*Midnight in the Garden of Good and Evil* John Berendt 1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city: “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

*The Things We Cannot Say* Kelly Rimmer 2019-03-19 Now a New York Times bestseller! From the author of *Truths I Never Told You*, *Before I Let You Go*, and the *The Warsaw Orphan*, Kelly Rimmer’s powerful WWII novel follows a woman’s urgent search for answers to a family mystery that uncovers truths about herself that she never expected. “Fans of *The Nightingale* and *Lilac Girls* will adore *The Things We Cannot Say*.” —Pam Jenoff, New York Times bestselling author In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the refugee camp she calls home, a young woman speaks her wedding vows. It’s a decision that will alter her destiny...and it’s a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina’s tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents’ farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. *The Things We Cannot Say* is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don’t miss Kelly Rimmer’s next novel, *The Paris Agent*, where a family’s innocent search for answers brings a long-forgotten, twenty-five-year-old mystery to light—coming July 2023! **Black Vodka** Deborah Levy 2017-05-09 Now in paperback, a "tantalizingly poetic" (NYTBR) collection in which Levy "conquer[s] the genre which demands she fashion perfect jewels" (The Independent). The stories in

Black Vodka, by acclaimed author Deborah Levy, are perfectly formed worlds unto themselves, written in elegant yet economical prose. She is a master of the short story, exploring loneliness and belonging; violence and tenderness; the ephemeral and the solid; the grotesque and the beautiful; love and infidelity; and fluid identities national, cultural, and personal. In "Shining a Light," a woman's lost luggage is juxtaposed with far more serious losses. An icy woman seduces a broken man in "Vienna," and a man's empathy threatens to destroy him in "Stardust Nation." "Cave Girl" features a girl who wants to be a different kind of woman--she succeeds in a shocking way. A deformed man seeks beauty amid his angst in the title story. These are twenty-first century lives dissected with razor-sharp humor and curiosity. Levy's stories will send you tumbling into a rabbit hole, and you won't be able to scramble out until long after you've turned the last page.

[A Backpack, a Bear, and Eight Crates of Vodka](#) Lev Golinkin 2014-11-04 "[A] hilarious and heartbreaking story of a Jewish family's escape from oppression."--The New York Times A compelling story of two intertwined journeys: a Jewish refugee family fleeing persecution and a young man seeking to reclaim a shattered past. In the twilight of the Cold War (the late 1980s), nine-year old Lev Golinkin and his family cross the Soviet border with only ten suitcases, \$600, and the vague promise of help awaiting in Vienna. Years later, Lev, now an American adult, sets out to retrace his family's long trek, locate the strangers who fought for his freedom, and in the process, gain a future by understanding his past. Lev Golinkin's memoir is the vivid, darkly comic, and poignant story of a young boy in the confusing and often chilling final decade of the Soviet Union. It's also the story of Lev Golinkin, the American man who finally confronts his buried past by returning to Austria and Eastern Europe to track down the strangers who made his escape possible . . . and say thank you. Written with biting, acerbic wit and emotional honesty in the vein of Gary Shteyngart, Jonathan Safran Foer, and David Bezmozgis, Golinkin's search for personal identity set against the relentless currents of history is more than a memoir—it's a portrait of a lost era. This is a thrilling tale of escape and survival, a deeply personal look at the life of a Jewish child caught in the last gasp of the Soviet Union, and a provocative investigation into the power of hatred and the search for belonging. Lev Golinkin achieves an amazing feat—and it marks the debut of a fiercely intelligent, defiant, and unforgettable new voice.

**Vodka** Boris Starling 2011-02-04 A multi-stranded, groundbreaking Russian thriller from the bestselling British author of Messiah and Storm. In December of 1991 Moscow is a city in chaos, torn apart by gang violence and hyperinflation, its population in terror of a killer preying on children. Into this anarchy comes Alice Liddell, an American banker charged with starting the privatization process crucial to Russia's hopes of reform. But reform means hardship, and surviving the Russian winter is already too hard; Alice has only a short period to succeed before the people lose patience with the progressive government. Her target is the Red October distillery, Russia's most famous vodka producer, but Alice soon discovers that time is the least of her problems. Red October is the centerpiece of a savage mafiya war between its charismatic boss Lev and his Chechen nemesis Karkadann. Are the brutal child killings terrorizing Moscow connected to their violent conduct? How should Alice handle the discovery that Red October is riddled with corruption? And can Alice and Lev, adversaries across the negotiating table, reconcile their contradictory professional aims with their very unprofessional feelings for each other? As the characters get sucked into a vortex of violence, passion and betrayal, their struggles are no longer simply for their own aims; they are for the soul of Russia itself. Concentrated over 100 days of a Russian winter, Vodka is an epic thriller of taut suspense, shocking brutality and heart-pounding pace; it is a saga of rivalry and bloodshed, a searing study of addiction and adultery.
