One, No One, and One Hundred Thousand Luigi Pirandello 2018 When Vitangelo Moscarda's wife tells him his nose is tilted to one side, he becomes obsessed with the fact that each person sees him differently, and with trying to make other people see him only as the person he wants them to see.

Zoo Station Christiane F. 2019-08-01 This incredible autobiography of Christiane F. provides a vivid portrait of teen friendship, drug abuse, and alienation in and around Berlin's notorious Zoo Station. Christiane's rapid descent into heroin abuse and prostitution is shocking, but the boredom, longing for acceptance, thrilling risks, and even her musical obsessions are familiar to everyone. Previously published in Germany and the US to critical acclaim, Zest's new translation includes original photographs of Christiane and her friends.

The Art of Life Zygmunt Bauman 2013-05-20 In our individualized society we are all artists of life - whether we know it or not, will it or not and like it or not, by decree of society if not by our own choice. In this society we are all expected, rightly or wrongly, to give our lives purpose and form by using our own skills and resources, even if we lack the tools and materials with which artists' studios need to be equipped for the artist's work to be conceived and executed. And we are praised or censured for the results - for what we have managed or failed to accomplish and for what we have achieved and lost. In our liquid modern society we are also taught to believe that the purpose of the art of life should be and can be happiness - though it's not clear what happiness is, the images of a happy state keep changing and the state of happiness remains most of the time something yet-to-be-reached. This new book by Zygmunt Bauman - one of the most original and influential social thinkers writing today - is not a book of designs for the art of life nor a 'how to' book: the construction of a design for life and the way it is pursued is and cannot but be an individual responsibility and individual accomplishment. It is instead a brilliant account of conditions under which our designs-for-life are chosen, of the constraints that might be imposed on their choice and of the interplay of design, accident and character that shape their implementation. Last but not least, it is a study of the ways in which our society - the liquid modern, individualized society of consumers - influences (but does not determine) the way we construct and narrate our life trajectories.

**Reunion** Fred Uhlman 2016-09-01 FROM THE PUBLISHERS OF STONER AND REVOLUTIONARY ROAD COMES REUNION Reunion is a little-known novel. But it is also a universal story of friendship. It is a book of great power, waiting to be discovered. On a grey afternoon in 1932, a Stuttgart classroom is stirred by the arrival of a newcomer. Middle-class Hans is intrigued by the aristocratic new boy, Konradin, and before long they become best friends. It s a friendship of the greatest kind, of shared interests and long conversations, of hikes in the German hills and growing up together. But the boys live in a changing Germany. Powerful, delicate and daring, Reunion is a story of the fragility, and strength, of the bonds between friends. Six Memos for the Next Millennium Italo Calvino 2013-04-04 Italo Calvino was due to deliver the Charles Eliot Norton lectures at Harvard in 1985-86, but they were left unfinished at his death. The surviving drafts explore of the concepts of Lightness, Quickness, Multiplicity, Exactitude and Visibility (Constancy was to be the sixth) in serious yet playful essays that reveal Calvino's debt to the comic strip and the folktale. With his customary imagination and grace, he sought to define the virtues of the great literature of the past in order to shape the values of the future. This collection is a brilliant précis of the work of a great writer whose legacy will endure through the millennium he addressed. Italo Calvino, one of Italy's finest postwar writers, has delighted readers around the world with his deceptively simple, fable-like stories. Calvino was born in Cuba in 1923 and raised in San Remo, Italy; he fought for the Italian Resistance from 1943-45. His major works include *Cosmicomics* (1968), *Invisible Cities* (1972), and *If on a winter's night a traveler* (1979). He died in Siena in 1985, of a brain hemorrhage.

**The Moon and the Bonfire** Cesare Pavese 2021-07 After 20 years in America, a successful businessman returns to the rustic Piedmontese communities which were riven by fascism. Much has changed since the war, and still more would like to be forgotten and buried. Memories return to the narrator as he looks at the lives and sometimes violent fates of the villagers he has known since childhood, and rediscovers the poverty, ignorance, or indifference that binds them to the hills and valleys against the beauty of the landscape and the rhythm of the seasons. With simple poetic force, Pavese weaves separate strands of narrative together, bringing them to a stark and poignant climax. Part of the new look Peter Owen Modern Classics range featuring a logo crafted by graphic design icon Alvin Lustig.

**The Republic of Letters** Marc Fumaroli 2018-09-18 A provocative exploration of intellectual exchange across four centuries of European history by the author of *When the World Spoke French* In this fascinating study, preeminent historian Marc Fumaroli reveals how an imagined "republic" of ideas and interchange fostered the Italian Renaissance, the Enlightenment, and the French Revolution. He follows exchanges among Petrarch, Erasmus, Descartes, Montaigne, and others from the fifteenth through the eighteenth centuries, through revolutions in culture and society. Via revealing portraits and analysis, Fumaroli traces intellectual currents engaged with the core question of how to live a moral life--and argues that these men of letters provide an example of the exchange of knowledge and ideas that is worthy of emulation in our own time. Combining scholarship, wit, and reverence, this thought-provoking volume represents the culmination of a lifetime of scholarship.

*The Construction of Social Reality* John R. Searle 2010-05-11 This short treatise looks at how we construct a social reality from our sense impressions; at how, for example, we construct a 'five-pound note' with all that implies in terms of value and social meaning, from the printed piece of paper we see and touch. In *The Construction of Social Reality*, eminent philosopher John Searle examines the structure of social reality (or those portions of the world that are facts only by human agreement, such as money, marriage, property, and government), and contrasts it to a brute reality that is independent of human agreement. Searle shows that brute

reality provides the indisputable foundation for all social reality, and that social reality, while very real, is maintained by nothing more than custom and habit.

**Thus Spake Zarathustra** Friedrich Wilhelm Nietzsche 2003 Zarathustra was Nietzsche's masterpiece, the first comprehensive statement of his mature philosophy, and the introduction of his influential and well-known (and misunderstood) ideas including the "overman" or "superman" and the "will to power." It is also the source of Nietzsche's famous (and much misconstrued) statement that "God is dead." Though this is essentially a work of philosophy, it is also a masterpiece of literature, a cross between prose and poetry. A considerable part and parcel of Nietzsche's genius is his ability to make his language dance, and this is what becomes extraordinarily difficult to translate. It has been almost 40 years since Hollingdale's version for Penguin and almost 50 since Kaufmann's. However, anyone who appreciates the German original knows that these translations are merely adequate. While earlier translators have smoothed out the rough edges, cut corners and sometimes omitted troublesome passages outright, this one honors and respects the original as no other. Kaufmann and others are guilty of the deplorable tendency to "improve" on the original. Much is lost by this means, to say nothing of the interior rhythms, the grace notes, the not always graceful but omnipresent and striking puns and wordplays. And in not a few instances the current translation improves on Kaufmann's use of English or otherwise clarifies what Nietzsche is really saying

**The Child of Pleasure** Gabriele D'Annunzio 2006 Originally published in 1889, this work's protagonist Andrea Sperelli introduced the Italian culture to aestheticism and a taste for decadence. The young count seeks beauty, despises the bourgeois world, and rejects the basic rules of morality and social interaction. His corruption is evident in his sadistic superimposing of two women.

**Death Dealer** Rudolf Hoss 2012-08-31 By his own admission, SS Kommandant Rudolf Höss was history's greatest mass murderer, having personally supervised the extermination of approximately two million people, mostly Jews, at the death camp in Auschwitz, Poland. Death Dealer is the first complete translation of Höss's memoirs into English. These bone-chilling memoirs were written between October 1946 and April 1947. At the suggestion of Professor Sanislaw Batawia, a psychologist, and Professor Jan Shen, the prosecuting attorney for the Polish War Crimes Commission in Warsaw, Höss wrote a lengthy and detailed description of how the camp developed, his impressions of the various personalities with whom he dealt, and even the extermination of millions in the gas chambers. This written testimony is perhaps the most important document attesting to the Holocaust, because it is the only candid, detailed, and (for the most part) honest description of the Final Solution from a high-ranking SS officer intimately involved in carrying out the plans of Hitler and Himmler. With the cold objectivity of a common hit-man, Höss chronicles the discovery of the most effective poison gas, and the technical obstacles that often thwarted his aim to kill as efficiently as possible. Staring at the horror without reacting, Höss allowed conditions at Auschwitz to reduce human beings to walking skeletons - then he labelled them as subhumans fit only to die. Readers will witness Höss's shallow rationalizations as he tries to balance his deeds with his increasingly disturbed, yet always ineffectual, conscience.

**The Late Mattia Pascal** Luigi Pirandello 2004-11-30 Mattia Pascal endures a life of drudgery in a provincial town. Then, providentially, he discovers that he has been declared dead. Realizing he has a chance to start over, to do it right this time, he moves to a new city, adopts a new name, and a new course of life—only to find that this new existence is as insufferable as the old one. But when he returns to the world he left behind, it's too late: his job is gone, his wife has remarried. Mattia Pascal's fate is to live on as the ghost of the man he was. An explorer of identity and its mysteries, a connoisseur of black humor, Nobel Prize winner Luigi Pirandello is among the most teasing and profound of modern masters. The Late Mattia Pascal, here rendered into English by the outstanding translator William Weaver, offers an irresistible introduction to this great writer's work

The Story of a Humble Christian Ignazio Silone 1971

**Ancestors, Virgins, and Friars** Eugenio Menegon 2020-10-26 Christianity is often praised as an agent of Chinese modernization or damned as a form of cultural and religious imperialism. In both cases, Christianity's foreignness and the social isolation of converts have dominated this debate. Eugenio Menegon uncovers another story. In the sixteenth century, European missionaries brought a foreign and global religion to China. Converts then transformed this new religion into a local one over the course of the next three centuries. Focusing on the still-active Catholic communities of Fuan county in northeast Fujian, this project addresses three main questions. Why did people convert? How did converts and missionaries transform a global and foreign religion into a local religion? What does Christianity's localization in Fuan tell us about the relationship between late imperial Chinese society and religion? Based on an impressive array of sources from Asia and Europe, this pathbreaking book reframes our understanding of Christian missions in Chinese-Western relations. The study's implications extend beyond the issue of Christianity in China to the wider fields of religious and social history and the early modern history of global intercultural relations. The book suggests that Christianity became part of a preexisting pluralistic, local religious space, and argues that we have so far underestimated late imperial society's tolerance for "heterodoxy." The view from Fuan offers an original account of how a locality created its own religious culture in Ming-Qing China within a context both global and local, and illuminates the historical dynamics contributing to the remarkable growth of Christian communities in present-day China.

**Ché traccia hai scelto** AA.VV., 2023-06-06 Una classe ideale di autrici e autori, per un gioco serissimo sul filo della memoria. La prima prova, lo scritto d'italiano, segna l'inizio di un rito di passaggio all'età adulta, qualcosa che accomuna nel ricordo decine e decine di milioni di studenti sin da quando la riforma Gentile introdusse l'esame di maturità, nel 1923. Tutti ricordiamo le aule magne e i corridoi con le file di banchi distanziati. Ricordiamo il brusio, il rimbombo dei passi dei professori, e dentro di noi le ansie, le paure e l'emozione. Molto è cambiato, da quando la prima prova era un tema semplice, con tracce concise e un po' spicce, fino alle sue formulazioni più tecniche e recenti, dove ogni consegna è lunga mezza pagina, tra fonti e citazioni allegare, suggerimenti di analisi del testo, materiali vari da rielaborare. Il tema si è trasformato negli anni, adeguandosi all'ispessirsi del gergo tecnico-burocratico della scuola, fatto di competenze e obiettivi formativi. Eppure, restano identiche le ansie, le paure e l'emozione che provano ogni volta gli studenti. Abbiamo deciso di fare un gioco con la memoria, coinvolgendo un'ideale classe di autrici e autori molto eterogenea: Barbara Alberti, Maria Grazia Calandrone, Giulia Cavaliere, Gaja Cenciarelli, Chatgpt, Chicoria, Alessandro Gori, Djarah Kan, Diego Marcon, medusa (Matteo De Giuli e Nicolò Porcelluzzi), Antonio Moresco, Sandra Petri, Bianca Pitzorno, Roberta Scomparsa, Tlon (Maura Gancitano e Andrea Colamedici). Le regole sono semplici: a ogni partecipante abbiamo consegnato le tracce dell'esame di maturità del proprio anno, chiedendo di sceglierne una e svolgerla in piena libertà. Li abbiamo rassicurati che il fuori tema è consentito ma, come a scuola, a proprio rischio e pericolo. Qualcuno di loro ricordava benissimo il titolo del tema svolto a suo tempo, qualcuno ne aveva un vago ricordo, qualcuno di fronte alle tracce si è ricordato tutto, qualcun altro continuava a non ricordare niente. C'è anche chi l'esame di maturità non l'ha mai fatto e si è trovato così di fronte a quel tema mai scritto. Ma tutti, in qualche modo, hanno accettato di giocare con noi.

*Halcyon* J.G. Nichols 2020-11-25 First published in 2003. GABRIELE D'ANNUNZIO was born in 1863 in Pescara, on the Adriatic coast of Italy, the son of a wealthy landowner. His first volume of poetry was published in 1879, when he was sixteen. After graduating from the University of Rome, d'Annunzio married and began to write short stories to support his wife and family. In 1919 d'Annunzio led a small force to seize the town of Fiume, ruling it as a dictator until 1921. D'Annunzio spent the later part of his life at his home on Lake Garda. In 1937 he was made President of the Italian Royal Academy. He died in 1938 and was given a state funeral by Mussolini. When *Halcyon* was first published, at the end of 1903, its author was already forty and famous: *J/ placere*, which ranks with *A rebours* and *The Picture of Dorian Gray* as a novel of the Decadence, had appeared in 1889, and d'Annunzio had published other novels, short stories, plays, and many volumes of poetry since his first great success at the age of sixteen.

**Kant and the Platypus** Umberto Eco 2000-11-09 How do we know a cat is a cat . . . and why do we call it a cat? An “intriguing and often fascinating” look at words, perceptions, and the relationship between them (Newark Star-Ledger). In *Kant and the Platypus*, the renowned semiotician, philosopher, and bestselling author of *The Name of the Rose* and *Foucault's Pendulum* explores the question of how much of our perception of things is based on cognitive ability, and how much on linguistic resources. In six remarkable essays, Umberto Eco explores in depth questions of reality, perception, and experience. Basing his ideas on common sense, Eco shares a vast wealth of literary and historical knowledge, touching on issues that affect us every day. At once philosophical and amusing, *Kant and the Platypus* is a tour of the world of our senses, told by a master of knowing what is real and what is not. “An erudite, detailed inquiry into the philosophy of mind . . . Here, Eco is continental philosopher, semiotician, and cognitive scientist rolled all into one.” —Library Journal (starred review)

*The Drowned and the Saved* Primo Levi 2017-06-20 In his final book before his death, Primo Levi returns once more to his time at Auschwitz in a moving meditation on memory, resiliency, and the struggle to comprehend unimaginable tragedy. Drawing on history, philosophy, and his own personal experiences, Levi asks if we have already begun to forget about the Holocaust. His last book before his death, Levi returns to the subject that would define his reputation as a writer and a witness. Levi breaks his book into eight essays, ranging from topics like the unreliability of memory to how violence twists both the victim and the victimizer. He shares how difficult it is for him to tell his experiences with his children and friends. He also debunks the myth that most of the Germans were in the dark about the Final Solution or that Jews never attempted to escape the camps. As the Holocaust recedes into the past and fewer and fewer survivors are left to tell their stories, *The Drowned and the Saved* is a vital first-person testament. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit.

*Survival In Auschwitz* Primo Levi 1996 A work by the Italian-Jewish writer, Primo Levi. It describes his arrest as a member of the Italian anti-fascist resistance during the Second World War, and his incarceration in the Auschwitz concentration camp from February 1944 until the camp was liberated on 27 January 1945.

**Six Characters in Search of an Author** Luigi PIRANDELLO 1980

*The House by the Medlar-Tree* Giovanni Verga 2022-06-02 *The House by the Medlar Tree* is a realist work concerning Sicilian life and the dangers of economic and social turmoil. The story focuses on the hardworking and happy Malavoglia family that borrows money from a local lender against unreceived cargo, they wish to resell. When it is lost at sea, the family attempts everything in their power to repay the debt. Several setbacks follow as the family faces trouble from every quarter. Whatever dreams the family formulated over three generations, they witness them destroyed and struggle to make ends meet. This story of the family of fishermen is set in Aci Trezza, a small Sicilian village near Catania, where life revolves around constant gossip about honor, money, and marriage. The novel maintains a choral element and portrays characters that are united by the same culture but divided by ancient feuds. The tone is kept light through the irony with which the author depicts the characters and their peculiarities. The story is a remarkable portrayal of the life of an unlucky family in a Sicilian village and is full of sorrow, loss, warmth, and redemption.
