wounded and taken across the border for interrogation Sergeant Wilson is beyond pain. Hopelessly in love, the beautiful Sally Ferguson arrives in the same country and with the aid of friends attempts to discover where Bob us being held, with the ill-conceived idea of affecting a rescue. She finds herself in a terrifying situation. It is also a story of love and passion, where a frightened woman kills and finally gives her life for the man she loves. The story is unremitting in its action and the saddest thing about it is that most of it could have happened. It is set in Nyanga, a make-believe country in Africa. But those who were there will know.

If I Should Die Before I Wake Eileen Munro 2011-07-07 In her bestselling memoir *As I Lay Me Down to Sleep*, Eileen Munro vividly documented the abuse she experienced at the hands of her adoptive parents and, later, within the care system. The birth of Eileen's son, Craig, and her escape from the authorities' clutches should have seen her turn a corner, but she remains haunted by the spectre of her past. In *If I Should Die Before I Wake*, Eileen chronicles her search for her real parents and her battle for an education for both Craig and herself. She faces exploitation, suffers further sexual and physical abuse, and endures periods of homelessness and bad health. Still she perseveres, clinging to her hopes for the future, until she eventually finds the sense of belonging that has previously eluded her. In this harrowing but ultimately inspirational second volume of memoir, Eileen Munro proves that, against all the odds, happiness does sometimes come to those who never give up hope.

If I Should Die Before I Live Richard Renwick Smyth 2017-10-24 A disquieting question persists: "What if I should die before I feel life is full?" It is deeply personal, hauntingly spiritual. It's a challenge to re-visit beliefs and the dynamics of faith, love, hope. Exploration brings a fresh encounter: the human and spiritual elements of "self." These are not contending identities; each supplies unique initiatives for life's fullness. Both need nurturing; either can be ignored. Spiritual experience makes promise and mystery real; this enhances earthly achievements. These Meditations focus on spiritual vitality—especially for seniors. They reach beyond a biological birth-death time-frame. They touch on continuity beyond earth-time. God's initiatives enrich the spiritual self—grace energizes faith. This generates and motivates people to offer acts of love. Love fosters grander character and perspective, wholesome relationships, healing for the heart-hungry/heart-broken. The outcome: a healthier self experiencing joy and peace—wholeness for life beyond death. Richard Smyth's missionary service in India was designated "church development." The Indian church prepared for autonomy, to assure continuity of American mission initiatives. "Development" involved identifying and implementing specific ministries. The challenge: match peoples' needs with relevant opportunities. This affected worship/activity in local congregations as well as their outreach efforts. The goal: design culturally valid strategies, structures and services for the church's mission, organization, workers. An emphasis was proper leadership and resources. He built up a multi-cultural congregation in one of New Delhi's new suburban areas. This housed government, business and military personnel called to national offices. The congregation's focus: build strong fellowship ties and initiate outreach services in the community. This pattern was used for nation-wide training programs by denominational and para-church groups. The last 15 years expanded the ministry to facilitate similar transitions by mission institutions in 14 Asia/Pacific nations. Richard and Sylvia Smyth retired in 1998; they reside in Asheville, North Carolina. Their family of 5 Indian children and spouses, grandchildren and great-grandchildren live in New Delhi, Manila, Dubai and Stockholm.

If I Should Die Before I Wake, I Pray the Lord My Soul to Take Gary Chattman 2012-02

Imagine you have become two different people. Today you are in the present, studying for your Bar Mitzvah. Then, suddenly, you dream that you have been transported back in time to Poland, and become caught in the Holocaust. Then you dream that you are in Poland in the Middle Ages. You are to be eradicated by gentile society that sees Jews as not chosen, but sub-human. How do you react? What is the true reality? How can you survive? What does it mean to be a Jew, today or then? And what about God? Is God listening to us? Does God care? Imagine you are Reuben Maimon, an impressionable young man of almost 13, about to take his Bar Mitzvah vows. He must question who he is, and what the ceremony's purpose is. What is the point of a modern Bar/Bat Mitzvah if it doesn't give Jews a link with the past? Imagine you are Reuben Maimon living these two different lives with the same cast of people, and not knowing what is the reality and what is the dream. Imagine what would happen if you die before you wake. Now imagine, if you were Reuben Maimon, if he should die before he wakes... Imagine.
