

Trying The Hilarious Novel About What To Expect When Youre NOT Expecting

Let's Pretend This Never Happened Jenny Lawson 2013-03-05 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

Furiously Happy Jenny Lawson 2015-09-22 In *Furiously Happy*, #1 New York Times bestselling author Jenny Lawson explores her lifelong battle with mental illness. A hysterical, ridiculous book about crippling depression and anxiety? That sounds like a terrible idea. But terrible ideas are what Jenny does best. As Jenny says: "Some people might think that being 'furiously happy' is just an excuse to be stupid and irresponsible and invite a herd of kangaroos over to your house without telling your husband first because you suspect he would say no since he's never particularly liked kangaroos. And that would be ridiculous because no one would invite a herd of kangaroos into their house. Two is the limit. I speak from personal experience. My husband says that none is the new limit. I say he should have been clearer about that before I rented all those kangaroos. "Most of my favorite people are dangerously fucked-up but you'd never guess because we've learned to bare it so honestly that it becomes the new normal. Like John Hughes wrote in *The Breakfast Club*, 'We're all pretty bizarre. Some of us are just better at hiding it.' Except go back and cross out the word 'hiding.'" *Furiously Happy* is about "taking those moments when things are fine and making them amazing, because those moments are what make us who we are, and they're the same moments we take into battle with us when our brains declare war on our very existence. It's the difference between "surviving life" and "living life". It's the difference between "taking a shower" and "teaching your monkey butler how to shampoo your hair." It's the difference between being "sane" and being "furiously happy." Lawson is beloved around the world for her inimitable humor and honesty, and in *Furiously Happy*, she is at her snort-inducing funniest. This is a book about embracing everything that makes us who we are - the beautiful and the flawed - and then using it to find joy in fantastic and outrageous ways. Because as Jenny's mom says, "Maybe 'crazy' isn't so bad after all." Sometimes crazy is just right.

Funny Little Pregnant Things Emily Doherty 2014-01-17 Hello, I want to start by letting you know I am not a doctor or any sort of professional in the field of babies and will not be giving any medical advice in this book. So if you are wondering why you keep sweating through your clothes and every sheet you own, you may want to get a different book. This book is not designed to tell you the "best" way to do anything. You'll have plenty of people telling you, "This is how I did it and my way is, in fact, the best." Newsflash all pregnancies are different, and so are the babies they produce. "They," whoever "they" are, seem to change the rules each year anyway. "Microwave your deli meat. Never mind, just use caution while eating. Feel free to gain lots of weight while pregnant. Actually, we are only going to budget you twenty pounds. Have a martini and a cigarette, it will help you relax whoops, we got that one wrong." So what exactly is this book, and why as a working mom with a two-year-old and a three-week-old have I decided to write it? First, the why. As a mom-to-be, I read a few of the prerequisite pregnancy books, and although factual, I found most of them to be very dull. When chapter 3 let me know my baby was now the size of lemon, I gave up. Where was the good stuff? After having two babies, I realized these books left out so many little details that you would only know if you had delivered a child. Details that are very important. For example, beware of the baby registry and all the crap you will never use, or be prepared to get breast milk all over everything you own! At least provide me with a pregnancy book with some humor, then maybe I can make it to chapter 6, where my baby now resembles a melon. In order to help those like me, who want some realistic tips in an easy-to-read fashion, this book is an account of some of the ridiculous things you may encounter while pregnant. It also includes "the good stuff" people forget to mention. For example, there is a greater-than-average chance you will sh t yourself while giving birth. (Pregnancy whoever said it would be easy.)

Funny Little Pregnant Things Emily Doherty 2016-04-05 Today's pregnancy books may no longer recommend martinis and cigarettes to help pregnant women relax, but most offer moms to be a ton of worthless information—like what kind of fruit your baby is the size of at Week 16. Is there any practical value in knowing that your child resembles produce? And where's the good stuff—the useful details, like beware of the baby registry and all the crap you will never use, or be prepared to get breast milk all over everything you own? Hilarious, candid, and easy to read, *Funny Little Pregnant Things* is full of helpful information about all the stuff people don't tell you about pregnancy—the good, the bad, and the ugly.

The Sh!t No One Tells You About Pregnancy Dawn Dais 2017-11-07 The fourth book in Dawn Dais's popular *Sh!t No One Tells You* series offers "been there, freaked out about that" advice for expectant parents The fourth title in Dawn Dais's popular parenting series, *The Sh!t No One Tells You About Pregnancy* is quite possibly the funniest, and most heartfelt, yet. After all, pregnancy is not all about scanning Pinterest for baby shower themes and registering for ironic onesies, and sometimes the less flattering aspects of gestation have a way of dimming a bit of that so-called pregnancy glow. Not to worry! Dawn is here, ready to shepherd you through the experience of one human body taking on the task of growing another human body. (Spoiler alert: It ain't always pretty.) Dawn covers it all, sharing expert lists, tips, warnings, and even a series of Parent-Training Workouts designed to increase readers' tolerance to the various indignities of parenthood, like peeing with an audience and surviving an afternoon in Chuck E. Cheese. *The Sh!t No One Tells You About Pregnancy* is a must-have guide for expectant moms (and their partners!) who are looking for some counsel, comedy, and camaraderie during their ultimate countdown to parenthood.

Bear With Me Diane Flacks 2005-03-29 Toronto comedy writer/performer Diane Flacks has written a frank and funny account of her pregnancy and the first months with her newborn. In the twenty-first century, it is hard to imagine that having a baby is still shrouded in secrecy and mythology. And yet many women go through their pregnancy with a sense of isolation and without an outlet to express their fears, doubts, and wonder. There is so much more to pregnancy than *What to Expect When You're Expecting*. In *Bear With Me*, readers will discover the truth about pregnancy - poignantly and hilariously. It is important to know how Dr. Sears suggests you work a nasal aspirator, but how do you get through your thirtieth day of morning sickness without shooting someone?! Diane Flacks, who has written for *Kids in the Hall* and appeared with the Royal Canadian Air Farce, is open about her own experiences: dealing with hormonal mood swings and a changing body image, sex with a burgeoning belly, what really happens in the labour room, and (horror of horrors) becoming your mom. Flacks is witty, urbane, and refreshingly honest. In *Bear With Me* readers will find a voice that welcomes, does not judge or hide, and will make you laugh out loud.

Girl Walks into a Bar . . . Rachel Dratch 2012-03-29 In this side-splitting memoir, the former Saturday Night Live star recounts the hilarious adventures and unexpected joy of dating and becoming a mother when she least expected it—at the age of forty-four. Anyone who saw an episode of Saturday Night Live between 1999 and 2006 knows Rachel Dratch. She was hilarious! So what happened to her? After a misbegotten part as Jenna on the pilot of *30 Rock*, Dratch was only getting offered roles as "Lesbians. Secretaries. Sometimes secretaries who are lesbians." Her career at a low point, Dratch suddenly had time for yoga, dog-sitting, learning Spanish—and dating. After all, what did a forty-something single woman living in New York have to lose? Resigned to childlessness but still hoping for romance, Dratch was out for drinks with a friend when she met John. Handsome and funny, after only six months of dating long-distance, he became the inadvertent father of her wholly unplanned, undreamed-of child, and moved to New York to be a dad. With riotous humor, Dratch recounts breaking the news to her bewildered parents, the awe of her single friends, and the awkwardness of a baby-care class where the instructor kept tossing out the f-word. Filled with great behind-the-scenes anecdotes from Dratch's time on SNL, *Girl Walks into a Bar...* is a refreshing version of the "happily ever after" story that proves female comics-like bestsellers Tina Fey and Chelsea Handler are truly having their moment.

The Rourkes Boxed Set Books 1-3 (Royal Romantic Comedy) Kylie Gilmore 2020-02-10 Dive into sexy, royal romantic comedy with the Rourkes! USA Today Bestselling Series! The Rourkes Boxed Set includes three full-length novels: Royal Catch, Royal Hottie, and Royal Darling. Book 1: Royal Catch Gabriel I'm the crown prince of Villroy, heir to a kingdom, bound by duty to marry and produce an heir. I expected a quiet arrangement through royal channels, instead I got a palace full of women vying for my hand. And how do they "win" this barbaric game set up by my crafty mother? By figuring out how to save the kingdom's faltering economy through a series of challenges. This undignified circus is beneath a man of my stature! Proof being that a saucy, ill-mannered woman wearing body-hugging clothes is in the lead. I could never love someone like that, let alone marry her. Anna The plan sounded simple. I pose as my friend, pick up her inheritance, and return with the cash to keep her out of jail. (Apparently, being a princess in hiding is no excuse for identity theft.) So, yeah, I'm not exactly royal. I'm an orphan, a self-made woman, and proud of it. Suddenly I'm in a battle royale with a bunch of crazy competitive women for "riches beyond our dreams." I'm in a time crunch, which means I need to win this competition fast. Only, that means winning over the judge; the smoldering hot grim-faced Gabriel. And now I find myself wanting to compete for more than just the money. But could a royal prince ever fall for a commoner like me? Book 2: Royal Hottie Phillip I never expected to be the prime target of a bachelor auction, compliments of my outrageous sister-in-law, the new queen. I don't care if the internet has turned me into a royal hottie meme, I am not a piece of meat. So when the first eager single woman arrives at the palace, I send her packing. Only the damn woman refuses to leave. Ruby Why would I want to buy a date with an arrogant rude prince? I'm here to do a job, which I desperately need, and no delusional prince is going to stand in my way. Obviously, the "royal hottie" believes the hype. So how did I end up winning the top prize in a royal bachelor auction, and what will I do with him? I can't let myself fall for a playboy. Besides, we're heading in opposite directions. He's going on an international tour for a year or more, and I absolutely have to get back to the US. Only this prince is used to getting what he wants, and now he wants me. Book 3: Royal Darling Jackson Being a rock god isn't all it's cracked up to be. It's become a soulless grind. Which is why I'm now on my mate's houseboat, far away from the spotlight, hoping to find my way back to the music. Yeah. Not gonna happen. I've just discovered a stowaway on board, and I can't believe who she is. A bloody princess? And the prim little woman won't leave the boat, so I make an offer to scare her off—a no-strings fling. Only she says yes. I say no, and she promptly locks herself in my bedroom. I swear I'm dropping her off at the next port. She's trouble wrapped in a pretty virginal package, and I know I shouldn't touch. Emma I'm a runaway bride trying to make a clean escape. But when Jackson Walker discovers me hiding on his boat—after I get over the shock of stumbling upon a rock star's hideaway—I immediately know he's exactly what I need. He's wild, rough around the edges, perfect. My family would never approve. The press would skewer us. I still want him. He's the antidote to my tightly prescribed life. But can he ever see past my title to the woman I long to be? The series continues with Royal Charmer, where Lucas meets his queen!
