Twinkle, Twinkle, Little Stars Gervase Phinn 2008-11-06 Twinkle, Twinkle Little Stars is the second delightful collection of stories and poems from Gervase Phinn. Following on from the terrific success of A Wayne in a Manger, Gervase Phinn has collected together from his bestselling Dales books his favourite stories about children, and included some poems from his popular Puffin poetry books. In this humorously illustrated book, the stories have one thing in common - the wonderfully funny (and usually innocent) things that children say. What makes Naomi's granny wobble? What's the secret ingredient in Richard's jam tarts? What is Billy's unconventional method for making babies? Whether they are stories about children who cannot read very well but know the names of many breeds of sheep or children who are more privileged (coming to school in a Wolls-Woyce), they are simply delightful. Twinkle, Twinkle Little Stars is a heart-warming book will enchant you, as Gervase Phinn helps you look at life through a child's eyes - and that's quite a special thing. 'Gervase Phinn's memoirs have made him a hero in school staff-rooms' Daily Telegraph Gervase Phinn is an author and educator from Rotherham who, after teaching for fourteen years in a variety of schools, moved to North Yorkshire to be a school inspector. A Load of Old Tripe Gervase Phinn 2009-11-05 For eleven-year old James Joseph Johnson (or Jimmy for short) life is not always straightforward. In fact, things can be quite complicated, and don't always turn out as he'd planned . . . Born in 1946, Jimmy lives with his Mum and Dad in a shiny red brick terraced house in South Yorkshire near the steel works. Sometimes the air is thick and metallic tasting, with bits of soot floating around like little black snowflakes. Despite all this, Jimmy wouldn't want to live anywhere else. His very best friend, Ignatius Plunkett, is a scrawny boy with a sharp beak of a nose, ears like jug handles and a mop of jet black hair. Micky is his rather 'posh' friend from the big houses down the road. The boys get into a few scrapes in the year leading up to the eleven-plus exams, but will they come out on top in the end? Will Jimmy survive a week looking after Butch, the temperamental, barrel-bodied bull terrier? Will the truth about the trip to buy Dad's tripe ever come out? What really happens to Jimmy's Mum's coffee and walnut cake, and will the mystery of the missing locket ever get solved?

Dominic's Discovery Gervase Phinn 2004-03-04 Dominic's middle name is trouble, but not because he's got a troublesome nature, but quite simply because he's ALWAYS in the wrong place at the wrong time. So it's not surprising that he's only allowed on the school trip to Thundercliff Bay - home to pirate legend, chilling ghost stories and lost treasure - by the skin of his teeth. Or that strict Mr Risley-Newsome, who has his beady eye on him, makes him stay at the youth hostel for forgetting his walking boots. What is surprising is that a very special discovery made by Dominic saves the day when the whole class is in serious danger, and proves to everyone that sometimes he can be in the right place at the right time.

Bananas in My Ears Michael Rosen 2012 From the chaos of breakfast to the calm of bedtime, this whimsical collection, pairing two former British Laureates, is full of delightful moments. Full color.

Teaching Poetry in the Primary Classroom Gervase Phinn 2009-01-05 When asked by the school inspector what he thought of poetry, an eleven year old replied that "it's all la-dida and daffodils, isn't it?" In his primary school the boy had come across very little poetry apart from nursery rhymes, snatches of rhyming verse and a few comic pieces and nonsense poems. Poetry to him was something arcane, not really related to his own life. He had studied no powerful, challenging, contemplative, arresting, quirky poems and had written very few poems himself. His teacher admitted that he was no English specialist, had received few ideas at college on the teaching of poetry and didn't really know where to start. As children progress through the primary school they need to be exposed to a rich diet of poetry and encouraged to read, perform and write it themselves. Providing a varied and stimulating environment is essential if it is to flourish. In addition, children need specific guidance and ideas to start them off writing their own poems. This book, written by a former teacher and school inspector, and popular and widely published children's poet, offers an accessible, practical and structured programme for the teaching of this sometimes neglected aspect of the English curriculum.

Head Over Heels in the Dales Gervase Phinn 2003-03-06 Head Over Heels in the Dales is the third volume in Gervase Phinn's bestselling Dales Series 'Could you tell me how to spell "sex" please?' Gervase Phinn thinks he's heard just about everything in his two years as a school inspector, but a surprising enquiry from an angelic six-year-old reminds him never to take children for granted. This year Gervase has lots of important things on his mind - his impending marriage to Christine Bentley (the prettiest headteacher for miles around), finding somewhere idyllic to live in the Yorkshire Dales, and the chance of a promotion. All of which generate their fair share of excitement, aided and abetted as usual by his colleagues in the office. In Head Over Hells in the Dales, join Gervase Phinn in the classroom where he faces his greatest challenge: keeping a straight face as teachers and children alike conspire to have him laughing out loud. 'Gervase Phinn's memoirs have made him a hero in school staff-rooms' Daily Telegraph Gervase Phinn is an author and educator from Rotherham who, after teaching for fourteen years in a variety of schools, moved to North Yorkshire to be a school inspector. He has written autobiographies, novels, plays, collections of poetry and stories, as well as a number of books about education. The Heart of the Dales Gervase Phinn 2008-06-26 Gervase Phinn is back with his tales of life as a schools inspector in Yorkshire. His colourful cast of characters have now become firm favourites - the mostly mad staff at County Hall as well as the children themselves who find ways of embarrassing the school inspectors with innocent ease. We reconvene with Christine Bentley, head teacher of Winnery Nook School and now Gervase's wife and mother of their son, the well-named Mrs Savage and not forgetting the Queen of Clean - Connie. Gervase Phinn has an extraordinary talent to entertain, and the latest instalment to the Dale Series is heart-warming, wry and will make you laugh out loud.

Bad Becky Gervase Phinn 2004-08-05 Bad Becky is cheeky, opinionated and always in some kind of trouble. But you can't help loving her! I mean wouldn't you rather hear a story about a princess who gets gobbled up by the dragon rather than another soppy one where the prince saves the Princess? The first book in a wickedly funny new series for readers gaining confidence. Bad Becky's got attitude!

Discover some wonderfully funny and touching nativity play anecdotes, including children forgetting their lines, ad-libbing, falling of the stage, picking their noses and showing their knickers. One brilliant anecdote tells of an innkeeper who generously says there's plenty of room for Mary and Joseph, while another child, jealous of Joseph's starring role, allows Mary to come in but not Joseph, who can 'push off' ... Travels in West Africa Mary Kingsley 2019-06-27 Mary Henrietta Kingsley was an English ethnographic and scientific writer and explorer whose travels throughout West Africa and resulting work helped shape European perceptions of African cultures and British imperialism. After a preliminary visit to the Canary Islands, Kingsley decided to travel to the west coast of Africa. The only non-African woman who regularly embarked on (often dangerous) journeys to Africa were usually the wives of missionaries, government officials, or explorers. Exploration and adventure were not seen as fitting roles for women in the Victorian era. Yet, when Mary Kingsley's invalid parents died within six weeks of each other, she followed in her explorer father's footsteps and traveled to Africa against her society's every convention. Here is her lively and witty account of that journey, an immediate bestseller when it first came out in 1897 and every bit as gripping today. Kingsley's complicated and indomitable character shines through in each sentence, as she describes hacking, marching, and climbing her way through the continent. After more than a century, she remains a feminist icon and a most remarkable woman.
