Just pure fun.” —NPR.org “Which of us has not had that wonderfully seditious idea: to play hooky for a while from life as we know it?” With these words from his foreword, Pico Iyer puts his finger on the exhilaratingly anarchic appeal of *The Year of the Hare*, a novel in the bestselling tradition of *Watership Down*, *Jonathan Livingston Seagull*, and *Life of Pi*. While out on assignment, a journalist hits a hare with his car. This small incident becomes life-changing: he decides to quit his job, leave his wife, sell his possessions, and spend a year wandering the wilds of Finland—with the bunny as his boon companion. What ensues is a series of comic misadventures, as everywhere they go—whether chased up a tree by dogs, or to a formal state dinner, or in pursuit of a bear across the Finnish border with Russia—they leave mayhem (and laughter!) in their wake.

**Parrot e Olivier in america** Peter Carey 2010-10-18T00:00:00+02:00 All'inizio del XIX secolo, Olivier-Jean-Baptiste de Clarel de Garmont, il miope e asmatico virgulto di un'antica stirpe nobile francese spodestata dalla rivoluzione, viene spedito in un'America appena uscita da un'altra rivoluzione col pretesto di studiare il sistema penitenziario di quel paese, ma in realtà per risparmiargli la fine del nonno, che ha lasciato la testa sotto la lama della ghigliottina. Per aiutare quest'ultimo spaesato esponente dell'Ancien régime a orientarsi nei temibili meandri della democrazia gli si affiancherà, come domestico, segretario e spia, un più stagionato rappresentante delle classi umili d'Albione, un rosso malpelo ribelle e impudente soprannominato Pappagallo, ex printer's devil, cioè garzone tuttofare di una tipografia britannica specializzata in moneta falsa. Così inizia la drammatica ed esilarante avventura di una nuova e strana coppia di eroi, un servo e un padrone che non potrebbero essere più diversi ma che finiranno per diventare amici. L'ultimo libro di Peter Carey è la storia dell'incontro di un aristocratico malaticcio e schizzinoso con la giovane, forte, libera e democratica società americana, con i suoi imprenditori lanciati nel futuro e le sue donne emancipate, un incontro felice a dispetto della "maleodorante égalité" del Nuovo mondo, che tra un colpo di scena e l'altro fornirà all'autore l'occasione di compilare un elenco spiritoso delle differenze e dei contrasti fra l'America e la vecchia Europa. Un elenco in gran parte valido ancor oggi. Improvvisazione sul viaggio di Tocqueville in America: comico, picaresco, inventivo, dickensiano, carnale, allusivo, Parrot e Olivier in America è un appassionante romanzo storico, d'idee e d'avventura.

**The Dark Angel** Mika Waltari 2022-09-12T00:00:00Z No other city in the world could compare with it in grandeur, splendor, and wealth. And when it fell to the Turks in 1453, it must have seemed like the end of the world to Christians. Famed author Mika Waltari takes us into the last months of this dying city as revealed in the diary of John Angelos, a strange man hopelessly in love with the daughter of an eminent Byzantine

official. In this powerful novel which closely follows actual historical events and personalities, Waltari explores the passions and follies of a civilization on the brink of disaster. With shrewd psychological insight, Waltari provides us with an unbelievable tapestry of false hopes, dogged determination, and fanatic Muslim religious faith as seen through the eyes of the 15th century Greeks and Italians who valiantly defended the city to the bitter end. With chaos and despair deepening into a pall of gloom, the sultan's huge army surrounds Constantinople and assaults its massive walls. We peer over the shoulder of John Angelos as he dons his armor and plunges into the tumultuous events taking place amid smoldering suspicions of betrayal and assassination. But as always, the beautiful Anna Notaras lingers in his imagination. "Today I am called a spy and the lover of the empires most desirable woman. But no one knows my true identity and no one ever shall. For it is the year 1453; and here in Constantinople a mighty Christian empire is dying brutally as the Muslim hordes storm its massive wall." The sweeping, powerful story of the fall of Constantinople to the Ottoman Empire in 1453 and a hopeless love affair—these are the background for this intimate and exciting historical novel.

*The Little White Bird*. (1902) ( original version ) J. M. Barrie 1912

**The Light Years** Elizabeth Jane Howard 2016-04-26 This “dazzling” novel follows a family of English aristocrats as their country teeters on the brink of World War II (Penelope Fitzgerald). As war clouds gather on the distant horizon, Hugh, Edward, and Rupert Cazalet, along with their wives, children, and loyal servants, prepare to leave London for their annual pilgrimage to the family’s Sussex estate. There, they will join their parents, William and Kitty, and sister, Rachel, at Home Place, the sprawling retreat where the three brothers hope to spend an idyllic summer of years gone by. But the First World War has left indelible scars. Hugh, the eldest of his siblings, was wounded in France and is haunted both by recurring nightmares of battle and the prospect of another war. Edward adores his wife, Villy, a former dancer searching for meaning in life, yet he’s incapable of remaining faithful to her. Rupert desires only to fulfill his potential as a painter, but finds that love and art cannot coexist. And devoted daughter Rachel discovers the joys—and limitations—of intimacy with another woman. A candid portrait of British life in the late 1930s and a sweeping depiction of a world on the brink of war, *The Light Years* is a must-read for fans of *Downton Abbey*. Three generations of the Cazalet family come to unforgettable dramatic life in this saga about England during the last century—and the long-held values and cherished traditions that would soon disappear forever.

**The Forgetting Time** Sharon Guskin 2016-02-02 “What if what you did mattered more because life happened again and again, consequences unfolding across decades and continents?...A relentlessly paced page-turner and a profound meditation on the meaning of life.” —Christina Baker Kline, #1 New York Times bestselling author of *The Orphan Train* What happens to us after we die? What happens before we are born? At once a riveting mystery and a testament to the profound connection between a child and parent, *The Forgetting Time* will lead you to reevaluate everything you believe... What would you do if your four-year-old son claimed he had lived another life and that he wants to go back to it? That he wants his other mother? Single mom Janie is trying to figure out what is going on with her beloved son Noah. Noah has never been ordinary. He loves to make up stories, and he is constantly surprising her with random trivia someone his age has no right knowing. She always chalked it up to the fact that Noah was precocious—mature beyond his years. But Noah's eccentricities are starting to become worrisome. One afternoon, Noah's preschool teacher calls Janie: Noah has been talking about shooting guns and being held under water until he can't breathe. Suddenly, Janie can't pretend anymore. The school orders him to get a psychiatric evaluation. And life as she knows it stops for herself and her darling boy. For Jerome Anderson, life as he knows it has already stopped. Diagnosed with

aphasia, his first thought as he approaches the end of his life is, I'm not finished yet. Once an academic star, a graduate of Yale and Harvard, a professor of psychology, he threw everything away to pursue an obsession: the stories of children who remembered past lives. Anderson became the laughing stock of his peers, but he never stopped believing that there was something beyond what anyone could see or comprehend. He spent his life searching for a case that would finally prove it. And with Noah, he thinks he may have found it. Soon, Noah, Janie, and Anderson will find themselves knocking on the door of a mother whose son has been missing for eight years. When that door opens, all of their questions will be answered. Gorgeously written and fearlessly provocative, Sharon Guskin's debut explores the lengths we will go for our children. It examines what we regret in the end of our lives and hope for in the beginning, and everything in between.

**My Little One** Germano Zullo 2020-10-27 Winner of the 2016 Bologna Ragazzi Award, My Little One is a series of sparse and rhythmic images drawn in simple grey pencil, measuring like a metronome the boundless love between mother and son. A mother, welcoming her tiny son into the world, tells him the story of their lives, whispering to him as she swings him gently around. With each successive page, he grows while she shrinks, until she is being held by the man he has become. Albertine's weightless strokes and billowing bodies recall the flitting procession of a flipbook or an ephemeral notebook sketch. She choreographs the peculiar dance of aging, of the way our bodies fold, lean, tuck into one another as we grow old. Filled with poetry and questioning, Germano whittles his words down - each precise line reminds us of the pithy goodness of childhood. An eloquent portrait of life's waxing and waning, My Little One is a moving celebration of constant, unconditional love.

*The Boy who Climbed Into the Moon* David Almond 2010 Paul believes that the moon is not the moon, but a great hole in the sky. It's one of many strange ideas the he's never told anyone, until he meets Molly, his irrepressible neighbour, who begins to convince him that his theory might just change the world. Ages 7+.

**Stella, Star of the Sea** 2010-02-08 Sam is full of questions on his first trip to the seashore and his older sister has an answer for each one, except whether or not Sam will ever come into the water.
