*That Winter* Pamela Gillilan 1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem *Come Away* after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

*The Library of Shadows* Mikkel Birkegaard 2009-06-04 Imagine that some people have the power to affect your thoughts and feelings when you read, or they read a book to you. They can seduce you with amazing stories, conjure up vividly imagined worlds, but also manipulate you into thinking exactly what they want you to. When Luca Campelli dies a sudden and violent death, his son Jon inherits his second-hand bookshop, Libri di Luca, in Copenhagen. Jon has not seen his father for twenty years since the mysterious death of his mother. When Luca's death is followed by an arson attempt on the shop, Jon is forced to explore his family's past. Unbeknown to Jon, the bookshop has for years been hiding a remarkable secret. It is the meeting place of a society of booklovers and readers, who have maintained a tradition of immense power passed down from the days of the great library of ancient Alexandria. Now someone is trying to destroy them, and Jon finds himself in a fight for his life and those of his new friends.

**October 16, 1943/Eight Jews** Giacomo Debenedetti 2020-11-15 For more than fifty years, Giacomo Debenedetti's October 16, 1943 has been considered one of the best and most accurate accounts of the shockingly brief and efficient roundup of more than one thousand Roman Jews from the oldest Jewish community in Europe for the gas chambers of Auschwitz. Completed a year after the event, Debenedetti's intimate details and vivid glimpses into the lives of the victims are especially poignant because Debenedetti himself was there to witness the event, which forced him and his entire family into hiding. *Eight Jews*, the companion piece to *October 16, 1943*, was written in response to testimony about the Ardeatine Cave Massacres of March 24, 1944. In this essay, Debenedetti offers insights into that grisly horror and into assumptions about racial equality. Both of these stunning works are appearing together, along with Alberto Moravia's preface to Debenedetti's *October 16, 1943*, for the first time in an American translation. *October 16, 1943/Eight Jews* gives American readers a first glimpse into the extraordinary mind of the man who was Italy's foremost critic of twentieth-century literature. In addition to probing the deeper, haunting questions of the Holocaust, Debenedetti briefly describes the seizure of the Roman Jewish community's library of early manuscripts and incunables, the most valuable Jewish library in all of Italy. Following the roundup, this library was never seen again. Award-winning translator Estelle Gilson offers an additional essay on the history of the library and modern-day attempts to locate it. *October 16, 1943/Eight Jews* is a moving work that will continue to challenge readers long after they have closed its

pages.

**The Prisoner Of Heaven** Carlos Ruiz Zafon 2012-07-10 Barcelona, 1957. It is Christmas, and Daniel Sempere and his wife, Bea, have much to celebrate. They have a beautiful new baby son named Julián, and their close friend Fermín Romero de Torres is about to be wed. But their joy is eclipsed when a mysterious stranger visits the Sempere bookshop and threatens to divulge a terrible secret that has been buried for two decades in the city's dark past. His appearance plunges Fermín and Daniel into a dangerous adventure that will take them back to the 1940s and the early days of Franco's dictatorship. The terrifying events of that time launch them on a search for the truth that will put into peril everything they love, and will ultimately transform their lives.

*The People Opposite* Georges Simenon 2022-03-03 On the shore of the Black Sea, on the edge of the Soviet Union, a little city has a new Turkish consul. Adil Bey - alone in an alien land - has taken the job after the mysterious death of his predecessor. Receiving only suspicion and hostility, he soon becomes reliant on his secretary, Sonia, for any taste of intimacy. They begin a quiet love affair, and from his window at the consulate, he watches her and her family go about their lives in the room across the way. But this is Stalin's world before the war, and nothing is as it seems. . . . Georges Simenon's most starkly political work, *The People Opposite* is a tour de force of slow-burn tension and existentialist meditation.

*Fox* Margaret Wild 2006 Unsettling, dramatic and ultimately richly rewarding, *Fox* is a book unlike any other. The tale of a partnership between Magpie and Dog and the triangle that results when Fox appears, it is rich in allegory, ripe for discussion and radiant in illustration. With complexities that resonate throughout the seemingly simple story line, *Fox* is at the same time confusing, powerful, and thought provoking. It is a raw, open, book that combines potent prose with equally potent illustrations to touch readers - adults and children alike.

*Lands of Memory* Felisberto Hernández 2008-07 A superb fiction collection by the great Uruguayan writer: If I hadn't read the stories of Felisberto Hernández in 1950, I wouldn't be the writer I am today. --Gabriel García Márquez

*Dad, Jackie, and Me* Myron Uhlberg 2010-02-02 Winner of the Schneider Family Book Award A young boy and his deaf father bond over baseball as they root for Jackie Robinson and the Dodgers to win the pennant. It was Opening Day, 1947. And every kid in Brooklyn knew this was our year. The Dodgers were going to go all the way! In the summer of 1947, a highly charged baseball season is underway. The new first baseman for the Brooklyn Dodgers, Jackie Robinson, is the first Black player in Major League Baseball--- and it looks like the team might have what it takes to get to the World Series. A young boy listens eagerly to the games on the radio, using sign language to tell his deaf father about every new development. Getting into the spirit, his father begins to keep a scrapbook, clipping newspaper articles and photos about Jackie. One day, the father has big news: they're going to Ebbets field to watch Jackie play in person! As the team draws closer to victory, the boy and his dad become more and more excited, going to every game they can— and becoming closer themselves through their shared love of the game. Inspired by memories of watching baseball with his

own deaf father, Myron Uhlberg's story touches on the strength and determination needed to overcome prejudice, and the joy of a shared victory. Colin Bootman's realistic watercolor illustrations bring 1940s Brooklyn to life, alternating between the drama of Jackie Robinson's games and tender moments a father and son share. In a moving Author's Note, Uhlberg explains why his father identified with Robinson and how both men worked to overcome thoughtless prejudice and to prove themselves every day of their lives. A perfect gift for baseball lovers, readers with deaf family members, and devoted Brooklynites, wherever they may live. "...an affecting tribute to Robinson, to a dedicated son and to a thoughtful, deep-feeling father. And, of course, to baseball."—Publishers Weekly

The Last Days of California: A Novel Mary Miller 2014-01-20 "[A] terrific first novel. . . . Why worry about labeling a book this good? Just read it."—Laurie Muchnick, New York Times Book Review Jess is fifteen years old and waiting for the world to end. Her evangelical father has packed up the family to drive west to California, hoping to save as many souls as possible before the Second Coming. With her long-suffering mother and rebellious (and secretly pregnant) sister, Jess hands out tracts to nonbelievers at every rest stop, Waffle House, and gas station along the way. As Jess's belief frays, her teenage myopia evolves into awareness about her fracturing family. Selected as a Barnes & Noble Discover pick and an Indie Next pick, Mary Miller's radiant debut novel reinvigorates the literary road-trip story with wry vulnerability and savage charm.

**The Truth We Bury** Barbara Taylor Sissel 2017 In this intense, multilayered domestic drama, two families become entangled in a web of lies, secrets, and betrayal that results in an act of violence so shocking their love may not survive. On the outside, Lily Isley's life seems perfect: a wealthy husband, a ritzy gated community in Dallas, and a handsome son, AJ--a decorated marine about to be married to his love, Shea. But when a bridesmaid is murdered in AJ's apartment and he can't be found, Lily's world collapses and a long-held family secret is at risk of exposure. Dru Gallagher's life took a different course. After her ex-husband, suffering from post-traumatic stress, threatened her and her daughter, Shea, with a shotgun, Dru was forced to leave her marriage and forge ahead as a working-class single mom. Now, the anger she sees in war veteran AJ's eyes is heartbreakingly familiar--and makes Dru deeply afraid for her daughter's safety...especially after Shea's best friend and maid of honor is found dead. With a killer on the loose and time running out, Lily and Dru, two very different women, unite in a single goal: to save their precious children from scandal, even from death. But will the mothers' protection be enough, or will the fateful secret they expose--and the truth it reveals--destroy every hope of love?

*The Crazy Man* Pamela Porter 2005-07-31 It is 1965, and twelve-year-old Emaline lives on a wheat farm in southern Saskatchewan. Her family has fallen apart. When her beloved dog, Prince, chased a hare into the path of the tractor, she chased after him, and her dad accidentally ran over her leg with the discer, leaving her with a long convalescence and a permanent disability. But perhaps the worst thing from Emaline's point of view is that in his grief and guilt, her father shot Prince and then left Emaline and her mother on their own. Despite the neighbors' disapproval, Emaline's mother hires Angus, a patient from the local mental hospital, to work their fields. Angus is a red-haired giant whom the local kids tease and call the gorilla. Though the small town's prejudice creates a cloud of suspicion around Angus that nearly results in tragedy, in the end he becomes a force for healing as Emaline comes to terms with her injury and the loss of her father. In the tradition of novels such as Kevin Major's *Ann* and Seamus and Karen

Hesse's *Out of the Dust*, novelist and poet Pamela Porter uses free verse to tell this moving, gritty story that is accessible to a wide range of ages and reading abilities.

**Looking for X** Deborah Ellis 1999-09-01 Winner of the Governor General's Literary Award In this urban adventure story, Khyber, a smart, bold, eleven-year-old girl from a poor neighborhood, sets out to find her friend X, a mysterious homeless woman who has gone missing. **The World as an Architectural Project** Hashim Sarkis 2020-03-17 Architects imagine the planet: fifty speculative world-scale projects from Patrick Geddes, Alison and Peter Smithson, Kiyonori Kikutake, Juan Navarro Baldeweg, Luc Deleu, and others. The world's growing vulnerability to planet-sized risks invites action on a global scale. *The World as an Architectural Project* shows how for more than a century architects have imagined the future of the planet through world-scale projects. With fifty speculative projects by Patrick Geddes, Alison and Peter Smithson, Kiyonori Kikutake, Saverio Muratori, Takis Zenetos, Sergio Bernardes, Juan Navarro Baldeweg, Luc Deleu, and many others, documented in text and images, this ambitious and wide-ranging book is the first compilation of its kind. Interestingly, architects begin to address the world as a project long before the advent of contemporary globalism and its assorted anxieties. The Spanish urban theorist and entrepreneur Arturo Soria y Mata, for example, in 1882 envisions a system that connects the entire planet in a linear urban network. In 1927, Buckminster Fuller's "World Town Plan—4D Tower" proposes to solve global housing problems with mobile structures delivered and installed by a Zeppelin. And Joyce Hsiang and Bimal Mendis visualize the conditions of a worldwide "City of Seven Billion" in a 2015–2019 project. Rather than indulging the cliché of the megalomaniac architect, this volume presents a discipline reflecting on its own responsibilities.

Italy Revisited Mary Melfi 2009 Taking an unconventional approach to autobiographical writing, this work serves as a double memoir, told in dialogue between a mother and a daughter. The conversation takes place in a medieval town high up in the Italian mountains, as the author, a Canadian writer, draws out her mother's childhood memories of life in southern Italy at the beginning of the 20th century. As they re-create that vanished world, the pair also finds greater understanding of the tumultuous relationships that sometimes exist between immigrant mothers and their children.

Deuteronomy Alexander Rofé 2002-12-09 This is a major study on the book of Deuteronomy by an acclaimed expert in the field. Paying particular attention to the legal passages in Deuteronomy, Professor Rofé seeks to clarify the contents and unity of each section, its literary history, the origin of the single laws and their relation to other kindred laws in other documents of the Pentateuch. Bringing together different methods of biblical study - traditional Jewish interpretation, classical biblical criticism, form criticism, history of tradition and textual criticism - the author argues that the roots of Deuteronomy lie in monarchial Israel and Judah, that the literary climax belongs to the seventh century BCE, and that the final stages of the text are exilic and early post-exilic.

This novel tells the stories of the Abacrastians, of their lives and remarkable deaths, in a series of tales.

*The Boy* Tami Hoag 2018-12-31 Now a New York Times bestseller An unfathomable loss or an unthinkable crime? #1 New York Times bestselling author Tami Hoag keeps you guessing in her most harrowing thriller yet. When Detective Nick Fourcade enters the home of Genevieve Gauthier outside the sleepy town of Bayou Breaux, Louisiana, the bloody crime scene that awaits him is both the most brutal and the most confusing he's ever seen. Genevieve's seven-year-old son, KJ, has been murdered by an alleged intruder, yet Genevieve is alive and well. Meanwhile, Nick's wife, Detective Annie Broussard, sits with the grieving Genevieve. A mother herself, Annie understands the devastation this woman is going through, but as a detective she's troubled: Who would murder a child and leave the only witness behind? When KJ's sometimes babysitter, twelve-year-old Nora Florette, is reported missing the very next day, the town fears a maniac is preying on their children. With pressure mounting from a tough, no-nonsense new sheriff, the media, and the parents of Bayou Breaux, Nick and Annie dig deep into the dual mysteries. Is someone from Genevieve's past or present responsible for the death of her son? Is Nora a victim, or something worse? Then everything changes when Genevieve's past as a convicted criminal comes to light. Could she have killed her own child to free herself from the burden of motherhood, or is the loss of her beloved boy pushing her to the edge of insanity? Could she have something to do with the disappearance of Nora, or is the troubled teen the key to the murder? How far will Nick and Annie have to go to uncover the dark truth of the boy?

**The Black Hole of Auschwitz** Primo Levi 2017-05-11 The Black Hole of Auschwitz brings together Levi's writings on the Holocaust and his experiences of the concentration camp, as well as those on his own accidental status as a writer and his chosen profession of chemist. In this book Levi rails intelligently and eloquently against what he saw as the ebb of compassion and interest in the Holocaust, and the yearly assault on the veracity and moral weight of the testimonies of its survivors. For Levi, to keep writing and, through writing, to understand why the Holocaust could happen, was nothing less than a safeguard against the loss of a collective memory of the atrocities perpetrated against the Jewish people. This moving book not only reveals the care and conviction with which he wrote about the Holocaust, but also shows the range of Levi's interests and the skill, thoughtfulness and sensitivity he brought to all his subjects. The consistency and moral force of Levi's reflections and the clarity and intimacy of his style will make this book appeal to a wide readership, including those who have read and been moved by his masterpiece *If This is a Man*.
