Essential Retirement Planning for Solo Agers Sara Zeff Geber

2018-04-15 A practical yet humorous guide to aging solo gracefully and achieving a happy retirement. In Essential Retirement Planning for Solo Agers, certified retirement coach Sara Zeff Geber coins the term “Solo Ager” to refer to the segment of society that either does not have adult children or is single and believes they will be on their own as they grow older. This book explores the path ahead for this group. That includes choices in housing, relationships, legal arrangements, finances, and more. Geber reviews the role of adult children in an aging parent’s world and suggests ways in which Solo Agers can mitigate the absence of adult children by relationship building and rigorous planning for their future. Geber shares her expertise on what constitutes a fulfilling older life and how Solo Agers can maximize their opportunities for financial security, physical health, meaning and purpose in the second half of life, and, finally, planning for the end game. Through real-life stories and anecdotes, the author explores housing choices, relationships, and building a support system. You will learn about:

- different levels of care and independence in various types of living arrangements
- how to initiate discussions among friends and relatives about end-of-life treatment
- “what if” scenarios
- who to talk to about legal and financial decisions

And it’s not just the Solo Ager that can learn from this book. Financial advisors, elder law and estate attorneys, senior care managers, and others whose

clientele is on the far side of sixty will benefit as well.

James Clear extrage informațiile fundamentale despre formarea obiceiurilor, astfel ca tu să poți realiza mai mult concentrându-te pe mai puține lucruri.” – Mark Manson, autorul bestsellerului *Arta subtilă a nepăsării* „James Clear a petrecut ani de zile perfecționând arta și studiind știința obiceiurilor. Această carte antrenantă și practică este ghidul de care ai nevoie ca să scapi de deprinderile proaste și să-ți formezi unele bune.” – Adam Grant, autorul bestsellerurilor *Originalii* și *Option B*. Inspirându-se din cele mai noi descoperiri din biologie, psihologie și neuroștiințe, James Clear a conceput un ghid ușor de asimilat, cu ajutorul căruia obiceiurile bune devin inevitabile, iar cele rele, imposibile. rezultate mari; \* să-ți revii atunci când te abați de la drum; \* și, cel mai important, cum să aplici aceste idei în viața reală... ... și multe altele Indiferent dacă e vorba de o echipă care încearcă să câștige un campionat, o organizație care speră să redefinească o industrie sau pur și simplu un om care vrea să se lase de fumat, să slăbească, să reducă stresul ori să realizeze orice alt obiectiv, Atomic Habits este soluția. „Nu mă consider un expert și nu dețin toate răspunsurile, dar sunt fericit să împărtășesc ceea ce am învățat până acum.” - James Clear „O carte deosebită, care îți va schimba felul în care îți organizezi ziua și îți trăiești viața.” - Ryan Holiday, autorul bestsellerurilor The Obstacle is the Way și Ego is the Enemy „În Atomic Habits, Clear îți va arăta cum să depășești lipsa de motivație, cum să schimbi mediul înconjurător ca să încurajezi succesul și cum să-ți faci timp pentru obiceiuri noi și mai bune.” - Glamour.com

**An Uncommon Guide to Retirement** Jeff Haanen 2019-05-07

What am I going to do with my retirement? People talk about retirement like it's supposed to be an endless vacation. But what if, like the majority of those facing retirement, you can't afford such a luxury? Or, what if you just want something more from retirement? Some advocate for no retirement at all. But you've worked for decades and a rest and reprieve do sound appealing. What should you do? Does God have a purpose for your retirement? Yes, He does. Learn how to discern what it is by taking an uncommon approach. Jeff Haanen looks biblically and practically at the need for rest and purpose in retirement. And teaches you how to: Take a sabbatical rest in early retirement Listen to God's voice for their calling in retirement Rethink "work" in retirement Understand family systems and leaving a legacy Planning retirement doesn't have to be distressing. Retire in a way that's God-honoring, purpose-filled, restful, and truly biblical.

But will they just live or have a meaningful life? The truth is that many--if not most--people approaching the latter years do not have a plan, much less a strategy to thrive instead of just survive. Packed with information based on research as well as common-sense wisdom, here are some examples of what readers will discover: How retiring at the wrong time increases the likelihood of dying 89%. What can delay Alzheimer's onset an average of 9 years. How everything that makes you happy comes in just 3 forms. Which partner is most likely to initiate divorce after decades of marriage and why.
