Big Woods May Cobb 2018-07-08 "Stephen King's Stand by Me collides with Gillian Flynn's Sharp Objects in this exceptional thriller. Gutsy, gripping—and pitch-perfect in its resurrection of an era long gone."—A. J. Finn, #1 New York Times bestselling author of *The Woman in the Window* When her sister disappears, the only clue Leah has is a cryptic message: Underground. By the Woods. It's 1989 in the sleepy town of Longview, Texas, when ten-year-old Lucy disappears. Her parents, the police, and the community all brace for the worst, assuming her body will soon be found in Big Woods. Just like the other unsolved kidnappings. But then Lucy's fourteen-year-old sister, Leah, starts having dreams about Lucy—dreams that reveal startling clues as to what happened. Leah begins her own investigation, and soon she meets a reclusive widow who may hold the key to finding Lucy...if only she can find the courage to come forward. Delving into the paranoia surrounding satanic cults in the 1980s, *Big Woods* is an emotionally wrought, propulsive thriller about the enormity of grief, the magical bond between sisters, and a small town's dark secrets. Praise: "Big Woods is perfectly timed to take advantage of the 1980s horror revival. Its historic details are excellent, down to the songs on Leah's car stereo. Cobb paints in Day-Glo and brings terrors of the night to life."—Foreword Magazine "Readers will be grabbed by *Big Woods* and sucked into the mysterious story. Hold on tight—it's worth it."—Criminal Element "Cobb's intense, heart-wrenching debut introduces a courageous, determined teen who must find her lost sister amid a disturbing atmosphere of paranoia and fear, crafting a compelling,

suspenseful story reminiscent of William Kent Krueger's Ordinary Grace."—Library Journal (starred review) "Big Woods is a nuanced family story and also a heart-stopping thriller with surprising twists. Cobb taps into the fabulous '80s sensibility of Stranger Things and also into our deepest fears about safety, evil, trust, and the power of faith in what we don't understand. I couldn't put it down."—Amanda Eyre Ward, author of The Nearness of You and The Same Sky "Compulsively readable."—Rosamund Lupton, New York Times bestselling author of Sister "Big Woods is brilliant! Cobb has crafted a haunting thriller that dives deep into grief, family connections, and the dreadful power of fear. The novel succeeds as a rich exploration of emotion and a not-so-distant time while also shining as a riveting page-turner."—Owen Egerton, author of Hollow and writer/director of horror-comedy Bloodfest "Big Woods is such a blast—a page-turning thriller with '80s hair, like a Texan Stranger Things."—Amy Gentry, author of Good as Gone "Literally the best thriller I've read in years. Intensely gripping, so evocative of the late '80s, and a brilliant, original storyline. It's blinding."—Clare Empson, author of Him

A Warning Anonymous 2019-11-19 An unprecedented behind-the-scenes portrait of the Trump presidency from the anonymous senior official whose first words of warning about the president rocked the nation's capital. On September 5, 2018, the New York Times published a bombshell essay and took the rare step of granting its writer anonymity. Described only as "a senior official in the Trump administration," the author provided eyewitness insight into White House chaos, administration instability, and the people working to keep Donald Trump's reckless impulses in check. With the 2020 election on the horizon, Anonymous is speaking out once again. In this book, the original author pulls back the curtain even further, offering a first-of-its-kind look at the president and his record -- a must-read before Election Day. It will surprise and challenge both Democrats and Republicans,

motivate them to consider how we judge our nation's leaders, and illuminate the consequences of re-electing a commander in chief unfit for the role. This book is a sobering assessment of the man in the Oval Office and a warning about something even more important -- who we are as a people.

But Not Forsaken B. J. Bourg 2018-11-05 No one knows why the district attorney is gunning for Susan Wilson, but Clint Wolf is determined to find out--even if it'll get him in trouble. The method of operation is eerily similar to those used by the ruthless gang who killed his family, and Clint might soon have to face down the demons from his past to solve the mystery. Will Clint walk that fine line between good and evil, or will he abandon his principles to settle an old score? Whatever choice he makes, one thing is certain...it'll come at a hefty price.

The Grace Year Kim Liggett 2019-10-08 The Instant New York Times Bestseller! Kim Liggett's *The Grace Year* is a speculative thriller in the vein of *The Handmaid's Tale* and *The Power*. Survive the year. No one speaks of the grace year. It's forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That's why they're banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney James dreams of a better life—a society that doesn't pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it's not just the brutal elements they must fear. It's not even the poachers in the woods, men who are waiting for a chance to grab one of the girls in order to make a fortune on the black market. Their greatest threat may very well be each other. With sharp prose and gritty realism, *The Grace Year* examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between. "A visceral, darkly haunting fever dream of a novel and

an absolute page-turner.” - Libba Bray, New York Times bestselling author

Sleeping Beauties Stephen King 2017-09-26 In this spectacular New York Times bestselling father/son collaboration that "barrels along like a freight train" (Publishers Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious "Eve Black," is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their

increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman's prison, *Sleeping Beauties* is a wildly provocative, gloriously dramatic father-son collaboration that feels particularly urgent and relevant today.

In a centuries-old forest under a full moon, a beast assaults Zach, cursing him forever. In the aftermath, he is transformed into something horrible—something deadly. Now, the good cop has innocent blood on his hands. He has killed—and will kill again—in the form of a beast who can't be controlled or stopped. The Slow Burn of Silence Loreth Anne White 2014 Newly exonerated ex-con Jeb Cullen is determined to prove his innocence to his former neighbors and win back the heart of Rachel Salonen, the only woman he's ever loved. Nine years after her testimony helped put Jeb behind bars, Rachel's life is finally getting back to normal. But it's turned upside down by the sudden death of her sister and her new responsibility for her sister's

adopted daughter, Quinn. Now Jeb is back in his hometown, and he's willing to risk everything to discover who was really responsible for the crime he was accused of. Kiss of the Highlander Karen Marie Moning 2008-05-20 A laird trapped between centuries... Enchanted by a powerful spell, Highland laird Drustan MacKeltar slumbered for nearly five centuries hidden deep in a cave, until an unlikely savior awakened him. The enticing lass who dressed and spoke like no woman he'd ever known was from his distant future, where crumbled ruins were all that remained of his vanished world. Drustan knew he had to return to his own century if he was to save his people from a terrible fate. And he needed the bewitching woman by his side.... A woman changed forever in his arms... Gwen Cassidy had come to Scotland to shake up her humdrum life and, just maybe, meet a man. How could she have known that a tumble down a Highland ravine would send her plunging into an underground cavern — to land atop the most devastatingly seductive man she'd ever seen? Or that once he'd kissed her, he wouldn't let her go? Bound to Drustan by a passion stronger than time, Gwen is swept back to sixteenth-century Scotland, where a treacherous enemy plots against them ... and where a warrior with the power to change history will defy time itself for the woman he loves....

But Not For Lust Bj Bourg 2021-05-05 In Mechant Loup, Louisiana, a woman is dead and her son is missing. Clint Wolf's first order of business is to figure out if the death was an accident or a homicide, but evidence is lacking and a motive is non-existent. A fingerprint recovered from the scene could provide some answers, but finding the matching individual proves to be a challenge. When the missing son is finally found, Clint is left with more questions than answers. Will he put the pieces of this

investigative puzzle together, or will the case remain unsolved? Only time will tell.
