KS2/KS3 Extension Activity Book Ages 9-14 - 255 Word Puzzles, Math Problems, Maze Challenges and More for Key Stage Two and Three Learning Brain Trainer 2020-08-27 255 Puzzles For Key Stage Two & Three Learning □□□□ This Book Contains: □ English 30 x Word Search 30 x Word Hunt 30 x Target Puzzles 10 x Complex Sentence Cryptograms The puzzles inside include vocabulary found in the UK National Curriculum for Key Stages Two & Three. The English puzzles selected are designed to assist in the skill development of writing, spelling, vocabulary, memory & logical reasoning. □ Maths 15 x Easy Fruit Math Puzzles 15 x Medium Fruit Math Puzzles 15 x Hard Fruit Math Puzzles These 45 math logic puzzles will engage and stimulate your child's problem solving ability through addition, subtraction and multiplication of healthy foods. □ □ □ □ □ In early childhood education it has been demonstrated that a correlation exists between the level of a child's mathematical ability and their future academic success. The reverse of this relationship has also been observed, where children who are behind the mathematical skills of their peers, continue to fall behind in future studies (Pelkowski, et al. 2019). Furthermore, it is well established in literature that the more maths learning opportunities a child is exposed to, the more growth they will experience in math knowledge (Piasta, et al. 2015). □ Logic 20 x Pattern Recognition Problems 30 x Sudoku Puzzles 30 x 2D Mazes 30 x 3D Mazes In today's 'Age of Information', it is of great importance to equip students with critical thinking, and logical reasoning skills to effectively decipher and make meaning from large amounts of information (Fitzgerald, 2005). Logical reasoning assists in construction of concepts and knowledge in the learning process (Ongcoy, 2016). This book includes logic puzzles to promote the cognitive development and logical reasoning to improve their academic performance in high school, and beyond (Bouhnik, Giat, 2009)! Shayer and Adey (1993) found that at the completion of a 2-year science program designed to promote formal operational thinking, improvements were seen in maths, english and science results in the British National Examinations. This book is designed to provide a learning opportunity to foster the curiosity and confidence of children aged 9 - 14 and set them well on the path to academic success. □ □

*Higher Is Waiting* Tyler Perry 2017-11-14 In this intimate book of inspiration, Tyler Perry writes of how his faith has sustained him in hard times, centered him in good times, and enriched his life. Higher Is Waiting is a spiritual guidebook, a collection of teachings culled from the experiences of a lifetime, meant to inspire readers to climb higher in their own lives and pull themselves up to a better, more fulfilling place. Beginning with his earliest memories of growing up a shy boy in New Orleans, Perry recalls the moments of grace and beauty in a childhood marked by brutality, deprivation, and fear. With tenderness he sketches portraits of the people who sustained him and taught him indelible lessons about integrity, trust in God, and the power of forgiveness: his aunt Mae, who cared for her grandfather, who was born a slave, and sewed quilts that told a story of generations; Mr. Butler, a blind man of remarkable dignity and elegance, who sold penny candies on a street corner; and his beloved mother, Maxine, who endured abuse, financial hardship, and the daily injustices of growing up in the Jim Crow South yet whose fierce love for her son burned bright and never dimmed. Perry writes of how he nurtured his dreams and discovered solace in nature, and of his resolute determination to reach ever higher. Perry vividly and movingly describes his growing awareness of God's presence in his life, how he learned to tune in to His voice, to persevere through hard times, and to choose faith over fear. Here he is: the devoted son, the loving father, the steadfast friend, the naturalist, the philanthropist, the creative spirit—a man whose life lessons and insights into scripture are a gift offered with generosity, humility, and love.
