boyfriend, sultry expat Lily is left wondering if je t'aime still exists. Instead of crying into her glass of wine, she decides to heal her bruised ego and quash her romantic doubts with a carefree summer fling . . . or as the French call it: une aventure.

Supported by her faithful friends and trusty Saint Amour wine, Lily embarks on her presumably easy quest. Little does she know what-or whom-this adventure has in store! Rather than guide her into the arms of a perfect summer amoureux, the sexy streets of Paris lead her from one impossible candidate to another: disappearing foxy Frenchmen, unavailable Latino heartthrobs, overly-mysterious world travelers, mistress-hunting married men, and not-so-single amnesiacs-oh la la! As her amorous mishaps accumulate, Lily gradually re-evaluates her strategy. But will her good intentions be enough to lead her to the right homme . . . one who might last out the summer-and maybe even beyond? Or will she continue to get embroiled in more mesaventure? This novelized memoir tells the tantalizingly true romantic odyssey of a 21st-Century young woman caught in the mire of desires-which is only intensified by the passion of Paris.

In Her Footsteps Lonely Planet 2020-02-01 Discover the lives and locations of trailblazing women who changed the course of history as you journey to the heart of women's activism, history and creativity through the ages. From the temple of Queen Hatshepsut in Egypt and Empress Dowager Cixi's summer palace in Beijing, to the homes and meeting sites of suffragette heroes Sylvia Pankhurst and Elizabeth Cady Stanton, the creative workrooms of Frida Kahlo and Virginia Woolf, and the tennis courts where the Williams sisters first learned to play - we showcase female pioneers whose lives and actions continue to inspire today. In Her Footsteps is not only a celebration of incredible women, but a travel guide to the places where they studied, lived, worked, reigned and explored. We'll tell you where to find the secret feminist history of sites around the world.

You Had Me at Pet-Nat Rachel Signer 2021-10-19 From the publisher of Pipette Magazine, discover a natural wine-soaked memoir about finding your passion—and falling in love. It was Rachel Signer's dream to be that girl: the one smoking hand-rolled cigarettes out the windows of her 19th-century Parisian studio apartment, wearing second-hand Isabel Marant jeans and sipping a glass of Beaujolais redolent of crushed roses with a touch of horse mane. Instead she was an under-appreciated freelance journalist and waitress in New York City, frustrated at always being broke and completely miserable in love. When she tastes her first pétillant-naturel (pét-nat for short), a type of natural wine made with no additives or chemicals, it sets her on a journey of self-discovery, both deeply personal and professional, that leads her to Paris, Italy, Spain, Georgia, and finally deep into the wilds of South Australia and which forces her, in the face of her "Wildman," to ask herself the hard question: can she really handle the unconventional life she claims she wants? Have you ever been sidetracked by something that turned into a career path? Did you ever think you were looking for a certain kind of romantic partner, but fell in love with someone wild, passionate and with a completely different life? For Signer, the discovery of natural wine became an introduction to a larger ethos and philosophy that she had long craved: one rooted in egalitarianism, diversity, organics, environmental concerns, and ancient

traditions. In *You Had Me at Pét-Nat*, as Signer begins to truly understand these revolutionary wine producers upending the industry, their deep commitment to making their wine with integrity and with as little intervention as possible, she is smacked with the realization that unless she faces, head-on, her own issues with commitment, she will not be able to live a life that is as freewheeling, unpredictable, and singular as the wine she loves.

hardback. From family-friendly, sightseeing urban rides to epic adventures off the beaten track. Destinations range from France and Italy, for the world's great bike races, to the wilds of Mongolia and Patagonia. These journeys will inspire - whether you are an experienced cyclist or just getting started. The book is organised by continent. In the Americas we join a family bikepacking trip in Ecuador; we pedal the Natchez Trace Parkway and stop at legendary music spots; we ride the Pacific Coast Highway in Oregon and California; go mountain biking in Moab and Canada; and explore the cities of Buenos Aires and New York by bicycle. European rides include easy-going trips around Lake Constance, along the Danube and the Loire, and coast-to-coast routes; routes in Tuscany, Spain and Corsica; and professional journeys up Mt Ventoux and around the Tour of Flanders. In Asia, we venture through Vietnam's valleys; complete the Mae Hong Son circuit in northern Thailand; cross the Indian Himalayas; and pedal through Bhutan. And in Australia and New Zealand we take in Tasmania and Queensland by mountain bike; cycle into Victoria's high country and around Adelaide on road bikes; and try some of New Zealand's celebrated cycle trails. Each ride is illustrated with stunning photography and a map. A toolkit of practical details - where to start and finish, how to get there, where to stay and more - helps riders plan their own trips. There are also suggestions for three more similar rides around the world for each story. Each piece shows how cycling is a fantastic way to get to know a place, a people and their culture. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, gift and lifestyle books and stationery, as well as an award-winning website, magazines, a suite of mobile and digital travel products, and a dedicated traveller community.
