*Infinite Ground* Martin MacInnes 2017 Originally published: United Kingdom: Atlantic Books, 2016.

**The Unfortunates** B S Johnson 2023-06-29 A sports journalist, sent to a Midlands town on a weekly assignment, finds himself confronted by ghosts from the past when he disembarks at the railway station. Memories of one of his best, most trusted friends, a tragically young victim of cancer, begin to flood through his mind as he attempts to go about the routine business of reporting a football match. B S Johnson's famous 'book in a box', in which the chapters are presented unbound, to be read in any order the reader chooses, is one of the key works of a novelist now undergoing an enormous revival of interest. *The Unfortunates* is a book of passionate honesty and dark, courageous humour: a meditation on death and a celebration of friendship which also offers a remarkably frank self-portrait of its author.

**Narrative Fiction** Shlomith Rimmon-Kenan 2003-12-16 What is a narrative? What is narrative fiction? How does it differ from other kinds of narrative? What features turn a discourse into a narrative text? Now widely acknowledged as one of the most significant volumes in its field, *Narrative Fiction* turns its attention to these and other questions. In contrast to many other studies, *Narrative Fiction* is organized around issues - such as events, time, focalization, characterization, narration, the text and its reading - rather than individual theorists or approaches. Within this structure, Shlomith Rimmon-Kenan addresses key approaches to narrative fiction, including New Criticism, formalism, structuralism and phenomenology, but also offers views of the modifications to these theories. While presenting an analysis of the system governing all fictional narratives, whether in the form of novel, short story or narrative poem, she also suggests how individual narratives can be studied against the background of this general system. A broad range of literary examples illustrate key aspects of the study. This edition is brought fully up-to-date with an invaluable new chapter, reflecting on recent developments in narratology. Readers are also directed to key recent works in the field. These additions to a classic text ensure that *Narrative Fiction* will remain the ideal starting point for anyone new to narrative theory.

**Modular Narratives in Contemporary Cinema** A. Cameron 2008-07-11 Since the early 1990s there has been a trend towards narrative complexity within popular cinema. This book examines a number of contemporary films that play overtly with narrative structure, raising questions of chance and destiny, memory and history, simultaneity and the representation of time.

**The Erasers** Alain Robbe-Grillet 1968 Alain Robbe-Grillet is internationally hailed as the chief spokesman for the nouveau roman and one of the great novelists of the twentieth century. *The Erasers*, his first novel, reads like a detective story but is primarily concerned with weaving and then probing a complete mixture of fact and fantasy. The narrative spans the twenty-four-hour period following a series of eight murders in eight days, presumably the work of a terrorist group. After the ninth murder, the investigation is turned over to a police agent, who may in fact be the assassin. Both an engrossing mystery and a sinister deconstruction of reality, *The Erasers* intrigues and unnerves with equal force as it pulls us along to its ominous conclusion.

*The Experimental Arabic Novel* Stefan G. Meyer 2001-01-01 Traces the development of the modern Arabic novel from the 1960s to the present.

**The Voyeur** Alain Robbe-Grillet 2015-06-23 The winner of the Prix des Critiques from the French avant-garde author of *Jealousy*. "Robbe-Grillet is the forerunner of a revolution in the novel" (Claude Mauriac, cultural critic for *Le Figaro*). Mathias, a timorous, ineffectual traveling salesman, returns to the island of his birth after a long absence. Two days later, a thirteen-year-old girl is found drowned and mutilated. With eerie precision, Robbe-Grillet puts us at the scene of the crime and takes us inside Mathias's mind, artfully enlisting us as detective hot on the trail of a homicidal

maniac. A triumphant display of the techniques of the "new novel," *The Voyeur* achieves the impossible feat of keeping us utterly engrossed in the mystery of the child's murder while systematically raising doubts about whether it really occurred. "The suspense . . . keeps us on tenterhooks." —The New York Times Book Review "I can think of no other writer who can render the banal so fearfully fantastic. In the subtlest, slyest, and most sheerly delightful way he persuades us to look anew at the commonplace." —Books and Bookmen Praise for Alain Robbe-Grillet "Robbe-Grillet's theories constitute the most ambitious aesthetic program since Surrealism." —John Updike, Pulitzer Prize-winner "Robbe-Grillet is important because he has attacked the last bastion of the traditional art of writing: the organization of literary space." —Roland Barthes, influential literary theorist "Robbe-Grillet was a master at conveying human misunderstanding." —Bernard-Henri Lévy, public intellectual, author, and filmmaker "I doubt that fiction as art can any longer be seriously discussed without Robbe-Grillet." —The New York Times

**Repetition** Alain Robbe-Grillet 2007-12-01 From the French master of the avant-garde: "A spy tale whose prime puzzle lies in the philosophical intricacies of its own construction" (Entertainment Weekly). We are in the bombed-out Berlin of 1949, after the Second World War, rendered with an atmosphere reminiscent of Orson Welles' *The Third Man*. Henri Robin, a special agent of the French secret service, arrives in the ruined former capital to which he feels linked by a vague but recurrent childhood memory. But the real purpose of his mission has not been revealed to him, for his superiors have decided to afford him only as much information as is indispensable for the action expected of his blind loyalty. But nothing is what it seems, and matters do not turn out as anticipated . . . "Exhibits a sensibility as nervous and contemporary—not to mention witty—as that of any novelist working today." —The Los Angeles Times "Mirrors, doubles, double agents, repetitions, trompe l'oeil war paintings, dream sequences, sexual torture, a criminal mafia of postwar Nazis and murky memories add to the disquieting, disorienting literary puzzle." —San Francisco Chronicle "A Gothic masterpiece . . . Repetition is fearfest like no other, and a rewarding text that demands to be reread again and again. The master hasn't lost his touch." —The Avon Grove Sun

*The Dismemberment of Orpheus* Ihab Hassan 1982 In this book, the first edition of which was published in 1971 by Oxford University Press, Ihab Hassan takes Orphic dismemberment and regeneration as his metaphor for a radical crisis in art and language, culture and consciousness, which prefigures postmodern literature. The modern Orpheus, he writes, "sings on a lyre without strings." Thus, his sensitive critique traces a hypothetical line from Sade through four modern authors—Hemingway, Kafka, Genet, and Beckett—to a literature still to come. But the line also breaks into two Interludes, one concerning 'Pataphysics, Dada, and Surrealism, and the other concerning Existentialism and Aliterature. Combining literary history, brief biography, and critical analysis, Hassan surrounds these authors with a complement of avant-garde writers whose works also foreshadow the postmodern temper. These include Jarry, Apollinaire, Tzara, Breton, Sartre, Camus, Nathalie Sarraute, Robbe-Grillet, and in America, Cage, Salinger, Ginsberg, Barth, and Burroughs. Hassan takes account also of related contemporary developments in art, music, and philosophy, and of many works of literary theory and criticism. For this new edition, Hassan has added a new preface and postface on the developing character of postmodernism, a concept which has gained currency since the first edition of this work, and which he himself has done much to theorize.

Cinema: The time-image Gilles Deleuze 1986 Discusses the theoretical implications of the cinematographic image based on Henri Bergson's theories

**Polysexuality** Francois Peraldi 1981 Mixing documents, interviews, fiction, theory, poetry, psychiatry and anthropology, "Polysexuality" became the encyclopedia sexualis of a continent that is still emerging. Originally conceived as a special Semiotext(e) issue on homosexuality at the end of the 70s, "Polysexuality" quickly evolved into a more complex and iconoclastic project whose intent was to do away with recognized genders altogether, considered far too limitative. The project landed somewhere between humor, anarchy, science-fiction, utopia and apocalypse. In the few years that it took to put it together, it also evolved from a joyous schizo concept to a darker, neo-Lacanian elaboration on the impossibility of sexuality. The tension between the two, occasionally perceptible,

is the theoretical subtext of the issue. Upping the ante on gender distinctions, "Polysexuality" started by blowing wide open all sexual classifications, inventing unheard-of categories, regrouping singular features into often original configurations, like Corporate Sex, Alimentary Sex, Soft or Violent Sex, Discursive Sex, Self-Sex, Animal Sex, Child Sex, Morbid Sex, or Sex of the Gaze. Mixing documents, interviews, fiction, theory, poetry, psychiatry and anthropology, "Polysexuality" became the encyclopedia sexualis of a continent that is still emerging. What it displayed in all its forms could be called, broadly speaking, the Sexuality of Capital. (Actually the issue being rather hot, it was decided to cool it off somewhat by only using "capitals" throughout the issue. It was also the first issue for which we used the computer). The "Polysexuality" issue was attacked in Congress for its alleged advocacy of animal sex. Includes work by Alain Robbe-Grillet, Félix Guattari, Paul Verlaine, William S. Burroughs, Georges Bataille, Pierre Klossowski, Roland Barthes, Paul Virilio, Peter Lamborn Wilson, and more.

**A Sentimental Novel** Alain Robbe-Grillet 2014 The story of Gigi, also known as Djinn, who is being schooled by her father to be a perfect slave and mistress. Running the gamut of unacceptable subject matter from incest to torture, this book abounds with vignettes exploring taboos and their representation in fiction, from the Brothers Grimm to the Marquis de Sade.

**Two Novels** Alain Robbe-Grillet 1977

**The Altering Eye** Robert Phillip Kolker 2009 The Altering Eye covers a "golden age" of international cinema from the end of WWII through to the New German Cinema of the 1970s. Combining historical, political, and textual analysis, the author develops a pattern of cinematic invention and experimentation from neorealism through the modernist interventions of Jean-Luc Godard and Rainer Maria Fassbinder, focusing along the way on such major figures as Luis Buñuel, Joseph Losey, the Brazilian director Glauber Rocha, and the work of major Cuban filmmakers. Kolker's book has become a much quoted classic in the field of film studies providing essential reading for anybody interested in understanding the history of European and international cinema. This new and revised edition includes a substantive new Preface by the author and an updated Bibliography.

*Jealousy & in the Labyrinth* Alain Robbe-Grillet 2018-04-17 Newly reissued with eye-catching covers by Peter Mendelsund, two remarkable novels by legendary avant-garde writer Alain Robbe-Grillet

**Jealousy** Alain Robbe-Grillet 2017-09-28 In his most famous and perhaps most typical work, Robbe-Grillet explores his principal preoccupation: the meaning of reality. The novel is set on a tropical banana plantation, and the action is seen through the eyes of a narrator who never appears in person, never speaks and never acts. He is a point of observation, his personality only to be guessed at, watching every movement of the other characters' actions as they flash like moving pictures across the distorting screen of a jealous mind. The result is one of the most important and influential books of our time, a completely integrated masterpiece that has already become a classic.

**Snapshots** Alain Robbe-Grillet 1995 Alain Robbe-Grillet has long been regarded as the chief spokesman for the controversial nouveau roman. This collection of brilliant short pieces introduces the reader to those techniques employed by Robbe-Grillet in his longer works. These intriguing, gemlike stories represent Robbe-Grillet's most accessible fiction.

Snapshots, and Alain Robbe-Grillet 1966

*In the Labyrinth* Alain Robbe-Grillet 2017-07-21 The Battle of Reichenfels has been fought and lost. The army is in flight. The enemy is expected to arrive in town at any moment. A soldier, carrying a parcel under his arm, is wandering through an unknown town. All the streets look the same, and he cannot remember the name of one where he was supposed to meet the man who had agreed to take the parcel. But he must deliver the parcel or at least get rid of it. A brilliant work from one of the finest exponents of the Nouveau Roman, *In the Labyrinth* showcases an inventive, hypnotic style which creates an uncanny atmosphere of *déjà-vu*, yet undermines the reader's expectations at every turn.

Of the Farm John Updike 2004-03-30 "A small masterpiece . . . With *Of the Farm*, John Updike has achieved a sureness of touch, a suppleness of style, and a subtlety of vision that is gained by few

writers of fiction.”—The New York Times In this short novel, Joey Robinson, a thirty-five-year-old New Yorker, describes a visit he makes, with his second wife and eleven-year-old stepson, to the Pennsylvania farm where he grew up and where his aging mother now lives alone. For three days, a quartet of voices explores the air, making confessions, seeking alignments, quarreling, pleading, and pardoning. They are not entirely alone: ghosts (fathers, lovers, children) press upon them, as do phantoms from the near future (nurses, lawyers, land developers). Of the Farm concerns the places people choose to live their lives, and the strategies they use to stand their ground.

Project for a Revolution in New York Alain Robbe-Grillet 2012-09-04 Part prophecy and part erotic fantasy, this classic tale of otherworldly depravity features New York itself—or a foreigner's nightmare of New York—as its true protagonist. Set in the towers and tunnels of the quintessential American city, Alain Robbe-Grillet's novel turns this urban space into a maze where politics bleeds into perversion, revolution into sadism, activist into criminal, vice into art—and back again.

Following the logic of a movie half-glimpsed through a haze of drugs and alcohol, *Project for a Revolution in New York* is a Sadean reverie that bears an alarming resemblance to the New York, and the United States, that have actually come into being.

**Alain Robbe-Grillet** John Fletcher 2019-10-01 Alain Robbe-Grillet had traditionally been seen as an austere experimentalist in fiction, addicted to arid and interminable descriptions of objects like coffee pots, erasers and pieces of string. His own rather bellicose theoretical pronouncements were partly to blame for this unattractive picture, belied by the immense popular success of the film *Last Year at Marienbad* (1961) (made by Alain Resnais from Robbe-Grillet's script) and the high critical esteem in which novels like *Jealousy* and *The Voyeur* are held. In his original study, first published in 1983, John Fletcher attempts to resolve this paradox by offering a new interpretation of Robbe-Grillet's work which stresses the subversive qualities of his imagination and the disturbing power of his vision of a world of labyrinths and bizarre sexual stereotypes, haunted by images of love and loss.

**Narrative, Interrupted** Markku Lehtimäki 2012-08-31 Recent postclassical narratology has constructed top-down reading models that often remain blind to the frame-breaking potential of individual literary narratives. *Narrative, Interrupted* goes beyond the macro framing typical of postclassical narratology and sets out to sketch approaches more sensitive to generic specificities, disturbing details and authorial interference. Unlike the mainstream cognitive approaches or even the emergent unnatural narratology, the articles collected here explore the artifice involved in presenting something ordinary and realistic in literature. The first section of the book deals with anti-dynamic elements such as dialogue, details, private events and literary boredom. The second section, devoted to extensions of cognitive narratology, addresses spatiotemporal oddities and the possibility of non-human narratives. The third section focuses on frame-breaking, fragmentarity and problems of authorship in the works of Vladimir Nabokov. The book presents readings of texts ranging from the novels of Don DeLillo and Thomas Pynchon to the *Animal Man* comics. The common denominator for the texts discussed is the interruption of the chain of events or of the experiential flow of human-like narrative agents.

*A River Sutra* Gita Mehta 2011-02-23 With imaginative lushness and narrative elan, Mehta provides a novel that combines Indian storytelling with thoroughly modern perceptions into the nature of love—love both carnal and sublime, treacherous and redeeming. "Conveys a world that is spiritual, foreign, and entirely accessible."--*Vanity Fair*. Reading tour.

For a New Novel Alain Robbe-Grillet 1989 This is a work by the French author Alain Robbe-Grillet, translated from the original French.

**Anti-Story** Philip Stevick 1971 The *Anti-Story* is an anthology of experimental fiction. It is edited by Philip Stevick. From Simon & Schuster comes a selection of the best experimental fiction in recent decades. Curated and edited by Philip Stevick, *Anti-Story: An Anthology of Experimental Fiction* is a collection perfect for any lover of creative fiction.

*Pale Fire* Vladimir Nabokov 2012-09-06 A novel constructed around the last great poem of a fictional American poet, John Shade, and an account of his death. The poem appears in full and the narrative

develops through the lengthy, and increasingly eccentric, notes by his posthumous editor.

**Recollections of the Golden Triangle** Alain Robbe-Grillet 2015-06-23 "Could be read as the French New Novelist's tribute to the vibrant Latin American fiction that his own early works helped to inspire" (The New York Times Book Review). A provocative novel by one of the most influential French writers, *Recollections of the Golden Triangle* is a tour de force: a literary thriller constructed of wildly diverse elements—fantasy and dream, erotic invention, and the stuff of popular fiction and movies taken to its farthest limits. A secret door that is opened slightly by an electronic device, a beautiful hanged factory girl, a pale young aristocrat whose blood apparently nourishes his vampiric lover, the evil Dr. Morgan who conducts his experiments in "tertiary dream behavior," the beautiful and sinister women from the world of horror films, and the investigating police, who are not all what they seem to be, are just some of the ingredients of this intriguing new novel by the French master of the intellectual thriller, whose novels and films have effectively changed the way we can look at the "real" world today. *Recollections of the Golden Triangle* challenges the reader to find his own meaning in its descriptions, clues, and contradictions, and to play detective by assembling the pieces of the fictional puzzle. "If you make the effort [to read *Recollections of a Golden Triangle*], you will have a richer and more rewarding experience than you would reading a conventional mystery story." —St. Louis Post-Dispatch "A sense of atmosphere and a power of representation that at best make one feel that one is looking over an artist's shoulder with one eye on the canvas and the other on the reality that he is sketching." —The Times

**REGICIDE.** ALAIN. ROBBE-GRILLET 2018

**The End of Books--or Books Without End?** J. Yellowlees Douglas 2001 An exploration of the possibilities of hypertext fiction as art form and entertainment

*Djinn* Alain Robbe-Grillet 1982 "A haunting, disorienting, brilliantly constructed novel, *Djinn* is the story of a young man who joins a clandestine organization under the command of an alluring, androgynous American girl, *Djinn*. Having agreed to wear dark glasses and carry a cane like a blind man, he comes to realize, through bizarre encounters, recurring visual images, and fractured time sequences he experiences as part of his undisclosed mission, that he is, in a sense, helplessly blind. His search for the meaning of his mission and for possible clues to the identity of the mysterious *Djinn*, becomes a quest for his own identity in an ever-shifting time-space continuum. His growing obsession with solving the mystery becomes the reader's own until, through a surprising shift in narrative perspective, the reader too becomes lost in the dimension between past and future." -- Publisher's description

**Jealousy and In the Labyrinth** Alain Robbe-Grillet 2015-06-23 Two novels by the pioneering French author and founder of the Nouveau Roman literary movement—with essays by Roland Barthes and others. In *Jealousy*, a man living on a banana plantation obsessively watches everything around him, from the landscape and insects to his wife's every move. In *In the Labyrinth* follows an increasingly desperate soldier as he carried a mysterious package through an unknown city. From these deceptively simple premises, Alain Robbe-Grillet produced two of the most affecting and important works of the avant-garde Nouveau Roman, or "New Novel." *Jealousy* was hailed by the New York Times Book Review as "a technical masterpiece, impeccably contrived," while leading French critic Maurice Nadeau wrote that "In *In the Labyrinth* is better than an excellent novel: it is a great work of literature." In America the "Parade of Books" column proclaimed that "Robbe-Grillet will take his place in world literature as a successor of Balzac and Proust." This volume, which offers incisive essays on Robbe-Grillet by Professor Bruce Morrisette of the University of Chicago and by French critics Roland Barthes and Anne Minor, also contains a helpful bibliography of writings by and about the author.

*Ghosts in the Mirror* Alain Robbe-Grillet 1988

*Understanding Alain Robbe-Grillet* Roch C. Smith 2000 "Transforming bewilderment into understanding and pleasure while preserving a sense of Robbe-Grillet's considerable richness and complexity, Smith elucidates the defining elements of the writer's fictional world - characters that barely exist, changeable narrators, plots that defy logic, notoriously meticulous descriptions that

never quite form a complete story. Smith examines Robbe-Grillet's embrace of discontinuity, circularity, indeterminacy, and linguistic play. Smith also poses questions about how we should view this perplexing writer: as an author of hyperobjective novels and short stories, a subjective novelist, a realist, or a writer who undermines the narrative's claim to represent reality. In addition Smith evaluates the sado-erotic imagery of Robbe-Grillet's middle and late novels as a metaphorical play with textual and social conventions."--BOOK JACKET.

**Two Novels** Alain Robbe-Grillet 1965 Newly reissued with an eye-catching cover by Peter Mendelsund, two remarkable books by legendary avant-garde writer Alain Robbe-Grillet

**Literature, Ethics, and Decolonization in Postwar France** Daniel Just 2015-02-09 A wide-ranging account of French literature of the 1950s and 1960s showing how politically engaged leading writers were.

**The Cambridge Companion to World Literature** Ben Etherington 2018-11-22 This Companion presents lucid and exemplary critical essays, introducing readers to the major ideas and practices of world literary studies.

*Letters to a Teacher* Sam Pickering 1962 Ten witty, eloquent essays on literature, competition, curiosity, enthusiasm, and truth from the teacher who inspired The Dead Poet's Society reveal the joys of teaching and the power of innovation over stale formalism. Reprint.
