Irena's Children Tilar J. Mazzeo 2016-09-27 A New York Post Best Book of 2016 One of Kirkus Reviews' Ten Most Anticipated Nonfiction Books of Fall 2016 From the New York Times bestselling author of *The Widow Clicquot* comes an extraordinary and gripping account of Irena Sendler—the “female Oskar Schindler”—who took staggering risks to save 2,500 children from death and deportation in Nazi-occupied Poland during World War II. In 1942, one young social worker, Irena Sendler, was granted access to the Warsaw ghetto as a public health specialist. While there, she reached out to the trapped Jewish families, going from door to door and asking the parents to trust her with their young children. She started smuggling them out of the walled district, convincing her friends and neighbors to hide them. Driven to extreme measures and with the help of a network of local tradesmen, ghetto residents, and her star-crossed lover in the Jewish resistance, Irena ultimately smuggled thousands of children past the Nazis. She made dangerous trips through the city's sewers, hid children in coffins, snuck them under overcoats at checkpoints, and slipped them through secret passages in abandoned buildings. But Irena did something even more

astounding at immense personal risk: she kept secret lists buried in bottles under an old apple tree in a friend's back garden. On them were the names and true identities of those Jewish children, recorded with the hope that their relatives could find them after the war. She could not have known that more than ninety percent of their families would perish. In *Irena's Children*, Tilar Mazzeo tells the incredible story of this courageous and brave woman who risked her life to save innocent children from the Holocaust—a truly heroic tale of survival, resilience, and redemption.

The Hotel on Place Vendôme Tilar J. Mazzeo 2014-03-11 Set against the backdrop of the Nazi occupation of World War II, The Hôtel on Place Vendôme is the captivating history of Paris's world-famous Hôtel Ritz—a breathtaking tale of glamour, opulence, and celebrity; dangerous liaisons, espionage, and resistance—from Tilar J. Mazzeo, the New York Times bestselling author of *The Widow Clicquot* and *The Secret of Chanel No. 5*. When France fell to the Germans in June 1940, the legendary Hôtel Ritz on the Place Vendôme—an icon of Paris frequented by film stars and celebrity writers, American heiresses and risqué flappers, playboys, and princes—was the only luxury hotel of its kind allowed in the occupied city by order of Adolf Hitler. Tilar J. Mazzeo traces the history of this cultural landmark from its opening in fin de siècle Paris. At its center, *The Hotel on Place Vendôme* is an extraordinary chronicle of life at the Ritz during wartime, when the Hôtel was simultaneously headquarters to the highest-ranking German officers, such as Reichsmarshal Hermann Göring, and home to exclusive patrons, including Coco Chanel. Mazzeo takes us into the grand palace's suites, bars, dining rooms, and wine cellars, revealing a hotbed of illicit affairs and deadly intrigue, as well as stunning acts of defiance and treachery. Rich in detail, illustrated with black-and-white photos, *The Hotel on Place Vendôme* is a remarkable look at this extraordinary crucible where the future of post-war France—and

all of post-war Europe—was transformed.

In My Hands: Memories of a Holocaust Rescuer Irene Gut Opdyke 2016-03-08 "No matter how many Holocaust stories one has read, this one is a must, for its impact is so powerful."--School Library Journal, starred I did not ask myself, "Should I do this?" but "How will I do this?" Through this intimate and compelling memoir, we are witness to the growth of a hero. Much like *The Diary of Anne Frank*, *In My Hands* has become a profound testament to individual courage. You must understand that I did not become a resistance fighter, a smuggler of Jews, a defier of the SS and the Nazis, all at once. When the war began, Irene Gut was just seventeen: a student nurse, a Polish patriot, a good Catholic girl. Forced to work in a German officers' dining hall, she learns how to fight back. One's first steps are always small: I had begun by hiding food under a fence. Irene eavesdropped on the German's plans. She smuggled people out of the work camp. And she hid twelve Jews in the basement of a Nazi major's home. To deliver her friends from evil, this young woman did whatever it took--even the impossible.

The Light of Days Judy Batalion 2021-04-06 THE INSTANT NEW YORK TIMES BESTSELLER! Also on the USA Today, Washington Post, Boston Globe, Globe and Mail, Publishers Weekly, and Indie bestseller lists. One of the most important stories of World War II, already optioned by Steven Spielberg for a major motion picture: a spectacular, searing history that brings to light the

extraordinary accomplishments of brave Jewish women who became resistance fighters—a group of unknown heroes whose exploits have never been chronicled in full, until now. Witnesses to the brutal murder of their families and neighbors and the violent destruction of their communities, a cadre of Jewish women in Poland—some still in their teens—helped transform the Jewish youth groups into resistance cells to fight the Nazis. With courage, guile, and nerves of steel, these “ghetto girls” paid off Gestapo guards, hid revolvers in loaves of bread and jars of marmalade, and helped build systems of underground bunkers. They flirted with German soldiers, bribed them with wine, whiskey, and home cooking, used their Aryan looks to seduce them, and shot and killed them. They bombed German train lines and blew up a town’s water supply. They also nursed the sick, taught children, and hid families. Yet the exploits of these courageous resistance fighters have remained virtually unknown. As propulsive and thrilling as *Hidden Figures*, *In the Garden of Beasts*, and *Band of Brothers*, *The Light of Days* at last tells the true story of these incredible women whose courageous yet little-known feats have been eclipsed by time. *Judy Batalion*—the granddaughter of Polish Holocaust survivors—takes us back to 1939 and introduces us to Renia Kukielka, a weapons smuggler and messenger who risked death traveling across occupied Poland on foot and by train. Joining Renia are other women who served as couriers, armed fighters, intelligence agents, and saboteurs, all who put their lives in mortal danger to carry out their missions. *Batalion* follows these women through the savage destruction of the ghettos, arrest and internment in Gestapo prisons and concentration camps, and for a lucky few—like Renia, who orchestrated her own audacious escape from a brutal Nazi jail—into the late 20th century and beyond. Powerful and inspiring, featuring twenty black-and-white photographs, *The Light of Days* is an unforgettable true tale of war, the fight for freedom, exceptional bravery, female friendship, and survival in

the face of staggering odds. NPR's Best Books of 2021 National Jewish Book Award, 2021 Canadian Jewish Literary Award, 2021 *Here and There* Chaya Deitsch 2015-10-13 A heartfelt and inspiring personal account of a woman raised as a Lubavitcher Hasid who leaves that world without leaving the family that remains within it. Even as a child, Chaya Deitsch felt that she didn't belong in the Hasidic world into which she'd been born. She spent her teenage years outwardly conforming to but secretly rebelling against the rules that tell you what and when to eat, how to dress, whom you can befriend, and what you must believe. Loving her parents, grandparents, and extended family, Chaya struggled to fit in but instead felt angry, stifled, and frustrated. Upon receiving permission from her bewildered but supportive parents to attend Barnard College, she discovered a wider world in which she could establish an independent identity and fulfill her dream of an unconfined life that would be filled with the secular knowledge and culture that were largely foreign to her friends and relatives in Crown Heights, Brooklyn. As she gradually shed the physical and spiritual trappings of Hasidic life, Chaya found herself torn between her desire to be honest with her parents about who she now was and her need to maintain a loving relationship with the family that she still very much wanted to be part of. Eventually, Chaya and her parents came to an understanding that was based on unqualified love and a hard-won but fragile form of acceptance. With honesty, sensitivity, and intelligence, Chaya Deitsch movingly shows us that lives lived differently do not have to be lives lived apart.

Vera Gran: The Accused Agata Tuszynska 2013-02-26 The extraordinary, controversial story of Vera Gran, beautiful, exotic prewar Polish singing star; legendary, sensual contralto, Dietrich-like in tone, favorite of the 1930s Warsaw nightclubs, celebrated before, and during, her year in the Warsaw Ghetto (spring

1941–summer 1942) . . . and her piano accompanist: W³adys³aw Szpilman, made famous by Roman Polanski’s Oscar-winning film *The Pianist*, based on Szpilman’s memoir. Following the war, singer and accompanist, each of whom had lived the same harrowing story, were met with opposing fates: Szpilman was celebrated for his uncanny ability to survive against impossible odds, escaping from a Nazi transport loading site, smuggling in weapons to the Warsaw Ghetto for the Jewish resistance. Gran was accused of collaborating with the Nazis; denounced as a traitor, a “Gestapo whore,” reviled, imprisoned, ultimately exonerated yet afterward still shunned as a performer . . . in effect, sentenced to death without dying . . . until she was found by Agata Tuszyńska, acclaimed poet and biographer of, among others, Isaac Bashevis Singer, Nobel laureate (“Her book has few equals”—*The Times Literary Supplement*). Tuszyńska, who won the trust of the once-glamorous former singer, then living in a basement in Paris—elderly, bitter, shut away from the world—encouraged Gran to tell her story, including her seemingly inexplicable decision to return to Warsaw to be reunited with her family after she had fled Hitler’s invading army, knowing she would have to live within the ghetto walls and, to survive, continue to perform at the popular Café Sztuka. At the heart of the book, Gran’s complex, fraught relationship with her accompanist, performing together month after month, for the many who came from within the ghetto and outside its walls to hear her sing. Using Vera Gran’s reflections and memories, as well as archives, letters, statements, and interviews with Warsaw Ghetto historians and survivors, Agata Tuszyńska has written an explosive, resonant portrait of lives lived inside a nightmare time, exploring the larger, more profound question of the nature of collaboration, of the price of survival, and of the long, treacherous shadow cast in its aftermath.

Irena's Children Tilar J. Mazzeo 2016-09-27 For desperate families trapped inside the Warsaw ghetto in 1942 with small children, one name was whispered urgently. It was the name of a young social worker in her thirties with the courage to take staggering risks and to save over 2,000 of those children from death and deportation. Granted access to the ghetto as a public health specialist, Irena Sendler began by smuggling orphaned children out of the walled district and convincing her friends and neighbours to hide them. Soon, she began the perilous work of going from door to door and asking Jewish families to trust her with their young children. Driven to extreme measures and with the help of local Warsaw tradesman, Jewish residents, a network of mothers and her star-crossed lover in the Polish resistance, Irena Sendler ultimately smuggled thousands of children past the Nazis, making dangerous trips through city's sewers, hiding them in coffins and under overcoats at check points, and slipping through secret passages in abandoned buildings. At immense personal risk, Irena Sendler did something even more astonishing: she kept a secret list buried in a jar under an old apple tree in her garden. On it were the names and true identities of these Jewish children, recorded so that after the war their families could find them. Celebrated for her courage, Sendler was nominated for a Nobel Peace Prize in 2007, the year before her death at the age of 98. The story of Irena Sendler - and of the children she saved - has until now never been told in a compelling narrative account.

The Polish Underground and the Jews, 1939-1945 Joshua D. Zimmerman 2015-06-05 The Polish Underground and the Jews, 1939-1945 examines one of the central problems in the history of Polish-Jewish relations: the attitude and the behavior of the Polish Underground - the resistance organization loyal to the Polish

government-in-exile - toward the Jews during World War II. Using a variety of archival documents, testimonies, and memoirs, Zimmerman offers a careful, dispassionate narrative, arguing that the reaction of the Polish Underground to the catastrophe that befell European Jewry was immensely varied, ranging from aggressive aid to acts of murder. By analyzing the military, civilian, and political wings of the Polish Underground and offering portraits of the organization's main leaders, this book is the first full-length scholarly monograph in any language to provide a thorough examination of the Polish Underground's attitude and behavior towards the Jews during the entire period of World War II.

Jars of Hope Jennifer Roy 2016 "Tells Irena Sendler's story of saving 2,500 children during the Holocaust"--

Suzanne's Children Anne Nelson 2017-10-17 One of the untold stories of the Holocaust—the nail-biting drama of Suzanne Spaak, who risked and gave her life to save hundreds of Jewish children from deportation from Nazi Paris to Auschwitz “vividly dramatizes the stakes of acting morally in a time of brutality” (The Wall Street Journal). Suzanne Spaak was born into the Belgian Catholic elite and married into the country’s leading political family. Her brother-in-law was the Foreign Minister and her husband Claude was a playwright and patron of the painter Renée Magritte. In Paris in the late 1930s her friendship with a Polish Jewish refugee led her to her life’s purpose. When France fell and the Nazis occupied Paris, she joined the Resistance. She used her fortune and social status to enlist allies among wealthy Parisians and church groups. Then, under the eyes of the Gestapo, Suzanne and women from the Jewish and Christian resistance groups “kidnapped” hundreds of Jewish children to save them from the gas chambers. *Suzanne’s Children* is the “dogged...page-turning account” (Kirkus Reviews) of this incredible story of courage in the face of evil. “Anne Nelson is superb at showing the upheavals in Europe since WWI through vivid, illuminating details...and she

also masterfully describes the incremental changes in the Jews' plight under the Occupation" (Booklist). It was during the final year of the Occupation when Suzanne was caught in the Gestapo dragnet that was pursuing a Soviet agent she had aided. She was executed shortly before the liberation of Paris. Suzanne Spaak is honored in Israel as one of the Righteous Among Nations. Nelson's "heartfelt story is almost a model for how popular history should be written; it will satisfy lovers of history, Jewish history in particular" (Library Journal).

Sisters in Resistance Tilar J. Mazzeo 2022-06-21 In a tale as twisted as any spy thriller, discover how three women delivered critical evidence of Axis war crimes to Allied forces during World War II: !--StartFragment --“A tantalizingly novelistic history lesson” (Kirkus).!--EndFragment -- In 1944, news of secret diaries kept by Italy's Foreign Minister, Galeazzo Ciano, had permeated public consciousness. What wasn't reported, however, was how three women—a Fascist's daughter, a German spy, and an American banker's wife—risked their lives to ensure the diaries would reach the Allies, who would later use them as evidence against the Nazis at Nuremberg. In 1944, Benito Mussolini's daughter, Edda, gave Hitler and her father an ultimatum: release her husband, Galeazzo Ciano, from prison, or risk her leaking her husband's journals to the press. To avoid the peril of exposing Nazi lies, Hitler and Mussolini hunted for the diaries for months, determined to destroy them. Hilde Beetz, a German spy, was deployed to seduce Ciano to learn the diaries' location and take them from Edda. As the seducer became the seduced, Hilde converted as a double agent, joining forces with Edda to save Ciano from execution. When this failed, Edda fled to Switzerland with Hilde's daring assistance to keep Ciano's final wish: to see the diaries published for use by the Allies. When American spymaster Allen Dulles learned of Edda's escape, he sent in Frances De Chollet, an “accidental” spy, telling her to find Edda, gain her trust, and, crucially, hand the diaries over to the Americans. Together, they succeeded in preserving one of the most important documents of WWII. Drawing from in-depth research and first-person interviews with people who witnessed these events, Mazzeo gives readers a riveting look into this little-known moment in history and shows how, without Edda, Hilde, and Frances's involvement, certain convictions at Nuremberg would never have been possible. The Things We Cannot Say Kelly Rimmer 2019-03-19 Now a New York Times bestseller! From the author of Truths I Never

Told You, Before I Let You Go, and the The Warsaw Orphan, Kelly Rimmer's powerful WWII novel follows a woman's urgent search for answers to a family mystery that uncovers truths about herself that she never expected. "Fans of The Nightingale and Lilac Girls will adore The Things We Cannot Say." —Pam Jenoff, New York Times bestselling author

In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. The Things We Cannot Say is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Mother of the Children of the Holocaust Anna Mieszkowska

A Light in the Darkness Albert Marrin 2021-09-21 From National Book Award Finalist Albert Marrin comes the moving story of

Janusz Korczak, the heroic Polish Jewish doctor who devoted his life to children, perishing with them in the Holocaust. Janusz Korczak was more than a good doctor. He was a hero. The Dr. Spock of his day, he established orphanages run on his principle of honoring children and shared his ideas with the public in books and on the radio. He famously said that "children are not the people of tomorrow, but people today." Korczak was a man ahead of his time, whose work ultimately became the basis for the U.N. Declaration of the Rights of the Child. Korczak was also a Polish Jew on the eve of World War II. He turned down multiple opportunities for escape, standing by the children in his orphanage as they became confined to the Warsaw Ghetto. Dressing them in their Sabbath finest, he led their march to the trains and ultimately perished with his children in Treblinka. But this book is much more than a biography. In it, renowned nonfiction master Albert Marrin examines not just Janusz Korczak's life but his ideology of children: that children are valuable in and of themselves, as individuals. He contrasts this with Adolf Hitler's life and his ideology of children: that children are nothing more than tools of the state. And throughout, Marrin draws readers into the Warsaw Ghetto. What it was like. How it was run. How Jews within and Poles without responded. Who worked to save lives and who tried to enrich themselves on other people's suffering. And how one man came to represent the conscience and the soul of humanity. Filled with black-and-white photographs, this is an unforgettable portrait of a man whose compassion in even the darkest hours reminds us what is possible.

intoxicating book that is as much a fascinating journey through the process of making this temperamental wine as a biography of a uniquely tempered and fascinating woman.

The Holocaust Martin Gilbert 1987-05-15 Sets the scene with a brief history of anti-Semitism prior to Hitler, and documents the horrors of the Holocaust from 1933 onward, in an incisive, interpretive account of the genocide of World War II

Parallel Journeys Eleanor H. Ayer 2011-06-28 She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz concentration camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Auschwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was World War II. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.

999 Heather Dune Macadam 2019-12-31 A PEN America Literary Award Finalist A Goodreads Choice Awards Nominee An Amazon Best of the Year Selection The untold story of some of WW2's most hidden figures and the heartbreaking tragedy that unites them all. Readers of *Born Survivors* and *A Train Near Magdeburg* will devour the tragic tale of the first 999 women in Auschwitz concentration camp. This is the hauntingly resonant true story that everyone should know. On March 25, 1942, nearly a thousand young, unmarried Jewish women, many of them teenagers, boarded a train in Poprad, Slovakia. Believing they were going to work in a factory for a few months, they were eager to report for government service and left their parents' homes

wearing their best clothes and confidently waving good-bye. Instead, the young women were sent to Auschwitz. Only a few would survive. Now acclaimed author Heather Dune Macadam reveals their stories, drawing on extensive interviews with survivors, and consulting with historians, witnesses, and relatives of those first deportees to create an important addition to Holocaust literature and women's history. "Intimate and harrowing. . . . This careful, sympathetic history illuminates an incomprehensible human tragedy." —Publishers Weekly "Against the backdrop of World War II, this respectful narrative presents a compassionate and meticulous remembrance of the young women profiled throughout. Recommended for all collections." —Library Journal "Staggering . . . profound. [Macadam's] book also offers insight into the passage of these women into adulthood, and their children, as 'secondhand survivors.'" —Gail Sheehy, New York Times bestselling author of *Passages* and *Daring: My Passages* "Heather Dune Macadam's 999 reinstates the girls to their rightful place in history." —Foreword Reviews "An important addition to the annals of the Holocaust, as well as women's history. Not everyone could handle such material, but Heather Dune Macadam is deeply qualified, insightful, and perceptive." —Susan Lacy, creator of the American Masters series and filmmaker "The story of these teenage girls is truly extraordinary. Congratulations to Heather Dune Macadam for enabling the rest of us to sit down and just marvel at how on earth they did it." —Anne Sebba, New York Times bestselling author of *Les Parisiennes* and *That Woman* "An important contribution to the literature on women's experiences." —Dr. Rochelle G. Saidel, founder and executive director, Remember the Women Institute

Life in a Jar H. Jack Mayer 2011 Tells story of Irena Sendler who organized the rescue of 2,500 Jewish children during World War II, and the teenagers who started the investigation into Irena's heroism.

Irena Sendler and the Children of the Warsaw Ghetto Susan

Goldman Rubin 2011 She risked her life while helping to spirit Jewish children out of the Warsaw Ghetto during World War II.

I See You Clare Mackintosh 2017 When Zoe Walker sees her photo in the classifieds section of a London newspaper, she is determined to find out why it's there. There's no explanation: just a grainy image, a website address and a phone number. She takes it home to her family, who are convinced it's just someone who looks like Zoe. But the next day the advert shows a photo of a different woman, and another the day after that. Is it a mistake? A coincidence? Or is someone keeping track of every move they make ...

Irena Sendler Anna Mieszkowska 2011 This book offers the first English translation of the compelling heroine story of Irena Sendler, a Polish Catholic who organized the rescue of more than 2,500 Jewish children from the Warsaw ghetto during World War II. In the fall of 1999, four young girls from Kansas began research for a high school history project. The students were inspired by a magazine article about Irena Sendler, and after discovering that Sendler was still alive, they exchanged letters with her and eventually traveled to Poland to meet with her. The play the students wrote as a result of their research and multiple interviews spawned worldwide interest in the epic story of one person who managed to save the lives of 2,500 children in Poland under German occupation. This new translation brings the universally appealing story of Irena Sendler to an English-speaking audience for the first time. It contains moving accounts of courage and hope in the face of tremendous danger, cruelty, and terrifying uncertainty. It also portrays the unspeakable emotional distress suffered by the children's parents who chose to give them up, and communicates the decades of immense longing, loneliness, and guilt of the rescuees for having survived while their families did not. - Based on sound scholarship and research while also being easy to read and accessible to a wide readership - Provides a complete, chronological presentation of

Sendler's life, from her childhood, education, and wartime humanitarian efforts to her postwar experiences, including her professional and personal life and her visit to Israel - Presents unique information from letters and interviews with the now-elderly children Sendler rescued over 60 years ago, illuminating the dramatic influence she had upon their lives - Contains several sections written in the voice of Irena Sendler, resulting in a lively, conversational first-person narrative that gives a reading experience akin to sitting with Sendler and hearing her story firsthand

Beyond Courage Doreen Rappaport 2012-09-11 Recounts the efforts of Jews who organized others and sabotaged the Nazis during the Holocaust, including Georges Loinger who smuggled children from occupied France into Switzerland and four brothers who led refugees into the forest to build a village and an army.
