The Child in Time Ian McEwan 2011-02-08 A child's abduction sends a father reeling in this Whitbread Award-winning novel that explores time and loss with "narrative daring and imaginative genius" (Kirkus Reviews, starred review). Stephen Lewis, a successful author of children's books, is on a routine trip to the supermarket with his three-year-old daughter. In a brief moment of distraction, she suddenly vanishes—and is irretrievably lost. From that moment, Lewis spirals into bereavement that effects his marriage, his psyche, and his relationship with time itself: "It was a wonder that there could be so much movement, so much purpose, all the time. He himself had none at all." In *The Child in Time*, acclaimed author Ian McEwan "sets a story of domestic horror against a disorienting exploration in time" producing "a work of remarkable intellectual and political sophistication" that has been adapted into a PBS Masterpiece movie starring Benedict Cumberbatch (Kirkus Reviews, starred review). "A beautifully rendered, very disturbing novel." —Publishers Weekly

On Chesil Beach by Ian McEwan Laurie Clancy 2007

The Sacred and Profane Love Machine Iris Murdoch 1984-03-06 Swinging between his wife and his mistress in the sacred and profane love machine and between the charms of morality and the excitements of sin, the psychotherapist, Blaise Gavender, sometimes wishes he could divide himself in two. Instead, he lets loose misery and confusion and—for the spectators at any rate—a morality play, rich in reflections upon the paradoxes of human life and the nature of the battle between

sacred and profane love.

On Chesil Beach Ian McEwan 2009-02-24 NOW A MAJOR MOTION PICTURE The #1 bestselling author of *Saturday* and *Atonement* brilliantly illuminates the collision of sexual longing, deep-seated fears and romantic fantasy in his unforgettable, emotionally engaging novel. The year is 1962. Florence, the daughter of a successful businessman and an aloof Oxford academic, is a talented violinist. She dreams of a career on the concert stage and of the perfect life she will create with Edward, the earnest young history student she met by chance and who unexpectedly wooed her and won her heart. Edward grew up in the country on the outskirts of Oxford where his father, the headmaster of the local school, struggled to keep the household together and his mother, brain-damaged from an accident, drifted in a world of her own. Edward's native intelligence, coupled with a longing to experience the excitement and intellectual fervour of the city, had taken him to University College in London. Falling in love with the accomplished, shy and sensitive Florence--and having his affections returned with equal intensity--has utterly changed his life. Their marriage, they believe, will bring them happiness, the confidence and the freedom to fulfill their true destinies. The glowing promise of the future, however, cannot totally mask their worries about the wedding night. Edward, who has had little experience with women, frets about his sexual prowess. Florence's anxieties run deeper: she is overcome by conflicting emotions and a fear of the moment she will surrender herself. From the precise and intimate depiction of two young lovers eager to rise above the hurts and confusion of the past, to the touching story of how their unexpressed misunderstandings and fears shape the rest of their lives, *On Chesil Beach* is an extraordinary novel that brilliantly, movingly shows us how the entire course of a life can be changed--by a gesture not made or a word not spoken.

Ian McEwan: Sex, Death, and History Eluned Summers-Bremmer 2014-05-28 Ian McEwan's works have always shown an interest in the question of how fiction operates. This interest does not usually manifest on the formal level. A few of the early stories aside, his fictions are not formally

experimental. McEwan tends to opt for those reliable patternings of space, time and narrative progression that enable readers to trust the authorial environment sufficiently to identify with characters and become invested, to some extent, in what happens to them. Despite McEwan's commitment, by and large, to naturalistic means of telling a story, his later novels also demonstrate a concern with opacity, as characters often pursue courses of action for reasons that are unclear to them. Equally often, these actions bear some relation to the intrinsic opacity or enigma of one's sexual desires, one's relation to one's mortality, or one's relation to the actions of those human beings who have gone before one, as this book will show. It is this focus on enigma in McEwan's work, whether sexual, mortal, or historical, that lends it to a psychoanalytic reading such as the kind pursued in this book, because for psychoanalysis there is no such thing as full access to one's self or to one's feelings or motivations. Given that one's relation to history is also opaque in the sense that one grasps fully-or imagines one grasps fully-only those historical events which predate or otherwise excludes one, this study seeks historical reasons for why McEwan sometimes blocks readerly identification with characters in the early fiction. For these characters are also products of their environments, environments which the characters' relative opacity and unlikeability seems to offset and exaggerate or present in a manner showcased for one's judgment. And in this way the characters' environment is denaturalized, to say the least. This book reveals how all of these works explore, to some extent, the human tendency to act and feel, in particular situations, in profound contradistinction to how one might prefer to think one would. This failure to coincide with one's image of how one would have expected, or preferred, to behave-The Innocent's Leonard Marnham is not the cool, experienced lover of his imaginings, any more than Solar's Michael Beard is going to revamp his lifestyle or career-produces instances of affective or imaginative excess, troubling

images or feelings that can often only be allayed or dealt with by a further failure to coincide with one's desires. In this book, author Eluned Summers-Bremner shows that McEwan's interests in opacity not only become clear in significance and import but that his interests in human failure to coincide with one's views about the past and hopes for the future also appear as what they are: an ongoing concern with how one relates to the complex operation of human history.

First Love, Last Rites Ian McEwan 2011-02-11 Somerset Maugham Award winner: Dark early fiction by the author of *Nutshell*—"A splendid magician of fear" (*The Village Voice Literary Supplement*). Taut, brooding, and densely atmospheric, the stories here show us how murder can arise out of boredom, perversity from adolescent curiosity—and how sheer evil can become the solution to unbearable loneliness. These short fiction pieces from the early career of the New York Times–bestselling and Man Booker Prize–winning author of *Atonement* and *On Chesil Beach* are claustrophobic tales of childhood, twisted psychology, and disjointed family life as terrifying as anything by Stephen King—and finely crafted with a lyricism and an intensity that compels us to confront our secret kinship with what repels us. "A powerful talent that is both weird and wonderful." —*The Boston Sunday Globe* "Ian McEwan's fictional world combin[es] the bleak, dreamlike quality of de Chirico's city-scapes with the strange eroticism of canvases by Balthus. Menace lies crouched between the lines of his neat, angular prose, and weird, grisly things occur in his books with nearly casual aplomb." —*The New York Times*

The Sense of an Ending Julian Barnes 2011-10-05 BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting,

The Sense of an Ending has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

Black Dogs Ian McEwan 2011-02-02 Set in late 1980s Europe at the time of the fall of the Berlin Wall, this novel is the intimate story of the crumbling of a marriage, as witnessed by an outsider—from the Booker Prize winner and bestselling author of Atonement. Jeremy is the son-in-law of Bernard and June Tremaine, whose union and estrangement began almost simultaneously. Seeking to comprehend how their deep love could be defeated by ideological differences Bernard and June cannot reconcile, Jeremy undertakes writing June's memoirs, only to be led back again and again to one terrifying encounter forty years earlier—a moment that, for June, was as devastating and irreversible in its consequences as the changes sweeping Europe in Jeremy's own time. In a finely crafted, compelling examination of evil and grace, Ian McEwan weaves the sinister reality of civilization's darkest moods—its black dogs—with the tensions that both create love and destroy it. Don't miss Ian McEwan's new novel, Lessons.

The Cement Garden Ian McEwan 2011-02-08 Orphaned siblings create a macabre secret world for themselves in this “irresistibly readable” novel by the New York Times-bestselling author (The New York Review of Books). This “powerful and disconcerting” novel by the Booker Prize-winning author of The Children Act and Atonement (The Daily Telegraph) tells the story of a dying family who live in a dying part of the city. A father of four children decides, in an effort to make his garden easier to

control, to pave it over. In the process, he has a heart attack and dies, leaving the cement garden unfinished and the children to the care of their mother. Soon after, the mother too dies and the children, fearful of being separated by social services, decide to cover up their parents' deaths: they bury their mother in the cement garden. The story is told from the point of view of Jack, one of the sons, who is entering adolescence with all of its attendant curiosity and appetites. Julie, the eldest, is almost a grown woman. Sue is rather bookish and observes all that goes on around her. And Tom is the youngest and the baby of the lot. The children seem to manage in this perverse setting rather well—until Julie brings home a boyfriend who threatens their secret by asking too many questions. “[A] beautiful but disturbing novel.”—The AV Club “McEwan’s evocative detail and perfect British prose lend a genteel decorum to the death and decay that surround the family.”—The New Yorker

Rethinking Mimesis Saija Isomaa 2012-04-25 Literary mimesis is an age-old concept which has been variously interpreted and at times highly contested, and which has recently been brought back to the forefront of scholarly interest. The debate around mimesis has been reactivated by approaches that re-evaluate its meaning both in the ancient texts in which it first appeared, and in the contemporary discussions of the power of literary representation. This volume presents a selection of central contributions to both the theoretical debate on mimesis and to its up-to-date critical practice. This volume approaches mimesis by emphasising the principles of knowledge, understanding and imagination that have been associated with mimesis since Aristotle’s *Poetics*. The articles consider the various aspects of the concept throughout history, and explore the ways in which literature produces its peculiar reality effects and negotiates its relationship to value systems connecting it to the world of everyday experience and ethics, as well as to different ideologies, emotions, world views and fields of knowledge. Building on this rich theoretical background, the

articles examine the limits and possibilities of mimesis through detailed textual analyses that present acute challenges to our current understanding of literary representation.

The Savage Instinct Marjorie DeLuca 2021-03-30 "DeLuca keeps readers guessing. Minette Walters fans will be pleased." —Publishers Weekly (starred review) Perfect for fans of Margaret Atwood's *Alias Grace* and Hannah Kent's *Burial Rites*, this taut psychological thriller offers a delicious take on deviant and defiant Victorian women in a time when marriage itself was its own prison. Clara has two goals: to reunite with her husband, Henry, and to never—ever—return to the asylum. As she enters Durham, Clara finds her carriage surrounded by a mob gathered to witness the imprisonment of Mary Ann Cotton—England's first female serial killer—accused of poisoning nearly twenty people, including her husbands and children. Clara soon finds the oppressive confinement of her marriage no less terrifying than the white-tiled walls of Hoxton. And as she grows increasingly suspicious of Henry's intentions, her fascination with Cotton grows. Soon, Cotton is not just a notorious figure from the headlines, but an unlikely confidante, mentor—and perhaps accomplice—in Clara's struggle to protect her money, her freedom, and her life.

Lessons Ian McEwan 2022-09-13 NEW YORK TIMES BEST SELLER • A NEW YORKER ESSENTIAL READ • From the best-selling author of *Atonement* and *Saturday* comes the epic and intimate story of one man's life across generations and historical upheavals. From the Suez Crisis to the Cuban Missile Crisis, the fall of the Berlin Wall to the current pandemic, Roland Baines sometimes rides with the tide of history, but more often struggles against it. A BEST BOOK OF THE YEAR: Vogue • The New Yorker “Masterful.... McEwan is a storyteller at the peak of his powers.... One of the joys of the novel is the way it weaves history into Roland’s biography.... The pleasure in reading this novel is letting it wash over you.” —Associated Press

When the world is still counting the cost of the Second World War and the Iron Curtain has closed, eleven-year-old Roland Baines's life is turned upside down. Two thousand miles from his mother's protective love, stranded at an unusual boarding school, his vulnerability attracts piano teacher Miss Miriam Cornell, leaving scars as well as a memory of love that will never fade. Now, when his wife vanishes, leaving him alone with his tiny son, Roland is forced to confront the reality of his restless existence. As the radiation from Chernobyl spreads across Europe, he begins a search for answers that looks deep into his family history and will last for the rest of his life. Haunted by lost opportunities, Roland seeks solace through every possible means—music, literature, friends, sex, politics, and, finally, love cut tragically short, then love ultimately redeemed. His journey raises important questions for us all. Can we take full charge of the course of our lives without causing damage to others? How do global events beyond our control shape our lives and our memories? And what can we really learn from the traumas of the past? Epic, mesmerizing, and deeply humane, *Lessons* is a chronicle for our times—a

powerful meditation on history and humanity through the prism of one man's lifetime.

Indignation Philip Roth 2008-09-16 Against the backdrop of the Korean War, a young man faces life's unimagined chances and terrifying consequences. It is 1951 in America, the second year of the Korean War. A studious, law-abiding, intense youngster from Newark, New Jersey, Marcus Messner, is beginning his sophomore year on the pastoral, conservative campus of Ohio's Winesburg College. And why is he there and not at the local college in Newark where he originally enrolled? Because his father, the sturdy, hard-working neighborhood butcher, seems to have gone mad -- mad with fear and apprehension of the dangers of adult life, the dangers of the world, the dangers he sees in every corner for his beloved boy. As the long-suffering, desperately harassed mother tells her son, the father's fear arises from love and pride. Perhaps, but it produces too much anger in Marcus for him to endure living with his parents any longer. He leaves them and, far from Newark, in the midwestern college, has to find his way amid the customs and constrictions of another American world. *Indignation*, Philip Roth's twenty-ninth book, is a story of inexperience, foolishness, intellectual resistance, sexual discovery, courage, and error. It is a story told with all the inventive energy and wit Roth has at his command, at once a startling departure from the haunted narratives of old age and experience in his recent books and a powerful addition to his investigations of the impact of American history on the life of the vulnerable individual.

The Comfort of Strangers Ian McEwan 2011-02-08 A twisted relationship between two couples reaches a terrible climax in this novel by the New York Times-bestselling author of *Machines Like Me*. Colin and Mary are lovers on holiday in Italy, their relationship becoming increasingly problematic as they become increasingly alienated from one and other. They move from place to place in this foreign land but seemingly without aim or purpose, seemingly bored and without attachment. Then they meet a man named Robert and his disabled wife, Caroline. Colin and Mary seem happy for the diversion—happy to meet another couple that takes their focus off of each other for a while. But things become strange when they attempt to leave: Robert and Caroline insist that they stay with them for a while longer. While Mary and Colin do rediscover an erotic attraction to each other during this time, they also find that their relationship with Robert and Caroline is taking a dreadful and horrific turn, in this “fine novel” by the Booker Prize-winning author of *Saturday* and *On Chesil Beach* (New Statesman). “McEwan perfectly captures the thrill of travel when one is divorced from familiar surroundings and the chance of something unusual and out-of-character

seems possible. Of course, this being a McEwan fiction, the possibility is a brutal truth about how people find love in extreme ways.”—The Daily Beast

About Alice Calvin Trillin 2006-12-26 In Calvin Trillin's antic tales of family life, she was portrayed as the wife who had "a weird predilection for limiting our family to three meals a day" and the mother who thought that if you didn't go to every performance of your child's school play, "the county would come and take the child." Now, five years after her death, her husband offers this loving portrait of Alice Trillin off the page—his loving portrait of Alice Trillin off the page—an educator who was equally at home teaching at a university or a drug treatment center, a gifted writer, a stunningly beautiful and thoroughly engaged woman who, in the words of a friend, "managed to navigate the tricky waters between living a life you could be proud of and still delighting in the many things there are to take pleasure in." Though it deals with devastating loss, *About Alice* is also a love story, chronicling a romance that began at a Manhattan party when Calvin Trillin desperately tried to impress a young woman who "seemed to glow." "You have never again been as funny as you were that night," Alice would say, twenty or thirty years later. "You mean I peaked in December of 1963?" "I'm afraid so." But he never quit trying to impress her. In his writing, she was sometimes his subject and always his muse. The dedication of the first book he published after her death read, "I wrote this for Alice. Actually, I wrote everything for Alice." In that spirit, Calvin Trillin has, with *About Alice*, created a gift to the wife he adored and to his readers.

Machines Like Me Ian McEwan 2019-04-23 From the Booker Prize winner and bestselling author

of *Atonement*—“a sharply intelligent novel of ideas” (The New York Times) that asks whether a machine can understand the human heart, or whether we are the ones who lack understanding. Set in an uncanny alternative 1982 London—where Britain has lost the Falklands War, Margaret Thatcher battles Tony Benn for power, and Alan Turing achieves a breakthrough in artificial intelligence—*Machines Like Me* powerfully portrays two lovers who will be tested beyond their understanding. Charlie, drifting through life and dodging full-time employment, is in love with Miranda, a bright student who lives with a terrible secret. When Charlie comes into money, he buys Adam, one of the first generation of synthetic humans. With Miranda's assistance, he codesigns Adam's personality. The near-perfect human that emerges is beautiful, strong, and smart—and a love triangle soon forms. Ian McEwan's subversive, gripping novel poses fundamental questions: What makes us human—our outward deeds or our inner lives? Could a machine understand the human heart? This provocative and thrilling tale warns against the power to invent things beyond our control. Don't miss Ian McEwan's new novel, *Lessons*, coming in September!

My Purple Scented Novel Ian McEwan 2018-06-19 A jewel of a short story from the bestselling, award-winning author of *Atonement*—“*My Purple Scented Novel*” follows the perfect crime of literary betrayal, scrupulously wrought yet unscrupulously executed. Published to celebrate Ian McEwan's 70th birthday. “You will have heard of my friend the once celebrated novelist Jocelyn Tarbet, but I suspect his memory is beginning to fade. . . . You'd never heard of me, the once obscure novelist Parker Sparrow, until my name was publicly connected with his. To a knowing few, our names remain rigidly attached, like the two ends of a seesaw. His rise coincided with, though did not cause, my decline. . . . I don't deny there was wrongdoing. I stole a life, and I don't intend to give it back. You may treat these few pages as a confession.”

Henry Perowne, a successful neurosurgeon, stands at his bedroom window before dawn and watches a plane—ablaze with fire like a meteor—arcing across the London sky. Over the course of the following day, unease gathers about Perowne, as he moves among hundreds of thousands of anti-war protestors who've taken to the streets in the aftermath of 9/11. A minor car accident brings him into confrontation with Baxter, a fidgety, aggressive man, who to Perowne's professional eye appears to be profoundly unwell. But it is not until Baxter makes a sudden appearance at the Perowne family home that Henry's earlier fears seem about to be realized. . . .

The Inn at Lake Devine Elinor Lipman 2012-05-23 It was not complicated, and, as my mother pointed out, not even personal: They had a hotel; they didn't want Jews; we were Jews...It's the early 1960s and Natalie Marx is stunned when her mother inquires about vacation accommodations in Vermont and receives a response that says, "The Inn at Lake Devine is a family-owned resort, which has been in continuous operation since 1922. Our guests who feel most comfortable here, and return year after year, are Gentiles." So begins Natalie's fixation with the Inn and the family who owns it. And when Natalie finagles an invitation to join a friend on vacation there, she sets herself upon a path that will inextricably link her adult life into this peculiar family and their once-restricted hotel. The Inn at Lake Devine will enchant readers with the beguiling voice, elegant charm, and deft storytelling that have been hallmarks of Elinor Lipman's previous novels and have made her beloved by her fans. Her characters sparkle on the page and delight us with their wit and grace—even when anti-Semitism rears its head in Vermont and the tables are turned in the Catskills. Elinor Lipman is

the undisputed master of the art of screwball comedy.

On Chesil Beach Ian McEwan 2008-06-10 NATIONAL BESTSELLER • The Booker Prize winner and bestselling author of *Atonement* brilliantly illuminates the collision of sexual longing, deep-seated fears, and romantic fantasy on a young couple's wedding night. "No one now writing in English surpasses or even matches McEwan's accomplishment." —The Washington Post Book World It is 1962, and Florence and Edward are celebrating their wedding in a hotel on the Dorset coast. Yet as they dine, the expectation of their marital duties become overwhelming. Unbeknownst to them both, the decisions they make this night will resonate throughout their lives. With exquisite prose, Ian McEwan creates in *On Chesil Beach* a story of lives transformed by a gesture not made or a word not spoken. Don't miss Ian McEwan's new novel, *Lessons*.

Nutshell Ian McEwan 2016-09-13 NATIONAL BESTSELLER • A "suspenseful, dazzlingly clever and gravely profound" (The Washington Post) novel that brilliantly recasts Shakespeare and lends new weight to the age-old question of Hamlet's hesitation, from the Booker Prize winner and bestselling author of *Atonement*. Trudy has been unfaithful to her husband, John. What's more, she has kicked him out of their marital home, a valuable old London town house, and in his place is his own brother, the profoundly banal Claude. The illicit couple have hatched a scheme to rid themselves of her inconvenient husband forever. But there is a witness to their plot: the inquisitive, nine-month-old resident of Trudy's womb. As Trudy's unborn son listens, bound within her body, to his mother and his uncle's murderous plans, he gives us a truly new perspective on our world, seen from the confines of his. Don't miss Ian McEwan's new novel, *Lessons*, coming in September!
