Sexy, charming, and just a little bit dirty, he's slowly wearing me down, making me crave more. He could be mine if I dare to claim him. Problem is, the world thinks he's theirs. How do you keep an idol when everyone is intent on taking him away? Killian As lead singer for the biggest rock band in the world, I lived a life of dreams. It all fell apart with one fateful decision. Now everything is in shambles. Until Liberty. She's grouchy, a recluse —and kind of cute. Scratch that. When I get my hands on her, she is scorching hot and more addictive than all the fans who've screamed my name. The world is clamoring for me to get back on stage, but I'm not willing to leave her. I've got to find a way to coax the hermit from her shell and keep her with me. Because, with Libby, everything has changed. Everything.
