The Bible on Leadership Lorin Woolfe 2002-06-18 Millions have been inspired by the Bible's spiritual lessons. Now, Lorin Woolfe provides a unique way to view the Bible . . . for leadership lessons that can be applied to our modern business world. Consider David's courage and innovation in slaying Goliath with just a stone and a sling; Moses' outstanding ""succession planning"" in picking Joshua; Joseph and the political skills that brought him to the seat of power; and of course, Jesus' compassion, communication skills, and vision that launched Christianity (a long-term success by any measure). These are leaders among leaders. Their achievements -- and their inspired methods of achievement -- offer a wholly different perspective on business leadership. For the dozens of Biblical stories presented, the book provides: * A concise retelling of each story * One (or more) leadership lessons suggested by each story * Examples of contemporary business leaders who exhibit some of the inspired traits of these ancient leaders, including: Fred Smith of FedEx, Howard Shultz of Starbucks, Tom Chappell of Tom's of Maine (a "toothpaste with a mission"), Roy Vagelos of Merck, and many more. The chapters cover these universal topics: Courage * Purpose * Communication * Honesty and Integrity * Power and Influence * Performance Management * Team Building * Humility * Compassion * Justice * Encouragement and Consequences * Wisdom * Creating the Future Each topic concludes with a list of key points to keep in mind as readers continue on their own leadership journeys.

If the Pink Shoe Fits Doretha Dingler 2013-07 "These stories are a fitting tribute to Mary Kay's enduring legacy." -Erma Thomson, Special Assistant

to Mary Kay Ash for almost thirty years Taking advantage of the flexibility of the Mary Kay opportunity, Doretha spent the first three years of her Mary Kay career focused more on motherhood and taking care of her family until she received the now infamous termination letter. Motivated by the "inspiration of termination," she set her first real goal and sprang into action, debuting as a Director six months later and setting the trajectory for a career that would make her one of the most successful women in the history of Mary Kay. Almost forty years later, Doretha retired as the Number One Elite Executive Independent National Sales Director ("NSD") worldwide with over \$10,000,000 in career earnings. She was also the first NSD in the history of the Company to earn over \$100,000 in one month and the first to be "on-target" for a million-dollar year as she led a \$66,700,000 international sales force known in Mary Kay parlance as the "Dingler Area." "As the company she founded celebrates half a century, I take such great pride that I was able to get to know a woman who is virtually all by herself in the category of inspirational business leaders with an innate understanding of women." -Yvonne Pendleton, former Director of Corporate Heritage for Mary Kay, Inc. "It is leaders like you who have made our company great." -Telegram from Mary Kay Ash to Doretha Dingler, April 8, 1976

The Emergence of Charismatic Business Leadership Richard S. Tedlow 2021-09-14 The author of *Giants of Enterprise* examines the evolving role of business leaders in the 21st century—with essential lessons from today's trailblazers. In *The Emergence of Charismatic Business Leadership*, Harvard Business School Emeritus professor Richard S. Tedlow reveals how a handful of individuals have transformed modern-day leadership, making charisma essential to the role. He looks at leaders like Oprah Winfrey, Elon Musk, and Steve Jobs: three pioneers who found success by innovating their management style and using their charisma to champion their vision. Through Tedlow's in-depth accounts of modern business history, we see how former outsiders attain power and influence, and how charismatic leadership enables the creation of revolutionary products like the battery electric vehicle and the smart phone. But Tedlow also considers the careers of people who used their charisma to mislead, such as Jeff Skilling of Enron and Elizabeth Holmes of Theranos. In this thorough examination, Tedlow shows how charisma, when combined with genuine character, can get you far.

The Orenda Joseph Boyden 2014-05-13 In this hugely acclaimed author's new novel, history comes alive before us when, in the seventeenth century,

a Jesuit missionary ventures into the wilderness in search of converts—the defining moment of first contact between radically different worlds, each at once old and new in its own ways. What unfolds over the next few years is truly epic, constantly illuminating and surprising, sometimes comic, always entrancing, and ultimately all-too-human in its tragic grandeur. Christophe, as educated as any Frenchman could be about the “sauvages” of the New World whose souls he has sworn to save, begins his true enlightenment shortly after he sets out when his native guides—terrified by even a scent of the Iroquois—abandon him to save themselves. But a Huron warrior and elder named Bird soon takes him prisoner, along with a young Iroquois girl, Snow Falls, whose family he has just killed. The Huron-Iroquois rivalry, now growing vicious, courses through this novel, and these three are its principal characters. Christophe and Snow Falls are held captive in Bird’s massive village. Champlain’s Iron People have only lately begun trading with the Huron, who mistrust them as well as this Jesuit Crow who has now trespassed onto their land; and Snow Falls’s people, of course, have become the Hurons’ greatest enemy. Bird knows that to get rid of them both would resolve the issue, but he sees Christophe, however puzzling, as a potential envoy to those in New France, and Snow Falls as a replacement for the two daughters he’d lost to the Iroquois. These relationships wax and wane as life comes at them relentlessly: a lacrosse match with an allied tribe, a dangerous mission to trade furs with the French for the deadly shining wood that could save the Huron nation, shocking victories in combat and devastating defeats, then a sickness the likes of which none of them has ever seen. The world of *The Orenda* blossoms to include such unforgettable characters as Bird’s oldest friend, Fox; his lover, Gosling, who some believe possesses magical powers; two more Jesuit Crows who arrive to help form a mission; and boys from both tribes whose hearts veer wildly from one side to the other, for one reason or another. Watching over all of them are the spirits that guide their every move. *The Orenda* traces a story of blood and hope, suspicion and trust, hatred and love, that comes to a head when Jesuit and Huron join together against the stupendous wrath of the Iroquois, when everything that any of them has ever known or believed in faces nothing less than annihilation. A saga nearly four hundred years old, it is also timeless and eternal. This eBook edition includes a Reading Group Guide.

Go-Givers Sell More Bob Burg 2010-02-18 With their national bestseller *The Go-Giver*, Bob Burg and John David Mann took the business world by storm, showing that giving is the most fulfilling and effective path to success. That simple, profound story has inspired hundreds of thousands of readers around the world—but some have wondered how its lessons stand up to the tough challenges of everyday real-world business. Now Burg and Mann answer that question in *Go-Givers Sell More*, a practical guide that makes giving the cornerstone of a powerful and effective approach to selling. Most of us think of sales as convincing potential customers to do something they don't really want to. This mentality sets up an adversarial relationship and makes the sales process much harder than it has to be. As Burg and Mann demonstrate, it's far more productive (and satisfying) when salespeople think like Go-Givers. Cultivate a trusting relationship and focus exclusively on creating value for the other person, say the authors, and great results will follow automatically. Drawing on a wide range of examples of real-life salespeople who have prospered by giving more, Burg and Mann offer tips and strategies that anyone in sales can start applying right away.
