Magic In Her Kisses Ruan Willow 2021-12-07 College student Alicia fantasizes about her hot nerdy teacher, Dr. Maddie Lillian, her thoughts drifting to steamy office hour hook-ups as she listens dreamily to the professor's lectures. After getting a job as her lab assistant, Alicia finds her wishes swelling into thoughts of being spanked in her employer's cluttered office, though she wonders, being as clumsy as the woman is if she could coordinate such actions. She decides to act on her fantasies and begins seducing the brainiac. Much to her wonderment, the determined professor reveals herself to be a surprisingly eager, if adorably inexperienced, dominant BDSM lover-so much so that, despite Alicia's presumed distaste for spanking, she soon finds herself yearning for more play. Delicious forays into sexual exhibition, fueled by the taboo nature of their entanglements, lure both women into forbidden union after union. What started as being all about the guilty pleasures of hardcore sex gives way to the magic in their kisses, sparking a sweet, caring romance that neither expected. Unfortunately, not everyone approves, and Alicia's mommy issues soon rage. Just as the two are beginning to realize what they've found in each other, there isn't enough magic in the world to save their love, demanding the empowered young seductress find a new way to be bold. This book contains kinky explicit lesbian sex scenes.

When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations

take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun.
