Death Masks Ed Greenwood 2016-06-07 The creator of the *Forgotten Realms* leads readers through a rollicking fantasy adventure and murder mystery set in the city of Waterdeep Revealed in death to have been Masked Lords, three more citizens had been murdered over the preceding day and night: the Sembian wine-seller and collector Oszbur Malankar; the half-elf sorceress and artisan Dathanscza Meiril; and the moneylender, landlord, and investor Ammasker Gwelt. All of Waterdeep now knew someone was killing the Lords of Waterdeep, one by one. Yet that was about where truth ended and speculation—however plausible—began. The broadsheets were full of wild conjecture. Who's behind this? The ousted Lord Neverember? The Zhentarim, the Cult of the Dragon or some other Outland Power? The Xanathar? Some cabal of guilds or nobles planning a coup? The rumors would rage on, whether the Open Lord Laeral Silverhand did something or not. That was the trouble with rumors; once loosed, they roamed free like snarling, untamed beasts, with no simple way of stopping them. And all rumors aside, Waterdeep has become . . . a City of

Murderers. Death Masks is loosely connected to the Elminster series and Sage of Shadowdale series.

Brimstone Angels Erin M. Evans 2011-11-01 Praise for Erin M. Evans's first book, *The God Catcher*: "Extremely entertaining, *The God Catcher* was a great surprise for me. Evans' fluent style glues this book in the reader's hands. With an action-packed story and vivid characters, it quickly becomes a page-turner." –Speculative Book Review [The story] flowed wonderfully and it was fast paced and exciting. . . . Every subplot or side story all seemed natural and fitting. . . .I loved the characters. Everything was described well enough to give you an idea and it allowed for your imagination to create the rest. It's as vivid and as abstract as you can get, all thanks to the descriptions. –Read Between the Lines "Under Evans' pen, the city of Waterdeep really comes to life on the page; full of everything that a city needs to be a thriving home for a great story. . . . Evans proves to be a bit of a master at laying the seeds for one plot and then having it turn into something else when you're not expecting it (even though it ends up looking like it was going that way the whole time)." –Graeme's Fantasy Book Review Overview: Rejected at birth and raised in a village of tiefling misfits, Farideh expects a life without friends, love, or control over her destiny.
