The Independent Woman Simone De Beauvoir 2018-11-06 "Like man, woman is a human being." It captures the essence of the spirited manifesto that switched on light bulbs in the heads of a generation of women and continues to exert profound influence on feminists today.

The Case for Marriage Linda Waite 2002-03-05 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal www.broadwaybooks.com

In this illuminating book, lesbian mothers tell their stories of how they became mothers; how they see their relationships with their children, relatives, lovers, and friends and with their children's fathers and sperm donors; how they manage child-care arrangements and financial difficulties; and how they deal with threats to custody. Ellen Lewin's unprecedented research on lesbian mothers in the San Francisco area captured a vivid portrait of the moment before gay and lesbian parenting moved into the mainstream of U.S. culture. Drawing on interviews with 135 women, Lewin provided her readers with a new understanding of the attitudes of individual women, the choices they made, and the texture of their daily lives.

Seduced By Her Husband's Bullying Boss Thomas Roberts 2019-04-26 I can't help myself around my husband's bullying boss?whatever he wants from me, he takes. Then he demanded I take off my panties in the middle of a crowded dance floor when my husband was only a few feet away. I didn't expect him to show them to Todd and brag about what he planned to do to me! Why does the possibility of getting caught excite me so much? ~~~~~ PG Excerpt ~~~~~ After my shower I'd slipped on a long, light blue summer dress decorated with large white flowers. It was going to be a hot day and I didn't plan on going anywhere, so I didn't bother with underwear. The feel of the warm air blowing under my dress was amazing. But instead of being calmed, I felt even more like laying on the bed and finishing what I'd started in the shower. When the doorbell rang, I thought it was the delivery guy. I opened the door without looking and stepped back in surprise when I saw Jerry grinning at me. ?Is that how you treat your lover?? he asked. I backed up startled, my hand over my heart. Jerry turned in a complete circle, checking to see if anyone was watching. ?What will your neighbors say. ?A strange man is standing in front of Pamela's open door. I wonder who he is??? Jerry mused. ?Please, come inside,? I begged him. I couldn't afford a neighbor blabbing to my husband. ?Tell me what I can do to you, first,? he said. ?Please, just come inside,? I was in danger of becoming hysterical. ?Tell me first, and make it loud enough for me to hear,? he insisted. ?You can do anything you want,? I said. ?Louder, and who can I do anything to?? ?You can do anything you want to me, just please come inside,? I almost shouted. Jerry stepped through the door. ?Pretty dress - take it off,? he said. Why did his arrogance turn me on? Telling the entire neighborhood he could do anything he wanted to me had been exciting. Being ordered to get naked caused me to ache for him. This time, we were in my sunlit kitchen. Our kitchen, mine and Todd's, but I was naked in front of another man. I felt like I should hide myself but I didn't do it. I wanted to be displayed for him. I could feel erotic spasms coming from the center of my body. ?Beg me to use you,? he said. I wanted to refuse; how dare he ask me to beg him to treat me like a common whore would? ?Please use me, Jerry.?

Instagram-worthy offices and a tight-knit group of friends? Check, check. Gabrielle's life seems to reach the crescendo of perfect when she gets named the youngest editor-in-chief in the history of one of fashion's most influential publication. The Female Persuasion Meg Wolitzer 2019-05-21 A New York Times Bestseller "A powerful coming-of-age story that looks at ambition, friendship, identity, desire, and power from the much-needed female lens." —Bustle "Ultra-readable." —Vogue From the New York Times-bestselling author of *The Interestings*, comes an electric novel not just about who we want to be with, but who we want to be. To be admired by someone we admire—we all yearn for this: the private, electrifying pleasure of being singled out by someone of esteem. But sometimes it can also mean entry to a new kind of life, a bigger world. Greer Kadetsky is a shy college freshman when she meets the woman she hopes will change her life. Faith Frank, dazzlingly persuasive and elegant at sixty-three, has been a central pillar of the women's movement for decades, a figure who inspires others to influence the world. Upon hearing Faith speak for the first time, Greer—madly in love with her boyfriend, Cory, but still full of longing for an ambition that she can't quite place—feels her inner world light up. And then, astonishingly, Faith invites Greer to make something out of that sense of purpose, leading Greer down the most exciting path of her life as it winds toward and away from her meant-to-be love story with Cory and the future she'd always imagined. Charming and wise, knowing and witty, Meg Wolitzer delivers a novel about power and influence, ego and loyalty, womanhood and ambition. At its heart, *The Female Persuasion* is about the flame we all believe is flickering inside of us, waiting to be seen and fanned by the right person at the right time. It's a story about the people who guide and the people who follow (and how those roles evolve over time), and the desire within all of us to be pulled into the light.

Going There Katie Couric 2021-10-26 This heartbreaking, hilarious, and brutally honest memoir shares the deeply personal life story of a girl next door and her transformation into a household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she's never shared, until now. Of the medium she loves, the one that made her a household name, she says, "Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is." Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest "get"—often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric's position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma—and an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News—a world rife with sexism and misogyny. Her "welcome" was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer—a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly—why her second marriage almost didn't happen. If you thought you knew Katie Couric, think again. *Going There* is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

Tell Me Lies Carola Lovering 2018-06-12 Now an original series on Hulu! YOU NEVER FORGET YOUR WORST. "A twisted modern love story" (Parade), *Tell Me Lies* is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn't let go of. The one you'll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother—whom she's never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she's quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy's heart. Lucy knows there's something about Stephen that isn't to be trusted. Stephen knows Lucy can't tear herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy's and Stephen's voices, *Tell Me Lies* follows their connection through college and post-college life in New York City. "Readers will be enraptured" (Booklist) by the "unforgettable beauties in this very sexy story" (Kirkus Review). With the psychological insight and biting wit of *Luckiest Girl Alive*, and the yearning ambitions and desires of *Sweetbitter*, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of letting go—even when you know you should.

Mrs. Dalloway Virginia Woolf 2022-05-17 *Mrs Dalloway*, Virginia Woolf's fourth novel, offers the reader an impression of a single June day in London in 1923. Clarissa Dalloway, the wife of a Conservative member of parliament, is preparing to give an evening party, while the shell-shocked Septimus Warren Smith hears the birds in Regent's Park chattering in Greek. There seems to be nothing, except perhaps London, to link Clarissa and Septimus. She is middle-aged and prosperous, with a sheltered happy life behind her; Smith is young, poor, and driven to hatred of himself and the whole human race. Yet both share a terror of existence,

and sense the pull of death. The world of Mrs Dalloway is evoked in Woolf's famous stream of consciousness style, in a lyrical and haunting language which has made this, from its publication in 1925, one of her most popular novels.

Murder Under Her Skin Stephen Spotswood 2021-12-07 A New York Times Book Review Editor's Choice • Rex Stout meets Agatha Christie with a fresh twist in the new Pentecost and Parker Mystery, a delightfully hardboiled high-wire act starring two daring women sleuths dead set on justice as they set out to solve a murder at a traveling circus "A delight.... It's a pleasure to watch [Pentecost and Parker] sifting through red herrings and peeling secrets back like layers of an onion." The New York Times Book Review Someone's put a blade in the back of the Amazing Tattooed Woman, and Willowjean "Will" Parker's former knife-throwing mentor has been stitched up for the crime. Will called Hart & Halloway's Traveling Circus and Sideshow home for five years, and Ruby Donner, the circus's tattooed ingenue, was her friend. To make matters worse, the prime suspect is Valentin Kalishenko, the man who taught Will everything she knows about putting a knife where it needs to go. To uncover the real killer and keep Kalishenko from a date with the electric chair, Will and Ms. Pentecost join the circus in sleepy Stoppard, Virginia, where the locals like their cocktails mild, the past buried, and big-city detectives not at all. The two swiftly find themselves lost in a funhouse of lies as Will begins to realize that her former circus compatriots aren't playing it straight, and that her murdered friend might have been hiding a lot of secrets beneath all that ink.

What Do We Need Men For? E. Jean Carroll 2019-07-02 As seen on the cover of New York Magazine, America's longest running advice columnist goes on the road to speak to women about hideous men and whether we need them. "Carroll's lively prose careens in constant pursuit of pleasure...indefatigably funny and full of life." -Lindsay Zoladz, The Ringer "Darkly humorous and deadly serious." -Sibbie O'Sullivan, Washington Post "A compulsively interesting feminist memoir." -Virginia Heffernan, Slate "Somehow hilarious, in the way that only E. Jean could have written it" -Leigh Haber, Oprah Magazine "Roving, curious, compassionate, whimsical." -Megan Garber, The Atlantic When E. Jean Carroll—possibly the liveliest woman in the world and author of the "Ask E. Jean" advice column in Elle Magazine, realized that her eight million readers and question-writers all seemed to have one thing in common—problems caused by men—she hit the road. Crisscrossing the country with her blue-haired poodle, Lewis Carroll, E. Jean stopped in every town named after a woman between Eden, Vermont and Tallulah, Louisiana to ask women the crucial question: What Do We Need Men For? E. Jean gave her rollicking road trip a sly, stylish turn when she deepened the story, creating a list called "The Most Hideous Men of My Life," and began to reflect on her own sometimes very dark history with the opposite sex. What advice would she have given to her past selves—as Miss Cheerleader USA and Miss Indiana University? Or as the fearless journalist, television host, and eventual advice columnist she became? E. Jean intertwines the stories of the fascinating people she meets on her road trip with her "horrible history with the male sex" (including mafia bosses, media titans, boyfriends, husbands, a serial killer, and a president), creating a decidedly dark yet hopeful, hilarious, and thrilling narrative. Her answer to the question What Do We Need Men For? will shock men and delight women.
