Mini-Scripts for the Four Color Personalities Keith Schreiter 2019-11-01 The perfect prospect. The perfect presentation. And our prospect says, "No." What happened? Our prospect did not connect with or understand our presentation. Our presentation is clear to us, but our prospect understands the world differently. Yes, our prospect understands a different language. There are four different color personalities, and each of those personalities interprets our world differently. They have their own viewpoint and their own language. They make their decisions based upon their viewpoint, and the language we use to present to them has to match their personality. When we talk their language, magic happens. Our prospects understand and appreciate what we offer them. Once we have this connection, prospecting, selling, sponsoring, and presenting are easy. Learning the other color personalities' languages is easy. We simply modify our most common phrases to match their viewpoints. If our yellow personality prospect wants to serve and help the world, then why not present our opportunity from that viewpoint? It is just that easy. In this book we will quickly learn the different personalities and how to identify them. Then, we will learn proven phrases for connecting, prospecting, selling, and sponsoring for each color personality. The reactions of our prospects will be amazing. As network marketing leaders, we want to move people to take positive actions. Using their own color language is how we will do it.

How To Get Your Prospect's Attention and Keep It! Keith Schreiter 2019-10-26 Two distributors meet the same prospect. One distributor gains a new team member. The other walks away empty-handed. What was the difference? The words they used. Certain phrases hold our prospects' attention long enough for us to deliver our sales message. Prospects have one focused thought at a time. We want that thought to be about us. The most important currency of this century? Attention. Everyone is fighting for our prospects' attention. Intrusive ads, notifications, shiny objects, constant messaging and more combine to pull our prospects' attention away from our offer. We want effective phrases for: Clearing distractions from our prospects' minds. Closing our prospects. Getting final decisions. Reading our prospect's minds. Engaging prospects during presentations. Removing rejection. Bonding with our future team members. In seconds, we can take control of our prospects' minds and deliver our concise message. Now they can fairly decide if our sales message will serve them or not. Getting attention is the easy part. Keeping that attention requires using these magic phrases to ward off distractions. The rewards are huge when we master the art of controlling attention. We deliver a great sales message and prospects hear it. Prospects are smart. They have common sense. They will gladly take action on what serves them best. Stop delivering presentations, sales messages, and benefits to prospects who are not mentally engaged. Instead, make full use of these magic phrases and become the most interesting person of the moment. Order your copy now!

The Millionaire Fastlane MJ DeMarco 2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

51 Ways and Places to Sponsor New Distributors Keith Schreiter 2019-12-06 Where can you find great prospects for your network marketing business? Who are the best prospects? Where can you find groups of these prospects? And how can you attract these prospects to you and your multilevel marketing business? In this book, 51 Ways and Places To Sponsor New Distributors, you will learn the best places to find motivated people to build your team and your customer base. So instead of searching and wasting time, you can get right to the very people who want your business and products. Why 51 different ways and places? Because not everyone wants to build a business the same way. Some people are comfortable on social media. Other networkers like building in person. Or maybe you just like using the telephone from the comfort of your home. And no matter which method you prefer, other people in your group may choose another method to build their businesses. There's something for everyone. Talking to people at random is fine. But if you want to build your organization fast, you want to target your efforts directly to prospects who want your opportunity and products. Save time. Save energy. Focus on prospects who feel now is the best time for them to make a change in their lives. Whether you choose the Stair-Step Technique, the Bird Dog Technique, or a Promotion Party, you will actively fill up your calendar with great appointments for your presentations. Pre-Closing for Network Marketing Keith Schreiter 2019-11-03 Get our prospects to make a "yes" decision immediately ... even before our presentation begins! Pre-closing is natural. We make a final decision to go to a movie before we see the movie. We make a final decision to go to a restaurant before we see the menu. It is the same with sales presentations. Prospects decide first if they want our business or product, before they see our facts, features and benefits. Closing at the end of our presentations creates stress for us and our prospects. We hate the feeling of pushing for a final decision at the end of our presentation. Now we can confidently give our presentations without the pressure of trying to convince our prospects. Why? Because our prospects already want what we offer. Getting a "yes" decision first makes sense. Why would we even want to present our business or products unless our prospects wanted them first? Now our prospects will love every detail of our presentation. No stress. No rejection. And a lot more fun. So instead of selling to customers with facts, feature and benefits, let's talk to prospects in a way they like. We can now get that "yes" decision first, so the rest of our presentation will be easy. Scroll up now, get your copy, and get your prospects to say "yes" immediately!

Be the Top 1% in Network Marketing Keith Schreiter 2022-11-01 Want to be successful in network marketing? Want to be in the top 1%, but don't know how? We saw the dream. We saw what is possible. The opportunity is there, but ... now we wonder, "Do I have to be special? Will I have to master superpowers? Do I need to take bullets of rejection and walk through brick walls? Will I need personality steroid injections?" If we have these attributes, great. But, we won't need them to be in the top 1% of all network marketers. Our journey to the top is much easier than we think. Why? First, most of the competition isn't even trying. We left them behind with our first baby step forward. They are busy scrolling social media looking for cat videos, while we are busy building our teams. Second, our competition doesn't have an easy-to-follow plan that works. It is impossible for them to get a headstart when they don't even know where to start. We have the exact step-by-step successful plan in this book. This feels achievable, so what is the difference between us and the 99% who admire our success? It is not about superpowers or extra effort. It is about doing the right things. Simple steps anyone can follow. Steps we can put into action immediately. Ready? Let's begin building our story of success now.

An Offer They Can't Refuse Keith Schreiter 2023-08-01 Two offers One offer is okay. The other offer? Wow! Which offer will we choose? It won't take a rocket scientist to figure this out. Better offers rock! We make offers every day in our network marketing businesses. What would happen if our offers were better? Our prospects would say "yes" immediately. Isn't that what we want? So how good are our offers now? Symptoms of a bad offer: · Prospects say they are not interested · No one gives us an appointment · Friends walk on the other side of the street · Prospects roll their eyes before

falling asleep Signs of a great offer: · Prospects want to know more · Smiles · Drooling · Eyes dilate with excitement Let our competition work hard trying to sell their mediocre offers. Let them plead, beg and suffer frustration. We don't have to join them. Instead, let's take our present offers and use the 14 tools in this book to make them ... awesome! There is magic in offers. We could be just one awesome offer away from changing our careers forever. Let's discover how to create that "life-changing" offer now.

How to Follow Up With Your Network Marketing Prospects Keith Schreiter 2019-12-05 Not every prospect joins right away. They have to think it over, review the material, or get another opinion. This is frustrating if we are afraid to follow up with prospects. What can we do to make our follow-up efforts effective and rejection-free? How do we maintain posture with skeptical prospects? What can we say to turn simple objections into easy decisions for our prospects? Procrastination stops and fear evaporates when we have the correct follow-up skills. No more dreading the telephone. Prospects will return our telephone calls. And now, we can look forward to easy, bonded conversations with prospects who love us. Prospects want a better life. They are desperately searching for: 1. Someone to follow. 2. Someone who knows where they are going. 3. Someone who has the skills to get there. We have the opportunity to be that guiding light for our prospects. When we give our prospects instant confidence, contacting our prospects again becomes fun, both for the prospects and for us. Don't we both want a pleasant experience? Don't lose all those prospects that didn't join on your first contact. Help reassure them that you and your opportunity can make a difference in their lives. How To Get Instant Trust, Belief, Influence and Rapport! Tom "Big Al" Schreiter 2019-12-05 Why can't we convince others? And why won't people listen? We say great things to people. We offer great products to prospects. We share our vision and passion with others. And they don't believe us, they don't buy, and they don't share our vision and passion. We say great things, but people don't believe us or act on our message. Why? Well, we don't need more good things to say. Instead, we need to learn how to get people to believe and trust the good things we are saying already. It's not about the price. It's not about the salesman's breath. It is not about the leader's PowerPoint presentation. It is all about the magical first few seconds when we meet people. What happens? In the first few seconds, people make an instant decision to: 1. Trust us. Believe us. Or, in the first few seconds, people make an instant decision to: 2. Turn on the salesman alarm. Put on the "too good to be true" filter. Be skeptical. Look for "the catch." This decision is immediate, and unfortunately, usually final. Tom "Big Al" Schreiter shows us exactly how to build a bond of trust and belief with prospects in seconds. How? By talking directly to the decision-making part of the brain, the subconscious mind. In this book, "How To Get Instant Trust, Belief, Influence And Rapport! 13 Ways To Create Open Minds By Talking To The Subconscious Mind," we will learn easy four- and five-word micro-phrases and simple, natural techniques that you can master within seconds. Yes, this is easy to do! Our message should be inside of other people's heads, not bouncing off their foreheads. Our obligation is to get our message inside of their heads so they will have options and choices in their lives. Now, if we can't get people to trust and believe our message, then we will effectively be withholding our message from them. Use these short, easy, tested, clear techniques to build that instant rapport with other people. Then, everything else is easy. If you are a leader, a salesman, a network marketer, an influencer, a teacher, or someone who needs to communicate quickly and efficiently, this book is for you. Order your copy now!

The Happy Network Marketer Keith Schreiter 2022-09-01 Struggling against the restraints in the dentist's chair, I could smell his sadistic and evil garlic breath. The lights dimmed. Terror. I knew what was coming next - the drill. I braced myself as the whirring drill ground deep into my tooth. My nervous system short-circuited. I only saw stars. He chuckled, "Hurt? I am only getting started." I felt panic. "Now, you can sit here in the chair

while I drill deeper, much deeper ... or you can escape now, and go out cold prospecting for your network marketing business. Rejection is only a few steps away." I replied, "Drill deeper!" The drill pierced my tooth and now entered my jaw. I could feel the blood pouring into my mouth. The dentist took my muffled screams as a challenge. "How about now? Ready to go out prospecting?" Of course, I replied, "Drill deeper!" Fear, procrastination, stress, anxiety, shortness of breath, and no motivation. Familiar? How do we feel before dental surgery? What is our mindset if we must juggle three flaming chainsaws? Do we fear going to a midnight party with flesh-eating werewolves? And finally, how will we act when we don't enjoy building our network marketing business? We won't last long if we don't enjoy the journey. Forget motivational rah-rah sessions. Stop making goal-plated vision boards. Cease the morning affirmation chants of, "Face the fear!" Instead, how about learning how to build our business within our comfort zone? Make every day a happy day. Let's look forward to the business-building activity we will love to do. Pick wealth, freedom, and happiness. The fun way to build our future.

10 Shortcuts Into Our Prospects' Minds Keith Schreiter 2019-12-05 Caution: Our prospects make up their minds before we are ready. We have awesome facts, benefits, features, testimonials, videos, brochures, PowerPoint presentations, proof, and inspirational stories. But what happens? Our prospects decide if they want to do business with us or not, before we get to our good stuff. Why can't they wait? We can complain, or we can help them make up their minds quickly in our favor. We only have a few seconds before our prospects make their decisions. Use these seconds wisely. When we understand how our prospects make their decisions, we can address those processes early in the conversation, before they create a "no" decision. Of course, short is better than long. But how do we trigger our prospects' decisions in just a few seconds? Questions, indirect statements, micro-stories, analogies, and emotional programs help us navigate quickly through our prospects' brains. Why not effortlessly take the direct path to getting positive decisions? When we give up the old paradigm of prospects accumulating information, weighing the pros and cons, and processing the facts and figures to make a decision, then moving prospects forward to a positive sales decision is easy. Leave the door-to-door sales tactics of the 1980s behind. Instead, let's work with our prospects' minds to help them make great decisions. Enjoy a faster and easier way to get our prospects to make great decisions. Order your copy now!

It's free to do. - The world responds, giving us better results. Instead of letting our mindsets control us, here is our chance to determine our future. Our first surprise is that nature gives us a negative mindset. We have programs that fear everything. Nature wants us to survive. Surviving is good, but achieving is great. And what about others? Can they affect our mindsets? Certainly, if we let them. This book gives us the tools to take control of our minds. Why be victims when we can be victors? So even before we help others change their mindsets, our personal mindsets give us a big head start toward our goals. Why wouldn't we change our mindsets? Because we don't know how. Let's learn the precise skills to make this happen.

Breaking the Brain Code Keith Schreiter 2021-05-18 Will pressing the elevator button three times put it into "faster mode?" Did we break the secret elevator code? No. We all look for ways to break the "hidden codes" in our lives. Why? To better understand our world. Or maybe to discover shortcuts. It is the same when we try to understand our brains and the brains of our prospects. We wonder: - Why does my brain work against me? - What is my brain doing while I am not paying attention? - How do I break through the irrational defenses of my prospects? - What can I say to get through to prejudiced prospects? - Can I do something to change other people's minds? - How can I understand my own irrational brain? It is hard to

play the game if we don't know the rules. Our brains operate in strange ways, but many of these quirks are consistent. We can learn some of these special brain rules and work with them. If we don't, we'll simply walk away muttering, "I just don't get it. Nothing makes sense." So instead of cursing the darkness, enjoy learning new and better ways to understand how we and our prospects think and act. We will smile as we learn how to deal with the 3-pound challenges inside our skulls. And the bonus? We will recognize these irrational brain rules as they play out in real life. With knowledge comes power.

Why Are My Goals Not Working? Keith Schreiter 2019-11-03 Can goals be easy? What is the secret? Some goals feel difficult. Other goals feel easy to achieve. Why is this? There are many factors that can help us, or sabotage us on our way to achieving our goals. Once we understand these building blocks, we can put them to use to design goals that work for us. Building blocks? Think of them as tools that remove difficulty and enhance achievement. Look at these five common-sense ideas that help. First, humans are short-term thinkers. Our initial goals need short timelines. We also have short-term memories. Second, our initial goals should be small. We need to build our goal-achieving muscles. This will give us confidence. Third, we must understand our personality style. This is what sabotages most goals. If our goals are not in alignment with our personality, it all goes wrong fast. Fourth, do our goals match our internal core values? If not, how can we be motivated when we feel that nagging doubt? Fifth, instead of using willpower, could we put mini-habits to work instead? This would take away our mental stress. Setting goals that work for us is easy when we have guidelines and a checklist. Don't feel guilty for not achieving your goals. Instead, feel the adrenaline rush of success each time you achieve your new

goals. Scroll up and order your copy of this book now.
