Cold-Case Christianity J. Warner Wallace 2013-01-01 Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Knight Christopher Gravett 2008-03-18 The traditional “knight in shining armor” has become a staple figure in popular culture and the images of bloody battlefields, bustling feasting halls and courtly tournaments have been creatively interpreted many times in film and fiction. But what was the knight truly like? The world of the English Medieval Knight was complex, and ever-changing. From the household of King John to the defenders of Elizabeth I, there was great change in the social standing of knights, their equipment and appearance, and their involvement in politics and warfare. An expert on Medieval military history Christopher Gravett describes how the knight evolved over four centuries of English and European history, the wars they fought, their lives in peacetime and on campaign, the weapons they fought with, the armor and clothing they wore and the fascinating code and mythology of chivalry. The text is richly illustrated with images ranging from manuscript illustrations to modern artwork reconstructions, and many photographs of historic artifacts and sites.

Dateline Jerusalem Chris Mitchell 2013-09-24 History's final chapter will be written in Jerusalem. When an Iranian president thunders a murderous threat or an obscure Turkish drunkard has a dream in Mecca or a Jewish couple from Brooklyn lands at Tel Aviv's Ben Gurion airport, these events might seem disconnected. But they're not. In *Dateline Jerusalem*, CBN News correspondent Chris Mitchell connects the dots and unveils Jerusalem as the epicenter and crossroads of the spiritual, political, and, yes, supernatural worlds. For thousands of years, Jerusalem's powerful draw has always transcended simple economics, military strategy, and religious affiliation. In our own time, as the Arab Spring threatens to become an Islamic Winter, one commentator warns: "The Arab Spring doesn't lead to democracy, it leads to Jerusalem." Indeed, the fragile peace of Israel is in new peril as violent Islamic factions vie for control of surrounding nations. Yet Muslims are converting to Christianity in record numbers. *Dateline Jerusalem* untangles and chronicles all this through the riveting narrative of a Christian reporter in the upheaval of the modern Fertile Crescent. We live in a world where we cannot afford to be ill informed. What happens in the strategic Middle East, Israel, and Jerusalem is critical. It matters to you. Today's news might focus on Washington, New York, London, or Moscow, but history's final chapter will be written in Jerusalem. Chris Mitchell's firsthand experiences and reporting uniquely qualify him to expound on and explain the major trends and developments sweeping the Middle East and affecting the world. Mitchell has served as the bureau chief for CBN News since August 2000.

Walking with God Mindy Ferguson 2014-07-10 *Walking with God: Living the Promised Life* is a ten week in-depth Bible study of the book of Joshua in workbook format. God promised the Israelites an inheritance in the land of Canaan. But they had to leave Egypt behind and walk with Him into the their land of promise. Joshua was their leader. Through this study, you will witness his victories and his defeats, and you will discover what made the difference. Sometimes he followed God obediently and without question. Other times, he chose his own way. Each decision impacted the Israelites journey. As a believer in Christ, you are guaranteed an eternal Promised Land in heaven, but God has also given you a designated territory on earth where you can flourish and use your gifts and talents for His glory along the way. Joshua's journey represents ours as we walk with God through this life en roue to our eternal Promised Land. Walking with God means living your faith. It is trusting in Him and Him alone. It is seeing giants, but stepping confidently into the future because you believe the promises of Christ. Walking with God is the difference between slavery to sin, and freedom in Christ.
