BRITISH MURDER MYSTERIES: The Greatest Thrillers of Mary Elizabeth Braddon Mary Elizabeth Braddon 2019-09-06 M. E. Braddon is best known for her mysteries and sensation novels full of violence, schemes, murders, frauds and many unpredictable plot twists. This meticulously edited mystery collection is formatted for your eReader with a functional and detailed table of contents: The Trail of the Serpent Lady Audley's Secret Aurora Floyd Henry Dunbar Run to Earth The Cloven Foot Wyllard's Weird His Darling Sin

Moon Tiger Penelope Lively 2007-12-01 "A powerful, moving and beautifully wrought novel about the ways in which lives are molded by personal memory and the collective past." —The Boston Globe Winner of the Man Booker Prize Elderly, uncompromising Claudia Hampton lies in a London hospital bed with memories of life fluttering through her fading consciousness. An author of popular history, Claudia proclaims she's carrying out her last project: a history of the world. This history turns out to be a mosaic of her life, her own story tangled with those of her brother, her lover and father of her daughter, and the center of her life, Tom, her one great love found and lost in war-torn Egypt. Always the independent woman, often with contentious relationships, Claudia's personal history is complex and fascinating. As people visit Claudia, they shake and twist the mosaic, changing speed, movement, and voice, to reveal themselves and Claudia's impact on their world. "Emotionally, Moon Tiger is kaleidoscopic, deeply satisfying. The all too brief encounter between Claudia and Tom will surely rate as one of the most memorable of contemporary fictional affairs. This is one of the best novels I have read for years." —The London Sunday Telegraph "It pulls us in; it engages us and saddens us. It is also unexpectedly funny . . . It leaves its traces in the air long after you've put it away." —The New York Times Book Review "One of the very best Booker winners . . . it asks hard questions about memory and history and personal legacy; it's stylistically demanding and inventive . . . a wonderful book." —The Guardian

Myself When I Am Real Gene Santoro 2001-11-29 Charles Mingus was one of the most innovative jazz musicians of the 20th Century, and ranks with Ives and Ellington as one of America's greatest composers. By temperament, he was a high-strung and sensitive romantic, a towering figure whose tempestuous personal life found powerfully coherent expression in the ever-shifting textures of his music. Now, acclaimed music critic Gene Santoro strips away the myths shrouding "Jazz's Angry Man," revealing Mingus as more complex than even his lovers and close friends knew. A pioneering bassist and composer, Mingus redefined jazz's terrain. He penned over 300 works spanning gutbucket gospel, Colombian cumbias, orchestral tone poems, multimedia performance, and chamber jazz. By the time he was 35, his growing body of music won increasing attention as it unfolded into one pioneering musical venture after another, from classical-meets-jazz extended pieces to spoken-word and dramatic performances and television and movie soundtracks. Though critics and musicians debated his musical merits and his personality, by the late 1950s he was widely recognized as a major jazz star, a bellwether whose combined grasp of tradition and feel for change poured his inventive creativity into new musical outlets. But Mingus got headlines less for his art than for his volatile and often provocative behavior, which drew fans who wanted to watch his temper suddenly flare onstage. Impromptu outbursts and speeches formed an integral part of his long-running jazz workshop, modeled partly on dramatic models like Orson Welles' Mercury Theatre. Keeping up with the organized chaos of Mingus's art demanded gymnastic improvisational skills and openness from his musicians—which is why some of them called it "the Sweatshop." He hired and fired musicians on the bandstand, attacked a few musicians physically and many more verbally, twice threw Lionel Hampton's drummer off the stage, and routinely harangued chattering audiences, once chasing a table of inattentive patrons out of the FIVE SPOT with a meat cleaver. But the musical and mental challenges this volcanic man set his bands also nurtured deep loyalties. Key sidemen stayed with him for years and even decades. In this biography, Santoro probes the sore spots in Mingus's easily wounded nature that helped make him so explosive: his bullying father, his interracial background, his vulnerability to women and distrust of men, his views of political and social issues, his overwhelming need for love and acceptance. Of black, white, and Asian descent, Mingus made race a central issue in his life as well as a crucial aspect of his music, becoming an outspoken (and often misunderstood) critic of racial injustice. Santoro gives us a vivid portrait of Mingus's development, from the racially mixed Watts where he mingled with artists and writers as well as mobsters, union toughs, and pimps to the artistic ferment of postwar Greenwich Village, where he absorbed and extended the radical improvisation flowing through the work of Allen Ginsberg, Jackson Pollock, and Charlie Parker. Indeed, unlike most jazz biographers, Santoro examines Mingus's extra-musical influences—from Orson Welles to Langston Hughes, Farwell Taylor, and Timothy Leary—and illuminates his achievement in the broader cultural context it demands. Written in a lively, novelistic style, *Myself When I Am Real* draws on dozens of new interviews and previously untapped letters and archival materials to explore the intricate connections between this extraordinary man and the extraordinary music he made.

With the help of her great-aunt and the beautiful, but dead, Lieutenant Luke, Pandora is beginning to understand the significance of the Lucasta family heritage her late mother kept secret from her. Pandora is heir to a great gift - a gift that comes with a frightening responsibility. And when a new designer arrives in town, Pandora soon discovers that this designer's ambitions extend far beyond taking over the fashion world, one knit at a time...

Sovereign Celia Aaron 2016-04-20 The Acquisition has ruled my life, ruled my every waking moment since Sinclair Vinemont first showed up at my house offering an infernal bargain to save my father's life. Now I know the stakes. The charade is at an end, and Sinclair has far more to lose than I ever did. But this knowledge hasn't strengthened me. Instead, each revelation breaks me down until nothing is left but my fight and my rage. As I struggle to survive, only one question remains. How far will I go to save those I love and burn the Acquisition to the ground? Full disclosure: This book is a DARK romance with elements of BDSM, slavery, violence,

and super-hot sex. It is the last of the Acquisition trilogy, no cliffhanger. If you're good with these caveats, enjoy!

Pop-up and Movable Books Ann Rothwell Montanaro 1993 Ranging from Victorian picture stories to Disney classics and contemporary works on environmental issues, pop-up and movable books have amused, enlightened, and entertained children and adults for almost 150 years. Although most movable books are designed primarily for children, a significant number of fiction and nonfiction titles are intended for adult readers. Despite their enormous popularity, they are rarely reviewed or included in lists of children's books, and are seldom purchased for circulating libraries. Many are unindexed. Montanaro identifies, indexes, and describes over 1,600 titles by publication date, personal names of contributors, and series titles.

Celia's Song Lee Maracle 2014-10-01 Mink is a witness, a shape shifter, compelled to follow the story that has ensnared Celia and her village, on the West coast of Vancouver Island in Nuu'Chahlnuth territory. Celia is a seer who — despite being convinced she's a little "off" — must heal her village with the assistance of her sister, her mother and father, and her nephews. While Mink is visiting, a double-headed sea serpent falls off the house front during a fierce storm. The old snake, ostracized from the village decades earlier, has left his terrible influence on Amos, a residential school survivor. The occurrence signals the unfolding of an ordeal that pulls Celia out of her reveries and into the tragedy of her cousin's granddaughter. Each one of Celia's family becomes involved in creating a greater solution than merely attending to her cousin's granddaughter. Celia's Song relates one Nuu'Chahlnuth family's harrowing experiences over several generations, after the brutality, interference, and neglect resulting from contact with Europeans.

Science-fiction Everett Franklin Bleiler 1998 Complementing Science-Fiction: The Early Years, which surveys science-fiction published in book form from its beginnings through 1930, the present volume covers all the science-fiction printed in the genre magazines--Amazing, Astounding, and Wonder, along with offshoots and minor magazines--from 1926 through 1936. This is the first time this historically important literary phenomenon, which stands behind the enormous modern development of science-fiction, has been studied thoroughly and accurately. The heart of the book is a series of descriptions of all 1,835 stories published during this period, plus bibliographic information. Supplementing this are many useful features: detailed histories of each of the magazines, an issue by issue roster of contents, a technical analysis of the art work, brief authors' biographies, poetry and letter indexes, a theme and motif index of approximately 30,000 entries, and general indexes. Science-Fiction: The Gernsback Years is not only indispensable for reference librarians, collectors, readers, and scholars interested in science-fiction, it is also of importance to the study of popular culture during the Great Depression in the United States. Most of its data, which are largely based on rare and almost unobtainable sources, are not available elsewhere.

Celia Moon, Seventh Wonder Tallulah Burns 2018-03-29 As far as the town of Serendipity was concerned, six of the seven wonders of the world resided in the state of Georgia. As far as Celia Moon was concerned, she qualified as the seventh. A fierce and creative individual, she is used to raising eyebrows, and has always fought a rebellious battle against fulfilling the expectations of others. Serendipity-a tiny town of old-school conformists-breathed a collective sigh of relief the day that Celia donned a Picasso emblazoned T-shirt, a black lace skirt and teal velvet combat boots, packed up her art supplies, guitar and a half-written novel, mounted a second-hand motorcycle and disappeared down the interstate. Now Celia has returned to Serendipity, as wild and independent as she ever was, fighting hard to be herself in a place that still wants her to be like everybody else. Fresh from a whirlwind of international travel, Del Carrington is a successful designer who has come to Serendipity to care for her elderly grandfather. Turning her back on a life of high fashion and glamour, she soon discovers that in all her travels, she has never met anyone quite like Celia Moon. Leaving behind a past she wants to forget, Del comes to Serendipity driven by heartbreak and a painful secret. As time passes, she discovers that Celia has done the same. Can their hearts learn to trust one other enough to take a chance on love, and share the secrets that keep them apart? If they can, it will be a wonder.

Three Wonder Plays Lady Gregory 1922

Death of Cecilia Hartley Howard 2012-11-26 First published in 1952, Death of Cecilia begins with a telephone conversation, started with a conventional greeting, but to Glenn Bowman the voice seemed to carry a note of cold menace. It went on to warn him not to take a personal interest in a certain dead woman unless he wanted a lethal dose of lead poisoning. This was a challenge no self-respecting crime investigator could ignore.

Everywhere, Wonder Matthew Swanson 2017-02-07 "Open your eyes and open your window and let your story out into the world. It is a little gift from you to me." In this heartfelt picture book, readers are taken on a stunning journey into the imagination of a young boy—who explores everything from the pyramids of Egypt to a dusty footprint on the moon—and then back out again to the wonderful world right in front of him. From a lost balloon to an endless road, there are stories to discover, to dream about, and to share. Everywhere, Wonder explores the wonder in the world, while encouraging young minds to discover the extraordinary in the ordinary, and creatively share their stories with others. An Imprint Book "Swanson's fanciful and whimsical exploration of the meeting of imagination and story is strengthened by the jewel-toned colors and sheer scope of Behr's illustrations." —Kirkus Reviews "A tribute to the power of imagination awaiting those who are open to the marvels that surround them."
