**The Marriage Plot** Jeffrey Eugenides 2011-10-11 A New York Times Notable Book of 2011 A Publisher's Weekly Top 10 Book of 2011 A Kirkus Reviews Top 25 Best Fiction of 2011 Title One of Library Journal's Best Books of 2011 A Salon Best Fiction of 2011 title One of The Telegraph's Best Fiction Books of the Year 2011 It's the early 1980s—the country is in a deep recession, and life after college is harder than ever. In the cafés on College Hill, the wisened-up kids are inhaling Derrida and listening to Talking Heads. But Madeleine Hanna, dutiful English major, is writing her senior thesis on Jane Austen and George Eliot, purveyors of the marriage plot that lies at the heart of the greatest English novels. As Madeleine tries to understand why "it became laughable to read writers like Cheever and Updike, who wrote about the suburbia Madeleine and most of her friends had grown up in, in favor of reading the Marquis de Sade, who wrote about deflowering virgins in eighteenth-century France," real life, in the form of two very different guys, intervenes. Leonard Bankhead—charismatic loner, college Darwinist, and lost Portland boy—suddenly turns up in a semiotics seminar, and soon Madeleine finds herself in a highly charged erotic and intellectual relationship with him. At the same time, her old "friend" Mitchell Grammaticus—who's been reading Christian mysticism and generally acting strange—resurfaces, obsessed with the idea that Madeleine is destined to be his mate. Over the next year, as the members of the triangle in this amazing, spellbinding novel graduate from college and enter the real world, events force them to reevaluate everything they learned in school. Leonard and Madeleine move to a biology Laboratory on Cape

Cod, but can't escape the secret responsible for Leonard's seemingly inexhaustible energy and plunging moods. And Mitchell, traveling around the world to get Madeleine out of his mind, finds himself face-to-face with ultimate questions about the meaning of life, the existence of God, and the true nature of love. Are the great love stories of the nineteenth century dead? Or can there be a new story, written for today and alive to the realities of feminism, sexual freedom, prenups, and divorce? With devastating wit and an abiding understanding of and affection for his characters, Jeffrey Eugenides revives the motivating energies of the Novel, while creating a story so contemporary and fresh that it reads like the intimate journal of our own lives.

**Subtle Bodies** Norman Rush 2014-06-03 **\*\*A NEW YORK TIMES NOTABLE BOOK\*\*** In a sophisticated romp through the tribulations and joys of marriage and friendship, a group of college friends reunites two decades after graduation. After the sudden death of Douglas, once the ringleader of a clique of self-styled wits, his four best friends are summoned to his Catskills estate to mourn his passing. Responding to a mysterious sense of emergency in the call, Ned flies in from San Francisco with his wife Nina in furious pursuit; they're at a critical point in their attempts to conceive and she won't let a funeral get in the way. It is Nina who gives us a pointed, irreverent commentary as the men reconvene, while Ned tries to understand what it was that made this clutch of souls his friends to begin with—before time, sex, work, and the brutal quirks of history reshaped them. Filled with unexpected, funny, telling aperçus, Norman Rush's *Subtle Bodies* is also a deeply moving exploration of the meanings of life.

Mrs. Engels Gavin McCrea 2015-10-13 One of Amazon's Top Twenty Books of 2015 • Selected as both a Publishers Weekly and Kirkus Reviews Best Fiction of 2015 • Longlisted for The Guardian 2015 First Novel Award "The illiterate lover and eventual wife of a coauthor of *The Communist*

Manifesto is the star of this enthralling work of historical fiction." —O: The Oprah Magazine "Lizzie has been brought to life with exuberant force." —The New York Times "Impressive. . . . A memorable portrait of a woman looking for a cause of her own, distinct from the one made famous by her husband." —The Wall Street Journal "Lizzie is as spirited a narrator as a reader could hope to encounter." —The Minneapolis Star Tribune Very little is known about Lizzie Burns, the illiterate Irishwoman and longtime lover of Frederick Engels, coauthor of The Communist Manifesto. In Gavin McCrea's debut novel, Lizzie is finally given a voice that won't be forgotten. Lizzie is a poor worker in the Manchester, England, mill that Frederick owns. When they move to London to be closer to Karl Marx and family, she must learn to navigate the complex landscapes of Victorian society. We are privy to Lizzie's intimate, wry views on Marx and Engels's mission to spur revolution among the working classes, and to her ambivalence toward her newly circumstances. Yet despite their profound differences, Lizzie and Frederick are drawn together in this high-spirited love story.

The Dog of the North Elizabeth McKenzie 2023-03-14 From the National Book Award-longlisted author of The Portable Veblen \*One of Kirkus's Top 10 Novels for 2023\* Penny Rush has problems. Her marriage is over; she's quit her job. Her mother and stepfather went missing in the Australian outback five years ago; her mentally unbalanced father provokes her; her grandmother Dr. Pincer keeps experiments in the refrigerator and something worse in the woodshed. But Penny is a virtuoso at what's possible when all else fails. Elizabeth McKenzie, beloved novelist of California and its idiosyncrasies, follows Penny on her quest for a fresh start. There will be a road trip in the Dog of the North, an old van with gingham curtains, a piñata, and stiff brakes. There will be injury and peril. There will be a dog named Kweecoats and two brothers who may share a toupee. There will be

questions: Why is a detective investigating her grandmother, and what is “the scintillator”? And can Penny recognize a good thing when it finally comes her way? This slyly humorous, thoroughly winsome novel finds the purpose in life’s curveballs, insisting that even when we are painfully warped by those we love most, we can be brought closer to our truest selves.

**The Lay of the Land** Richard Ford 2011-01-14 With *The Sportswriter*, in 1985, Richard Ford began a cycle of novels that ten years later – after *Independence Day* won both the Pulitzer Prize and the PEN/Faulkner Award – was hailed by *The Times of London* as “an extraordinary epic [that] is nothing less than the story of the twentieth century itself.” *Frank Bascombe’s* story resumes, in the fall of 2000, with the presidential election still hanging in the balance and Thanksgiving looming before him with all the perils of a post-nuclear family get-together. He’s now plying his trade as a realtor on the Jersey shore and contending with health, marital and familial issues that have his full attention: “all the ways that life seems like life at age fifty-five strewn around me like poppies.” Richard Ford’s first novel in over a decade: the funniest, most engaging (and explosive) book he’s written, and a major literary event.

*The Bippolo Seed and Other Lost Stories* Dr. Seuss 2013-10-22 What’s better than a lost treasure? Seven lost treasures! These rarely seen Dr. Seuss stories were published in magazines in the early 1950s and are finally available in book form. They include “*The Bippolo Seed*” (in which a scheming feline leads a duck toward a bad decision), “*The Rabbit, the Bear, and the Zinniga-Zanniga*” (about a rabbit who is saved from a bear by a single eyelash), “*Gustav, the Goldfish*” (an early rhymed version of the *Beginner Book A Fish Out of Water*), “*Tadd and Todd*” (about a twin who is striving to be an individual), “*Steak for Supper*” (in which fantastic creatures follow a boy home in anticipation of a steak dinner), “*The Strange Shirt Spot*” (the inspiration for the bathtub-ring scene in *The Cat in the*

Hat Comes Back), and “The Great Henry McBride” (about a boy whose far-flung career fantasies are bested only by those of Dr. Seuss himself). An introduction by Seuss scholar Charles D. Cohen traces the history of the stories, which demonstrate an intentional move toward the writing style we now associate with Dr. Seuss. Cohen also explores the themes that recur in well-known Seuss stories (like the importance of the imagination or the perils of greed). With a color palette enhanced beyond the limitations of the original magazines, this is a collection that no Seuss fan (whether scholar or second grader) will want to miss.

I Am God Giacomo Sartori 2019-02-05 Diabolically funny and subversively philosophical, Italian novelist Giacomo Sartori’s *I Am God* is the diary of the Almighty’s existential crisis that erupts when he falls in love with a human. I am God. Have been forever, will be forever. Forever, mind you, with the razor-sharp glint of a diamond, and without any counterpart in the languages of men. So begins God’s diary of the existential crisis that ensues when, inexplicably, he falls in love with a human. And not just any human, but a geneticist and fanatical atheist who’s certain she can improve upon the magnificent creation she doesn’t even give him the credit for. It’s frustrating, for a god. God has infinitely bigger things to occupy his celestial attentions. Yet he can’t tear his eyes (so to speak) from the geneticist who’s unsettlingly avid when it comes to science, sex, and Sicilian cannoli. Whatever happens, he must safeguard his transcendental dignity. So he watches—disinterestedly, of course—as the handsome climatologist who has his sights set on her keeps having strange accidents. And as the lanky geneticist becomes hell-bent on infiltrating the Vatican’s secret files, for reasons of her own.... A sly critique of the hypocrisy and hubris that underlie faith in religion, science, and macho careerism, *I Am God* takes us on a hilarious and provocative romp through the Big Questions with the universe’s supreme storyteller.

**The Portable Veblen** Elizabeth McKenzie 2016 A young couple on the brink of marriage--the charming Veblen and her fiancé Paul, a brilliant neurologist--find their engagement in danger of collapse. Along the way they weather everything from each other's dysfunctional families, to the attentions of a seductive pharmaceutical heiress, to an intimate tête-à-tête with a very charismatic squirrel. Veblen (named after the iconoclastic economist Thorstein Veblen, who coined the term "conspicuous consumption") is one of the most refreshing heroines in recent fiction. Not quite liberated from the burdens of her hypochondriac, narcissistic mother and her institutionalized father, Veblen is an amateur translator and "freelance self"; in other words, she's adrift. Meanwhile, Paul--the product of good hippies who were bad parents--finds his ambition soaring. His medical research has led to the development of a device to help minimize battlefield brain trauma--an invention that gets him swept up in a high-stakes deal with the Department of Defense, a Bizarro World that McKenzie satirizes with granular specificity.

**COOLEST AMERICAN STORIES 2022** Mark Wish 2022-01-10 America's most talented storytellers share their most courageous, compelling, unputdownable work in a collection made for story lovers. Praised early on by Billy Lynn's Long Halftime Walk author Ben Fountain and The Weight of Blood author Laura McHugh, COOLEST AMERICAN STORIES is a new annual short story anthology whose guiding philosophy is that a collection of interesting "full meal" short stories could, as one @JustCoolStories Twitter follower put it, "make America cool again." Toward this end, COOLEST AMERICAN STORIES 2022 features a previously unpublished story by the multi-major-book-award-winning author of Blacktop Wasteland S. A. Cosby; the timeless, previously unpublished short story that led Tina Brown to sign Frances Park's When My Sister Was Cleopatra Moon; and Pulitzer Prize

finalist Lee Martin's heartfelt rendering of married life that apparently was too startling for the editors of several university-affiliated literary magazines. And since interesting storytelling—rather than a list of publishing credits—matters most to story-hungry readers, COOLEST AMERICAN STORIES 2022 also includes a page-turner about dating in Hollywood written by MFA student Megan Ritchie; Brooklyn native D.Z. Stone's very first published fiction, a hilarious love story that celebrates the power of women; a heartbreaking account of adult siblinghood authored by David Ebenbach—among others in this treasure trove of unputdownable, sharply written, sometimes comic, sometimes frightening, always suspenseful stories loaded with twists and turns. "Coolest American Stories 2022 is a helluva lot of fun. These stories bump and brim with rambunctious energy and show that the American short story is alive and well. Many thanks to Mark Wish and Elizabeth Coffey for this breath—or let's call it a gale—of fresh literary air." --Ben Fountain, winner of the PEN/Hemingway Award and the National Book Critics' Circle Award, author of Billy Lynn's Long Halftime Walk "Extraordinarily rich storytelling from fresh, vibrant voices—Coolest American Stories promises to be an annual force." --Laura McHugh, internationally bestselling author of The Weight of Blood and What's Done in Darkness "Love short stories? This collection is for you. Not yet sure how to feel about short stories? This collection is definitely for you. Whoever you are, wherever you are: read these stories!" --Lori Ostlund, Flannery O'Connor Award winner and author of After the Parade and The Bigness of the World

**Stop That Girl** Elizabeth McKenzie 2007-12-18 From the start of Elizabeth McKenzie's beguiling fiction debut, we are drawn into the offbeat worldview of sharp-eyed, intrepid Ann Ransom. Stop That Girl chronicles Ann's colorful coming-of-age travails, from her childhood in a disjointed family through her tender adolescence and beyond. Along the way, she discovers the absurdities that lurk

around every corner of a young woman's life, by way of oafish neighbors, overzealous boyfriends, prurient vegetable salesmen, sour landlords, and an iconoclast grandmother, known even to her family as Dr. Frost. Keenly funny and highly original, *Stop That Girl* is a brilliant examination of the exigencies of love and the fragile fabric of family, and heralds the emergence of a remarkable new voice in fiction.

**How to Be Human** Paula Coccozza 2017-05-09 From Guardian writer Paula Coccozza, a debut novel of the breakdown of a marriage, suburban claustrophobia, and a woman's unseemly passion for a fox One summer's night, Mary comes home from a midnight ramble to find a baby lying on her back door step. Has Mary stolen the baby from next door? Has the baby's mother, Mary's neighbor, left her there in her acute state of post-natal depression? Or was the baby brought to Mary as a gift by the fox who is increasingly coming to dominate her life? So opens *How to Be Human*, a novel set in a London suburb beset by urban foxes. On leave from work, unsettled by the proximity of her ex, and struggling with her hostile neighbors, Mary has become increasingly captivated by a magnificent fox who is always in her garden. First she sees him wink at her, then he brings her presents, and finally she invites him into her house. As the boundaries between the domestic and the wild blur, and the neighbors set out to exterminate the fox, it is unclear if Mary will save the fox, or the fox save Mary. In this masterful debut, Paula Coccozza weaves together a penetrating portrait of marital breakdown, a social novel of wit and nuance, and an obsessive love story that crosses new boundaries.

*A Veblen Treasury: From Leisure Class to War, Peace and Capitalism* Rick Tilman 2015-04-29 First Published in 2015. Thorstein Veblen (1857-1929) was a contemporary of John Dewey and C.S. Peirce and ranks as one of the seminal minds of his generation of American thinkers in economics and sociology. He was a caustic critic of American business culture and his prose being peppered with

Latin vocabulary might have made his ideas difficult to comprehend to the layperson. This collection of his writings looks at Veblen's works, main concepts and enables the reader to sample the broad spectrum of his thought and to reach his or her own conclusions regarding its present relevance.

*My Riviera* Sharon Dilworth 2018 "Suddenly exiled from Paris by her father, fifteen-year-old Agnes finds herself living in the south of France with her sister Sophie, her ailing grandfather and two servants in the family's long-neglected summer villa. Without any friends, they begin exploring the Riviera as a means of distracting themselves from the mysterious scandal that has sent their family south. It is against the postwar backdrop of the C te d'Azur where they meet Jules Agard, a self-described man of leisure who takes them under his wing, acting as their tour guide, confidant, and chauffeur. While obligingly showing them a bit of jet-set glamour, Jules shares his two burning passions with Agnes: the brilliant artist Henri Matisse, who is completing his chapel at Vence, and Fausto Coppi, the great Italian cyclist who is the only man to have won both the Tour de France and Giro de Lombardia in the same year. It is a confusing place for Agnes to come of age: the beauty of the ocean and the clarity of the light are no match for the opaque intrigues that swirl around her life. By the time the summer has ended, she has learned that deceit can be as consuming as love, and

while beauty might remain constant, this Riviera is a place where people come to reinvent themselves, regardless of the consequences."--

**Nicotine** Nell Zink 2016-10-04 One of Huffington Post's 20 Fall 2016 Books You'll Need for Your Bookshelf Featured in New York Magazine's Fall 2016 Preview An Entertainment Weekly Fall 2016 Must-Read Featured in LitHub's 2016 Bookseller's Fall Preview Featured in The Guardian's Fall 2016 Books Preview: The Best American Writing From the "wonderfully talented" (Dwight Garner, New York Times) author of *Mislaid* and *The Wallcreeper* comes a fierce and audaciously funny new novel, dazzling in its energy and ambition: a story of obsession, idealism, and ownership, centered around a young woman who inherits her bohemian father's childhood home. Recent business school graduate Penny Baker has rebelled against her family her whole life-by being the conventional one. Her mother, Amalia, was a member of an Amazonian tribe called the Kogi; her much older father, Norm, long ago attained cult-like deity status among a certain group of aging hippies while operating a 'healing center' in New Jersey. And she's never felt particularly close to her much-older half-brothers from Norm's previous marriage-one wickedly charming and obscenely rich (but mostly just wicked), one a photographer on a distant tropical island. But all that changes when her father dies, and Penny inherits his childhood home in New Jersey. She goes to investigate the property and finds it not overgrown and abandoned, but rather occupied by a group of friendly anarchist squatters

whom she finds unexpectedly charming, and who have renamed the property Nicotine House. The residents of Nicotine House (defenders of smokers' rights) possess the type of passion and fervor Penny feels she's desperately lacking, and the other squatter houses in the neighborhood provide a sense of community Penny's never felt before, and she soon moves into a nearby residence, becoming enmeshed in the political fervor and commitment of her fellow squatters. As the Baker family's lives begin to converge around the fate of the Nicotine House, Penny grows ever bolder and more desperate to protect it-and its residents-until a fateful night when a reckless confrontation between her old family and her new one changes everything.

*The Portable Veblen* Elizabeth McKenzie 2016-01-19 Longlisted for the 2016 National Book Award for Fiction Finalist for the Baileys Prize for Women's Fiction An exuberant, one-of-a-kind novel about love and family, war and nature, new money and old values by a brilliant New Yorker contributor The Portable Veblen is a dazzlingly original novel that's as big-hearted as it is laugh-out-loud funny. Set in and around Palo Alto, amid the culture clash of new money and old (antiestablishment) values, and with the specter of our current wars looming across its pages, *The Portable Veblen* is an unforgettable look at the way we live now. A young couple on the brink of marriage—the charming Veblen and her fiancé Paul, a brilliant neurologist—find their engagement in danger of collapse. As Paul is swept up by the promise of fame and fortune, Veblen heroically keeps the peace between all the damaged parties involved in their upcoming wedding, until she finds herself falling for someone—or something—else. Throughout, Elizabeth McKenzie asks: Where do our families end and we begin? How do we stay true to our ideals? And what is that squirrel really thinking? Replete with deadpan photos and sly appendices, *The Portable Veblen* is at once an honest inquiry into what we look for in love and an electrifying reading experience.

**The Emperor of Water Clocks** Yusef Komunyakaa 2016-10-04 The wildly enchanting new

collection from the Pulitzer Prize-winning poet Yusef Komunyakaa "If I am not Ulysses, I am / his dear, ruthless half brother." So announces Yusef Komunyakaa early in his lush new collection, *The Emperor of Water Clocks*. And Ulysses (or his half brother) is but one of the characters Komunyakaa conjures over the course of this densely lyrical book. Here his speaker observes a doomed court jester; here another recalls Napoleon as the emperor "tells the doctor to cut out his heart / & send it to the empress, Marie-Louise"; and here he is just a man, reflecting on why he'd "rather die a poet / than a warrior." Through these mutations and migrations and permutations and peregrinations, there are constants: Komunyakaa's jazz-inflected rhythms, his effortlessly surreal images, his celebration of natural beauty and of love. There is also his insistent inquiry into the structures and struggles of power: not only, say, of king against jester but of man against his own desire, and of the present against the pernicious influence of the past. Another brilliant collection from the man David Wojahn has called one of our "most significant and individual voices," *The Emperor of Water Clocks* delights, challenges, and satisfies.

*That Old Cape Magic* Richard Russo 2009-08-04 The Pulitzer Prize-winning author of *Empire Falls* delivers his most intimate novel yet: "An astute portrait of a 30-year marriage, in all its promise and pain.... His honest, heartfelt storytelling—like a cooling breeze off a certain New England shoreline—has never felt fresher" (People). For Griffin, all paths, all memories, converge at Cape Cod. The Cape is where he took his childhood summer vacations, where he and his wife, Joy, honeymooned, where they decided he'd leave his LA screenwriting job to become a college professor, and where they celebrated the marriage of their daughter Laura's best friend. But when their beloved Laura's wedding takes place a year later, Griffin is caught between chauffeuring his mother's and father's ashes in two urns and contending with Joy and her large, unruly family. Both he and she have also brought dates along. How in the world could this have happened? By turns hilarious, rueful, and uplifting, *That Old Cape Magic* is a profoundly involving novel about marriage, family, and all the other ties that bind. Look for Richard Russo's new book, *Somebody's Fool*, coming

soon.

The Removes Tatjana Soli 2018-06-12 As the first wave of pioneers travel westward to settle the American frontier, two women discover their inner strength when their lives are irrevocably changed by the hardship of the wild west in *The Removes*, a historical novel from New York Times bestselling and award-winning author Tatjana Soli. Spanning the years of the first great settlement of the West, *The Removes* tells the intertwining stories of fifteen-year-old Anne Cummins, frontierswoman Libbie Custer, and Libbie's husband, the Civil War hero George Armstrong Custer. When Anne survives a surprise attack on her family's homestead, she is thrust into a difficult life she never anticipated—living among the Cheyenne as both a captive and, eventually, a member of the tribe. Libbie, too, is thrown into a brutal, unexpected life when she marries Custer. They move to the territories with the U.S. Army, where Libbie is challenged daily and her worldview expanded: the pampered daughter of a small-town judge, she transforms into a daring camp follower. But when what Anne and Libbie have come to know—self-reliance, freedom, danger—is suddenly altered through tragedy and loss, they realize how indelibly shaped they are by life on the treacherous, extraordinary American plains. With taut, suspenseful writing, Tatjana Soli tells the exhilarating stories of Libbie and Anne, who have grown like weeds into women unwilling to be restrained by the strictures governing nineteenth-century society. *The Removes* is a powerful, transporting novel about the addictive intensity and freedom of the American frontier.
