At Swim, Two Boys Jamie O'Neill 2002-04-01 Praised as “a work of wild, vaulting ambition and achievement” by Entertainment Weekly, Jamie O’Neill’s first novel invites comparison to such literary greats as James Joyce, Samuel Beckett and Charles Dickens. Set during the year preceding the Easter Uprising of 1916—Ireland’s brave but fractured revolt against British rule—*At Swim, Two Boys* is a tender, tragic love story and a brilliant depiction of people caught in the tide of history. Powerful and artful, and ten years in the writing, it is a masterwork from Jamie O’Neill. Jim Mack is a naïve young scholar and the son of a foolish, aspiring shopkeeper. Doyler Doyle is the rough-diamond son—revolutionary and blasphemous—of Mr. Mack’s old army pal. Out at the Forty Foot, that great jut of rock where gentlemen bathe in the nude, the two boys make a pact: Doyler will teach Jim to swim, and in a year, on Easter of 1916, they will swim to the distant beacon of Muglins Rock and claim that island for themselves. All the while Mr. Mack, who has grand plans for a corner shop empire, remains unaware of the depth of the boys’ burgeoning friendship and of the changing landscape of a nation.

Best Served Cold Joe Abercrombie 2009-06-01 Springtime in Styria. And that means war. There have been nineteen years of blood. The ruthless Grand Duke Orso is locked in a vicious struggle with the squabbling League of Eight, and between them they have bled the land white. While armies march, heads roll and cities burn, behind the scenes bankers, priests and older, darker powers play a deadly game to choose who will be king. War may be hell but for Monza Murcatto, the Snake of Talins, the most feared and famous mercenary in Duke Orso's employ, it's a damn good way of making money too. Her victories have made her popular - a shade too popular for her employer's taste. Betrayed, thrown down a mountain and left for dead, Murcatto's reward is a broken body and a burning hunger for vengeance. Whatever the cost, seven men must die. Her allies include Styria's least reliable drunkard, Styria's most treacherous poisoner, a mass-murderer obsessed with numbers and a Northman who just wants to do the right thing. Her enemies number the better half of the nation. And that's all before the most dangerous man in the world is dispatched to hunt her down and finish the job Duke Orso started... Springtime in Styria. And that means revenge.

98. 6 Degrees Cody Lundin 2011-05-16 If you breathe and have a pulse, you NEED this book. -Cody Lundin Cody Lundin, director of the Aboriginal Living Skills School in Prescott, Arizona, shares his own brand of wilderness wisdom in this highly anticipated new book on commonsense, modern survival skills for the backcountry, the backyard, or the highway. It is the ultimate book on how to stay alive-based on the principal of keeping the body's core temperature at a lively 98.6 degrees. In his entertaining and informative style, Cody stresses that a human can live without food for weeks, and without water for about three days or so. But if the body's core temperature dips much below or above the 98.6 degree mark, a person can literally die within hours. It is a concept that many don't take seriously or even consider, but knowing what to do to maintain a safe core temperature when lost in a blizzard or in the desert could save your life. Lundin delivers the message with wit, rebellious humor, and plenty of

backcountry expertise. Cody Lundin and his Aboriginal Living Skills School have been featured in dozens of national and international media sources, including Dateline NBC, CBS News, USA Today, The Donny and Marie Show, and CBC Radio One in Canada, as well as on the cover of Backpacker magazine. When not teaching for his own school, he is an adjunct faculty member at Yavapai College and a faculty member at the Ecosa Institute. Cody is the only person in Arizona licensed to catch fish with his hands, and lives in a passive solar earth home sixty miles from Prescott, Arizona. *Under the Eagle (Eagles of the Empire 1)* Simon Scarrow 2008-09-04 IF YOU DON'T KNOW SIMON SCARROW, YOU DON'T KNOW ROME! UNDER THE EAGLE is the gripping first novel in Simon Scarrow's bestselling EAGLES OF THE EMPIRE series. A must read for fans of Bernard Cornwell and Conn Iggulden. Praise for Simon Scarrow's compelling novels: 'Gripping and moving' The Times AD 42, Germany. Tough, brutal and unforgiving. That's how new recruit Cato is finding life in the Roman Second Legion. He may have contacts in high places, but he could really use a friend amongst his fellow soldiers right now. Cato has been promoted above his comrades at the order of the Emperor and is deeply resented by the other men. But he quickly earns the respect of his Centurion, Macro, a battle-hardened veteran as rough and ready as Cato is quick-witted and well-educated. They are poles apart, but soon realise they have a lot to learn from one another. On a campaign to Britannia - a land of utter barbarity - an enduring friendship begins. But as they undertake a special mission to thwart a conspiracy against the Emperor they rapidly find themselves in a desperate fight to survive...

The Green Leaves of Winter E.D. Lambert 2012-08 In 2004 I joined a writing group run by two lectures from The University of East Anglia. The result of which is my book *The Green Leaves of Winter* a collection of short stories and poems. The stories and poems are mostly humorous, serious, horrific with a strong sexual element. The inclusion of the poems breaks up the stories making the book a more interesting read. The stories range from bare fist fighting, naughty Nuns, Black Shuck the devil s dog, even god trying to make prettier bums for his angels, and a dog on trial trying to stop them removing his nuts ! Truly a strange story collection.

Butt Naked Truth Jodii Perry 2019-05-11 In this book, I tell the same truth I've been telling all my life but no one would listen. I can only pray that this true story will set those people who have been in denial of the truth free and prevent other children and adults from experiencing the kinds of human torture I experienced. I will not question God as to why he allowed me to go through all the trials and tribulations I've gone through, but I will thank God for this book, which is the ultimate freedom I'd been searching for all my life. I'm not talking about the freedom to do what I want to do in the flesh; I'm talking about the freedom to expose the absolute truth about my lifetime of abuse. I forgave all the people who caused me pain, and I'm asking the people I've hurt over the years to please forgive me. In this book, I have decided to change all names of people and places to protect myself and other people in the book from receiving legal penalties and from causing anyone pain or to feel that I targeted to hurt them by writing this book. The ultimate freedom I desire for has to be written to give back to those who are out there going through the very same things that I went through and have survived and also for those who have fallen victim to their surrounding circumstances so that they will know that there is a way out and there are people, places, and things that they can reach out to and that they can seek help, counseling, and programs available to them to help them realize that they did not deserve the treatment of abuse from those who were designed by God to love them and help them. This is book is to let them know that they are not alone. Once they are willing to put faith in a power greater then one's self, the ability to stand firm and believe could be done. I wish that all could accept their responsibilities in their life for their wrongdoings, then it would be easier to accept the services and help that they need to become a stabilized, productive human being and to overcome all obstacles that has and will come up against them and not fall subject to them and lose their way as they live their life here on earth knowing that I have done it. And I know they can too. This book was written with all openness from my heart and the trials I went through. I hope to reach out to all colors, creed, and nations. For reading this book and finding yourself

living in this moment and making a decision to change your life and move forward healing from it all, may God shine light on you and bless you all with your heart's desires as long as your desires are in line with the plan that God has chosen for your life. To God I will praise and to God I will glorify my life for saving me from the pits of hell. Just as he did mine, I also want to thank you for taking the time and opportunity to read this book and finding out that I did it and so can you. There are other books to follow, and I will make sure I don't hide anything from you. May God bless you all with the strength that he has bestowed upon me, just as he has bestowed upon you. Please just reach deep down inside your heart, soul, and mind and pull out the sanity and love inside you and live in the moment of peace, joy, and happiness. If I could do it, you could too.

Jeneration X Jen Lancaster 2013-05-07 In *Such a Pretty Fat*, Jen Lancaster learned how to come to terms with her body. In *My Fair Lazy*, she expanded her mind. Now the New York Times bestselling author gives herself—and her generation—a kick in the X, by facing her greatest challenge to date: acting her age. Jen is finally ready to put away childish things (except her Barbie Styling Head, of course) and embrace the investment-making, mortgage-carrying, life-insurance-having adult she's become. From getting a mammogram to volunteering at a halfway house, she tackles the grown-up activities she's resisted for years, and with each rite of passage she completes, she'll uncover a valuable—if probably humiliating—life lesson that will ease her path to full-fledged, if reluctant, adulthood.

It's Who You Know Janine Garner 2017-05-03 Meet the twelve people that can accelerate your success - in business and in life *It's Who You Know* is the long-awaited handbook to effective, productive and influential networking. Having the right relationships is more important than ever before, but digital connectivity and social media has changed the landscape. Social media has made networking easy, but has it made it better? In an age of digital disconnect, having the right relationships is more important than ever before with more and more of us reporting we feel disconnected from social media. Networking is no longer about collecting business cards and meeting thousands of people online or offline; it's about knowing the right people, and nurturing those relationships. You only need 12 - or even just four. Approached strategically, this comparatively small network will provide the strength, diversity and opportunities to help you achieve your personal and professional goals. This book shows you who you need to know, how to get to know them and how to make value a two-way street. Action plans, checklists and an online diagnostic tool help you start taking steps right away, and the emphasis on "doing" over endless planning gives you the motivation you need to get up and go. The old adage "It's not what you know; it's who you know" has never been more applicable than it is today. The problem is that many of us "know" thousands of people across social networks, but how many of those people truly know you and how many of them are truly connected to you? It's time to clear out the network clutter and identify those who actually add value to your professional and personal development. Master the art of real and influential strategic networking in a noisy and disconnected online world Learn who you need in your circle, and how to find them Nurture and maintain your professional relationships Leverage your power network to accelerate your career Today, jobs are filled before they're advertised and previously

unthought-of collaborations appear out of nowhere. Networking has become a critical factor for success. It's Who You Know brings networking into the modern era, and shows you a strategic approach to making it work for you.

ENDGAME - CSI Reilly Steel #7 Casey Hill The brand new adventure in the USA Today bestselling CSI Reilly Steel series. Forensic mystery series for fans of Patricia Cornwell, Lisa Gardner, Kathy Reichs, Karin Slaughter, or TV shows CSI and Criminal Minds. When the body of a teenager is found beaten to death in his own bedroom, and a girl attending a party held at his house reports an attempted sexual attack the night before, the Dublin police immediately suspect both incidents are related. But when a sweep of the crime scene throws up some truly puzzling forensic evidence, CSI Reilly Steel wonders if those initial suspicions are correct. And as the investigation deepens, and her GFU team begins to delve into the online lives of both teenage victims, even more questions are raised. Can Reilly help the investigators discover the truth about what actually happened on the night of the party? Or is she too distracted by personal issues, namely the visit of an old friend from the US...

Get Off Your Arse and Lose Weight Steve Miller 2014-12-04 No more excuses! The Life Bitch is here, and he has no time for whingers. If you know your bum looks big, then get it off the sofa. Steve Miller is an expert in training people in positive thinking. His approach depends on using skills that everyone has: common sense (you are fat because you eat too much - no one is fat in a famine) and a bit of determination. He is tough-talking (he calls a hippo a hippo) but warm and witty too; and he shows you - with real life examples and stories - techniques that really work. His approach is realistic, and it's all about getting real. This is not just about shedding the flab, but about becoming the person you want to be, and realising that it is in you to make it happen.

Radical Candor: Fully Revised & Updated Edition Kim Scott 2019-10-01 * New York Times and Wall Street Journal bestseller multiple years running * Translated into 20 languages, with more than half a million copies sold worldwide * A Hudson and Indigo Best Book of the Year * Recommended by Shona Brown, Rachel Hollis, Jeff Kinney, Daniel Pink, Sheryl Sandberg, and Gretchen Rubin Radical Candor has been embraced around the world by leaders of every stripe at companies of all sizes. Now a cultural touchstone, the concept has come to be applied to a wide range of human relationships. The idea is simple: You don't have to choose between being a pushover and a jerk. Using Radical Candor—avoiding the perils of Obnoxious Aggression, Manipulative Insincerity, and Ruinous Empathy—you can be kind and clear at the same time. Kim Scott was a highly successful leader at Google before decamping to Apple, where she developed and taught a management class. Since the original publication of Radical Candor in 2017, Scott has earned international fame with her vital approach to effective leadership and co-founded the Radical Candor executive education company, which helps companies put the book's philosophy into practice. Radical Candor is about caring personally and challenging directly, about soliciting criticism to improve your leadership and also providing guidance that helps others grow. It focuses on praise but doesn't shy away from criticism—to help you love your work and the people you work with. Radically Candid relationships with team members enable bosses to fulfill their three core responsibilities: 1. Create a culture of Compassionate Candor 2. Build a cohesive team 3. Achieve results collaboratively Required reading for the most successful organizations, Radical Candor has raised the bar for management practices worldwide.

Does This Book Make My Butt Look Big? Carson Kressley 2016-10-11 Carson Kressley, the Emmy-winning TV star and New York Times bestselling author of *Queer Eye for the Straight Guy*, has spent the last decade transforming thousands of women and connecting with millions more on Oprah Winfrey, Good Morning America, and countless other national broadcasts. He knows what makes women tick. Whether we live in Tacoma or Tallahassee, there is a common thread among all of us: we want to feel beautiful but don't always know where to start. The Worthy Will Clarke 2006-07-03 Conrad had it pretty good in life -- a Porsche, pretty girls, and a trust fund full of oil money. But now, thanks to a brutal hazing incident at Louisiana State University's Gamma Chi fraternity, Conrad is dead -- a nineteen-year-old spirit suddenly without an earthly body. Make no mistake, the newly deceased Conrad is one angry ghost, and the object of his wrath is chapter president Ryan Hutchins, a "big, bright, rising star" who, in Conrad's view, is really "the darkest black hole you'll ever meet -- and I'm not just saying that because he killed me." Conrad's

ghostly ability to see all but be seen by no one (except Miss Etta, Gamma Chi's elderly cook, who is gifted with paranormal powers) confirms his suspicion that Ryan's dark hand has a wide reach, from beating his girlfriend, Maggie Meadows, to terrorizing Sarah Jane Bradford, a religious student who senses that Ryan must be stopped. Out for revenge, Conrad possesses an unsuspecting pledge's body so he can finish what Ryan started, steering them toward a depraved confrontation with a surprising outcome that will leave readers gasping.

Apprentips Alex Meade 2023-09-15 Looking for a book that goes beyond the basics of apprenticeships? Look no further than *Apprentips*. Drawing on my personal experiences of completing two very different apprenticeships, I've compiled 20 honest and insightful tips to help you navigate the challenges and maximize the benefits of this unique learning experience. From life at the bottom to finding your own way of working, *Apprentips* offers advice on topics that aren't always discussed in relation to apprenticeships. I've avoided generic guidance and focused on sharing the things I wish I'd known before starting my own apprenticeships, including the importance of perseverance and the dangers of being too easily offended. This isn't a huge book, but that's intentional. I wanted to create something you can read from cover to cover in a day or two, packed with as much valuable information as possible. And even if you're not planning on becoming an apprentice, the lessons in *Apprentips* are applicable to anyone starting out in their career. Bonus Tip: Writing a book is hard work, but I'm proud of what I've created with *Apprentips*. So whether you're considering an apprenticeship or simply looking for some guidance as you embark on your career journey, I hope you'll find this book to be a valuable resource.

Shut Up, Stop Whining, and Get a Life Larry Winget 2004-08-24 Shut Up, Stop Whining & Get a Life This is not your typical self-help book. You won't find any motivational platitudes or cute business parables here. This is more of a "get off your butt and get to work" approach that can help you achieve more success, make more money, improve your business, and have more fun. Larry Winget doesn't pull any punches here. He believes that business gets better when businesspeople get better through personal growth. And it works the same way in your personal life-husbands and wives improve each other when they improve themselves, and kids improve when their parents do. In other words, everything in life gets better when you get better, and nothing gets better until you get better. This book can make you better, but it will probably tick you off. Winget is direct, caustic, and controversial. You won't like or agree with everything he has to say. Yet his advice is full of wisdom and truth that can't easily be argued with. Words from Shut Up, Stop Whining & Get a Life that prove that this book is anything but typical: "If you don't have much going wrong in your life, then you don't have much going on in your life." "When you work, work! When you play, play! Don't mix the two." "What you think about, talk about, and do something about is what comes about." "When it quits being fun-quit." "Time management is a joke." And that's just the beginning!

The Dragon's Reign Tim Mullins 2020-08-14 Nothing felt overly exciting for twenty-four-year-old Blake. His career as a courier driver was hardly something to brag about and although he raced cars on the weekend, life seemed to have slowed to a crawl. For his housemate and best friend James, however, life was peachy; he was about to ask out the girl of his dreams and was entering his final year at university. Social media sensation Emma Riley was living her best life: her following was booming, her sponsors were calling, and people just could not get enough of her. If only her father, Thomas, could get off her back once in a while. Will was ready for the next big step. The restaurant was booked, the evening was planned, and the diamond ring was perfect. All he hoped now was that Lila, his girlfriend of four years, would say yes. But after a mysterious fire-breathing creature leaves the Australian city of the Gold Coast in ruins, this group of strangers are forced to leave their old lives behind and band together in a fight for survival. With no way to communicate with the outside world and no help in sight, a greater mystery begins to unfold around them. What is the monster that attacked the city? Where did it come from? Is our reign, our way of life, really over? Is the dragon's reign about to begin?

A Very Accidental Love Story Claudia Carroll 2019-01-15 An original, funny and poignant story about those things in life that you just can't plan for... Eloise Elliot is one of Dublin's youngest newspaper editors. Respected and revered by her peers, she's at the very top of her game. On the eve of her thirtieth birthday, Eloise is hit by a long, sharp pang of loneliness and realises she craves to be a mother. Three years on, after a successful trip to the sperm bank, Eloise is now the adoring, yet fraught single mother to Lily. But panic sets in when Lily starts asking about her 'daddy' and Eloise is left with no choice but to try and find him. What could possibly go wrong? Perfect for the fans of Marian Keyes.

Get Off Your "But" Sean Stephenson 2009-03-27 A psychotherapist and motivational speaker's "powerful and practical" guide to overcoming negativity and self-sabotage—with a foreword by Anthony Robbins (Publisher's Weekly). "This book will show you how to move beyond your limitations and begin to experience and share your gifts at the highest level. . . . Read this book in its entirety, follow the lessons closely, and watch as your life transforms into a masterpiece filled with an abundance of bliss, passion, and gratitude." —From the Foreword by Anthony Robbins In addition to presenting Sean Stephenson's unbelievable life story, *Get Off Your "But,"* offers anyone who needs to conquer fears and insecurities a hands-on guide for overcoming the forces of negativity and self-sabotage. Sean—a successful psychotherapist—shows what it takes to overcome the big bumps in the road, eliminate excuses, end insecurities, and ultimately stand up for happiness and success in life. As Sean explains, anyone can fall victim to the "Buts": "But" Fears (BUT what if I fail . . .) "But" Insecurities (BUT I'm not good enough . . .) "But" Excuses (BUT there's no time . . .) *Get Off Your "But"* offers a practical guide for putting fear behind you and building the inner resources to become self-confident at work and at home. It's time to get off your "but" and start leading the life you dream.

Publishers Weekly's Best Books of 2021 Amazon's Best Science Fiction & Fantasy of 2021 Bookpage's Best Science Fiction & Fantasy of 2021 Goodreads Choice Awards Nominee for Best Science Fiction Book of 2021 "[An] all around brilliant space opera, I absolutely love it."—Ann Leckie, on *A Memory Called Empire* *A Desolation Called Peace* is the spectacular space opera sequel to Arkady Martine's genre-reinventing, Hugo Award-winning debut, *A Memory Called Empire*. An alien armada lurks on the edges of Teixcalaanli space. No one can communicate with it, no one can destroy it, and Fleet Captain Nine Hibiscus is running out of options. In a desperate attempt at diplomacy with the mysterious invaders, the fleet captain has sent for a diplomatic envoy. Now Mahit Dzmare and Three Seagrass—still reeling from the recent upheaval in the Empire—face the impossible task of trying to communicate with a hostile entity. Their failure will guarantee millions of deaths in an endless war. Their success might prevent Teixcalaan's destruction—and allow the empire to continue its rapacious expansion. Or it might create something far stranger . . . Also by Arkady Martine: *A Memory Called Empire* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

One-Way-Marriage Xavier Couperin 2021-01-01 A husband loses it all to his wife. After becoming financially dependent on his wife of ten years, the once macho Martin Kent finds himself forced to accept that not only has he been relegated to the role of dogsbody and flunkey but he will also have to come to terms with the fact his wife will be stepping outside of their marriage - with both sexes.

The Ass Book Micha Schulze 2013 Finally a comprehensive guide to a man's second most important sensual organ! Designed for practical use, "The Ass Book" tells you how you and your partner can get more pleasure from your backside. The authors not only provide you with crucial information about anatomy, but give you useful tips to improve your health, fitness, and appearance and of course for better fun down under. Fuck Off Coronabollocks The Guy 2020-05-09 Colour this vulgar book to relieve stress, to pass the time while you're locked in your home and to just have a little fun! WARNING - This book is coarse, crude, vulgar, rude and generally disgusting so don't be surprised at what you find inside. If there's a bandwagon to jump on we'll jump aboard, but usually a little late, as with this one. We couldn't be bothered to make smart-arsed comments about toilet paper so we just did this book which you can always use as a toilet paper substitute. Colour this despicable book to relieve stress, to pass the time while you're locked in your home trying not to scream at your family and to just have a little fun! The pictures in this book have bugger all to

do with the current coronabollocks pandemic. It's just that we enjoy swearing. Ignore the news, ignore this fucking virus: Just take some time out and eliminate your personal stress and do some colouring while you disconnect from the world of panic buying, social distancing and all the other mind numbing shit. This book contains 46 different adult colouring pictures, some difficult, some not so difficult, full of insulting phrases, immature language and generally juvenile stuff. Why 46? Why not? Every bugger does rounded numbers so this is a bit different. Oh, by the way, unless your grannie is very open minded please don't get her a copy. Enjoy it while you still can before you pop your clogs!!! This is most definitely NOT for children! This somewhat crude book has 46 single sided pictures to colour! These pages of swear words and dirty expressions are sure to bring a smile to the face of anyone with a warped sense of humour and makes a great present for adults who swear like a trooper! This funny adult colouring book is a great way to relax during these difficult times. These designs will provide hours of fun, stress relief, creativity, and relaxation. The designs are printed single sided on quality white paper to ensure there is no bleed through onto the next picture. Great for crayons, markers, pens and colored pencils or even your next door neighbour's blood if he gets too close. Features Large 8.5 x 11 inch size - perfect size for a backpack or for using at home Single-sided pages for no bleed through, easy-to-remove pages High-resolution printing for crisp, clear illustrations 46 unique designs with crude language Durable matte cover High-quality book

Disastrous Voyage of the Santa Margarita Richard Woodman 2011-11-01 Among the coral outcrops of the island of Rota, lies the wreck of a Spanish galleon, the Santa Margarita - Spring 1601. This is a reconstruction of the Santa Margaritas disastrous last voyage, beset by an extraordinary sequence of typhoons and storms. Based on what little is known of the ships journey overloaded cargo, bad-blood amongst the crew and a curse we are told a story of greed, horror, deprivation and unimaginable hardship by the handful of survivors rescued from the wreck.

Diddly Squat: Pigs Might Fly Jeremy Clarkson 2023-10-26 Another year on the Diddly Squat Farm and Jeremy is still knee-deep in mud and endless challenges. Welcome back to Clarkson's Farm. Since taking the wheel three years ago Jeremy's had his work cut out. And it's now clear from hard-won experience that, when it comes to farming, there's only one golden rule: Whatever you hope will happen, won't. Enthusiastic schemes to diversify have met with stubborn opposition from the red trouser brigade, defeat at the hands of Council Planning department, and predictable derision from Kaleb - although, to be fair, even Lisa had doubts about Jeremy's brilliant plan to build a business empire founded on rewilding and nettle soup. And only Cheerful Charlie is still smiling about the stifling amount of red tape that's incoming . . . But he charges by the hour. Then there are the animals: the sheep are gone; the cows have been joined by a rented bull called Break-Heart Maestro; the pigs are making piglets; and the goats have turned out to be psychopaths. But despite the naysayers and (sometimes self-inflicted) setbacks, Jeremy remains irrepressibly optimistic about life at Diddly Squat. Because It's hard not to be when you get to harvest blackberries with a vacuum cleaner. And, after all, it shouldn't just be Break-heart Maestro who gets to enjoy a happy ending . . .
