Human Sexuality in a World of Diversity Spencer A. Rathus 2014 Engaging students and cultivating understanding in a world of diversity. Human Sexuality in a World of Diversity, 9/e examines the rich diversity found in human sexuality. More significantly, the text places an emphasis on cultivating understanding in a world of increasing diversity through personal engagement. Students are encouraged to reflect upon their own beliefs and experiences throughout the text in order to foster a more personal and impactful learning experience. The text also helps students develop their own opinions by promoting critical thinking skills, personal sexual health awareness, and responsible decision-making. MyDevelopmentLab is an integral part of the Rathus / Nevid / Fichner-Rathus program. Key learning applications include Video Series for Human Sexuality, "My Life, My Sexuality," Assessment, and Personalized Study Plan. Teaching & Learning Experience Personalize Learning - MyDevelopmentLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Improve Critical Thinking - Critical Thinking boxes are integrated into the margins. Boxes ask students to delve deeper into the material and reconsider their own opinions and ideas. Engage Students - The newly updated "Real Students Real Questions" feature increases students' critical thinking skills by incorporating real questions from actual college students, as posed to instructors. Explore Research - Throughout the text, "A Closer Look" boxes provide in-depth discussions of scientific techniques and skill-building exercises such as "Breast Self-Examination," "Self-Examination of the Testes," and "What to Do If You Suspect You Have Contracted an STD." Understand Sexuality - Through new and updated features like "My Life, My Sexuality," and "A World of Diversity" the authors strengthen comprehension of the material while fostering greater reflection and understanding. Support Instructors - The 9th edition is accompanied by a rich instructor support package, including new video embedded PowerPoints, a heavily updated Instructor's Manual and Test Bank that are organized according to in-text Learning Objectives for ease of use, and MyDevelopmentLab with the new Human Sexuality Video Series. 0205989322 / 9780205989324 Human Sexuality in a World of Diversity (Case) Plus NEW MyPsychLab with eText -- Access Card Package Package consists of: 0205206514 / 9780205206513 NEW MyPsychLab with Pearson eText -- Valuepack Access Card 0205909469 / 9780205909469 Human Sexuality in a World of Diversity (case)

American Culture in the 1950s Martin Halliwell 2007-03-13 This book provides a stimulating account of the dominant cultural forms of 1950s America: fiction and poetry; theatre and performance; film and television; music and radio; and the visual arts. Through detailed commentary and focused case studies of influential texts and events - from Invisible Man to West Side Story, from Disneyland to the Seattle World's Fair, from Rear Window to The Americans - the book examines the way in which modernism and the cold war offer two frames of reference for understanding the trajectory of postwar culture. The two core aims of this volume are to chart the changing complexion of American culture in the years following World War II and to provide readers with a critical investigation of 'the 1950s'. The book provides an intellectual context for approaching 1950s American culture and considers the historical impact of the decade on recent social and cultural developments.

Visual Public Relations Simon Collister 2018-03-28 This book brings together a broad and diverse range of new and radical approaches to public relations focussing on the increasingly vital role that visual, sensory and physical elements factors play in shaping communication. Engaging with recent developments in critical and cultural theories, it outlines how non-textual and non-representational forces play a central role in the efficacy and reception of public relations. Challenging the dominant accounts of public relations which center on the purely representational uses of text and imagery, the book critiques the suitability of accepted definitions of the field and highlights future directions for conceptualizing strategic communication within a multi-sensory environment. Drawing on the work of global researchers in public relations, visual culture and communication, design and cultural theory, it brings a welcome inter-disciplinary approach which pushes the boundaries of public relations scholarship in a global cultural context. This exciting analysis will be of great interest to public relations scholars, advanced students of strategic communication, as well as communication researchers from cultural, media and critical studies exploring PR as a socio-cultural phenomenon.
