**Blueprint to Business** Michael Alden 2017-10-23 Essential reading for any would-be entrepreneur Blueprint to Business is the ultimate guide to becoming a successful entrepreneur. Bestselling author and CEO Mike Alden puts aside the rainbows and sunshine, gets real about what it takes to 'make it,' and gives you the real-world guidance you need to hear. Through anecdotes and advice, he shares his experiences along with those of other top founders and entrepreneurs to give you a realistic picture of what it takes to build a business. It's a bit of tough love, a healthy dose of reality, and a tremendously motivating guide to striking out on your own; from motivation and commitment to business licenses and the IRS, this guide is your personal handbook for the biggest adventure of your career. So you want to start a business: how much are you willing to commit in terms of time, money, and energy? How do you plan to bring in customers? What will set you apart from the crowd? What will convince clients to come to you rather than your competitor with an established track record? These questions must be answered before you even begin planning—and then, you have to make that canyon-sized leap from planning to doing. This book guides you through the early stages with practical advice from a real-world perspective. Turn 'dreams' into goals, and goals into reality Discover just what it takes to build a successful business Dig into the paperwork and

legal/regulatory requirements Adjust your expectations to reflect your abilities and willingness to commit Starting a business could be the best thing you've ever done—or it could be the worst. Mitigate the risk by setting yourself up for success from the very beginning with the invaluable advice in *Blueprint to Business*. Praise for *Blueprint to Business* "I've had the opportunity to work directly with Michael Alden on his children's book. His business know how and ability to get things done is unparalleled." —Naren Aryal, CEO Mascot Books. "As an entrepreneur and author myself, I would recommend *Blueprint to Business* to anyone who is in business or looking to start a company. Michael Alden's no nonsense approach is much needed for anyone who wants the real truth about the life of an entrepreneur." —Ken Kupchik, author of *The Sales Survival Handbook Cold Calls, Commissions, and Caffeine Addiction The Real Truth About Life in Sales* "Michael Alden's story is truly inspirational. He has seen some extremely difficult times and has overcome extraordinary odds along his journey. He harnessed what he learned even as a young child to achieve great business success. The lessons in *Blueprint to Business* not only help those in business but it is for anyone who wants more out of life." —June Archer, author of *YES! Every day can be a good day: The Keys to success that lead to an Amazing life* "As a young entrepreneur, I have found that truly successful people help and teach others. Michael Alden has taken the time to help me with my business and my book. His experience is undeniable and I would recommend *Blueprint to Business* to any entrepreneur who wants to learn from someone who has done great things and continues to." —Casey Adams, social media influencer and author of *Rise of The Young: How To Turn Your Negative Situation Into A Positive Outcome, and Build A Successful Personal Brand* "Being an entrepreneur has its challenges. Michael Alden shares his business experiences to help others succeed. His advice and enthusiasm is directed towards teaching and leading through example. If you are looking to succeed in business this book is a must read!"

*The Due Diligence Handbook For Commercial Real Estate* Brian Hennessey 2015-06-25 UPDATED THIRD EDITION There's a HUGE problem in the commercial real estate business that nobody is talking about- DUE DILIGENCE. Investors are leaving big money on the table by not learning these essential principles. Most investors, real estate brokers and commercial real estate professionals barely scratch the surface conducting their due diligence. Mainly because "they don't know what they don't know. I've spent over 30 years helping investors buy and sell over 9 million square feet of property and witnessed the practices of professional and small investors. It wasn't until I became an acquisition executive and learned some humiliating, expensive lessons that "I didn't know what I didn't know". You will learn how to avoid mistakes with costly consequences, create more value, and more essential information for buying investment property. This book is a #1 Best Seller of commercial real estate books on Amazon. It is an easy-to-follow, proven "step by step" system that investors and real estate professionals use regularly while conducting their due diligence. It will help you to make informed, intelligent decisions when deciding whether to buy or NOT buy. Adhering to a proven system allows you to conduct due diligence faster, easier, more efficiently and you're less likely to miss something. Here are just a few of the lessons you'll learn: Negotiating the purchase and sale agreement and what you MUST include in order to maximize your opportunities to negotiate further with the seller. (Super important to know.) Reviewing the leases Not knowing what provisions to watch for could cost you dearly once you own it. (Don't leave it up to chance to "work out.") Uncovering hidden problems and issues (Sellers will NOT disclose these, so you need to know where to look for them. They will not "hand you a list of problems" about the property. Many of these issues could make or break your investment.) Critical factors to consider during your financial analysis. There's a list of essential questions included that MUST be addressed. (Leaving these questions unanswered can be potentially devastating to an investment.) Not "over-paying" by making sure you're getting all you deserve, by getting credited fairly for items on the closing statement. (This includes specific items to review, instructions on what to ask for to minimize your chances of getting taken advantage of, potentially losing big money by not having this information.) These fundamentals remain the same and are all applicable whether they are: residential rental properties, industrial, retail, or office buildings. This system will help reduce risk and create value for all of them. In addition, the handbook includes: PHYSICAL & MECHANICAL INSPECTION PHOTOS (That shows you what to look for and how to assess issues.) Due Diligence Checklist Due Diligence Document Checklist Sample Tenant Questionnaire (A sample list of questions that you should ask of tenants when conducting a tenant interview. This is a wealth of information when done properly. Learn this or lose out.) By having this valuable system, you will be more prepared and confident in your ability to negotiate, going up against ANY seller. As a pilot uses a pre-flight checklist prior to each flight, you'll want to refer to this handbook every time you buy an investment property. There are too many things to remember. We need reminding as much as we need learning! Warren Buffet said, "Risk comes from not knowing what you're doing." So having a proven system in place helps you know what you're doing. Buy the book now! It will be one of the best investments in real estate you ever make. Not buying it could be one of your most costly decisions.

[A-Z of Real Estate in India](#) Sachin Mittal 2019-08-19 This book does not propagate investment in real estate and adding enormous value on your property. Instead, it shows you how to buy one or more homes using very little of your own money, alongside getting value for your money. It tells you how to take care of your home with the correct maintenance. It teaches you how to be well-informed about property related matters for your property to have a long and healthy sustainability. The book contains wide information on different kinds of property and property frauds, facts related to property sale and purchase, REITs, property taxations, home loans and so on. The bottom line is, no matter what you do in real estate, the most important thing is to understand the financial values and the market you want to invest in. You can't get a great deal if you do not know what a great deal is. So, let this be your first step to a successful future in the real estate investing world.

[Doctor's Order's](#) Keli Pitts 2021-02-11 In this widely anticipated guide, Keli Pitts leaves virtually nothing on the table as she blends relatability, warmth, cheekiness, and wit in order to show women all over the world who are suffering from fear and rejection that all hope is not lost. Nuh uh! Not even close. The doctor is in! That's FD, not MD by the way, and her orders are clear- if women still want to feel that exhilarating connection to their true and natural feminine; that deep connection that can get them on their best path to being happy, healed, desirable, and wildly successful- they can! But it will take them! From recalling stories of her own struggles with permanent forgiveness, and how harboring that emotional pain manifested into physical stress to discussing the importance of finding oneself in a high-value feminine company, Keli has written once heck of a subscription. Daily, tens of thousands of women find themselves both captivated and inspired by The Femininity Doctor platform; and after seeing Keli's heart, passion, and wisdom, the feminine community trusts her in this area. Femininity is every woman's birthright, but many lose their divine connection to it along the way. Whether you were raised by a "tom-boyish" mother who didn't quite show you the ropes, or you abandoned your soft and gentle nature after a series of unsuccessful romantic relationships, this guide has something for every woman who is desperately looking to find her way back.

**The Altman Close** Josh Altman 2019-04-09 Land the deals you want and develop your instincts with million-dollar negotiation techniques After selling over \$3 Billion in real estate, including the most expensive one-bedroom house in history, Josh Altman, co-star of the hit show Million-Dollar Listing Los Angeles, wants to teach you the real estate sales and negotiation tactics that have made him one of America's top agents. Buying or selling a house, whether for a client or yourself, is one of the most important (and most stressful) deals anyone can make, demanding emotional intelligence and a solid set of negotiating skills. But by mastering the same techniques that sell multi-million-dollar homes in Bel Air and Beverly Hills, you can attract buyers and close deals on any property. Josh breaks down the art of real estate into three simple parts. First, he'll help you get business in the door during the Opening. Then he takes you step-by-step through the Work: everything between the first handshake and the last. And finally, the Close, the last step that ensures all your hard work pays off as you seal the deal. Learn how to open with a prospect, work the deal, close, open, and repeat Build and market your reputation, creating more sales opportunities Develop the traits of a closer in you and your team Drive the deal forward and get the best price for your property by creating desire, scarcity, and demand Successful real estate sales are driven by the same principles, whether they happen in the Hollywood Hills or just down the street. Josh wants to put those principles, and the techniques for applying them, in your hands. Learn them and discover what you can achieve.

**The Real Estate Wholesaling Bible** Than Merrill 2014-03-31 Learn how to make money wholesaling real estate without having to swing a hammer or deal with tenants. Wholesaling is one of the best ways to get started making money in the world of real estate investing. Think of it as the day trading of real estate except it is simpler and has less risk if you learn how the process works. In fact when you learn how to do it the right way, you can minimize your risk substantially. The Real Estate Wholesaling Bible teaches what you need to know to profit from real estate wholesaling without needing a lot of capital or previous experience. This rapidly expanding business is relatively simple, profitable, and perfect for today's real estate market. Plus it's an ideal system for making money even in the toughest real estate markets. All you will need to get started is a computer, an Internet connection, this audiobook, some passion, and a lot of curiosity. • Teaches the mechanics of how to wholesale real estate, including exactly how to find, analyze, finance, and sell wholesale deals like clockwork • Explains how actually to build a business and develop systems that are not dependent on you as the business owner • Shows how to develop a turnkey, systems-dependent business that serves as a vehicle for all the people it touches: the owners, the employees, and the community Many real estate investors' ideas of success focus squarely on profitability. Author Than Merrill believes success happens when your real estate investment business is not only profitable but also gives you the time to enjoy your life and fulfill your passions and dreams.

**Nothing Down for the 2000s** Robert G. Allen 2004-09-13 With more than a million copies in print, Robert Allen's Nothing Down for the '90s has probably helped more people achieve success in real estate than any book in history. Countless numbers of his readers are now financially independent and many actual millionaires attribute their wealth to his techniques. Why has this blockbuster bestseller been so successful? The answer is simple: it works! Now, in one of the most practical books you'll ever read, Robert Allen has created effective new wealth strategies for investing in real estate. Real estate remains the one reliable investment in which profits can be made consistently, no matter where you live. Whether employment figures and stock prices are high or low, the real estate market never dries up -- it is one of the most dynamic income-producing vehicles ever created. The demand for housing will continue to be strong in most areas of the country for the foreseeable future. There will, of course, always be plenty of foreclosures, which are great opportunities to purchase properties cheaply. And, finally, mortgage qualification today is simpler than ever, with new mortgage packages that did not even exist twenty years ago. Nothing Down for the 2000s shows you how to locate the best buys, deal with real estate agents, and manage properties, all with little -- or no -- money down. Discover step-by-step techniques and dynamic strategies to: • Use real estate to build monthly income • Finance bargain properties for equity or cash flow • Guarantee and secure your retirement • Find and profit from foreclosures before they are publicly listed • Sell and trade for maximum gain • Increase property value • Use owner financing to create opportunities • Obtain direct, legal tax cuts • Profit from conversions • Develop effective negotiation techniques, and much more Excellent for beginners or experienced investors, Nothing Down for the 2000s is the key to generating low-risk, high-profit wealth and to a potential future of security and financial independence.
