*Umar Farooq (Goodword) Sr. Nafees Khan / Vinni Rahman 2014-03-07* Umar Farooq(ra), the second Caliph of Islam, ruled for about ten years over a total area of 2,251,030 square miles. His rule was exemplary, every decision and action of his being guided by the word of Allah, as enshrined in the Quran. It is difficult to imagine that any ruler who had a huge empire, like Umar Farooq's(ra), would live like a simple, common man. But that is exactly what he did. He wore clothes with many patches, slept on the floor, ate plain food and travelled to foreign lands with just one servant and a camel. Umar Farooq (ra) had a strong sense of duty and justice. Throughout his rule, everyone was treated equally and with justice, whether he was a Muslim or a non-Muslim. He lived in the love and fear of Allah. In the history of the world, there was and still is no other ruler like him: he was unique.

**My First Book about the Qur'an** Sara Khan 2018-02-08 Inside this board book toddlers and young children will find out about the Qur'an's beautiful teachings: to care for all creation; to respect the books of God; to be good to one another; and to believe in Allah, the Creator. Stunning illustrations, full of color, bring the pages to life and the carefully written text is simple, easy to understand, and suitable to be read aloud. It also features some facts about the Qur'an and common questions children might ask, such as: what does the word "Qur'an" actually mean? Sara Khan is a writer, translator, and PhD candidate based in the UK. This is her first book. Alison Lodge is a children's illustrator based in North Wales, UK.

**Why I Am Not a Muslim** Ibn Warraq 2010-09-30 Those who practice the Muslim faith have resisted examinations of their religion. They are extremely guarded about their religion, and what they consider blasphemous acts by skeptical Muslims and non-Muslims alike has only served to pique the world's curiosity. This critical examination reveals an unflattering picture of the faith and its practitioners. Nevertheless, it is the truth, something that has either been deliberately concealed by modern scholars or buried in obscure journals accessible only to a select few.

*The System of Islam (Nidham Al Islam)* Taqiuddin an Nabahani 2016-06 This excellent book is translated from the original Arabic book 'Nidham ul Islam' by Sheikh Taqiuddin An Nabahani, an Islamic jurist, 'alim, writer and the founder of Hizb ut-Tahrir - the largest Islamic global political party under a single leadership. It lays out the fundamentals to develop a strong Islamic personality and da'wah carrier. It begins with laying the foundation by explaining the correct way to belief. It proves the existence of a creator intellectually and the Quran as the final revelation sent to humanity by Allah (swt). It then goes on to clarify the important creedal concept of Al-Qada wal Qadar (fate and destiny), which is often held in a vague or confused manner. The third chapter, its largest concentrates on explaining the different ideologies that exists namely Capitalism, Communism and Islam highlighting the differences between them giving the reader a clear framework to understand the world that we live in. After having laid the basis for the correct belief, intellectual and political thinking, it then moves onto address the key Islamic legal principles. The short chapters are intended to focus on the most important aspects such as Usuli subjects like the meaning of Hukm Shar'i, the types of ahkam shariah, Sunnah and emulating (ta'assi) the actions of the Messenger (saw). The last section of the book also clarifies misconceptions regarding spirituality and morals according to Islam as well as articulating the need for a constitution for the future Islamic state.

**Goodnight Stories from the Quran (Goodword)** Saniyasnain Khan 2014-01-22 Goodnight Stories from the Quran is the answer to every child's longing to hear a good bedtime story. It contains a careful selection of thirty-three magnificent Quranic tales retold in age-appropriate language. A simple text and fabulous colour illustrations, which bring the narratives vividly to life, make the message of the Quran more meaningful for children. The book offers a special dimension to these wonderful goodnight stories, and acts as a foundation on which to build a growing knowledge of the Quran.

*Tell Me About Hajj (Goodword)* Saniyasnain Khan 2014-02-04 The story of Hajj, the pilgrimage to Makkah, begins over 4000 years ago when, following the Divine command, the Prophet Ibrahim travelled for a long distance till he reached the hot, barren lands of Arabia. There he left his wife, Hagar, and his little baby, Ismail. The story goes on to tell how Hagar struggled to find water for her baby and how at last the miraculous Zamzam spring came gushing out and saved their lives. This is followed by the great sacrifice of Ibrahim, the building of the Kabah and the call to Hajj. This book explains the importance of the annual pilgrimage—one of the pillars of Islam—with a special focus on the Prophet Muhammad's Hajj. These exciting historical events are presented in a simple, informative style, with beautiful illustrations, so that young people may understand and enjoy them. *The Best Loved Prayers from the Quran (Goodword)* Saniyasnain Khan 2014-02-04 This selection of prayers for children of seven years and above expresses the variety and richness of prayer and is designed to be used at home, or at school. With bright and colourful illustrations, this book will encourage children to explore their own ways of praying. The best prayers are often the ones we say naturally when we are happy, excited or sad about something. But at that time, we don't always find the right words to express our inner feelings. Reading these prayers from the Quran, you will find the best words and phrases to pray with, at any time and in any situation. In that way, you will find

yourself closer to Allah, as if you are whispering to Him. Then it will not be just you alone, but an exchange between you and the Almighty, which will begin to flow, inspiring and lighting up your mind and heart. May this collection of prayers bring you wisdom and many blessings.

**Aisha Siddiqa (Goodword)** Nafees Khan 2014-12-27 Aisha (ra), the wife of the Prophet Muhammad (pbuh), was an extraordinary human being. She was highly learned and is considered to be one of the foremost scholars of the early Islamic period. She recorded the life of the Prophet Muhammad (pbuh) and, being a brilliant scholar and an excellent teacher, she explained it with intelligence and insight. Aisha (ra) narrated about 2200 ahadith, which is an amazing achievement for anyone. After the death of the Prophet Muhammad (pbuh), Aisha (ra) devoted most of her time to the propagation of Islam, making every effort to spread its message by teaching its tenets. She also took an active part in educational and social reforms. Aisha (ra) is undoubtedly an exemplary figure in the history of Islam and is an inspiration to all.

**Who is Allah? (Goodword)** Salmah Umm Zainab 2014-02-03 This book is designed to help parents and teachers in their efforts to encourage young children to ask questions and to assist them in exploring answers together. It makes the sharing of a basic knowledge of Islam simple, clear and enjoyable. This lays the foundation on which greater understanding can be built and learning enriched as young students grow older. And, whatever our age, reviewing the basic in this way can be very beneficial, in that it re-kindles our awareness and glad acceptance of the beautiful message and wondrous knowledge of Islam: we are then the better able share our renewed enthusiasm with others. May you benefit greatly from reading this book.

**Gendered Morality** Zahra M. S. Ayubi 2019 In Gendered Morality, Zahra Ayubi rethinks the tradition of Islamic philosophical ethics from a feminist critical perspective. She calls for a philosophical turn in the study of gender in Islam based on resources for gender equality that are unlocked by feminist engagement with the Islamic ethical tradition.

**The Story of Khadija (Goodword)** Saniyasnain Khan 2014-02-04 One day, the Prophet Muhammad was describing Khadija's virtue, and he pointed to the heaven and earth with his finger and stated, "Mary, mother of Jesus, is the best of the women of the heavens, and the worthiest woman still living on this earth is Khadija, daughter of Khuwaylid." Khadija's life is a source of great inspiration to believers, especially women. She is an excellent example of how one can give to the cause of Islam one's time, energy, wealth and life. Her story is a reminder to believers to live purposeful lives and, in our prayers, we should remember Khadija and the whole family of the Prophet for their sacrifice and dedication. It was precisely their sacrifice, dedication and hard work that made it possible for Islam to reach all the four corners of the world and allowed the Quran to be preserved in its original form. May Allah be pleased with them all. Once when the Prophet Muhammad was in the Cave of Hira with the angel Jibril, or Gabriel, Jibril saw from afar that Khadija was coming towards the Cave. He said to the Prophet: "Khadija is coming here. She has brought some food and water for you." And then he added: "When she comes in, give her the greetings from her Lord and tell her that there will be a house made of pearls for her in Paradise where there will be neither hardship nor any clamour." When Khadija arrived, the Prophet said to her: "Here is Jibril. He is giving greetings to you from your Lord and he himself is greeting you." Khadija replied: "God is peace and He is the source of all peace! May Allah's peace and blessings be upon you, O Messenger of Allah. And my greeting to Jibril!"

**Basics of Religious Education** Gottfried Adam 2014 This volume offers an introduction to all questions of teaching Religious Education as a school subject and as an academic discipline related to this subject. The chapters cover most of the aspects that religion teachers have to face in their work, as well as the theoretical background necessary for this task. The volume is a textbook for students and teachers of religious education, be it in school or in an academic context, who are looking for reliable information on this field. The book has proven its usefulness in German speaking countries. This volume is the English translation of the German Compendium of Religious Education (edited by Gottfried Adam and Rainer Lachmann). The present English version is based on the 2012 edition which aims for a most current representation of the field. The background of the book is Protestant but its outlook is clearly ecumenical, and questions of interreligious education are considered in many of the chapters. The compendium continues to be widely used in Germany, Austria and Switzerland - as an introduction to the field and as a handbook for students who are preparing for their final exams. The English edition makes this compendium available to students and colleagues in other countries.

Islamic Bioethics Muhammad Ali Shomali 2017-05-20 This book is one of the many Islamic publications distributed by Mustafa Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Mustafa Organization is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought!

The Genius of Islam Bryn Barnard 2013-04-24 The Middle Ages were a period of tremendous cultural and scientific advancement in the Islamic Empire—ideas and inventions that shaped our world. Did you know that: • The numbers you use every day (Arabic numerals!) are a Muslim invention? • The marching band you hear at football games has its roots in the Middle East? • You are drinking orange juice at breakfast today thanks to Islamic farming innovations? • The modern city's skyline was made possible by Islamic architecture? The Muslim world has often been a bridge between East and West, but many of Islam's crucial innovations are hidden within the folds of history. In this important book, Bryn Barnard uses short, engaging text and gorgeous full-color artwork to bring Islam's contributions gloriously to life. Chockful of information and pictures, and eminently browsable, *The Genius of Islam* is the definitive guide to a fascinating topic.
